2025 Highlights¹

In 2025, we generated record distributable earnings before realizations of \$5.4 billion, or \$2.27 per share, representing 11% growth per share over the prior year. Earnings benefited from continued fundraising momentum and capital deployment in our asset management business, strong investment performance and continued growth of the insurance asset base in our wealth solutions business, and growing cash flows across our operating businesses.

Our asset management business generated \$2.8 billion, or \$1.17 per share, of distributable earnings for the year, supported by strong fundraising momentum across our flagship and complementary strategies. Total fundraising for the year was \$112 billion, driven by complementary strategies and strong flagship fundraising, including the final closes of our energy transition and opportunistic credit strategies, as well as our largest opportunistic real estate strategy raised to date. Fee-bearing capital increased by 12% to \$603 billion, leading to 22% growth in fee-related earnings compared to the prior year. With strong fundraising visibility, including the launch of our latest flagship private equity fund and our inaugural AI infrastructure fund, we are well positioned to deliver another year of meaningful growth.

Our wealth solutions business generated distributable earnings of \$1.7 billion, or \$0.71 per share, for the year supported by strong investment performance and continued expansion of the insurance asset base. Retail and institutional annuity sales totaled \$20 billion for the year, increasing insurance assets to \$143 billion, with 85% of annuities written during the year having a term of five years or longer. We continued to improve the performance of our property and casualty insurance business by focusing on a more targeted set of specialty lines, which drove a 73% increase in underwriting profitability over the prior year and contributed to a reduction in the overall cost of our insurance liabilities. During the year, we deployed \$13 billion into Brookfield-managed strategies across our investment portfolio at an average yield of 8.5%. Several key strategic initiatives were achieved in 2025, including the announced acquisition of Just Group in the U.K., which closed in April 2026, and entering the Japanese market. We ended the year with \$12.7 billion of book equity, which generates \$1.9 billion of annualized cashflows today, supporting a 15% return on equity and valued by us at ±\$28 billion.

Our operating businesses delivered strong cash flows, generating distributable earnings of \$1.6 billion, or \$0.68 per share, for the year, with cash distributions supported by the strong operating earnings of our energy, infrastructure and private equity businesses. Operating fundamentals across our real estate portfolio continue to strengthen, with our super core assets ending the year at 96% occupancy and our core plus portfolio at 95%. We had a strong year of leasing activity, signing 27 million square feet of office and retail space, underpinned by long-term commitments from large, creditworthy tenants, including Visa and Moody’s.

During the year, we advanced a record \$91 billion of asset sales across the business, reflecting the return of transaction activity across most asset classes, supported by improved market sentiment and strong buyer demand for high-quality, cash-generative businesses. At year end, accumulated unrealized carried interest was \$11.6 billion. We recognized approximately \$560 million of net realized carried interest into income in 2025, and with continued progress in returning capital to investors

¹ We disclose a number of financial measures in this Circular that are calculated and presented using methodologies other than in accordance with IFRS Accounting Standards, as well as certain forward-looking information and forward-looking statements in accordance with Canadian and U.S. securities laws, as applicable. See the “Cautionary Statement Regarding the Use of Non-IFRS Measures and Forward-Looking Statements” on page 77 of this Circular.

and an active pipeline of monetizations, we are well positioned to realize significant carried interest into income over the next three years.

Our financial strength enabled us to continue to opportunistically repurchase our shares at a significant discount to our view of intrinsic value. In 2025, we repurchased over \$1 billion of shares in the open market at an average price of \$36 per share. We have continued to actively repurchase shares in 2026, including \$460 million through mid-May, further increasing intrinsic value per share.

In addition to generating solid financial results, our balance sheet remains conservatively capitalized with high levels of liquidity. We maintained strong access to the capital markets, executing on approximately \$175 billion of financings across the franchise.

Our shares generated a 21% total return in 2025. Over the past 30+ years, we have delivered a 19% compound annual return — equivalent to \$1 million invested in BN growing to \$285 million by year-end 2025.

Corporate Simplification Transaction

Five years ago, we established BWS, our investment-led insurance business. From the outset, our objective has been to build a business that serves the interests of policyholders, delivers attractive risk adjusted returns, and generates a durable 15%+ return on our equity through economic cycles.

Our strategy, which remains unchanged, is to source predictable, low-risk liabilities and earn our extra returns by drawing on our differentiated core competencies across real assets to invest a portion of the capital into real-asset credit and equity. Over that time, we have made meaningful progress by methodically scaling the business while maintaining a low operating risk profile. With our recent acquisition of Just Group in the U.K., we are now a global platform compounding capital at attractive rates while maintaining the same conservative risk profile that has defined Brookfield for decades.

Our formula for profitable growth is to invest in the real assets where we have operating skills and can use our scale to generate attractive risk-adjusted returns through cycles. Fortunately, a number of these are expected to benefit from some of the greatest investment opportunities ever in the years ahead. We conservatively finance our business with the lowest cost of capital available in our markets, further enhancing our ability to generate strong and durable returns on equity.

In 2021, we launched our insurance business by spinning off BWS from BN. In doing so, we used the same pairing structure that we have used for our other listed partnerships, and BWS became a “paired entity” to BN, which enabled it to continue benefiting from BN’s permanent capital base and investing capabilities. Financed with entirely our own capital, we have been building BWS adopting the same patience, discipline and value-oriented approach that has defined our success over many decades.

This structure, combined with our proven strategy for scaling businesses, has served BWS very well to date. Over the past five years, our insurance business has accumulated close to \$30 billion of capital and utilized that capital to grow its asset base to close to \$200 billion while exceeding investment expectations on our invested capital.

Over the last 18 months, a number of measures have been pursued to streamline the corporate structures across Brookfield. With the increasing prominence of index investing, simpler structures with larger market capitalizations are now the most effective way to position our businesses.

Our confidence in this trend has been supported further by the successful combination earlier this year of Brookfield Business Partners L.P. and its paired entity, Brookfield Business Corporation (“BBUC”), into one publicly-traded Canadian corporation, BBUC. Strong shareholder support and a positive market response to this BBUC combination reinforced our view that one entity both maximizes index inclusion and results in simpler, more streamlined ownership structures. Following the success of BBUC, our infrastructure and energy paired companies recently announced that they too are reviewing their corporate structures with the goal of exploring whether a single combined security for each entity will improve accessibility and liquidity, while retaining their structures’ current key benefits.

Equally as important, we believe that to keep growing and maximize returns, while maintaining a low risk profile, combining BN and BWS is optimal. With direct access to BN’s permanent capital base – approximately \$145 billion of incremental cash, equities, real estate and other investments – our insurance operations will be afforded enhanced capital efficiency and

flexibility, enabling us to optimize our capital structure to support the continued expansion of the business over the long term. Simply stated, few other insurance businesses in the world have access to this scale of excess capital to add to their equity base. This will enable us to grow more, or reduce our risk.

The process of combining the businesses will entail BN folding into the insurance business. The result will be a new parent company, Brookfield Corporation Ltd. (“New BN”), listed on the New York Stock Exchange (“NYSE”) and the Toronto Stock Exchange (“TSX”) under the symbol “BN”. New BN will own both present BN and BWS businesses, giving investors direct ownership of the combined business and implementing the optimal ownership structure for the global business going forward.

The transaction will mark the next evolution of Brookfield’s business as a fully-integrated insurance and investment organization and is expected to position the integrated business to drive long-term value for shareholders.

Board Developments

On February 11, 2026, Justin B. Beber stepped aside to enable Mr. Ang Eng Seng to be appointed to the Board. As Chief Operating Officer, Mr. Beber will continue doing everything he does for us.

The Board remains focused on driving the strategic direction for the business across its market leading businesses and evaluating what’s next, with a view to further enhance returns for shareholders.

Shareholder Meeting

Please take time to read our Circular and determine how you will vote your shares. Your participation in our meeting is important to us and we encourage your engagement in this important process.

On behalf of the Board, I express our appreciation for your continued faith in us. We look forward to having you join us on July 16th.

Yours truly,

“Frank J. McKenna”

PART ONE – VOTING INFORMATION

This Management Information Circular (“Circular”) is provided in connection with the solicitation by management of Brookfield Corporation (“BN,” “we,” or “our” and any reference to “Brookfield” shall include BN and Brookfield Asset Management Ltd. (“BAM”), collectively unless the context requires otherwise) of proxies for the Annual and Special Meeting of Shareholders of BN (the “meeting”) referred to in BN’s Notice of Annual and Special Meeting of Shareholders and Availability of Investor Materials dated June 5, 2026 (the “Notice”) to be held in a virtual meeting format only, **on Thursday, July 16, 2026 at 10:30 a.m. (Toronto time)**. The meeting will be broadcast live by audio webcast. See “Q&A on Voting” on page 2 of this Circular for further information.

This solicitation will be made primarily by sending proxy materials to shareholders by mail and email, and in relation to the delivery of this Circular, by posting this Circular on our website at <https://bn.brookfield.com> under “News & Events — Events”, on our System for Electronic Data Analysis and Retrieval + (“SEDAR+”) profile at www.sedarplus.ca and on our Electronic Data Gathering, Analysis, and Retrieval system (“EDGAR”) profile at www.sec.gov/edgar pursuant to Notice and Access. See “Notice and Access” below for further information. Proxies may also be solicited personally or by telephone by regular employees of BN at nominal cost. The cost of solicitation will be borne by BN.

The information in this Circular is given as at May 28, 2026, unless otherwise indicated. BN completed a three-for-two stock split on October 9, 2025. By way of a stock dividend, shareholders received one-half of a Class A Limited Voting Share of BN (“Class A Share”) for each Class A Share and Class B Limited Voting Share of BN (“Class B Share”) held (i.e., one additional share for every two shares held) (the “BN stock split”). On October 9, 2025, Brookfield Wealth Solutions Ltd. (“BWS”) completed a three-for-two stock split of its class A exchangeable limited voting shares (“BWS Class A Shares”) and class B limited voting shares (“BWS Class B Shares”), implemented by way of a subdivision whereby each shareholder received one-half of a BWS Class A Share for each BWS Class A Share held or one-half of a BWS Class B Share for each BWS Class B Share held (i.e., one additional share for every two shares held) (the “BWS stock split” and, together with the BN stock split, the “stock split”). Where applicable, references in this Circular to a number of Class A Shares, BWS Class A Shares, DSUs, Restricted Shares, Preferred Share Interests, options and Escrowed Shares have been adjusted to give retroactive effect to the stock split, unless otherwise indicated. As BN operates in U.S. dollars and reports its financial results in U.S. dollars, all financial information in this Circular is denominated in U.S. dollars, unless otherwise indicated. All references to £ are to British pound sterling and all references to C\$ are to Canadian dollars. For comparability, all Canadian dollar amounts in this Circular have been converted to U.S. dollars at the average exchange rate for 2025 as reported by Bloomberg L.P. (“Bloomberg”) of C\$1.00 = US\$0.7159, unless otherwise indicated.

Who Can Vote

As at May 28, 2026, BN had 2,451,086,268 Class A Shares and 85,120 Class B Shares outstanding. The Class A Shares are co-listed on the New York Stock Exchange (“NYSE”) and the Toronto Stock Exchange (“TSX”) under the symbol “BN”. The Class B Shares are all privately held (see “Principal Holders of Voting Shares” on page 7 of this Circular for further information). Each registered holder of record of Class A Shares and Class B Shares as at the close of business on Friday, May 29, 2026 (the “Record Date”) is entitled to receive notice of and to vote at the meeting. Except as otherwise provided in this Circular, each holder of a Class A Share or Class B Share on such date shall be entitled to vote on all matters to come before the meeting or any adjournment thereof, either in person or by proxy.

The share conditions for the Class A Shares and Class B Shares provide that, subject to applicable law and in addition to any other required shareholder approvals, all matters to be approved by shareholders (other than the election of directors) must be approved by a majority of the votes cast by the holders of Class A Shares and by the holders of Class B Shares who vote in respect of the resolution, each voting as a separate class.

Holders of Class A Shares are entitled, as a class, to elect one-half of the board of directors of BN (the “Board” or “Board of Directors”), and holders of Class B Shares are entitled, as a class, to elect the other one-half of the Board. See “Election of Directors” on page 9 of this Circular for further information.

Notice and Access

BN is using the Notice and Access provisions of National Instrument 54-101 — *Communication with Beneficial Owners of Securities of a Reporting Issuer* and National Instrument 51-102 — *Continuous Disclosure Obligations* (“Notice and

Access”) to provide meeting materials electronically for both registered and non-registered shareholders. Instead of mailing meeting materials to shareholders, BN has posted this Circular and form of proxy on its website at <https://bn.brookfield.com> under “News & Events — Events”, in addition to posting it on SEDAR+ at www.sedarplus.ca and EDGAR at www.sec.gov/edgar. BN has sent the Notice and a form of proxy or voting instruction form (collectively, the “Notice Package”) to all shareholders informing them that this Circular is available online and explaining how this Circular may be accessed. BN will not directly send the Notice Package to non-registered shareholders. Instead, BN will pay Intermediaries (as defined on page 3 of this Circular) to forward the Notice Package to all non-registered shareholders.

BN has elected to utilize Notice and Access because it allows for a reduction in the use of printed paper materials, and is therefore consistent with BN’s philosophy towards sustainability. Accordingly, adopting Notice and Access has significantly lowered printing and mailing costs associated with BN’s shareholder meetings.

Registered and non-registered shareholders who have signed up for electronic delivery of this Circular and BN’s Annual Report dated March 17, 2026 (which includes management’s discussion and analysis and consolidated financial statements for the fiscal year ended December 31, 2025) (the “Annual Report”) will continue to receive them by email. No shareholders will receive a paper copy of this Circular unless they contact BN at 1-866-989-0311 or bn.enquiries@brookfield.com, in which case BN will mail this Circular within three business days of any request, provided the request is made ***before*** the date of the meeting or any adjournment thereof. We must receive your request before 5:00 p.m. (Toronto time) on June 30, 2026 to ensure you will receive paper copies in advance of the deadline to submit your vote. If your request is made after the meeting and within one year of this Circular being filed, BN will mail this Circular within 10 calendar days of such request.

Registered shareholders and duly appointed proxyholders will be able to attend the virtual meeting, submit questions and vote in real time, provided they are connected to the internet, have a control number and follow the instructions in the Circular. Shareholders who wish to appoint a person other than the management nominees identified in the form of proxy or voting instruction form (including a non-registered shareholder who wishes to appoint themselves to attend the virtual meeting) must carefully follow the instructions in the Circular and on their form of proxy or voting instruction form. These instructions

Am I a registered shareholder or a non-registered shareholder?

Registered shareholders have a share certificate or Direct Registration System statement issued in their name or appear as the registered shareholder on the books of BN.

Non-registered shareholders are beneficial owners of shares of BN that are not registered shareholders. In many cases, Class A Shares that are beneficially owned by a non-registered shareholder are registered either:

- a. in the name of an intermediary such as a bank, trust company, securities dealer, broker or other intermediary (each, an “Intermediary” and collectively, “Intermediaries”) with whom the non-registered shareholder maintains an account, or a trustee or administrator of self-administered RRSPs, RRIFs, RESPs and similar plans; or
- b. in the name of a depository such as CDS Clearing and Depository Services Inc. (“CDS”) or the Depository Trust Company (“DTC”), of which the Intermediary is a participant.

If you are a non-registered shareholder and your shares are held in the name of an Intermediary, see “If my shares are not registered in my name but are held in the name of an Intermediary, how do I vote my shares?” on page 6 of this Circular for voting instructions.

If you are not sure whether you are a registered or non-registered shareholder, please contact the Transfer Agent.

How do I vote?

Holders of Class A Shares and holders of Class B Shares can vote in one of two ways, as follows:

- by submitting your voting instructions prior to the meeting, or
- during the meeting by online ballot through the live webcast platform.

What if I plan to attend the meeting and vote by online ballot?

If you are a registered shareholder or a duly appointed proxyholder (including non-registered shareholders who have duly appointed themselves as proxyholder by following the instructions under the heading “If my shares are not registered in my name but are held in the name of an Intermediary, how do I vote my shares?” on page 6 of this Circular), you can attend and vote during the meeting by completing an online ballot through the live webcast platform. Guests (including non-registered shareholders who have not duly appointed themselves as proxyholder) can log into the meeting. Guests will be able to listen to the meeting but will not be able to ask questions or vote during the virtual meeting.

The 13 digit control number located on the form of proxy or in the email notification you received from the Transfer Agent is your control number. If you use your control number to log in to the meeting, any vote you cast at the meeting will revoke any proxy you previously submitted. If you do not wish to revoke a previously submitted proxy, you should not vote during the meeting.

Who is soliciting my proxy?

The proxy is being solicited by management of BN and the associated costs will be borne by BN.

What happens if I sign the proxy sent to me?

Signing the proxy appoints Frank J. McKenna or Brian D. Lawson, each of whom is a director of BN, or another person you have appointed, to vote or withhold from voting your shares at the meeting.

²Attention: Proxy Department, P.O. Box 721, Agincourt, Ontario M1S 0A1

Can I appoint someone other than these directors to vote my shares?

Yes, you may appoint another person or company other than the BN directors named on the form of proxy or voting instruction form to be your proxyholder. Write the name of this person (or company) in the blank space on the form of proxy or voting instruction form. The person you appoint does not need to be a shareholder. Please make sure that such other person you appoint is attending the meeting and knows he or she has been appointed to vote your shares. You will need to complete the additional step of registering such proxyholder with the Transfer Agent after submitting the form of proxy or voting instruction form. See “If my shares are not registered in my name but are held in the name of an Intermediary, how do I vote my shares?” on page 6 of this Circular for instructions on registering your proxy with the Transfer Agent.

What do I do with my completed form of proxy?

Return it to the Transfer Agent in the envelope provided to you by mail, by fax at (416) 607-7964 or scan and send by email to proxyvote@tmx.com no later than 5:00 p.m. (Toronto time) on **Tuesday, July 14, 2026**, which is two business days before the day of the meeting.

Can I vote by Internet in advance of the meeting?

Yes. If you are a registered shareholder, go to www.meeting-vote.com and follow the instructions on this website. You will need your control number (located on the form of proxy) to identify yourself to the system. You must submit your vote by no later than 5:00 p.m. (Toronto time) on **Tuesday, July 14, 2026**, which is two business days before the day of the meeting.

If you are a non-registered shareholder and your Intermediary makes this option available, go to www.proxyvote.com and follow the instructions on this website. You will need your control number (located on the voting instruction form) to identify yourself to the system. You must submit your vote by no later than 5:00 p.m. (Toronto time) on **Monday, July 13, 2026**, which is one business day before the proxy deposit date of July 14, 2026. Refer to the instructions on your voting instruction form for more details.

If I change my mind, can I submit another proxy or take back my proxy once I have given it?

Yes. If you are a registered shareholder, you may deliver another properly executed form of proxy with a later date to replace the original proxy in the same way you delivered the original proxy. If you wish to revoke your proxy, prepare a written statement to this effect signed by you (or your attorney as authorized in writing) or, if the shareholder is a corporation, under its corporate seal or by a duly authorized officer or attorney of the corporation. **This statement must be delivered to the Corporate Secretary of BN at the address below no later than 5:00 p.m. (Toronto time) on the last business day preceding the date of the meeting, Wednesday, July 15, 2026, or any adjournment of the meeting, or to the Chair of the Board (the “Chair”) prior to the start of the meeting on Thursday, July 16, 2026, or the day of the adjourned meeting. You may also vote during the virtual meeting by submitting an online ballot, which will revoke your previous proxy.**

For non-registered shareholders, if you have provided your voting instructions and change your mind about your vote, you can revoke your proxy or voting instructions by contacting your intermediary. If your intermediary provides the option of voting over the Internet, you can change your instructions by updating your voting instructions on the website provided by your intermediary, so long as you submit your new instructions before the intermediary’s deadline.

How can I request electronic delivery of investor materials?

To opt for electronic distribution of investor materials, complete the request for electronic delivery of materials form enclosed with the Notice Package and return it by mail to the Transfer Agent.³ You can also submit your request online by visiting the Transfer Agent’s website: services.tsxtrust.com/edelivery.

³ 301 – 100 Adelaide Street West, Toronto, Ontario, M5H 4H1; or by email at shareholderinquiries@tmx.com.

How will my shares be voted if I give my proxy?

The persons named on the form of proxy must vote your shares for or against or withhold from voting, in accordance with your directions, or you can let your proxyholder decide for you. If you specify a choice with respect to any matter to be acted upon, your shares will be voted accordingly. In the absence of voting directions, proxies received by management will be voted in favor of all resolutions put before shareholders of the meeting. See “Business of the Meeting” on page 8 of this Circular for further information.

What if amendments are made to these matters or if other matters are brought before the meeting?

The persons named on the proxy will have discretionary authority with respect to amendments or variations to matters identified in the Notice and with respect to other matters which may properly come before the meeting.

As at the date of this Circular, management of BN is not aware of any amendment, variation or other matter expected to come before the meeting. If any other matters properly come before the meeting, the persons named on the form of proxy will vote on them in accordance with their best judgment.

Who counts the votes?

The Transfer Agent counts and tabulates the proxies.

If my shares are not registered in my name but are held in the name of an Intermediary, how do I vote my shares?

Your Intermediary is required to send you a voting instruction form for the number of shares you beneficially own. **Non-registered shareholders should follow the instructions on the forms they receive and contact their Intermediaries promptly if they need assistance.**

A non-registered shareholder who does not wish to attend and vote at the meeting and wishes to vote prior to the meeting must complete and sign the voting instruction form and return it in accordance with the directions on the form. If your Intermediary makes these options available, you may also vote by telephone prior to the meeting by following the directions on the voting instruction form or on the Internet prior to the meeting by going to www.proxyvote.com and following the instructions on this website. See “Can I vote by Internet in advance of the meeting?” on page 5 of this Circular.

Since BN has limited access to the names of its non-registered shareholders, if you attend the virtual meeting, BN may have no record of your shareholdings or of your entitlement to vote unless your Intermediary has appointed you as proxyholder. Therefore, if you wish to vote by online ballot at the meeting, you will need to complete the following steps:

Step 1: insert your name in the space provided on the voting instruction form and return it by following the instructions provided therein.

Step 2: you must complete the additional step of registering yourself (or your appointees other than if your appointees are the management nominees) as the proxyholder by calling the Transfer Agent at 1-866-751-6315 (within North America) or (416) 682-3860 (outside of North America) or online at <https://www.tsxtrust.com/control-number-request> by no later than 5:00 p.m. (Toronto time) on Tuesday, July 14, 2026.

Failing to register as a proxyholder will result in the proxyholder not receiving a control number, which is required to vote at the meeting. Non-registered shareholders who have not duly appointed themselves as proxyholder will not be able to vote at the meeting but will be able to participate as a guest.

BN has distributed copies of the Notice Package to CDS and DTC and to Intermediaries for onward distribution to non-registered shareholders. Intermediaries are required to forward the Notice Package to non-registered shareholders.

Principal Holders of Voting Shares

For over 50 years, the partners of Brookfield (the “Partnership” or “Partners”) have owned a substantial portion of their investments in Brookfield in partnership with one another. Today, this includes significant ownership of the Class A Shares of BN and its recently spun-off companies: BAM and BWS, which, together with BN and BAM, are referred to as “Brookfield” in this section. Separate from the ownership of the Class A Shares, the Partners have also owned the Class B shares of each entity since their creation.

This ownership framework among the Partners has been an important underpinning of Brookfield’s culture and instrumental to the governance of Brookfield, enabling an uncompromising focus on long-term value creation for all stakeholders.

The Partners include both current and former senior executives and directors of Brookfield. We believe that the Partnership promotes decision-making that is entrepreneurial, collaborative and aligned with the long-term interests of Brookfield. The financial strength and sustainability of the Partnership is characterized by a consistent focus on renewal—longstanding members mentoring new generations of leaders and financially supporting their admission as Partners. We believe this is a critical component to preserving our long-term culture and vision. The Partnership remains resolutely focused on the long-term success of Brookfield for the benefit of all stakeholders, through all economic conditions.

As at May 28, 2026, the Partners collectively own interests in approximately: 471 million Class A Shares (on a fully diluted basis), representing 20% of BN’s issued and outstanding Class A Shares; 455 million Class A Limited Voting Shares of BAM (“BAM Class A Shares”) (both directly and through BN’s 73% ownership of BAM, on a fully diluted basis), representing 28% of BAM’s issued and outstanding Class A Shares; and 40 million BWS Class A Shares, representing 60% of the issued and outstanding BWS Class A Shares. BWS is a “paired entity” of BN, as the BWS Class A Shares are exchangeable into Class A Shares on a one-for-one basis.

The economic interests of the Partners in Brookfield securities consist primarily of (i) direct ownership of shares, as well as indirect ownership (such as shares that are held through holding companies and by foundations) by the Partners on an individual basis; and (ii) the Partners’ proportionate beneficial interests in shares held by Partners Value Investments L.P. (“PVI”). PVI is a listed investment partnership whose principal business activity is owning equity interests in Brookfield for the long-term. As at May 28, 2026, the Partners owned approximately 90% of PVI’s equity units. PVI owns approximately 181 million Class A Shares, 30 million BAM Class A Shares and 12 million BWS Class A Shares (each on a fully diluted basis).

In order to foster the long-term stability and continuity of Brookfield, a group of longstanding Partners have been designated to oversee stewardship of the Class B Shares. Under these arrangements, the Class B Shares are held in a trust (the “Trust”). The beneficial interests in the Trust, and the voting interests in its trustee, are held 41% by Mr. Bruce Flatt and 7.33% by each of Messrs. Jack Cockwell, Brian Kingston, Brian Lawson, Cyrus Madon, Samuel Pollock, Sachin Shah, Justin Beber and Mrs. Lori Pearson. As such, no single individual or entity controls the Trust.

In the event of a fundamental disagreement among the shareholders of the trustee (and until the disagreement is resolved), three individuals have been granted the authority to govern and direct the actions of the Trust. These individuals are, and their successors are required to be, longstanding and respected business colleagues associated with Brookfield. The individuals, at the current time, none of whom are Partners, are Messrs. Marcel R. Coutu, Frank J. McKenna and Lord O’Donnell.

To the knowledge of the directors and officers of BN, there are no other persons or corporations that beneficially own, exercise control or direction over, have contractual arrangements such as options to acquire, or otherwise hold voting securities carrying more than 10% of the votes attached to any class of outstanding voting securities of BN.

PART TWO – BUSINESS OF THE MEETING

We will address nine items at the meeting:

1. receiving the consolidated financial statements of BN for the fiscal year ended December 31, 2025, including the external auditor's report thereon;
2. electing directors who will serve until the end of the next annual meeting of shareholders as described herein;
3. appointing the external auditor that will serve until the end of the next annual meeting of shareholders and authorizing the directors to set its remuneration;
4. considering an advisory resolution on BN's approach to executive compensation;
5. considering, pursuant to an order (the "Interim Order") of the Ontario Superior Court of Justice (Commercial List) dated May 29, 2026, and, if thought advisable, passing a resolution (the "Transaction Resolution"), the full text of which is set forth in Appendix B to the separate joint circular supplement (the "Transaction Supplement") attached as Appendix B hereto, with or without variation, approving a transaction (the "Transaction") designed to simplify our corporate structure by combining the businesses of BN and Brookfield Wealth Solutions Ltd. ("BWS") under a single publicly traded company, Brookfield Corporation Ltd. ("New BN"), as more particularly described in the Transaction Supplement;
6. if the Transaction Resolution is passed, considering and, if deemed advisable, passing, with or without variation, an ordinary resolution the full text of which is set forth in Appendix D to the Transaction Supplement, approving a stock option plan for New BN, as more particularly described in the Transaction Supplement (the "New BN Share Option Plan Resolution");

8. if the Transaction Resolution is passed, considering and, if deemed advisable, passing, with or without variation, an ordinary resolution the full text of which is set forth in Appendix F to the Transaction Supplement, approving an escrowed stock plan for Brookfield Canada Exchange Corporation ("New BNC"), as more particularly described in the Transaction Supplement (the "New BNC Escrowed Stock Plan Resolution"); and
9. if the Transaction Resolution is passed, considering and, if deemed advisable, passing, with or without variation, an ordinary resolution the full text of which is set forth in Appendix G to the Transaction Supplement, approving a stock option plan for New BNC, as more particularly described in the Transaction Supplement (the "New BNC Share Option Plan Resolution").

We will also consider other business that may properly come before the meeting.

As at the date of this Circular, management is not aware of any changes to these items and does not expect any other items to be brought forward at the meeting. If there are changes or new items, you or your proxyholder can vote your shares on these items as you or your proxyholder sees fit. The persons named on the form of proxy will have discretionary authority with respect to any changes or new items which may properly come before the meeting and will vote on them in accordance with their best judgment.

1. Receiving the Consolidated Financial Statements

The annual financial statements of BN for the fiscal year ended December 31, 2025 are included in the Annual Report. The Annual Report is available on BN's website, <https://bn.brookfield.com> under "Reports & Filings — Annual Reports", on SEDAR+ at www.sedarplus.ca and EDGAR at www.sec.gov/edgar, and is being mailed to BN's registered shareholders and non-registered shareholders who have contacted BN to request a paper copy of the Annual Report. Shareholders who have signed up for electronic delivery of the Annual Report will receive it by email.

2. Election of Directors

The Board is comprised of 16 members all of whom are to be elected at the meeting. Holders of Class A Shares are entitled, as a class, to elect one-half of the Board, and holders of Class B Shares are entitled, as a class, to elect the other one-half of the Board.

If you own Class A Shares, you can vote on the election of eight directors. The following persons are proposed as nominees for election by the holders of Class A Shares:

• M. Elyse Allan	• Janice Fukakusa	• Frank J. McKenna	• Satish C. Rai
• Ang Eng Seng	• Maureen Kempston Darkes	• Hutham S. Olayan	• Diana L. Taylor

If you own Class B Shares, you can vote on the election of eight directors. The following persons are proposed as nominees for election by the holders of Class B Shares:

• Howard S. Marks	• Lord O'Donnell	• Jack L. Cockwell	• Brian D. Lawson
• Rafael Miranda	• Jeffrey M. Blidner	• Bruce Flatt	• Samuel J.B. Pollock

Majority Voting Policy

The Board has adopted a policy stipulating that, if the total number of shares voted in favor of the election of a director nominee represents less than a majority of the total shares voted and withheld for that director (in each case, not on the cumulative basis described under “Cumulative Voting for Directors” below), the nominee will tender his or her resignation immediately after the meeting. Within 90 days of the meeting, the Board will determine whether or not to accept a director’s resignation and will issue a press release announcing the Board’s decision, a copy of which will be provided to the TSX. Absent exceptional circumstances, the Board will accept the resignation. The resignation will be effective when accepted by the Board. If the Board determines not to accept a resignation, the press release will fully state the reasons for that decision. A director who tenders his or her resignation will not participate in a Board meeting at which the resignation is considered. The majority voting policy does not apply in circumstances involving contested director elections.

Cumulative Voting for Directors

The articles of BN provide for cumulative voting in the election of directors. Each shareholder of a class or series of shares of BN entitled to vote for the election of directors has the right to cast a number of votes equal to the number of votes attached to the shares held by the holder, multiplied by the number of directors to be elected by the shareholder and the holders of shares of the classes or series of shares entitled to vote with the shareholder in the election of directors. The shareholder may cast all of its votes in favor of one candidate or distribute such votes among the candidates in any manner the shareholder sees fit. Where the shareholder has voted for more than one candidate without specifying the distribution of votes among the candidates, the shareholder will be deemed to have distributed its votes equally among the candidates for whom the shareholder voted.

A shareholder who wishes to distribute its votes other than equally among the nominees and who has appointed the management representatives designated on the proxy must do so personally at the virtual meeting or by another proper form of proxy, which can be obtained from the Corporate Secretary of BN.

Voting by Proxy

The management representatives designated on the proxy to be completed by holders of Class A Shares intend to cast the votes represented by such proxy FOR and equally among the proposed nominees for election by the holders of Class A Shares as set forth on pages 10 to 14 of this Circular, unless the shareholder who has given such proxy has directed that such shares be otherwise voted or withheld from voting in the election of directors.

The management representatives designated on the proxy to be completed by the holder of Class B Shares intend to cast the votes represented by such proxy FOR and equally among the proposed nominees for election by the holder of Class B Shares as set forth on pages 14 to 17 of this Circular.

Director Nominees

15 of the 16 director nominees were elected as members of the Board at the Annual and Special Meeting of Shareholders held on June 6, 2025, and are standing for re-election. Mr. Ang Eng Seng, a current director of BN, was appointed by the Board on February 11, 2026 and is standing for election. The Board recommends that the 16 director nominees be elected at the meeting to serve as directors of BN until the next annual meeting of shareholders or until their successors are elected or appointed.

The Board believes that the collective qualifications, skills and experiences of the director nominees allow for BN to continue to maintain a well-functioning Board with a diversity of perspectives. The Board's view is that, individually and as a whole, the director nominees have the necessary qualifications to be effective at overseeing the business and strategy of BN.

We do not expect that any of the director nominees will be unable to serve as a director. If a director nominee tells us before the meeting that he or she will not be able to serve as a director, the management representatives designated on the form of proxy, unless directed to withhold from voting in the election of directors, reserve the right to vote for other director nominees at their discretion.

Each director's biography contains information about the director, including his or her background and experience, BN shareholdings and other public company board positions held, as at May 28, 2026. Directors' shareholdings information is presented on a post-stock split basis reflecting the three-for-two stock split of the Class A Shares that occurred on October 9, 2025. See "Director Share and DSU Ownership Requirements" on page 48 of this Circular for further information on director share ownership requirements.

2025 Director Attendance

We believe the Board cannot be effective unless it governs actively. We expect our directors to attend all Board meetings and all of their respective committee meetings. Directors may participate by video or teleconference if they are unable to attend in person. The table below shows the number of Board and committee meetings each director attended in 2025. The director nominees standing for re-election attended, on average, approximately 99% of the Board meetings in 2025. The Board and its committees meet in camera without management present at all meetings, including those held by teleconference.

3. Appointment of External Auditor

On recommendation of the Audit Committee, the Board proposes the reappointment of Deloitte LLP ("Deloitte") as the external auditor of BN. Deloitte is the principal external auditor of BN and its publicly traded subsidiaries (other than

Brookfield Renewable Partners L.P. and Brookfield Renewable Corporation). Deloitte has served as the external auditor of BN since its formation. The appointment of the external auditor must be approved by a majority of the votes cast by holders of Class A Shares who vote in respect of the resolution, and by the holder of Class B Shares, each voting as a separate class.

On any ballot that may be called for in the appointment of the external auditor, the management representatives designated on the form of proxy intend to vote such shares FOR reappointing Deloitte, an Independent Registered Public Accounting Firm, as the external auditor, and authorizing the directors to set the remuneration to be paid to the external auditor, unless the shareholder has specified on the form of proxy that the shares represented by such proxy are to be withheld from voting in relation to the appointment of the external auditor.

Principal Accounting Firm Fees

Aggregate fees billed to BN and its subsidiaries for the fiscal year ended December 31, 2025 by Deloitte amounted to approximately \$130.6 million, of which \$123.8 million represented audit and audit-related fees.

From time to time, Deloitte also provides consultative and other non-audit services to BN and its subsidiaries pursuant to an Audit and Non-Audit Services Pre-Approval Policy (the “Audit Policy”). The Audit Policy governs the provision of audit and non-audit services by the external auditor and is annually reviewed by the Audit Committee. The Audit Policy provides for the Audit Committee’s pre-approval of permitted audit, audit-related, tax and other non-audit services. It also specifies a number of services the provision of which is not permitted by the external auditor, including the use of the external auditor for the preparation of financial information, system design and implementation assignments.

The following table sets forth further information on the fees billed by Deloitte to BN and its subsidiaries on a consolidated basis for the fiscal years ended December 31, 2025 and December 31, 2024.

	2025			2024		
	BN	Subsidiaries of BN	Total	BN	Subsidiaries of BN	Total
<i>\$ millions</i>						
Audit	\$2.3	\$43.7	\$46.0	\$2.2	\$44.1	\$46.3
Audit-related	—	77.8	77.8	—	75.3	75.3
Tax	—	6.4	6.4	—	5.3	5.3
All other fees	—	0.4	0.4	—	0.9	0.9
Total fees	\$2.3	\$128.3	\$130.6	\$2.2	\$125.6	\$127.8

Audit fees include fees for services that would normally be provided by the external auditor in connection with our statutory audit of BN, including fees for services necessary to perform an audit or review in accordance with the standards of the Public Company Accounting Oversight Board (United States). This category also includes services that generally only the external auditor reasonably can provide, including comfort letters and consents relating to certain documents filed with securities regulatory authorities.

Audit-related fees are for other statutory audits, assurance and related services, such as due diligence services, that traditionally are performed by the external auditor. More specifically, these services include, among other things: statutory audits of our subsidiaries, employee benefit plan audits, accounting consultations and audits in connection with acquisitions, attest services that are not required by statute or regulation, and consultation concerning financial accounting and reporting standards.

Tax fees are principally for assistance in tax return preparation and tax advisory services. All other fees include fees for certain permissible consulting and advisory services.

The Audit Committee has received representations from Deloitte regarding its independence and has considered the relations described above in arriving at its determination that Deloitte is independent of BN.

4. Advisory Resolution on Approach to Executive Compensation

BN believes that its compensation objectives and approach to executive compensation strongly align the interests of management with the long-term interests of shareholders. Details of BN’s approach to executive compensation is disclosed in the “Compensation Discussion and Analysis” beginning on page 50 of this Circular.

BN has a policy providing that holders of Class A Shares have the opportunity to cast an advisory vote on BN's approach to executive compensation on an annual basis. This policy reflects BN's ongoing efforts to meet its objectives and ensure a high level of shareholder engagement.

The Board, with Messrs. Blidner, Flatt, Lawson and Pollock abstaining, unanimously recommends that holders of Class A Shares vote in favor of the following advisory resolution (the "Say on Pay Resolution"):

Resolved, on an advisory basis and not to diminish the role and responsibilities of the Board, that the holders of Class A Limited Voting Shares accept the approach to executive compensation disclosed in this Circular.

On any ballot that may be called for on the Say on Pay Resolution, the management representatives designated on the form of proxy intend to cast the votes to which the shares represented by such proxy are entitled FOR the Say on Pay Resolution, unless the shareholder has specified in the form of proxy that the shares represented by such proxy are to be voted against the Say on Pay Resolution.

They are also consistent with the guidelines adopted by the Canadian Securities Administrators (“CSA”) and the TSX.

Board of Directors

Mandate of the Board

The Board oversees the management of BN’s business and affairs directly and through four committees: the Audit Committee, the Governance and Nominating Committee (the “Governance Committee”), the Management Resources and Compensation Committee (the “Compensation Committee”) and the Risk Management Committee (each, a “Committee” and collectively, the “Committees”). The responsibilities of the Board and each Committee, respectively, are set out in written charters, which are reviewed and approved annually by the Board. All Board and Committee charters are posted on BN’s website, <https://bn.brookfield.com> under “Governance”. The Board charter is also attached as Appendix A to this Circular.

The Board is responsible for:

- overseeing BN’s long-term strategic planning process and reviewing and approving its annual business plan;
- overseeing management’s approach to managing the key risks facing BN;
- safeguarding shareholders’ equity interests through the optimum utilization of BN’s capital resources;
- promoting effective corporate governance;
- overseeing BN’s sustainability program and related practices;
- reviewing major strategic initiatives to determine whether management’s proposed actions accord with long-term corporate goals and shareholder objectives;
- assessing management’s performance against approved business plans;

-
- appointing the Chief Executive Officer (the “CEO”), overseeing the CEO’s selection of other members of senior management and reviewing succession planning; and
 - reviewing and approving the reports issued to shareholders, including annual and interim financial statements.

Expectations of Directors

The Board has adopted a charter of expectations for directors (the “Charter of Expectations”), which sets out BN’s expectations for personal and professional competencies, share ownership, meeting attendance, conflicts of interest, changes of circumstance, and resignation events. Directors are expected to bring any potential conflict of interest to the attention of the Chair or a Committee Chair in advance, and refrain from voting on such matters. Directors are also expected to submit their resignations to the Chair if: (i) they become unable to attend at least 75% of the Board’s regularly scheduled meetings other than where, in the determination of the Board, such inability to attend at least 75% of meetings is due to illness or other extenuating circumstances that are expected to be temporary or (ii) they become involved in a legal dispute, regulatory or similar proceedings, take on new responsibilities, or experience other changes in personal or professional circumstances that could adversely affect BN or their ability to serve as a director. The Charter of Expectations is reviewed annually and a copy is posted on BN’s website, <https://bn.brookfield.com> under “Governance.”

Meetings of the Board

The agenda for each Board meeting is set by the Chair, in consultation with the CEO, Chief Financial Officer (the “CFO”) and Corporate Secretary, before circulation to the full Board.

In 2025, the Board met each quarter to review and approve BN’s quarterly earnings and consider dividend payments and to review specific items of business, including transactions and strategic initiatives. The Board holds additional meetings as necessary to consider special business. The Board also meets once a year to review BN’s annual business plan and long-term strategy.

In 2025, there were four scheduled Board meetings and three additional meetings held. In addition, the annual strategy session was held in November 2025.

Four regular meetings and one strategy session are scheduled for 2026.

Meetings of Independent Directors

Private sessions of the independent directors without management and affiliated directors present are held at the end of each regularly scheduled and special Board meeting, as well as at the end of the annual strategy session. Each private session of the Board is chaired by the Chair, who reports back to the CEO on any matters requiring action by management. There were four private meetings of independent directors held in 2025.

Private sessions of the Committees without management and affiliated directors present are also held after each committee meeting, chaired by the respective Committee Chair, who reports back to an appropriate executive on any matters requiring action by management.

Independent Directors

The Board has a policy that the Chair and, other than in temporary circumstances, a majority of its directors will be independent, in order to ensure that the Board operates independent of management and effectively oversees the conduct of management. BN obtains information from its directors annually to determine their independence. The Board decides which directors are considered to be independent based on the recommendation of the Governance Committee of the Board, which evaluates director independence based on the guidelines set forth under applicable securities laws.

In this process, the Board conducts an analysis of each director nominee to determine if they are an affiliated director (all director nominees who are also current members of management are, by definition, affiliated directors) or an independent director.

The following table shows the directors standing for election at the meeting and whether each nominee will be an Independent^(a), Affiliated^(b) or Management^(c) director.

- (a) “Independent” refers to the Board’s determination of whether a director nominee is “independent” under Section 1.2 of National Instrument 58-101 — Disclosure of Corporate Governance Practices.
- (b) “Affiliated” refers to a director nominee who (a) owns greater than a de minimis interest in BN (exclusive of any securities compensation earned as a director) or (b) within the last two years has directly or indirectly (i) been an officer of or employed by BN or any of its affiliates, (ii) performed more than a de minimis amount of services for BN or any of its affiliates, or (iii) had any material business or professional relationship with BN other than as a director of BN. “De minimis” for the purpose of this test includes factors such as the relevance of a director’s interest in BN to themselves and to BN.
- (c) “Management” refers to a director nominee who is a current member of management of BN.
- (d) The trustee of the Trust. See “Principal Holders of Voting Shares”.

The Board considers that the nine directors listed as “Independent” above (approximately 56% of the Board) are independent.

Term Limits and Board Renewal

The Governance Committee leads the effort to identify and recruit candidates to join the Board. In this context, the Governance Committee’s view is that the Board should reflect a balance between the experience that comes with longevity of service on the Board and the need for renewal and fresh perspectives.

The Governance Committee does not support a mandatory retirement age, director term limits or other mandatory Board turnover mechanisms because its view is that such policies are overly prescriptive; therefore, BN does not have term limits or other mechanisms that compel Board turnover. The Governance Committee does believe that periodically adding new voices to the Board can help BN adapt to a changing business environment and Board renewal continues to be a priority.

The Governance Committee reviews the composition of the Board on a regular basis in relation to approved director criteria and skill requirements and recommends changes as appropriate to renew the Board (see the “Governance and Nominating Committee” section in this Statement of Corporate Governance Practices for further information on BN’s process to identify candidates for election to the Board). Assuming all 16 director nominees are elected at the meeting, four new directors will have joined the Board over the past five years, which represents a turnover of approximately 25% of the Board. The Board tenure profile of BN is set out below.

Board Diversity Policy

BN is committed to enhancing the diversity of the Board. Our deep roots in many global jurisdictions inform our perspective on diversity and our view that the Board should reflect a diversity of backgrounds relevant to its strategic priorities. This includes (but is not limited to) such factors as diversity based on gender, race and ethnicity, as well as diversity of business expertise and international experience.

To achieve the Board's diversity goals, it has adopted the following written policy:

- Board appointments will be based on merit, having due regard for the benefits of diversity on the Board, so that each nominee possesses the necessary skills, knowledge and experience to serve effectively as a director;
- In the director identification and selection process, diversity on the Board, including the factors referenced above, will influence succession planning and be a key criterion in identifying and nominating new candidates for election to the Board; and
- The Board has an ongoing gender diversity target of ensuring at least 30% of directors are women.

The Board reflects a diversity of gender, ethnic and racial backgrounds. Of the 16 director nominees, four directors self-identify as ethnically diverse and five are women. Therefore, if all of the director nominees are elected at the meeting, 25% of the Board will continue to be ethnically diverse, and 56% of the independent directors and approximately 31% of the entire Board will be women, as shown in the gender metrics table below for the director nominees:

Women on the Board

Number	Percentage	Minimum Target Percentage	Target Met
5	31%	30%	Met

The Governance Committee is responsible for implementing the Board diversity policy, monitoring progress towards the achievement of its objectives and recommending to the Board any necessary changes that should be made to the policy.

Director Share Ownership Guidelines

The Charter of Expectations sets forth share ownership requirements of directors, which are in place because BN believes that directors can better represent shareholders if they have economic exposure to BN themselves. BN requires that each

director hold Class A Shares, Exchangeable Class A Shares, Restricted Shares and/or Deferred Share Units (“DSUs”) in BN having, in the aggregate, a value equal to at least three times the director’s annual retainer fee (“Annual Retainer”), as determined by the Board from time to time. New directors have five years from the date of joining the Board to achieve this minimum economic ownership requirement. All directors are required to take one-half of their Annual Retainer in the form of DSUs.

Director Orientation

BN’s director orientation program consists of private educational sessions with members of senior management and a comprehensive orientation package. These sessions include information on BN’s various businesses, its culture, its corporate governance practices, its approach to sustainability matters and risk management, as well as information regarding the Board and Committees framework in place to manage BN’s affairs and oversee management. Each new director is informed of the expectations that will be placed on them and the commitment they will be asked to make to BN.

Director Education and Site Visits

BN provides regular continuing education for directors. Time is set aside at all regularly scheduled Board meetings for presentations on different areas of BN’s businesses, led by executives responsible for or familiar with these operations. On a rotating basis, directors are provided with an in-depth analysis of a business unit of BN in order to further educate the directors about BN and its business and activities. Directors also receive presentations on new developments and trends in corporate governance and director fiduciary duties as appropriate.

Director dinners, with select management present, are held before or immediately following all regularly scheduled Board meetings, and director education is provided at these dinners by way of presentations on areas relevant to BN’s businesses. These dinners increase director knowledge of various business activities and initiatives. Often more junior executives are invited to Board dinners in order to provide directors with exposure to the next generation of executives and better enable the Board to assess BN’s bench strength from a succession standpoint.

BN’s quarterly Board materials include updates on a wide range of topics linked to the business, including comprehensive updates on the insurance, asset management and operating businesses, the markets they operate in and any new and emerging trends that could impact them, updates on significant transactions and upcoming strategic initiatives. Directors are privy to several educational sessions through the course of the year. In 2025, sessions ranged across topics including, global office and retail trends, updates on infrastructure, market developments in insurance and renewables, the evolving credit landscape, trends in annuities generation, alongside discussions on the advancement and application of artificial intelligence across the business, the changing geopolitical landscape and associated risks and opportunities, and opportunities for operational value creation within businesses leveraging on technological advancements.

In addition, the Board has an established practice of undertaking off-site visits to Brookfield’s offices in key markets. Visiting regions outside of Toronto and New York, where quarterly Board meetings are normally held, gives directors the opportunity to learn about Brookfield’s business and operations in that region, meet members of management, go on asset tours and learn about Brookfield’s key relationships in the region. In November 2025, the Board and members of senior management travelled to Dubai and Abu Dhabi, United Arab Emirates and Riyadh, Saudi Arabia. During the off-site, in addition to reviewing the quarterly business and the 2026 strategy, the Board received updates on business activity in the region, fundraising, investment opportunities and existing operations. The off-site agenda included site visits to flagship assets such as ICD Brookfield Place, J1 Beach and the Sofitel Dubai the Palm, as well as management presentations. The Board also engaged with a range of key stakeholders in the region, including investors, strategic partners, business associates, state dignitaries, Brookfield employees and portfolio company management, strengthening its understanding of local operations and reinforcing strategic priorities across the Middle East.

Director Commitments

The Governance Committee monitors the demands placed on each director’s time and attention outside of their service on the Board. This includes, among other things, reviewing the number of other public company boards that a director sits on to ensure that no director has excessive commitments to other public companies that may result in a reduced ability for the

director to provide effective oversight as a Board member. In this regard, each director is required to notify the Chair prior to accepting a directorship at another public company.

The view of the Governance Committee is that a policy limiting the number of other public company boards that a director can sit on is overly prescriptive and would unnecessarily limit our pool of candidate directors. Instead, the Governance Committee's philosophy is to consider all outside commitments of a director in context and make a determination whether each director is able to serve effectively on behalf of BN's shareholders. The Governance Committee has determined that all director nominees are able to devote the time and attention required to provide effective oversight as a Board member.

Interlocking Directorships

The Governance Committee monitors interlocking board and committee memberships among all directors. Board interlocks exist when two directors of one public company sit on the board of another company and committee interlocks exist when two directors sit together on another board and are also members of the same board committee. There are currently no interlocking board or committee memberships among the directors of BN.

Committees of the Board

The Committees of the Board assist in the effective functioning of the Board and help ensure that the views of independent directors are effectively represented:

- Audit Committee;
- Governance and Nominating Committee;
- Management Resources and Compensation Committee; and
- Risk Management Committee.

The responsibilities of these Committees are each set out in written Charters, which are reviewed and approved annually by the Board. The Charter of each Committee, which includes the position description of its respective Committee Chair, can be found on BN's website, <https://bn.brookfield.com> under "Governance." It is the Board's policy that all Committees, except the Risk Management Committee, must consist entirely of independent directors. The Risk Management Committee must not include any current members of management. Special committees may be formed from time to time to review particular matters or transactions. While the Board retains overall responsibility for corporate governance matters, each Committee has specific responsibilities for certain aspects of corporate governance in addition to its other responsibilities, as described below.

Audit Committee

The Audit Committee is responsible for monitoring BN's systems and procedures for financial reporting and associated internal controls, and the performance of BN's external and internal auditors. It is responsible for reviewing certain public disclosure documents before their approval by the full Board and release to the public, such as BN's quarterly and annual financial statements and management's discussion and analysis. The Audit Committee is also responsible for recommending the independent registered public accounting firm to be nominated for appointment as the external auditor, and for approving the assignment of any non-audit work to be performed by the external auditor, subject to the Audit Committee's Audit Policy. The Audit Committee meets regularly in private session with BN's external auditor and internal auditors, without management present, to discuss and review specific issues as appropriate. The Audit Committee met four times in 2025.

In addition to being independent directors as described above, all members of the Audit Committee must meet an additional "independence" test under Canadian securities laws and the Sarbanes-Oxley Act, in that their directors' fees must be and are the only compensation they receive, directly or indirectly, from BN. Further, the Audit Committee requires that all its members disclose any form of association with a present or former internal or external auditor of BN to the Board for a determination as to whether this association affects the independent status of the director.

As at May 28, 2026, the Audit Committee was comprised of the following three directors: Ms. Janice Fukakusa (Chair) and Messrs. Rafael Miranda and Satish C. Rai. The Board has determined that all of these directors are independent for Audit Committee service and financially literate, and that Ms. Fukakusa is qualified as a "designated financial expert." Ms. Fukakusa is the former Chief Administrative Officer and Chief Financial Officer of Royal Bank of Canada, positions she held

for approximately ten years, and is a Fellow Chartered Professional Accountant. Mr. Miranda is the retired Chief Executive Officer of Endesa, S.A., the largest electric utility company in Spain, and in this capacity oversaw the preparation of financial statements for Endesa, S.A. Mr. Rai is the former Chief Investment Officer of OMERS, overseeing all asset classes globally. Prior to joining OMERS in January 2015, he served as Chief Investment Officer at TD Asset Management. Ms. Fukakusa and Mr. Miranda were members of the Audit Committee throughout 2025. Ms. Angela F. Braly was a member of the Audit Committee until she stepped down from the Board on March 17, 2025, at which date Ms. Allan was appointed to the Audit Committee. Ms. Allan stepped down from the Audit Committee on June 6, 2025, and Mr. Rai was appointed to the Audit Committee effective the same day.

For more information about the Audit Committee as required by Part 5 of National Instrument 52-110 — *Audit Committees* (“NI 52-110”), see “Audit Committee Information” on page 41 of BN’s Annual Information Form for the year ended December 31, 2025 (the “AIF”), which is available on SEDAR+ at www.sedarplus.ca and EDGAR at www.sec.gov/edgar.

Governance and Nominating Committee

It is the responsibility of the Governance Committee, in consultation with the Chair, to assess from time to time the size and composition of the Board and its Committees; to review the effectiveness of the Board’s operations and its relations with management; to assess the performance of the Board, its Committees and individual directors; to review BN’s statement of corporate governance practices; and to review and recommend the directors’ compensation. The Governance Committee met twice in 2025.

The Board has in place a formal procedure for evaluating the performance of the Board, its Committees and individual directors – the Governance Committee reviews the performance of the Board, its Committees and the contribution of individual directors on an annual basis (see the “Board, Committee and Director Evaluation” section in this Statement of Corporate Governance Practices for further information on the annual director evaluation process).

The Governance Committee is also responsible for reviewing the credentials of proposed nominees for election or appointment to the Board and for recommending candidates for Board membership, including the candidates proposed to be nominated for election to the Board at the annual meeting of shareholders. To do this, the Governance Committee maintains an “evergreen” list of candidates to ensure outstanding candidates with needed skills can be quickly identified to fill planned or unplanned vacancies. Candidates are assessed in relation to the criteria established by the Board to ensure that the Board has the appropriate mix of talent, quality, skills, diversity, perspectives and other requirements necessary to promote sound governance and Board effectiveness. The Governance Committee is also responsible for overseeing BN’s approach to sustainability matters, which includes a review of their sustainability initiatives and any material disclosures regarding sustainability matters.

The Governance Committee reviews, at least once a year, the composition of the Committees to ensure that Committee membership complies with the relevant governance guidelines, that the workload for independent directors is balanced, and that Committee positions are rotated as appropriate. In doing so, the Governance Committee consults with the Chair and makes recommendations to the Board, which appoints Committee members.

In addition, on an annual basis, the Governance Committee reviews and recommends for approval to the Board, a number of BN’s conduct guidelines and corporate policies, including the Code of Business Conduct and Ethics (the “Code”) and guidelines which apply to BN’s directors, officers and employees as well as BN’s investment and capital markets activities, including the thresholds and other criteria governing when such activities can be approved by management and when Board approval is required.

As at May 28, 2026, the Governance Committee was comprised of the following three directors: Mr. Frank J. McKenna (Chair) and Mses. Hutham S. Olayan and Diana L. Taylor, all of whom are independent directors. Mr. McKenna also serves as the Board’s Chair. Mr. McKenna and Mses. Olayan and Taylor were members of the Governance Committee throughout 2025.

Management Resources and Compensation Committee

The Compensation Committee is responsible for reviewing and reporting to the Board on management resource matters, including ensuring a diverse pool for succession planning, the job descriptions and annual objectives of senior executives, the form of executive compensation in general, including an assessment of the risks associated with the compensation plans, and

the levels of compensation of the CEO and other senior executives. The Compensation Committee also reviews the performance of senior management against written objectives and reports thereon. In addition, the Compensation Committee is responsible for reviewing any allegations of workplace misconduct claims that are brought to the Committee's attention through BN's ethics hotline, a referral from BN's human resources department, or the Risk Management Committee. The Compensation Committee met twice in 2025.

In reviewing BN's compensation policies and practices each year, the Compensation Committee will seek to ensure the executive compensation program provides an appropriate balance of risk and reward consistent with the company's risk profile. The Compensation Committee will also seek to ensure BN and our asset management business' compensation practices do not encourage excessive risk-taking behavior by the senior management team. The participation in long-term incentive plans is intended to discourage executives from taking excessive risks in order to achieve short-term unsustainable performance.

All members of the Compensation Committee meet the standard director independence test in that they have no relationship which could, in the view of the Board, be reasonably expected to interfere with the exercise of their independent judgment.

The Board has also adopted a heightened test of independence for all members of the Compensation Committee, which entails that the Board has determined that no Compensation Committee member has a relationship with senior management that would impair the member's ability to make independent judgments about BN's executive compensation. This additional independence test complies with the test in the listing standards of the NYSE. Additionally, the Compensation Committee evaluates the independence of any advisor it retains in order to comply with the aforementioned NYSE listing standards. The Board has adopted its own governance policy that not more than one-third of the members of the Compensation Committee may be current chief executive officers of a publicly traded entity.

As at May 28, 2026, the Compensation Committee was comprised of the following three directors: Ms. Diana L. Taylor (Chair), Mr. Rafael Miranda, and Ms. Maureen Kempston Darkes, all of whom meet the additional criteria for independence described in the paragraph above. None of the Compensation Committee members is currently the chief executive officer of a publicly traded entity. Ms. Taylor, Mr. Miranda and Ms. Kempston Darkes were members of the Compensation Committee throughout 2025.

Risk Management Committee

The Risk Management Committee is responsible for monitoring BN's financial and non-financial risk exposures, including market, credit, operational, reputational, litigation and regulatory, fraud, bribery and corruption, health, safety and the environment, strategic, systemic and business risks, and the steps senior management has taken to monitor and control such risk exposures. The Committee regularly reports to the Board on its proceedings and any significant matters that it has addressed. The Risk Management Committee met four times in 2025.

As at May 28, 2026, the Risk Management Committee was comprised of the following three directors: Mses. Maureen Kempston Darkes (Chair), M. Elyse Allan, and Hutham S. Olayan, all of whom are independent directors. Mses. Kempston Darkes, Allan and Olayan were members of the Risk Management Committee throughout 2025.

Reporting

Each Committee Chair provides a report to the Board following a meeting of their Committee. A Committee's report to the Board provides a review of the matters that came before the Committee during its meeting, a summary of any decisions that the Committee made and any other information that the Committee deems relevant. Additionally, as part of the Committee's report, the Committee will recommend any resolutions that it proposes for adoption by the Board. On an annual basis, each Committee provides a report to shareholders highlighting its work and achievements during the prior year.

Board, Committee and Director Evaluation

The Board believes that a regular and formal process of evaluation improves the performance of the Board as a whole, the Committees and individual directors. Each year, a survey is sent to independent directors inviting comments and suggestions on areas for improving the effectiveness of the Board and its Committees. The results of this survey are reviewed by the Governance Committee, which makes recommendations to the Board as required. Each independent director also receives a

self-assessment questionnaire and all directors are required to complete a skill-set evaluation which is used by the Governance Committee for planning purposes.

The Chair holds private interviews with each non-management director annually to discuss the operations of the Board and its Committees, and to provide any feedback on individual director's contributions. This interview process also includes a peer review, where each director provides feedback to the Chair on the performance of their colleagues on the Board. The Chair reports on these interviews to the Governance Committee as a basis for recommending to the Board measures to improve individual director performance and the overall effectiveness of the Board.

Board and Management Responsibilities

Separate Chair and CEO

BN has a separate Chair and CEO and the Chair is an independent director. The Chair is Mr. Frank J. McKenna and the CEO is Mr. Bruce Flatt. The Board has adopted written position descriptions for each of the Chair and CEO, which are summarized below, as well as position descriptions for each Committee Chair. These position descriptions are reviewed annually by the Board and posted on BN's website, <https://bn.brookfield.com> under "Governance."

The Chair manages the business of the Board and ensures that the functions identified in the Board's Charter are being carried out effectively by the Board and its Committees. In addition, the Chair is responsible for: approving the agenda for each Board meeting after consultation with the CEO, CFO and Corporate Secretary; ensuring directors receive the information required to perform their duties; ensuring an appropriate committee structure is in place; providing an evaluation system to assess the performance of the Board as a whole, the Committees and individual directors; and working with the CEO and senior management of BN in monitoring progress on strategic planning, policy implementation and succession planning. The Chair also presides over all private sessions of the independent directors of the Board that take place following each Board meeting and is responsible for ensuring that matters raised during these meetings are reviewed with management and acted upon.

The CEO provides leadership to BN and, subject to approved policies and direction by the Board, manages the business and affairs of BN and oversees the execution of its strategic plan. In addition, the CEO is responsible for the following functions: presenting to the Board for approval an annual strategic plan for BN; presenting to the Board for approval BN's capital and operating plans on an ongoing basis; acting as the primary spokesperson for BN; presenting to the Board for approval an annual assessment of senior management and succession plans; appointing or terminating senior executives of BN; setting the direction for BN's approach to sustainability within its corporate and asset management activities; and, together with the CFO, establishing and maintaining controls and procedures appropriate to ensure the accuracy and integrity of BN's financial reporting and public disclosures.

Management's Relationship to the Board

BN's senior management team reports to and is accountable to the Board. Members of management attend Board meetings at the invitation of the Chair and Committee meetings at the invitation of the respective Committee Chairs.

The information provided by management to directors is critical to Board effectiveness. In addition to the reports presented to the Board and its Committees at meetings, the directors are also kept informed by management on a timely basis of corporate developments and key decisions taken by management in pursuing corporate objectives. The directors annually evaluate the quality, completeness and timeliness of information provided by management to the Board.

Strategic Planning

The Board oversees BN's strategy of deploying its capital across our three core businesses—asset management, wealth solutions, and our operating businesses—to build long-term wealth for institutions and individuals around the world. To facilitate this strategy, BN develops an annual business plan to ensure the compatibility of shareholder, Board and management views on BN's strategic direction and performance targets, and the effective use of shareholder capital. The Board meets once a year at an annual strategy session to review the strategic initiatives and annual business plan submitted by senior management.

At the Board's annual strategy session, the Board reviews BN's business model and annual business plan, which focus on optimizing synergies within the broader Brookfield ecosystem to enhance value and the redeployment of the substantial free

cash flows we retain towards supporting the growth of our three core businesses, investing in new strategic opportunities and share buybacks. BN's strategic plan is designed to deliver 15%+ annualized returns to shareholders over the long term. The Board evaluates the strategic plan and management's annual accomplishments versus the corporate objectives set forth in the plan at the annual strategy session.

The Board approves the annual business plan, which guides senior management in the conduct of BN's affairs over the ensuing year. This typically occurs in December of each year, where the Board reviews and provides input into management's business plan for the coming five-years. Material proposed deviations from the approved annual business plan are reported to and considered by the Board.

Time is spent at each Board meeting discussing BN's strategy with management in the context of corporate opportunities and strategic initiatives across the organization. On a quarterly basis, the Board reviews the current global economic climate as applicable to BN and its businesses, based on which adjustments to BN's strategy may be considered.

Risk Management Oversight

Managing risk is an integral part of the Board's activities. BN has established a risk management framework for managing risks across the organization and the Board plays a central role in overseeing disciplined and focused approach to risk management.

Given the diversification and scope of BN's operations, BN seeks to ensure that risk is managed as close to its source as possible, and by management teams that have direct and ongoing knowledge and expertise in the business or risk area. As such, business specific risks are generally managed at the business unit level, as the risks of each business vary based on its unique nature and operational characteristics. At the same time, BN utilizes a coordinated approach to risks with the potential to impact BN's business as a whole, as well as risks that tend to be more pervasive and correlated in their impact across the organization. A coordinated approach is also emphasized where management can bring together specialized knowledge to better manage such risks.

At least quarterly, management reports to the Board and its Committees on developments and progress made on strategies for managing key risks.

The Board has governance oversight for risk management with a focus on the more significant risks facing BN, and builds upon management's risk assessment processes. The Board has delegated responsibility for the oversight of specific categories of risks to its Committees as follows:

Audit Committee

Oversees the management of risks related to BN's systems and procedures for financial reporting, as well as for associated audit processes (both internal and external). Part of the Audit Committee's responsibilities is the review and approval of the internal audit plan, which is designed to ensure alignment with risk management activities and organizational priorities.

Governance and Nominating Committee

Oversees the management of risks related to BN's governance structure, including the effectiveness of Board and Committee activities and potential conflicts of interest.

Management Resources and Compensation Committee

Oversees the management of risks related to BN's management resource matters, including succession planning, executive compensation, and the roles and annual objectives of senior executives, as well as performance against those objectives.

Risk Management Committee

Oversees the management of BN's significant financial and non-financial risk exposures and reviews risk management practices with management to assess the effectiveness of efforts to mitigate key organizational risks, as well as confirm that BN has an appropriate risk taking philosophy and suitable risk capacity.

Related Party Transactions

Pursuant to its charter, the Governance Committee is responsible for reviewing and conducting oversight of all significant related party transactions involving BN and situations involving a potential conflict of interest, which includes transactions between BN and an executive officer, director, principal shareholder or their immediate family members. The Governance Committee is also responsible for ensuring that no related party transaction entered into is inconsistent with the interests of BN and its shareholders. Where a related party transaction or situation involving a potential conflict of interest is required to be dealt with by an independent special committee pursuant to applicable securities laws, BN will form such a committee. See “Governance and Nominating Committee” on page 33 of this Circular for more information about the Governance Committee.

Sustainability

Sustainability at Brookfield

We believe that value creation and sustainable business practices are complementary goals. Drawing on more than 100 years of experience as an owner and operator, we invest for value and seek to generate strong risk-adjusted returns for our clients across economic cycles. Our investment strategy has remained consistent throughout our history—we focus on utilizing our operational expertise to enhance long-term value through strategic and operational improvements within our operating businesses and portfolio companies.

Our Sustainability Policy codifies our longstanding strategy of integrating sustainability considerations into decision-making. It is based on the following guiding principles: mitigating the impact of our operations on the environment; striving to promote the well-being and safety of our workforce; upholding strong governance practices and acting as good corporate citizens.

For further information, we publish on our website an annual sustainability report, which provides details about our approach to integrating sustainability across our business. Our disclosures consider the Sustainability Accounting Standards Board (SASB) and Global Reporting Initiative (GRI) standards, and are aligned with the Task Force on Climate-related Financial Disclosures (TCFD) recommendations.

Sustainability Organization and Governance

Our Board oversees our business, including reviewing major strategic initiatives and receiving progress reports on the firm’s sustainability initiatives throughout the year.

Our approach to sustainability has sponsorship and oversight from the CEOs and sustainability leads of each business group, supported by senior executives. Functional leaders (i.e., Technology Services and Human Resources) are responsible for developing, implementing and monitoring relevant sustainability factors within their functional area.

Integrating Sustainability into the Investment Process

As part of our due diligence over investments where we have control or significant influence, we seek to assess sustainability-related opportunities and risks and factor them into the overall investment decision. This includes leveraging industry guidance to identify sustainability factors most likely to materially impact the financial condition or operating performance of companies in a given sector.

Our Sustainability Due Diligence Protocol provides guidance to investment teams on assessing bribery and corruption, cybersecurity, health and safety, human rights, modern slavery and climate-related risks, among other factors. Where warranted, we perform deeper due diligence, working with internal and third-party experts, as appropriate.

Investments, other than de minimis or follow on investments, must be approved by the applicable Investment Committee. Investment teams present the Investment Committee with the merits of each transaction, its material risks, mitigants and significant opportunities for improvement, including sustainability aspects and their potential implications for investment returns. As part of each acquisition, investment teams develop a customized integration plan that encompasses, among other items, material sustainability-related matters for evaluation or implementation.

Consistent with our management approach, it is the responsibility of management teams within each portfolio company to manage sustainability opportunities and risks through the investment’s life cycle, supported by our relevant investment teams.

Management teams regularly report to their respective boards of directors from both financial and operating perspectives, including key performance indicators that incorporate material sustainability factors.

When preparing an asset for divestiture, we seek to outline potential value creation deriving from several different factors, including relevant sustainability considerations.

Human Capital Development

Our people are our most important asset. The core values of collaboration, entrepreneurship and discipline underpin our firmwide culture. We invest in our people and prepare them for future leadership. Our firmwide culture, from our dealings with clients to the interactions among employees and executives, is defined by mutual respect, teamwork and passion, and revolves around our core values:

- **Collaboration:** Leadership works side by side with colleagues throughout the organization and is committed to achieving shared success. One of the key attributes that we screen carefully for in new hires is their aptitude to collaborate with others. The firm wants people to share information across groups and take an interest in all the businesses, not just the one they happen to work for at any particular point in time. We do not hire people just for a specific job; we hire for the potential of all the future positions they might hold and that will contribute to the broader success of the firm.
- **Entrepreneurship:** Our flat organization is results-oriented—responsibility is earned based on initiative and hard work, rather than job title—and decisions are made close to the action. This principle is not uncommon, but we have encouraged our entrepreneurial spirit throughout our growth. We look for employees who have a passion not only for what they do but also for what the firm does. The shared values of ownership extend beyond helping the company succeed or generate more revenue. It means caring about the little things as well, such as not wasting money and treating everyone with respect.
- **Discipline:** Our team shares an awareness of, and commitment to, our goal of generating superior long-term returns for investors. Discipline also requires that each person is expected to have a realistic understanding of his or her own abilities. We expect employees to understand their strengths, recognize their weaknesses, be willing to stretch outside their comfort zones, and be willing to ask for help when necessary.

Employee Composition

We are committed to a hiring process that is objective, nondiscriminatory and in compliance with all applicable legislation and good governance. It is grounded in our commitment to provide equal employment opportunities with the objective of attracting the most qualified talent to our business. We proactively recruit people who align with the attributes of a Brookfield leader and have the potential to develop within our organization. Our succession process focuses on the development of early career candidates through stretch roles and exposure.

The composition and makeup of our employee base is indicative of our focus that, as we grow, our people reflect the communities in which we operate. We recognize that a workforce encompassing a variety of backgrounds is critical to our success. A diverse workforce not only reinforces our core principles of long-term focus, alignment of interests, and collaboration, but also provides for a more dynamic and interesting work environment. Our global employees self-identify their ethnicity; the below results demonstrate our state of diversity as at December 31, 2025:

Global Ethnic Diversity Metrics

White	45 %
Asian	37 %
Black	4 %
Hispanic	3 %
Two or More Races/Other	6 %
Did Not Respond or Declined to Self-Identify	5 %

Communication and Disclosure Policies

BN has a disclosure policy (the “Disclosure Policy”) that summarizes its policies and practices regarding public disclosures of information to investors, analysts and the media. The Disclosure Policy ensures that BN’s communications with the investment community are timely, consistent and in compliance with all applicable securities legislation. The Disclosure Policy is reviewed annually by the Board and is posted on BN’s website, <https://bn.brookfield.com> under “Governance.”

BN keeps its shareholders informed of progress and developments through a comprehensive annual report, quarterly interim reports and periodic news releases. BN’s website provides summary information and ready access to its published reports, news releases, statutory filings and supplementary information provided to analysts and investors. BN may, subject to applicable securities laws, disseminate important information exclusively via its website and shareholders and others should consult the website to access this information regarding BN and its affairs.

Management and shareholders participate virtually at the annual meeting of shareholders and in person at the annual investor day in New York (“Investor Day”), and management is available to respond to questions at these events. At Investor Day, management makes presentations to shareholders, investors and analysts on our recent performance, our plans for the future and our prospects. Shareholders who wish to contact the Chair or other Board members can do so through the Corporate Secretary of BN by phone at 1-866-989-0311 or by email at bn.enquiries@brookfield.com.

BN also maintains an investor relations program to respond to inquiries in a timely manner. Management meets on a regular basis with investors and investment analysts and hosts quarterly conference calls by webcast to discuss BN’s financial results, with a transcript of these calls posted on BN’s website. Management ensures that the media are kept informed of developments on a timely basis and have an opportunity to meet and discuss these developments with BN’s designated spokespersons.

Code of Business Conduct and Ethics

BN’s policy is that all its activities be conducted with honesty and integrity and in compliance with all applicable legal and regulatory requirements. To that end, BN maintains the Code and a Positive Work Environment Policy, which is incorporated into the Code. Together, these policies set out the guidelines and principles for how directors and employees should conduct themselves as members of the BN team. Preserving our corporate culture is vital to the organization and following the Code, including our Positive Work Environment Policy, is a critical component of achieving this.

All directors, officers and employees of BN are required to provide a written acknowledgment upon joining BN that they are familiar with and will comply with the Code. All directors, officers and employees of BN are required to provide this same acknowledgment annually.

The Board annually reviews the Code to consider whether to approve changes in BN’s standards and practices. Compliance with the Code is monitored by the Board through its Risk Management Committee, which receives regular reports on any non-compliance issues from BN’s internal auditors. The Code is available on BN’s website, <https://bn.brookfield.com> under “Governance” and has been filed on SEDAR+ at www.sedarplus.ca and EDGAR at www.sec.gov/edgar.

Equity Ownership of Directors

Director Share and DSU Ownership Requirements

The Board believes that its directors can better represent BN's shareholders if they have an alignment of economic interest. Accordingly, directors are required to hold Class A Shares, BWS Class A Shares, DSUs and/or Restricted Shares of BN having a value of at least three times their Annual Retainer (the "Director Share Ownership Guidelines"). This minimum ownership requirement is currently \$750,000 for non-management directors and \$1,800,000 for the Chair. A director must achieve this minimum ownership requirement within five years of joining the Board.

All independent directors are required to receive at least 50% of their Annual Retainer in DSUs (see "Long-Term Share Ownership Plans" on pages 59 to 60 of this Circular). Subject to these requirements, all non-management directors have the option of electing to receive their Annual Retainer in DSUs or cash.

As at May 28, 2026, all of the proposed nominees for election to the Board who are required to meet the ownership requirement have done so.

Anti-Hedging Policy

In order to maintain the alignment of interests between BN and its directors, BN generally prohibits all directors, including management and affiliated directors, from using derivatives or other financial instruments to retain legal ownership of their shares or share units in BN while reducing their exposure to changes in BN's share price. Moreover, a director may not hold a short position in any security of BN or its affiliates, either by way of a short sale or by utilizing derivatives. This allows shareholders to determine a director's true economic exposure to BN's equity. Under limited circumstances, a director may be permitted to enter into a transaction that has the effect of hedging the economic value of any direct or indirect interests held by such director, but only to the extent that the transaction (i) is executed and disclosed in full compliance with all applicable rules and regulations; (ii) has been approved by the CEO, President or the CFO and, if appropriate, the Compensation Committee; and (iii) is in respect of interests directly or indirectly held by such director in excess of the interests that such director is required to hold under the Director Share Ownership Guidelines. To date, no director has hedged the economic value of their direct or indirect interests in BN.

Equity Ownership of Directors

The following table sets out the total number of Class A Shares, pro rata interest in Class A Shares and DSUs held by the 16 proposed nominees for election to the Board at the meeting. See pages 10 to 19 of this Circular for information on the individual equity ownership of the director nominees, and also ownership of the Partnership as described on page 7.

Holdings As at May 28, 2026	Class A Shares ^(a) (#)	DSUs (#)	Total Class A Shares, Pro Rata Interest in Class A Share and DSUs (#)
Total	286,887,974	1,412,198	288,300,172

(a) Includes (i) the directors' pro rata interests in Class A Shares and BWS Class A Shares held by PVI (on a consolidated and fully diluted basis), (ii) the directors' BWS Class A Shares, and (iii) the directors' Escrowed Shares, which also represent an indirect pro rata interest in Class A Shares. The value of these indirect pro rata interests is impacted by a number of factors including the terms of their ownership, the capital structure of each company, the value of the Class A Shares held by each company and their net liabilities and preferred share obligations.

Compensation Discussion and Analysis Overview

BN's objective as a leading global investment firm is to build long-term wealth for institutions and individuals around the world. We have one of the largest pools of discretionary capital globally, which is deployed across our three core businesses—asset management, wealth solutions, and our operating businesses. Through our core businesses, we invest in real assets that form the backbone of the global economy to deliver strong risk-adjusted returns to our stakeholders. We believe that the price of the Class A Shares over the long-term is the most relevant and appropriate measure of whether we have achieved this goal.

Being successful at continuing to scale our existing businesses and identifying the next market leading business requires a management team with a long-term focus on running the business, predicated on collaborative relationships, the discipline to follow our investment strategy in good and more difficult times, and an entrepreneurial mindset. In furtherance of our investment approach, we employ a talent management strategy designed to (i) attract people who embrace this long-term focus and demonstrate our values of collaboration, discipline, and entrepreneurship, and (ii) ensure we develop and retain them.

The policies and practices we adopt to do this are deliberate. We follow them because they have demonstrably supported, and we believe will continue to support, our long-term approach to running the business.

The primary objectives of our talent management strategy are to:

- Attract and retain highly qualified and motivated executives who have confidence in, and are committed to, BN's overall business strategy to create shareholder value over the long-term;
- Emphasize long-term decision-making with a focus on capital preservation and achievement of attractive risk-adjusted returns;
- Encourage collaboration across the organization to ensure we harness the power of the breadth of our platform;
- Reward consistent, long-term performance aligned with the interests and expectations of our investors; and
- Be transparent to the employees and the shareholders of BN.

Compensation Approach

A critical component of our talent management strategy is our approach to compensation. Our decades of experience has taught us that the approach we take to compensation is essential to executing our long-term business plan. Some highlights of our approach to compensation include:

- Alignment of pay with appreciation in our Class A Share price over the long-term
- Compensation programs that reward behaviors that align with long-term value creation
- Long-term incentives that are competitive with our industry in form and level allowing for the attraction of top talent
- Pay mix heavily weighted to long-term incentives
- Five-year vesting period for all long-term incentive awards and mandatory hold period upon vest for executive officers
- Departing executives forfeit unvested awards
- Clawback policy triggered by detrimental conduct or accounting misstatement
- Minimum share ownership requirements for executive officers
- Say on Pay advisory vote on executive compensation programs

BN's compensation arrangements align management's interests with those of BN's shareholders.

Management, executive officers and directors of BN and its affiliates hold direct, indirect and economic interests representing approximately 460 million Class A Shares and share equivalents of BN.

Our emphasis on equity compensation, which has long-term vesting and retention requirements, ensures that our executives make decisions and take risks in a manner that aligns with the long-term interests of shareholders. Executives in dedicated fund management groups in most cases have compensation arrangements that also include a component more directly linked to the long-term performance of the fund being managed. The value created for the fund's investors directly relates to the payments made under such plans and this value, in turn, benefits BN. The timing of these payments to executives who are dedicated to a fund are delayed until the funds' performance is substantially realized and risk outcomes are determined ensuring that the principles of rewarding risk management and value creation over the long-term are consistent across each of our businesses. Unless specifically noted otherwise, the remainder of the discussion in this report focuses on the Named Executive Officers (as defined on page 52 of this Circular) but also pertains to executives of BN who have corporate responsibilities.

Compensation Arrangements Create Alignment of Interests between Shareholders and Management

While the goals of our compensation arrangements are similar to the goals expressed by many companies, the policies and practices we use to achieve these goals differ in certain respects from market convention. Our compensation policies and practices have been shaped to align our executives with our goal of creating exceptional value for our shareholders with a focus on long-term stewardship of the business. More specifically, our compensation programs consistently focus on the long term:

- All executives receive a significant portion of their compensation in the form of equity which vests for a minimum of a five-year period in arrears. As individuals progress in seniority, more of their compensation is in the form of long-term awards. The Named Executive Officers, in aggregate, have on average received approximately 83% of their 2025 annual compensation in the form of long-term awards.
- Cash bonuses represent a relatively modest proportion of each Named Executive Officer's total average annual compensation. Further, Named Executive Officers are eligible to elect to receive their cash bonuses in the form of long-term incentives.

-
- Our Option and Escrowed Share awards have a 10-year life and reward executives for share price appreciation over the period. Executive officers hold these equity-based awards on average over seven years; moreover, upon exercise and/or exchange, executive officers retain the majority of the net proceeds in the form of Class A Shares.
 - Executive officers are required to hold a minimum of five times their salary in BN equity and all executive officers meet this requirement. This high share ownership further demonstrates management's strong alignment with and belief in the long-term prospects of the business.
 - Management, executive officers and directors of BN and its affiliates hold direct, indirect and economic interests in BN representing over 460 million Class A Shares and share equivalents of BN. Put simply, our management team acts like, thinks like, and is a significant owner, alongside all of our shareholders, of the business.

In addition, we have adopted the following policies which further support a long-term ownership focus and alignment with shareholders:

- Executive officers are required to hold, for at least one year, an interest in Class A Shares equal to the net proceeds realized on the exercise of options or the exchange of Escrowed Shares.
- Departing executives forfeit all unvested long-term incentive plans awards unless a different arrangement is specifically approved by the Compensation Committee.
- Our clawback policy provides for the reimbursement of incentive and equity-based compensation by executive officers in the event of conduct that is detrimental to the business or an accounting restatement, and is designed to comply with the clawback rules of the U.S. Securities and Exchange Commission and the related exchange listing standards (the "U.S. Clawback Rules").

In light of the significant long-term nature of our approach to compensation, we do not add performance conditions to our vesting terms. In general, performance vesting involves setting specific performance metrics which BN is required to meet over a specified performance period before executives are entitled to receive value under the long-term plan. It is quite common for these provisions to include performance periods of three years. As noted above, our compensation programs provide for longer vesting periods of five years. We believe that adding short-term performance metrics to our compensation plans would be detrimental to our overall long-term focus and would threaten to introduce the risk of behavior that favors short-term performance over long-term value creation. While we are respectful of those who use these metrics, we have reviewed this approach and do not believe it is in the best interests of our shareholders or of the business.

Value creation for our senior management team is virtually 100% based on share price over the long term — we do not provide performance multipliers that pay out for strong performance in a weak market or for achieving internal targets set by management — our management receive value from their equity awards only when our shareholders realize value over the long-term.

The following sections provide a detailed description of BN's executive compensation philosophy and programs and the decisions of our Compensation Committee under these programs, as well as the factors considered in making its decisions.

Overview of the Business in 2025

BN's operations are comprised of our asset management business, our wealth solutions business and our four primary operating businesses of renewable power and transition, infrastructure, private equity, real estate, and our corporate activities, which collectively represent seven global operating segments.

BN's compensation philosophy described in the Compensation Discussion and Analysis is applicable for all senior management; however, the focus is on the compensation of the executive officers of BN set out in the table below, who were our Named Executive Officers for 2025:

Named Executive Officer	Position
Bruce Flatt	Chief Executive Officer
Nicholas Goodman	President and Chief Financial Officer
Cyrus Madon	Executive Vice Chair
Justin B. Beber	Chief Operating Officer

The Compensation Committee recommends for approval the compensation for the Named Executive Officers of BN.

The Board has charged the executive officers with building a global business focused on compounding capital over the long-term. The following table outlines the key business accomplishments for 2025:

2025 Business Achievements^(a)

See the “Cautionary Statement Regarding the Use of Non-IFRS Measures and Forward-Looking Statements” on page 77 of this Circular.

Compensation Committee Governance

Compensation Committee Members and Expertise

Ms. Diana L. Taylor (Chair) was appointed to the Compensation Committee on May 6, 2015 and was then appointed as Chair of the Compensation Committee on November 5, 2015. Ms. Maureen Kempston Darkes was appointed to the Compensation Committee on November 5, 2015. Mr. Rafael Miranda was appointed to the Compensation Committee on March 3, 2023. Each of the three members of the Compensation Committee is independent and has experience in private-sector compensation, with all three having experience sitting on compensation committees of other public companies. The Board believes that the Compensation Committee collectively has the knowledge, skills, experience and background required to fulfill its mandate.

Compensation Committee Mandate

The Compensation Committee has a specific written mandate to review and approve compensation for senior management. This includes an annual evaluation of the performance of the Named Executive Officers and other members of senior management. The Compensation Committee makes recommendations to the Board with respect to the compensation of the Named Executive Officers and the Board gives final approval on compensation matters.

The Compensation Committee meets as required, and at least annually, to monitor and review management compensation policies, management succession planning, diversity and the overall composition and quality of BN's management resources. The Compensation Committee met twice in 2025 and has met once to date in 2026. None of the recommendations of the Compensation Committee have been rejected or modified by the Board during 2025 or 2026 to date.

Benchmarking Executive Compensation and Compensation Peer Group

Salary and short-term incentives are elements of compensation that can be easily benchmarked; however, long-term incentives are more difficult to benchmark since their value is dependent on the underlying assumptions used by each organization and may not be consistent across organizations. Since long-term incentives are a significant focus of BN's incentive programs, the Compensation Committee has not defined a peer group or benchmarked Named Executive Officer compensation against a peer group. Management conducts annual compensation benchmarking for executives and results are shared with the Compensation Committee as appropriate. As described above, the Compensation Committee believes that BN's current compensation policies have assisted in attracting and retaining top talent and encouraging executives to assess the risks related to their decisions and actions, and minimizing the ability of executives to benefit from taking risks that increase the performance of BN in the short-term at the expense of long-term value. The Compensation Committee also believes that BN's current compensation policies meet BN's other objectives, as described under "Compensation Approach" on page 51 of this Circular.

Independent Compensation Advisors

The Compensation Committee has the authority to retain independent compensation advisors, but did not do so in 2025. If the Compensation Committee engages outside compensation advisors in the future, it will take appropriate steps to ensure they are independent from, and provide no other services to BN or its management.

Succession Planning

Each year the Compensation Committee assesses the availability of suitable succession candidates for the senior management positions within BN. Specifically, the Compensation Committee is provided with a list of potential leadership candidates and reviews the performance, skills, current responsibilities and plans for their continued development. In addition, the Compensation Committee spends time each year reviewing, with management, the performance and development of junior executives. The Compensation Committee believes that this review is important for succession planning purposes and for the compensation awarding process. BN has a long history of developing executives from within rather than hiring externally and the awarding of long-term incentives is an important component of rewarding and retaining these executives.

Diversity

BN is committed to workplace diversity; both ethnic and gender diversity are important to BN's long-term success and BN actively supports the development and advancement of a diverse group of employees capable of achieving leadership positions. Leadership appointments are solely based on merit, and not on other factors because management and the Board believe that merit should be the guiding factor in determining whether a particular candidate is capable of bringing value to BN. As such, the Board has not adopted formal targets for the representation of women in executive positions. However, a cornerstone of BN's succession planning process is a tailored approach to the development and advancement of employees capable of achieving executive officer positions. Tailoring the development plan for each individual permits BN to consider the needs of the individual, including considerations that are gender-based. This tailored approach to developing executives starts with identifying individuals who demonstrate the skills and attributes required to achieve executive officer positions within BN. The progress of these individuals is reviewed annually in order to ensure that each individual is being provided opportunities to achieve their potential. Development opportunities include exposure to a new competency or skill, a transfer between business units, a relocation, a role expansion and other stretch opportunities.

While BN has not adopted formal targets for the representation of women in executive officer positions, management and the Compensation Committee actively monitor the percentage of women identified as capable of achieving executive officer positions in aggregate, by business unit and by geography. In 2025, of the individuals identified as having the potential to achieve executive officer positions, approximately 43% self-identified as ethnically diverse and approximately 39% were women. Management and the Compensation Committee review annually a summary of high performance employees, including by gender and geography, the type of development opportunities provided to these individuals and changes to their compensation year over year in order to monitor BN's activities related to increasing the representation of women in senior management positions.

Compensation Related Risk

Annually, the Compensation Committee reviews BN's compensation approach, policies and practices as well as BN's incentive plans at the corporate level and within its business units.

The Compensation Committee also reviews the terms and conditions of the Long-Term Share Ownership Plans, as well as any proposed amendments, and considers the appropriateness and effectiveness of the plans in the context of current compensation practices, regulatory changes and BN's objectives. The Compensation Committee receives an update on the financial arrangements entered into by BN to hedge the impact on BN of future increases in the market price of its Class A Shares against the liability incurred under BN's Deferred Share Unit Plans. The Committee has determined that the plans are appropriate and effective.

The Compensation Committee reviewed BN's compensation policies and practices, including the design of BN's incentive plans to ensure that they:

- encourage management to consider the risks associated with their decisions;
- minimize management's ability to benefit from taking risks that increase performance in the short-term at the expense of long-term value creation;
- hold management accountable for their decisions both during employment with and post-departure from BN; and
- provide discretion to the Compensation Committee, where appropriate, to prevent unintended consequences which either unduly benefit or penalize management.

This review separately considered businesses that deploy capital (e.g. private fund business) and businesses that do not deploy capital (e.g. fee for service business) since the compensation risks associated with these businesses are different.

The Compensation Committee reported the results of its review to the Board in December 2025. The Compensation Committee did not identify any risks which are reasonably likely to have a material adverse effect on BN. It was concluded that BN's compensation approach, policies and practices for its executives at the corporate level and within its business units appropriately:

- encourage executives to consider the risks associated with their decisions and actions; and
- do not result in the probability that excessive payouts will be made before the outcome of risks are known.

In reaching their conclusion, the Compensation Committee considered the following:

- the emphasis on long-term compensation for executives in businesses that allocate capital including five-year vesting periods and the forfeiture terms related to departure;
- the fact that the design of incentive arrangements for businesses that deploy capital considers the additional risk relative to businesses that do not deploy capital;
- the direct link between the payout to the executive and the performance of the businesses; and
- the timing of payouts to executives who are dedicated to a fund are delayed until the funds' performance is substantially realized and risk outcomes are determined.

The Compensation Committee also reported that the compensation arrangements for the Named Executive Officers are consistent with the objectives of BN's compensation program as outlined under "Compensation Approach" on page 51 of this Circular, support the creation of shareholder value over the longer term, as well as the attraction and retention of executives who make decisions with a long-term view, and encourage an assessment of risk related to the decisions made and actions taken. The following practices related to the compensation of the Named Executive Officers support this conclusion:

- the highest percentage of total annual compensation is granted as Long-Term Share Ownership Plan awards which vest over five years with overlapping vesting periods;
- the significant level of equity ownership by management;
- that management remains exposed to the long-term risks associated with their decision-making through their equity ownership and compensation granted as long-term incentives;
- the fact that options and escrowed shares are held well beyond their vesting period and generally until close to their expiry date. The options exercised in 2025 by the Named Executive Officers and senior management were held for over nine years on average; and
- the length of tenure of management with BN.

Key Elements of Compensation

During the past five years, total compensation for the Named Executive Officers has been comprised of approximately 8% Base Salary, 5% Annual Management Incentive Plan awards and 87% Long-Term Share Ownership Plan awards.

In order to achieve our compensation objective to create alignment of interests between shareholders and management, while minimizing management's ability to benefit from taking risks that increase performance in the short-term at the expense of long-term value creation, executives receive a substantial portion of their compensation in awards under the Long-Term Share Ownership Plans described on pages 59 to 60 of this Circular which:

- reinforces the focus on long-term value creation;
- aligns the interests of executives with other shareholders of BN; and
- encourages management to follow a rigorous forward-looking risk assessment process when making business decisions.

Total compensation for executives with corporate responsibilities is comprised of the following elements: Base Salary, Annual Management Incentive Plan awards ("Bonus") and participation in BN's Long-Term Share Ownership Plans and standard benefits. Total annual compensation awarded to the Named Executive Officers and other senior executives generally does not change significantly from year to year. However, from time to time, the Compensation Committee grants additional discretionary awards to executives who have taken on additional responsibilities and/or as a way to periodically recognize executives who have consistently performed at an exceptional level. These discretionary awards are typically made in the form of participation in a Long-Term Share Ownership Plan. These discretionary awards assist BN in retaining key employees who have the potential to add value to BN over the longer term.

Total compensation for executives who are at earlier stages in their careers also includes awards pursuant to BN's Long-Term Share Ownership Plans but a larger percentage of their total compensation is in the form of Base Salary and Bonus awards in recognition of their personal needs and to be competitive within the alternative asset management industry. Furthermore, changes in total compensation from year to year often vary more for these executives as they take on increasing responsibility.

As executives progress within BN, they have the opportunity to receive their annual Bonus in DSUs instead of cash under BN's Deferred Share Unit Plans or Restricted Shares under BN's Restricted Stock Plans. This enables executives to increase their ownership interest in BN over time.

The following table provides an overview of each of the elements of compensation, followed by further details related to BN's Bonus and Long-Term Share Ownership Plans.

Element	Purpose	How Determined
Base Salary Maximum target annual incentive is 100% of Base Salary (There is a detailed description of the plan on page 58 and 2025 awards are outlined on page 65 of this Circular)	• Deliver the only form of fixed compensation • CEO Base Salary is similar to other executive officers, subject to cost of living differentials between employment locations • Not intended to be the most significant component of an executive's compensation	• Base Salaries for senior and other executives are reviewed annually to reflect the relative experience and contribution of each executive
Annual Management Incentive Plan (Bonus) Maximum target annual incentive is 100% of Base Salary (There is a detailed description of the plan on page 58 and 2025 awards are outlined on page 65 of this Circular)	• Motivate and reward participants for achieving annual business objectives and for making decisions and taking actions consistent with BN's long-term focus • Foster a collaborative approach to meeting long-term objectives • Not intended to be the most significant component of an executive's compensation • Executives may elect to take bonuses in the form of DSUs or Restricted Shares	• Annual cash bonuses are discretionary, based on individual, team and corporate performance • Awards are based on performance and consider the specific operational and individual annual performance targets, but are not formulaic
Long-Term Share Ownership Plans (There is a detailed description of each of the plans on pages 59 to 60 and 2025 awards are also outlined on page 70 of this Circular)	• Align the executive's interests with those of BN's shareholders • Foster a collaborative approach to meeting long-term objectives • Enable participants to create personal wealth through an increase in the value of BN's shares • Motivate executives to improve BN's long-term financial success • Intended to be the most significant component of an executive's compensation	• BN currently operates three Long-Term Share Ownership Plans and executives receive their long-term incentive awards in one of the following Plans: 1. Management Share Option Plans 2. Deferred Share Unit Plans 3. Restricted Stock Plans ▪ Restricted Stock Plan ▪ Escrowed Stock Plan • Annual participation in each plan is dependent on the business unit and the level of the executive • Named Executive Officers receive their long-term incentive award in the form of Escrowed Shares under the Escrowed Stock Plan
Group Benefits Health Insurance Retirement Savings Plan	• Provide health and dental benefits and life and disability insurance coverage • Provide tax deferred retirement savings	• All employees, including the Named Executive Officers, are eligible to participate in health, dental and insurance plans which vary by location • All employees, including the Named Executive Officers are eligible to receive an annual contribution to a registered retirement savings plan equivalent to a nominal percentage of Base Salary based on local market practice. The percentage is the same for all executives • There are no defined benefit pension plans in place for senior management

Annual Management Incentive Plan (“Bonus Plan”)

BN believes that, given its focus on the long-term when making decisions, the impact of which is difficult to assess in the short-term, a heavy emphasis on annual incentives and a formulaic calculation of awards based on the achievement of annual operational or individual performance targets may not appropriately reflect decisions that are fully aligned with the long-term strategy of BN. Accordingly, the awards made under the Bonus Plan typically represents approximately 10% of an executive officer’s total compensation.

The Compensation Committee believes that its ability to exercise discretion and judgment is critical to ensuring that annual incentives reflect the assessment of risk in the decisions and actions taken by management and consider unexpected circumstances or events that have occurred during the year. Accordingly, for the Named Executive Officers, the Compensation Committee starts with a review of the management team’s collective performance in meeting the broader business plan objectives. These objectives include both short-term operational goals and objectives related to the implementation of the long-term business strategy. Given the emphasis on long-term value creation, it is not unusual for some of the objectives set at the beginning of the year to change during the year. Each year, the Compensation Committee reviews:

- the accomplishments during the year;
- why certain objectives were not met or certain actions were not undertaken; and
- additional initiatives undertaken by management, which were not contemplated in the initial objectives.

Accordingly, annual incentive awards are determined based on the Compensation Committee’s:

- assessment of management’s decisions and actions and how those decisions and actions align with BN’s long-term strategy of value creation and how management considered the risks associated with such decisions; and
- determination of whether any objectives were not met because management made decisions in the best long-term interests of BN or due to factors outside of management’s control.

The compensation structure for Messrs. Flatt and Madon includes a Base Salary and Long-Term Share Ownership award only, further reinforcing a focus on long-term decision-making. For Messrs. Goodman and Beber, the incentive award is based more on their individual performance (as measured by the achievement of specific objectives) and less on collective performance. In addition, given BN’s view that a collaborative approach is fundamental to meeting its long-term objectives, the Bonus Plan awards for Messrs. Goodman and Beber tend to be similar in amount and typically do not fluctuate significantly from year to year.

Long-Term Share Ownership Awards

BN’s Long-Term Share Ownership Plans are intended to:

- encourage share ownership;
- increase executives’ interest in the success of BN;
- encourage executives to remain with BN as a result of the delayed vesting of awards; and
- attract new members of management by remaining competitive in terms of total compensation arrangements.

BN has three types of Long-Term Share Ownership Plans. Awards are made under the following plans:

Award	Key Terms	Basis for Award
Option Plan		
<i>2012, 2016 and 2019 Management Share Option Plans (collectively, the “Share Option Plans”) ^(a)</i>		
Options to purchase Class A Shares (“options”) which are settled in Class A Shares	• 10 year term • Each award vests 20% per year over five years in arrears • No entitlement to dividends • Exercise price based on the volume-weighted average price of a Class A Share for the five business days preceding the grant date	• Generally granted in the first quarter of each year as part of the annual compensation review ^(b): ◦ Number of options is determined based on executive’s level of responsibility and performance ◦ Consideration is given to the number and value of previous option awards • Also granted: ◦ From time to time as additional discretionary awards to executives who have demonstrated an ability to take on additional responsibility or who have consistently performed at a high level ◦ In certain circumstances, to executives commencing employment with BN • The CEO recommends all awards to the Compensation Committee • The Compensation Committee recommends the award for the CEO • The Board, at the recommendation of the Compensation Committee, approves all awards
The Share Option Plans are administered by the Board and described in detail under “Security-Based Compensation Arrangements” on pages 71 to 72 of this Circular		

2025 Awards and Exercises

In 2025, BN granted a total of 1,349,687 options under the Share Option Plans, representing approximately 0.05% of the outstanding Class A Shares on a fully diluted basis as of December 31, 2025 (0.07% in 2024 and 0.04% in 2023).

In total during 2025, 10.5 million options with an aggregate in-the-money value of \$295 million were disposed of or exercised. The options disposed of or exercised during 2025 by the Named Executive Officers and senior management were outstanding for over nine years on average. The length of time options are held by executives demonstrates an alignment of interests with shareholders.

Deferred Share Unit Plans

Deferred Share Unit Plan

Settled by a cash payment equal to the value of the Class A Shares	• Vesting period over five years in arrears • DSUs awarded in lieu of an annual cash bonus vest immediately • Only redeemed for cash upon cessation of employment through retirement, resignation, termination or death • Dividends are received in the form of additional DSUs	• Annual cash bonus taken in the form of DSUs at the executive’s election • A mandatory deferral of a cash bonus in certain businesses • Additional discretionary awards may be granted to executives who have demonstrated an ability to take on additional responsibility or who have consistently performed at a high level
--	--	--

2025 Awards

In 2025, BN awarded a total of 17,731 DSUs in lieu of cash bonuses.

Award	Key Terms	Basis for Award
Restricted Stock Plans		
<i>Restricted Stock Plan</i>		
Class A Shares purchased directly or indirectly on the open market subject to certain restrictions (“Restricted Shares”)	• Vesting period over five years • Restricted Shares awarded in lieu of an annual cash bonus vest immediately • Vested and unvested Restricted Shares must be held until the vesting date (or in certain jurisdictions, until the fifth anniversary of the award date) • Dividends are received in the form of cash, unless otherwise elected	• Annual cash bonus taken in the form of Restricted Shares at the executive’s election • A mandatory deferral of a cash bonus in certain businesses • Additional discretionary awards are also granted to executives who have demonstrated an ability to take on additional responsibility or who have consistently performed at a high level • Occasionally awarded as long-term incentives

2025 Awards

In 2025, BN granted a total of 1,775,137 Restricted Shares.

<i>Escrowed Stock Plan</i>		
Non-voting common shares (“Escrowed Shares”) of one or more private companies (each, an “Escrowed Company”). Each Escrowed Company is capitalized with common shares and preferred shares issued to BN for cash proceeds. Each Escrowed Company uses its cash resources to directly or indirectly purchase Class A Shares on the open market. Regular dividends paid to each Escrowed Company on the Class A Shares acquired by the Escrowed Company will be used to pay dividends on the preferred shares which are held by BN.	• Typically vest 20% each year commencing on the first anniversary of the date of the award • Right to exchange Escrowed Shares for Class A Shares issued from treasury no later than the 10th anniversary of the award date • The Class A Shares acquired by an Escrowed Company will not be voted • The Class A Shares acquired by the Escrowed Companies are purchased in the open market, thereby limiting dilution for shareholders	• Generally awarded in the first quarter of each year as part of the annual compensation review and only to the executive officers and certain senior management ^(b) • The CEO recommends all awards to the Compensation Committee • The Compensation Committee recommends the award for the CEO • The Board, at the recommendation of the Compensation Committee, approves all awards

2025 Awards

In 2025, BN granted a total of 2,287,500 Escrowed Shares and 887,417 Class A Shares were issued under the Escrowed Stock Plan.

- (a) In certain jurisdictions outside of North America, options are awarded under the Global Management Option Plan (“GMOP”). The terms and conditions of this plan are identical to the Share Option Plans with the exception that these options are settled by a cash payment equal to the increase in the value of BN’s Class A Shares. In 2025, no options were granted under the GMOP, and there were no options exercised thereunder.
- (b) For corporate executives, the annual long-term incentive award is typically in the form of options, Escrowed Shares or occasionally Restricted Shares. The number of options, Escrowed Shares or Restricted Shares awarded is dependent on the executive’s annual target (the “Target”). The Target is a function of the executive’s role, level and contribution. Accordingly, an individual’s Target typically increases over time. The number of options or Escrowed Shares awarded to an executive is calculated as (i) the Target divided by (ii) the price of the Class A Shares at the time the award is determined. In certain circumstances, awards in excess of the Target are granted to executives who have taken on additional responsibility, or who have consistently performed at a high level.

Key Policies and Practices to Support Alignment

The Compensation Committee establishes compensation programs that incorporate leading compensation governance principles. Highlighted below are some of BN’s executive compensation policies and practices that are designed to (i) encourage executives to consider the risks associated with their decisions, (ii) minimize the risk that executives are rewarded in the short-term for actions which are detrimental in the long-term, and (iii) reinforce the alignment of the interests of management with the long-term interests of shareholders.

The following table outlines BN's policies and practices which incorporate leading compensation governance principles:

Policies and Practices:

- ✓ Require senior management to own a significant interest in BN
- ✓ Require executive officers to hold for at least one year, an interest in Class A Shares equal to the net proceeds realized on exercise of options or exchange of Escrowed Shares
- ✓ Provide for clawback of incentive and equity-based compensation in the event of accounting restatements or detrimental conduct
- ✓ Require long-term incentives to vest over five years
- ✓ Termination provisions generally require departing executives to forfeit unvested awards
- ✓ Do not provide defined benefit pension plans for any executives
- ✓ Restrict hedging of shares or share-based incentives

Share Ownership Guidelines

BN's executive officers are required to hold Class A Shares, Exchangeable Class A Shares, DSUs, Restricted Shares or other equity securities that own underlying Class A Shares with a value equal to five times Base Salary, based on the market value of the securities held, and which must be attained within five years of being designated as executive officers. As at May 28, 2026, all of the Named Executive Officers have met the share ownership requirement.

Reimbursement of Incentive and Equity-Based Compensation (Clawback)

Pursuant to BN's Clawback Policy (the "Clawback Policy"), an executive officer may be required to pay to BN an amount equal to some or all of any cash payments or equity awards granted or paid to, or earned by, such executive officer under the terms of any of BN's incentive compensation or long-term incentives plans (collectively, "Awards"). This payment may be required in the event that (i) BN is required to prepare an accounting restatement due to BN's material noncompliance with any financial reporting requirement under United States federal securities laws or to avoid a material accounting misstatement or (ii) an executive officer is determined to have engaged in conduct which the Compensation Committee determines is detrimental to BN.

The Compensation Committee has full and final authority to make all determinations under the Clawback Policy including, without limitation, whether the Clawback Policy applies and, if so, the amount of compensation to be repaid or forfeited by the executive officer. In the event that BN is required to prepare an accounting restatement, the Compensation Committee will review all incentive-based compensation earned by its executive officers (i) after beginning service as an executive officer, (ii) during the three completed fiscal years immediately preceding the date on which BN is required to prepare the accounting restatement (as well as during any transition period specified in the U.S. Clawback Rules), (iii) while BN has a class of securities listed on a U.S. stock exchange, and (iv) after the U.S. Clawback Rules became effective. If the Compensation Committee determines that one or more executive officers received any erroneously awarded compensation in connection with an accounting restatement, the Compensation Committee will seek recoupment from such executive officers of all such erroneously awarded compensation, unless it determines that one of the impracticality exceptions set forth in the U.S. Clawback Rules is available.

In order to protect BN's reputation and competitive ability, the Clawback Policy may also apply to executive officers that engage in conduct that is detrimental to BN during or after the cessation of such executive officer's employment with BN. Detrimental conduct includes any conduct or activity, whether or not related to the business of BN, that is determined in individual cases by the Compensation Committee, to constitute: (i) fraud, theft-in-office, embezzlement or other illegal activity; (ii) failure to abide by applicable financial reporting, disclosure and/or accounting guidelines; (iii) material violations of the Code; or (iv) material violations of BN's Positive Work Environment Policy (including the sexual harassment related provisions thereof). In the event that it is determined that detrimental conduct has occurred, the Clawback Policy relates to any Awards received: (i) on or after the date the executive officer is determined to have engaged in detrimental conduct; and/or (ii) the two year period prior to the date the executive officer is determined to have engaged in detrimental conduct.

Where it is determined (i) through an accounting restatement that incentive-based compensation was erroneously awarded to an executive officer or (ii) that the executive officer engaged in detrimental conduct, the Compensation Committee will have the ability to: (x) require the executive officer to re-pay any Award paid to the executive officer; (y) cancel/revoke any prior

Award that has not yet vested, and any Award that has vested but has not yet been exercised, by the executive officer; and/or (z) require the executive officer to re-pay the cash value realized by the executive officer on any Award that has already vested to, or been exercised by, the executive officer. Awards include all plans under which cash payments or equity awards granted or paid are currently being made (DSUs, Escrowed Shares and Restricted Shares) or any plans which are no longer operating but still have outstanding awards.

Hedging of Economic Risks for Personal Equity Ownership

All executives are prohibited from entering into transactions that have the effect of hedging the economic value of any direct or indirect interests by the executive in Class A Shares, including their participation in Long-Term Share Ownership Plans. Under limited circumstances, an executive may be permitted to enter into a transaction that has the effect of hedging the economic value of any direct or indirect interests held by such executive, but only to the extent that the transaction (i) is executed and disclosed in full compliance with all applicable rules and regulations; (ii) has been approved by the CEO and CFO and, if appropriate, the Compensation Committee; and (iii) is in respect of interests directly or indirectly held by such individual in excess of the interests that such individual is required to hold under the Share Ownership Guidelines. To date, no executive has hedged the economic value of their direct or indirect interests in BN.

Option Exercise Hold Periods During and Post-Employment

In order to minimize any possibility of executives opportunistically exercising options and selling the securities received at an inappropriate time, and to require share ownership post-employment, executives are required to continue to hold, for at least one year, an interest in Class A Shares equal to any net after-tax cash proceeds realized from the exercise of options or exchange of Escrowed Shares. This requirement is distinct and in addition to any share ownership guidelines.

Termination and Change of Control Provisions

As a general practice, BN does not provide contractual termination or post-termination payments or change of control arrangements to employees. Specifically, BN has not entered into contractual termination, post-termination or change of control arrangements, employment contracts or golden parachutes with any of its Named Executive Officers.

The following table provides a summary of the termination provisions in BN's Long-Term Share Ownership Plans. No incremental entitlements are triggered by termination, resignation, retirement or a change in control. Any exceptions to these provisions are approved on an individual basis at the time of cessation of employment. Exceptions are approved by the Chair of the Compensation Committee or the Board, depending on the circumstances.

Long-Term Share Ownership Plan Termination Provisions^(a)

(b) Up to but not beyond the expiry date of options.

2025 Compensation Decisions

The Board has charged Mr. Flatt and his management team with expanding the business globally in a manner consistent with the creation of shareholder value over the long term. Mr. Flatt's personal performance, as well as the performance of executive officers, is reviewed each year by the Board and the Compensation Committee in relation to operational results, the achievement of other objectives set out at the beginning of the year related to the implementation of the long-term business strategy and other accomplishments.

Each year, the CEO presents an annual business plan to the Board. The plan incorporates both short-term and long-term growth objectives. This annual business plan sets out the strategic direction of BN, together with specific operational targets and objectives related to the implementation of BN's long-term business strategy. The targets and objectives are aggressive and, given the opportunistic and entrepreneurial nature of the organization, provide the Board with examples of various transactions and initiatives that management believes will create shareholder value over the long-term.

The determination of annual incentive awards and long-term ownership awards is not formulaic but instead is entirely based on the Board's assessment of the specific actions taken during the year by the team to implement BN's strategic plans and any amendments to the plans, all in the context of long-term value creation, and other actions taken in response to unforeseen developments during the year.

Information Reviewed by the Compensation Committee

In February 2026, the Compensation Committee received a report detailing the compensation arrangements for the Named Executive Officers. The report, which was prepared by the CEO, summarized the total 2025 compensation, including proposed annual incentive awards and Long-Term Share Ownership Plan awards as well as the proposed 2026 Base Salaries. The report also presented a wealth accumulation analysis, including the "in-the-money" value of vested and unvested Long-Term Share Ownership Plan awards previously granted and the options exercised during the year for each Named Executive Officer.

The report included an analysis of the expected value of 2025 compensation awards to the Named Executive Officers that would be paid under various performance results. The Compensation Committee determined that the resulting compensation was reasonable and appropriate based on the performance of the Class A Shares over a 10-year period.

The extent of equity ownership by all executives is an important consideration for the Compensation Committee. It demonstrates the extent to which executives will benefit from, and will be motivated to achieve, the long-term enhancement of shareholder value. Accordingly, the report also contained an analysis of equity ownership by all executives. It also summarized the equity ownership by the most senior executives including Class A Shares held directly and indirectly as well as through Long-Term Share Ownership Plans, along with a summary of the tenure with the organization of each Named Executive Officer. The Compensation Committee determined that the significant level of equity ownership of the Named Executive Officers creates an alignment of interests to enhance shareholder value over the longer term.

In addition, the report contained a summary of regular and additional discretionary option awards to all senior management as recommended by the Named Executive Officers. The Compensation Committee has determined that these arrangements are reasonable and appropriate.

2025 Incentive Awards

The Compensation Committee considered the significant achievements by BN in 2025 as outlined on page 53 of this Circular. After considering these achievements, the Compensation Committee determined that management had advanced the long-term business strategy in a manner consistent with the creation of shareholder value over the longer term. Accordingly, the annual and long-term incentive awards for 2025 were as follows:

Named Executive Officer	Annual Incentive (\$)	Long-Term Incentive Value (\$)
Bruce Flatt ^(a)	—	5,360,400
Nicholas Goodman	900,000	6,700,500
Cyrus Madon ^(b)	—	2,680,200
Justin B. Beber	750,000	4,690,350

(a) Mr. Flatt is not eligible for an annual incentive. His compensation consists of a Base Salary and an award under one of BN's Long-Term Share Ownership Plans. In addition, Mr. Flatt, who was CEO of BAM throughout 2025 and remains Chair of BAM, is eligible for BAM compensation, including Long-Term Share Ownership Plans. In 2025, Mr. Flatt received \$3,221,160 in Long-Term Incentive Value as BAM compensation in his capacity as CEO of BAM.

(b) Mr. Madon is not eligible for an annual incentive. His compensation consists of a Base Salary and an award under one of BN's Long-Term Share Ownership Plans. In addition, Mr. Madon, who remains Executive Chair, Private Equity of BAM, is eligible for BAM compensation, including Long-Term Share Ownership Plans. In 2025, Mr. Madon received \$1,610,580 in Long-Term Incentive Value as BAM compensation in his capacity as Executive Chair, Private Equity of BAM.

The Committee considered these awards to be aligned with the compensation approach of rewarding long-term value creation and consistent with BN's compensation philosophy of providing a significant portion of executive compensation in the form of long-term equity-based awards.

The Canadian Named Executive Officers also received an annual contribution to a retirement savings plan. Their participation in these retirement savings plans is on the same basis as all other employees of BN subject to geographic and market differentials, and they do not have any entitlement to future pension benefits or other post-employment benefits from BN. As a result, BN has no post-employment obligation to provide pension, medical or other employee benefits to Named Executive Officers.

Named Executive Officer Compensation Mix^(a)

Approximately 93% of the value of compensation awarded to Mr. Flatt for 2025 and approximately 80% of the value of compensation award to other Named Executive Officers for 2025 was in the form of long-term share ownership awards. The actual value of this compensation, which is earned over time, depends upon the performance of the Class A Shares. The compensation mix for the Named Executive Officers, in 2025 and over the last five years, is set out in the table below.

	Annual Management Incentive				Percentage of Compensation at Risk

Five Year Compensation Review – Chief Executive Officer

In fiscal years 2021 through 2025 inclusive, Mr. Flatt received a Base Salary of \$533,292 on average per year. Base salary was the only cash compensation awarded to Mr. Flatt during that period.

Participation in BN and BAM long-term share ownership plans, which are based on the performance of the Class A Shares and BAM Class A Shares, represented 93% of the value of the total compensation awarded to Mr. Flatt over the last five years.

The following table sets out the actual value of the total compensation awarded to Mr. Flatt over the last five years based on the value of a Class A Share and of a Class A Share of BAM as at December 31, 2025. Performance of the Class A Shares over the last five years on the TSX and NYSE can be found starting on page 67 of this Circular.

(a) These values reflect DSUs and Escrowed Shares granted during the five-year period from January 1, 2021 to December 31, 2025 of Mr. Flatt's tenure as CEO. DSUs are not redeemable until retirement.

(b) The value of the DSUs is calculated based on the closing price of a Class A Share or a BAM Class A Share (for DSUs issued pursuant to adjustments made to outstanding equity-based awards of BN in connection with BN's distribution of 25% of its asset management business through BAM pursuant to a plan of arrangement in December 2022 (the "Arrangement Adjustments")), as applicable, on the effective date of the award. The value of the Escrowed Shares is based on the stock market price of the Class A Shares or a BAM Class A Share (for Escrowed Shares issued in connection with the Arrangement Adjustments), as applicable, at the time of the award and considers the potential increase in value based on a hold of 7.5 years, and the volatility, risk free rate and dividend growth rate at the time of the award.

(c) The market appreciation for the DSUs is calculated as (i) the value of the DSUs (including the additional DSUs received under the dividend reinvestment program) using the closing price of a Class A Share on the TSX on December 31, 2025 of \$45.92 (C\$63.02 converted into U.S. dollars at the Bloomberg mid-market exchange rate on that date of C\$1.00 = US\$0.7286) or on the NYSE on December 31, 2025 of \$45.89, as applicable, and for the BAM-tracking DSUs issued in connection with the Arrangement Adjustments using the closing price of a BAM Class A Share on the TSX on December 31, 2025 of \$52.39 (C\$71.90, converted into U.S. dollars at the Bloomberg mid-market exchange rate on that date of C\$1.00 = US\$0.7286) and on the NYSE of \$52.39, as applicable, less (ii) the Value upon Award as described in note (b) above. The market appreciation for the Escrowed Shares is calculated as (i) the value of the Class A Shares or BAM Class A Shares, as applicable, held by the Escrowed Company less the net liabilities and preferred share obligations of the Escrowed Company on December 31, 2025 less (ii) the value of the Escrowed Shares on December 31, 2025 as described in note (b) above.

(d) Other compensation paid in the financial year includes annual contributions of 7.5% of salary under the U.K. retirement savings plan in 2021. The value has been converted to U.S. dollars at an exchange rate of £1.00 = US\$1.3191, which was the average exchange rate for 2025 as reported by Bloomberg.

Chief Executive Officer Ownership Interests in BN

Consistent with BN's philosophy of aligning the interests of management and shareholders and fostering an entrepreneurial environment that encourages a focus on long-term value creation, Mr. Flatt has, over his 36 years with BN, accumulated a number of ownership interests in BN in the form of DSUs and Escrowed Shares. In addition, and separate from any compensation arrangements, but relevant to the extent it aligns Mr. Flatt's interests with shareholders, Mr. Flatt owns a significant number of Class A Shares. These ownership interests are held both directly and through ownership in PVI (see "Principal Holders of Voting Shares" on page 7 of this Circular).

Security-Based Compensation Arrangements

BN's only current security-based compensation arrangements are its Share Option Plans and its Escrowed Stock Plan.

2012 Management Share Option Plan

The 2012 Management Share Option Plan (the "2012 Plan") was approved by the Board in February 2012 and by the holders of Class A Shares at the Annual and Special Meeting of Shareholders held on May 10, 2012. The 2012 Plan provides for the issuance of 50,625,000 Class A Shares (representing approximately 2.0% of BN's issued and outstanding Class A Shares as at December 31, 2025) of which options to acquire 6,774,190 Class A Shares (representing approximately 0.27% of BN's issued and outstanding Class A Shares) have been granted but not exercised as at December 31, 2025. Following the approval of the 2019 Plan, as defined below, by BN's shareholders in June 2019, BN decided not to grant any further options under the 2012 Plan.

2016 Management Share Option Plan

The 2016 Management Share Option Plan (the "2016 Plan") was approved by the Board on February 11, 2016 and by the holders of Class A Shares at the Annual and Special Meeting of Shareholders held on June 17, 2016. The 2016 Plan provides for the issuance of 33,750,000 Class A Shares (representing approximately 1.4% of BN's issued and outstanding Class A Shares as at December 31, 2025). Options to acquire 24,131,208 Class A Shares have been granted but not exercised and 71,760 Class A Share options are available for grant, representing approximately 0.97% and 0.003%, respectively, of BN's issued and outstanding Class A Shares as at December 31, 2025.

2019 Management Share Option Plan

The 2019 Management Share Option Plan (the "2019 Plan") was approved by the Board on February 13, 2019 and by the holders of Class A Shares at the Annual and Special Meeting of Shareholder held on June 14, 2019. The 2019 Plan provides for the issuance of 33,750,000 Class A Shares (representing approximately 1.4% of BN's issued and outstanding Class A Shares as at December 31, 2025). Options to acquire 5,551,953 Class A Shares have been granted but not exercised and 27,988,220 Class A Share options are available for grant, representing approximately 0.22% and 1.13%, respectively, of BN's issued and outstanding Class A Shares as at December 31, 2025.

General Terms of Option Plans

The Board establishes the exercise price of each option at the time it is granted, which may not be less than the volume-weighted average price of a Class A Share on the NYSE for the five trading days preceding the effective grant date. If options are approved during a restricted trading period, the effective grant date may not be less than six business days after the restricted trading period ends.

The following is a summary of the other key provisions of the 2012 Plan, the 2016 Plan and the 2019 Plan (collectively, the "Option Plans"). Employees, officers and consultants of BN and its affiliates and others designated by the Board are eligible to participate in the Option Plans. Non-employee directors are not eligible to participate in the Option Plans. The number of Class A Shares issuable to insiders at any time, or issued in any one year to insiders, under any of BN's security-based compensation arrangements cannot exceed in either case 10% of the issued and outstanding shares of this class; and no more than 5% of the issued and outstanding shares may be issued under these arrangements to any one person. The Board determines the vesting period for each option grant, which is normally 20% per year over five years commencing the first year after the grant. The Board also sets the expiry period for each option grant, which may not exceed ten years, except where the expiry date falls during or shortly after a restricted trading period, in which case the expiry date is ten days after the restricted trading period ends.

The Option Plans set out provisions regarding the exercise and cancellation of options following a change in the employment status of a plan participant. In general, all vested options must be exercised by, and all unvested options are cancelled on, a participant's termination date, except as follows: in the event of termination by BN for reasons other than cause or due to a continuous leave of absence as a result of a disability, vested options must be exercised within 60 days following the termination date; in the event of retirement, vested options continue to be exercisable until the applicable expiry date; and in

the event of death, all granted options continue to vest and be exercisable for six months following death. No incremental entitlements are triggered by a change in control of BN under the Option Plans.

The Option Plans permit participants to exercise vested options in exchange for a number of Class A Shares equivalent in value to (i) the aggregate fair market value of the Class A Shares underlying the options on the exercise date over the aggregate exercise price of the options, less (ii) applicable withholding taxes (only to the extent such taxes have not otherwise been satisfied by the participant). This provides for a reduction in shareholder dilution upon the exercise of options using this feature.

The Option Plans also provide that each person that is an officer, employee or consultant of BAM or any of its affiliates shall, for so long as such person remains an officer, employee or consultant of BAM or any of its affiliates, be permitted to hold and exercise his or her options in accordance with their terms as though such person was an officer, employee or consultant, as applicable, of BN or any of its affiliates.

Amendments to the Options Plans

The 2012 Plan, 2016 Plan and 2019 Plan were amended by the Board in 2025 following the three-for-two stock split of the Class A Shares on October 9, 2025. The maximum number of Class A Shares that may be reserved under the Option Plans was adjusted to reflect the stock split. These amendments did not require shareholder approval pursuant to the amendment provisions of the 2012 Plan, 2016 Plan and 2019 Plan.

Procedure for Amending Option Plans

The Option Plans contain an amending provision setting out the types of amendments which can be approved by the Board without shareholder approval and those which require shareholder approval. Shareholder approval is required for any amendment that increases the number of shares issuable under the Option Plans, that lengthens the period of time after a restricted trading period during which options may be exercised, results in the exercise price being lower than fair market value of a Class A Share at the date of grant, reduces the exercise price or any cancellation and reissuance of an option which would be considered a repricing under TSX rules, expands insider participation, extends the term of an option beyond its expiry date, adds a provision which results in participants receiving shares for no consideration (other than the 2016 Plan or the 2019 Plan) or other amendments required by law to be approved by shareholders. The 2016 Plan and 2019 Plan also require shareholder approval for any amendment which would permit options to be transferable or assignable other than for normal estate planning purposes, any amendment to the amendment provisions, any amendment expanding the categories of eligible participants which may permit the introduction or reintroduction of non-employee directors on a discretionary basis and any amendment to remove or exceed the insider participation limit. Shareholder approval is not required for any amendment to the Option Plans or any option that is of a housekeeping or administrative nature, that is necessary to comply with applicable laws or to qualify for favorable tax treatment, that is to the vesting, termination or early termination provisions (provided that the amendment does not entail an extension beyond the expiry period of the options), that adds or modifies a cashless exercise feature that provides for a full deduction of the number of Class A Shares from the Option Plan reserve, and to suspend or terminate an Option Plan. No amendments to the Option Plans were made in 2025.

Other Features of the Option Plans

BN does not provide any financial assistance to plan participants to facilitate the purchase of Class A Shares issued pursuant to the exercise of options under the Option Plans. Options granted under the Option Plans may be assigned by the plan participant to (i) his or her spouse, descendants or any other immediate family member; or (ii) a trust, the beneficiaries of which are one or more of the plan participant and the participant's spouse, descendants or immediate family members; or (iii) a corporation or limited liability company controlled by the plan participant or by one or more of the participant and the participant's spouse, and/or the immediate family members, the shares or interests of which are held directly or indirectly by the plan participant, participant's spouse and/or immediate family members; or (iv) such other transferees for estate planning purposes as may be permitted by the Board in its discretion.

The Board, on the recommendation of the Compensation Committee, approves all option awards. The Compensation Committee recommends the long-term incentive award for the CEO. All other option awards are recommended by the CEO to the Compensation Committee.

BN has established a number of policies related to its long-term share ownership plans, including option exercise hold periods, to reinforce the importance of equity ownership by its senior executives over the longer term. See also “Key Policies and Practices to Support Alignment” starting on page 60 of this Circular.

Escrowed Stock Plan

The Escrowed Stock Plan was approved by the Board in February 2011 and by holders of Class A Shares at the Annual and Special Meeting of Shareholders held on May 11, 2011. The Escrowed Stock Plan governs the award of Escrowed Shares of one or more Escrowed Company to executives or other individuals designated by the Board. Each Escrowed Company is capitalized with common shares and preferred shares issued to BN for cash proceeds. Each Escrowed Company uses its cash resources to directly or indirectly purchase Class A Shares in the open market. Under the current terms of the Escrowed Stock Plan, participants are either awarded Escrowed Shares or provided an election to contribute Class A Shares or previously awarded Escrowed Shares as consideration for the Escrowed Shares. Dividends paid to each Escrowed Company on the Class A Shares acquired by the Escrowed Company will be used to pay dividends on the preferred shares which are held by BN. If a participant elects to contribute Class A Shares as consideration, dividends paid to the Escrowed Company on the contributed Class A Shares will be paid on the common shares held by the participants. The Class A Shares acquired by an Escrowed Company will not be voted.

Except as otherwise determined by the Board, 20% of Escrowed Shares will vest on the first anniversary of the granting of such shares, with an additional 20% vesting on each subsequent anniversary, up to and including the fifth anniversary of the grant of the Escrowed Shares.

On date(s) determined by the holders of the Escrowed Shares no later than ten years after the initial grant, the vested Escrowed Shares will be acquired by BN in exchange for the issuance of Class A Shares from treasury, where the value of the Class A Shares being issued is equal to the value of the Escrowed Shares being acquired. The value of the Escrowed Shares will be equal to the increase in value of the Class A Shares held by the Escrowed Company since the grant date of the Escrowed Shares, based on the volume-weighted average price of a Class A Share on the NYSE on the date of the exchange. Participants are not permitted to exchange Escrowed Shares during a restricted trading period, except with the consent of the Board. Once all participants of an Escrowed Company have elected to exchange their Escrowed Shares, the Escrowed Company will be wound up or merged into BN and BN will cancel at least that number of Class A Shares held by one or more Escrowed Companies that is equivalent to the number of Class A Shares that have been issued to holders of the Escrowed Shares of the Escrowed Company on exchanges.

A maximum of 20,250,000 Class A Shares may be issued under the Escrowed Stock Plan, representing less than 1% of BN’s issued and outstanding Class A Shares. When Class A Shares are issued in exchange for Escrowed Shares, the number of Class A Shares remaining for future issuance under the Escrowed Stock Plan will be reduced. On the wind-up or merger of an Escrowed Company, the number of Class A Shares held by one or more Escrowed Companies that are cancelled in respect of Class A Shares previously issued by BN in exchange for Escrowed Shares will be added back to the number of Class A Shares available for future issuance under the Escrowed Stock Plan. The Escrowed Stock Plan also provides that when Class A Shares are issued in exchange for Escrowed Shares and immediately thereafter the Escrowed Company is wound up or merged into BN and the Class A Shares held by it are cancelled, the number of Class A Shares remaining for future issuance under the Escrowed Stock Plan will not be reduced. 44,169,546 Class A Shares (representing approximately 1.8% of the issued and outstanding Class A Shares) have been issued under the Escrowed Stock Plan since its adoption in 2011 and, as a result of the cancellation by Escrowed Companies of at least 42,603,659 Class A Shares, 18,683,591 Class A Shares (representing approximately 0.8% of the issued and outstanding Class A Shares) are available for future issuance as at December 31, 2025.

Eligibility for participation in the Escrowed Stock Plan is restricted to designated executives of BN and its affiliates or any other persons designated by the Board. The number of Escrowed Shares to be granted to each participant is determined at the discretion of the Board, on the recommendation of the Compensation Committee. The Compensation Committee recommends the award of Escrowed Shares for the CEO. All other awards of Escrowed Shares are recommended by the CEO to the Compensation Committee. The number of Class A Shares issuable to insiders at any time, or issued in any one year to insiders, under any of BN’s security-based compensation arrangements cannot exceed in either case 10% of the issued and outstanding shares of this class; and no more than 5% of the issued and outstanding shares may be issued under these arrangements to any one person. Aside from transfers to BN (in the case of termination of employment, described in the table under “Termination and Change of Control Provisions” on page 63 of this Circular) or for estate planning purposes, transfers

of Escrowed Shares are not permitted. No incremental entitlements are triggered by a change in control of BN under the Escrowed Stock Plan.

The number of Escrowed Shares granted under the Escrowed Stock Plan annually, expressed as a percentage of the weighted average number of Class A Shares outstanding in the year, was 0.01% in 2023, 0.3% in 2024 and 0.01% in 2025. See also “Dilution of Class A Shares” on page 74 of this Circular for information on the Class A Shares issuable under the Escrowed Stock Plan.

The Escrowed Stock Plan also provides that each person that is an officer, employee or consultant of BAM or any of its affiliates shall, for so long as such person remains an officer, employee or consultant of BAM or any of its affiliates, be permitted to hold and exchange his or her Escrowed Shares in accordance with their terms as though such person was an officer, employee or consultant, as applicable, of BN or any of its affiliates.

Amendments to the Escrowed Stock Plan

The Escrowed Stock Plan was amended by the Board in 2025 following the three-for-two stock split of the Class A Shares on October 9, 2025. The maximum number of Class A Shares that may be reserved under the Escrowed Stock Plan was adjusted to reflect the stock split. This amendment did not require shareholder approval pursuant to the amendment provisions of the Escrowed Stock Plan.

Procedure for Amending Escrowed Stock Plan

The Escrowed Stock Plan contains an amending provision setting out the types of amendments which can be approved by the Board without shareholder approval and those which require shareholder approval. Shareholder approval is required for any amendment that increases the number of Class A Shares issuable under the Escrowed Stock Plan, expands insider participation, expands participation to include non-employee directors of BN, any amendment to the amendment provisions or other amendments required by law to be approved by shareholders. Shareholder approval is not required for any amendment to the Escrowed Stock Plan that is of a housekeeping or administrative nature, that is necessary to comply with applicable laws or to qualify for favorable tax treatment, that is to vesting provisions, that is to the termination or early termination provisions (provided that the amendment does not entail an extension beyond the tenth anniversary of the award date for any particular Escrowed Company), and to suspend or terminate the Escrowed Stock Plan. No amendments to the Escrowed Stock Plan were made in 2025.

Dilution of Class A Shares

Options Outstanding and Class A Shares issuable under the Escrowed Stock Plan as a Percentage of Issued and Outstanding Class A Shares

	<u>2025</u>	<u>2024</u>	<u>2023</u>
2012 Plan	0.3%	0.5%	1.0%
2016 Plan	1.0%	1.1%	1.3%
2019 Plan	0.2%	0.2%	0.2%
Escrowed Stock Plan ^(a)	0.8%	1.3%	0.3%

(a) Reflects the number of Class A Shares to be issued upon exchange of the Escrowed Shares, less the number of Class A Shares cancelled under the Escrowed Stock Plan during the applicable year. Although the number of Class A Shares outstanding may increase over time as a result of issuances of Class A Shares pursuant to the Escrowed Stock Plan, the Escrowed Stock Plan continues to be economically non-dilutive as BN will cancel at least an equivalent number of Class A Shares held by Escrowed Companies that are wound up or merged.

Grants Issued as a Percentage of Shares Outstanding

The following table shows the number of Class A Shares issuable under awards granted under each of the Option Plans and the Escrowed Stock Option Plan as a percentage of the average Class A Shares outstanding (the “rate of grants issued”) for the past three years. The rate of grants issued is defined as the number of Class A Shares issuable under awards granted in a fiscal year, divided by the basic weighted average number of Class A Shares outstanding in that year.

	2025	2024	2023
Grants under the 2012 Plan	—	—	—
Rate of Grants Issued	—	—	—
Grants under the 2016 Plan	768,850	376,088	7,166,252
Rate of Grants Issued	0.03%	0.02%	0.04%
Grants under the 2019 Plan	580,837	1,371,450	—
Rate of Grants Issued	0.02%	0.06%	—
Grants under the Escrowed Stock Plan ^(a)	284,290	7,447,122	302,564
Rate of Grants Issued	0.01%	0.30%	0.01%

(a) Includes Class A Shares issuable on exchange as of each fiscal year end for information purposes. The Escrowed Stock Plan is non-dilutive as any Class A Shares issued from treasury are fully offset by the cancellation of shares acquired in the market as described above.

Securities Authorized for Issue Under Incentive Plans

The following table sets out information on BN's Option Plans and Escrowed Stock Plan as at December 31, 2025.

Plan Category	Number of securities to be issued upon exercise of outstanding options, warrants and rights	Weighted-average exercise price of outstanding options, warrants and rights ^(b)	Number of securities remaining available for future issuance under equity compensation plans ^(c)

Escrowed Stock Plan ^(c)	21,006,738	—	18,683,591
Total	57,464,089		46,743,571

(a) Following the approval of the 2019 Plan by BN's shareholders in June 2019, BN decided that it will not grant any further options under the 2012 Plan.

(b) Converted into U.S. dollars using the average Bloomberg mid-market exchange rate for 2025 of C\$1.00 = US\$0.7286.

(c) This value represents the number of Class A Shares at December 31, 2025 which could be issued under this plan.

Pension and Retirement Benefits

BN's senior management do not participate in a registered defined benefit plan or any other post-retirement supplementary compensation plans and do not have any entitlement to future pension benefits or other post-employment benefits from BN. BN has not entered into contractual termination, post-termination or change of control arrangements, employment contracts or golden parachutes with any of its senior management.

PART SIX – OTHER INFORMATION

Indebtedness of Directors, Officers and Employees

The amount of debt outstanding by current and former directors, officers and employees of BN as at May 28, 2026 to BN and its subsidiaries was approximately \$35.4 million, which loans bear interest at a minimum rate of 1.6%. The purpose of such loans is to enable certain employees of BN to fund certain near-term expenses without monetizing previously granted equity awards under BN's long-term share ownership plans thereby preserving long-term alignment with BN. No executive officers of BN are indebted under any of these loans.

Audit Committee

Additional information about the Audit Committee required by Part 5 of NI 52-110, including the Committee's Charter, can be found in the AIF under the heading "Audit Committee Information," which is posted on BN's website, <https://bn.brookfield.com> under "Reports & Filings — Investor Document Centre" and is also filed on SEDAR+ at www.sedarplus.ca and EDGAR at www.sec.gov/edgar. A copy of the AIF can also be obtained from the Corporate Secretary of BN as set out below under "Availability of Disclosure Documents" on page 78 of this Circular.

Directors' and Officers' Liability Insurance

BN and its subsidiaries and associated companies (including BAM, BWS, and certain of their respective subsidiaries, collectively, the "Organization") maintain directors' and officers' insurance with an aggregate limit of \$150 million for claims where an entity within the Organization is obligated and able to indemnify its directors or officers, as well as those claims where an indemnity is not available. There is an additional \$75 million of coverage for directors and officers directly for claims where such indemnity is not available. The total limit of \$225 million is applied under a shared program for the Organization, and therefore payments made under the program in a given year are deducted from the aggregate insurance coverage available under the program for that year.

Under the directors' and officers' insurance program, an entity within the Organization is eligible for reimbursement for indemnity payments made to directors or officers as required or permitted by law, including legal costs arising from acts, errors or omissions committed by directors and officers during the course of their duties as such. The insurance coverage for directors and officers has certain exclusions including, but not limited to, those acts for which an entity within the Organization is not permitted to indemnify directors under applicable law, such as acts determined to be deliberately fraudulent or dishonest or to have resulted in personal profit or advantage with such exclusions only being applicable after a final non-adjudicable decision is made. Claims by entities within the Organization are subject to a deductible of up to \$5 million. Individual directors and officers do not pay any deductible if it is necessary for them to make a claim directly when they are not indemnified by an entity within the Organization.

The cost of the directors' and officers' insurance program is borne by the Organization and is currently \$4,693,849 annually, of which only a portion of the costs is allocated to BN.

Normal Course Issuer Bid

Class A Limited Voting Shares

On May 23, 2025, BN renewed its normal course issuer bid for market purchases of its Class A Shares ("Class A NCIB") for a period extending from May 27, 2025 until May 26, 2026, or an earlier date should BN complete its purchases. The Class A NCIB allowed BN to repurchase, during the period mentioned above, on the TSX, NYSE and any alternative trading systems, a maximum of approximately 143 million Class A Shares (on a pre-stock split basis), representing approximately 10% of the public float of the outstanding Class A Shares. On May 25, 2026, BN announced the renewal of the Class A NCIB for a period extending from May 27, 2026 to May 26, 2027. Pursuant to the terms of the renewed Class A NCIB, BN may repurchase, during the foregoing period, on the TSX, NYSE and any alternative trading systems, a maximum of approximately 191 million Class A Shares, representing approximately 10% of the public float of the outstanding Class A Shares. All Class A Shares acquired by BN under the Class A NCIB are cancelled or purchased by a non-independent trustee pursuant to the terms of Brookfield's long-term incentive plans.

BN renewed the Class A NCIB because it will provide the flexibility to use available funds to acquire its Class A Shares where it aligns with BN's investment and capital allocation strategies. From the period between May 27, 2025 and May 28, 2026, BN purchased 15,353,794 Class A Shares (on a post-split basis) under the Class A NCIB at an average price of \$41.81 (on a post-split basis). Shareholders may obtain, free of charge, a copy of the notice of intent regarding the Class A NCIB, which was approved by the TSX, by writing to the Corporate Secretary of BN at Brookfield Place, Suite 100, 181 Bay Street, Toronto, Ontario M5J 2T3.

Class A Preference Shares

On August 20, 2025, BN announced the renewal of its normal course issuer bid for market purchases of BN's outstanding Class A Preference Shares that are listed on the TSX (the "Preferred NCIB") for a period extending from August 22, 2025 until August 21, 2026, or an earlier date should BN complete its purchases. The Preferred NCIB allows BN to repurchase, during the period mentioned above, on the TSX, and any alternative Canadian trading platform, a maximum of 10% of the public float of each series of outstanding Class A Preference Shares. All Class A Preference Shares acquired by BN under the Preferred NCIB are cancelled.

BN believes that the renewed Preferred NCIB provides flexibility to use available funds to purchase Class A Preference Shares from time to time should they be trading in price ranges that do not fully reflect their value. As at May 28, 2026, BN purchased 109,000 Class A Preference Shares, Series 51 at an average price of C\$17.67 per share and 15,000 Class A Preference Shares, Series 52 at an average price of C\$17.47 per share under the Preferred NCIB. Shareholders may obtain, free of charge, a copy of the notice of intent regarding the Preferred NCIB, which was approved by the TSX, by writing to the Corporate Secretary of BN at Brookfield Place, Suite 100, 181 Bay Street, Toronto, Ontario M5J 2T3.

to raise, anonymously or not, questions, complaints or concerns regarding the Corporation's practices, including fraud, policy violations, any illegal or unethical conduct, and any accounting, auditing or internal control matters. The Board or a committee thereof will provide oversight over the Corporation's whistleblower policies and practices, with management being responsible for reviewing the Corporation's *Whistleblowing Policy* on an annual basis, to ensure that any questions, complaints or concerns are adequately received, reviewed, investigated, documented and resolved.

3. COMPOSITION AND PROCEDURES

- (a) **Size of Board and Selection Process** – The directors of the Corporation are elected each year by the shareholders at the annual meeting of shareholders. The Governance and Nominating Committee recommends to the full Board the nominees for election to the Board and the Board proposes individual nominees to the shareholders for election. Any shareholder may propose a nominee for election to the Board either by means of a shareholder proposal or at the annual meeting itself, upon compliance with the requirements prescribed by the *Business Corporations Act* (Ontario). The Board also recommends the number of directors on the Board to shareholders for approval. Between annual meetings, the Board may appoint directors to serve until the next annual meeting.
- (b) **Qualifications** – Directors should have the highest personal and professional ethics and values and be committed to advancing the best interests of the Corporation. They should possess skills and competencies in areas that are relevant to the Corporation's activities. The Chair of the Board and, other than in temporary circumstances,² a majority of the directors will be Independent Directors, based on the rules and guidelines of applicable stock exchanges and securities regulatory authorities, and Unaffiliated Directors. The Board is committed to developing and promoting diversity, including ethnic and gender diversity. The Board has adopted a gender diversity target that at least 30% of the entire Board be women.
- (c) **Director Education and Orientation** – The Corporation's management team is responsible for providing an orientation program for new directors in respect of the Corporation and the role and responsibilities of directors. In addition, directors will, as required, receive continuing education about the Corporation to maintain a current understanding of the Corporation's business and operations, industries and sectors in which we operate globally, material developments and trends in asset management and the Corporation's strategic initiatives.
- (d) **Meetings** – The Chair is responsible for approving the agenda for each Board meeting. Prior to each Board meeting, the Chair of the Board reviews agenda items for the meeting with the CEO, Chief Financial Officer and Corporate Secretary, before circulation to the full Board. The Board meets at least once each quarter: to review and approve the Corporation's quarterly earnings report, consider dividend payments, and to review specific items of business including transactions and strategic initiatives. The Board holds additional meetings as necessary to consider special business. The Board also meets once a year to review the Corporation's annual business plan and long-term strategy. Materials for each meeting are distributed to the directors in advance of the meeting. At the conclusion of each Board meeting, the Independent and Unaffiliated Directors meet without any other person present. The Chair of the Board chairs these in-camera sessions.
- (e) **Committees** – The Board has established the following standing committees to assist it in discharging its responsibilities: (i) Audit, (ii) Governance and Nominating, (iii) Management Resources and Compensation and (iv) Risk Management. Special committees are established, from time to time, to assist the Board in connection with specific matters. The Chair of each committee reports to the Board following meetings of their committee. The governing charter of each standing committee is reviewed and approved annually by the Board.
- (f) **Evaluation** – The Governance and Nominating Committee performs an annual evaluation of the effectiveness of the Board as a whole, the standing committees of the Board and the contributions of individual directors and provides a report to the Board on the findings of this process. In addition, each individual director and each standing committee assesses its own performance annually.

² Temporary circumstances include vacancies or changes to the Board's composition or size that are approved by the Board in its discretion, provided that the duration of such circumstances is expected to be less than one year.

- (g) Compensation – The Governance and Nominating Committee recommends to the Board the compensation for non-management directors (it is the policy of the Corporation that management directors do not receive compensation for their service on the Board). In reviewing the adequacy and form of compensation, the Governance and Nominating Committee seeks to ensure that director compensation reflects the responsibilities and risks involved in being a director of the Corporation and aligns the interests of the directors with the best interests of the Corporation.
- (h) Access to Outside Advisors – The Board and any committee may at any time retain outside financial, legal or other advisors at the expense of the Corporation. Any director may, subject to the approval of the Chair of the Board, retain an outside advisor at the expense of the Corporation.
- (i) Charter of Expectations for Directors – The Board has adopted a Charter of Expectations for Directors which outlines the basic duties and responsibilities of directors and the expectations the Corporation places on them in terms of professional and personal competencies, performance, behaviour, share ownership, conflicts of interest, change of circumstances and resignation events. Among other things, the Charter of Expectations for Directors outlines the role of directors in stakeholder engagement and the requirement of directors to attend Board meetings and review meeting materials in advance of such meetings.

This Charter of the Board of Directors was reviewed and approved by the Board on May 13, 2026.

Shareholders who are foreign taxpayers should be aware that the Transaction may have tax consequences both in Canada and such foreign jurisdiction. Except for certain Canadian and U.S. federal income tax consequences described in “Certain Canadian

NOTICE TO SECURITYHOLDERS IN THE UNITED STATES

THE TRANSACTION AND THE CLASS A SHARES TO BE ISSUED IN CONNECTION WITH THE TRANSACTION HAVE NOT BEEN APPROVED OR DISAPPROVED BY THE SEC, THE SECURITIES REGULATORY AUTHORITY IN ANY STATE IN THE UNITED STATES OR ANY OTHER U.S. REGULATORY AUTHORITY, NOR HAS THE SEC, THE SECURITIES REGULATORY AUTHORITY OF ANY STATE IN THE UNITED STATES OR ANY OTHER U.S. REGULATORY AUTHORITY PASSED ON THE FAIRNESS OR MERITS OF THE TRANSACTION OR THE ADEQUACY OR ACCURACY OF THIS TRANSACTION SUPPLEMENT. ANY REPRESENTATION TO THE CONTRARY MAY BE A CRIMINAL OFFENCE.

The solicitation of proxies hereby is not subject to the requirements of Section 14(a) of the U.S. Exchange Act, by virtue of an exemption applicable to proxy solicitations by a “foreign private issuer” under the U.S. Exchange Act. Accordingly, the solicitation of proxies is being made by or on behalf of BN and BWS in accordance with applicable corporate and securities laws, and this Transaction Supplement has been prepared in accordance with disclosure requirements applicable in Canada. Shareholders should be aware that requirements under such Canadian laws and such disclosure requirements may differ from requirements under United States corporate and securities laws relating to United States corporations.

The 3(a)(10) Securities to be issued pursuant to the Transaction have not been and will not be registered under the U.S. Securities Act and will be issued in reliance on the exemption afforded by Section 3(a)(10) of the U.S. Securities Act and in compliance with the U.S. Securities Laws of each state of the United States in which the holders reside. See “Certain Legal and Regulatory Matters—United States Securities Laws Matters”.

Section 3(a)(10) of the U.S. Securities Act exempts from the registration requirements under the U.S. Securities Act the issuance of securities which have been approved by a court of competent jurisdiction, after a hearing upon the substantive and procedural fairness of the terms and conditions of the relevant transaction and at which all persons to whom it is proposed the securities will be issued shall have the right to appear. The Court issued the Interim Order on May 29, 2026 and, subject to the approval of the BN Resolutions, the New BN Share Option Plan Resolution, the New BN Escrowed Stock Plan Resolution, the New BNC Escrowed Stock Plan Resolution and the New BNC Share Option Plan Resolution by the BN Shareholders and of the BWS Resolutions, the New BN Share Option Plan Resolution, the New BN Escrowed Stock Plan Resolution, the New BNC Escrowed Stock Plan Resolution and the New BNC Share Option Plan Resolution by BWS Shareholders, a hearing for a Final Order approving the Arrangement is expected to take place on or about July 21, 2026 at the Court at 330 University Avenue, Toronto, Ontario, M5G 1R7 or as soon thereafter as is reasonably practicable. As a result, it may be difficult or impossible for shareholders to effect service of process within the United States upon the parties to the Transaction, their respective officers and directors or the experts named herein, or to realize against them upon judgments of United States courts predicated upon civil liabilities under U.S. Securities Laws. In addition, shareholders should not assume that the courts of Canada: (a) would enforce judgments of United States courts obtained in actions against such persons predicated upon civil liabilities under U.S. Securities Laws; or (b) would enforce, in original actions, liabilities against such persons predicated upon civil liabilities under U.S. Securities Laws.

Shareholders who are U.S. taxpayers should be aware that the Transaction described in this Transaction Supplement may have tax consequences both in Canada and in the United States which are not described fully herein. Shareholders

QUESTIONS AND ANSWERS ABOUT THE TRANSACTION

The following addresses briefly certain questions you may have regarding the Transaction. The below information is only a summary of certain information contained elsewhere in this Transaction Supplement and is qualified in its entirety by the more detailed information and financial data and statements contained in or referred to elsewhere in this Transaction Supplement, including the Appendices and documents that are incorporated by reference herein, all of which are important and should be reviewed carefully.

Questions

Answers

Why have I received this package of information?

On May 26, 2026, BN, BWS and New BN entered into the Transaction Agreement pursuant to which, among other things, the parties agreed to implement the Transaction by way of a plan of arrangement, including through certain amendments to the BWS Bye-Laws that are necessary to implement the Plan of Arrangement and effect the Transaction. The Transaction is subject to, among other things, obtaining the BN Shareholder Approval and the BWS Shareholder Approval.

As a BN Shareholder or BWS Shareholder of record as of the close of business on the Record Date, you are entitled to receive notice of and vote at the applicable Meeting or any adjournment or postponement thereof, even if you have since that date disposed of your BN Shares or BWS Shares. We are soliciting your proxy, or vote, and providing this Transaction Supplement in connection with such solicitation.

Why are BN and BWS pursuing the Transaction?

BN and BWS are pursuing the Transaction to further simplify the corporate structure and fully integrate the businesses, which we believe will enhance long-term value for shareholders.

We believe that to keep growing and maximize returns, while maintaining a low risk profile, combining BN and BWS is optimal. With direct access to BN's permanent capital base – approximately \$145 billion of incremental cash, equities, real estate and other investments – our insurance operations will be afforded enhanced capital efficiency and flexibility, enabling us to optimize our capital structure to support the continued expansion of the business over the long term. Simply stated, few other insurance businesses in the world have access to this scale of excess capital to add to their equity base. This will enable us to grow more, or reduce our risk.

The Transaction builds on the various measures pursued over the last 18 months to streamline the corporate structures across Brookfield, including the successful combination earlier this year of Brookfield Business Partners L.P. and its paired entity, Brookfield Business Corporation, into one publicly traded Canadian corporation listed on the TSX and NYSE, BBUC. Strong shareholder support and a positive market response to this BBUC combination reinforced our view that one entity both maximizes index inclusion and results in simpler, more streamlined ownership structures.

Following the success of BBUC, our infrastructure and energy paired companies recently announced that they too are reviewing their corporate structures with the goal of exploring whether one combined security for each entity will improve accessibility and liquidity, while retaining their structures' current key benefits.

Questions

Answers

The Transaction will mark the next evolution of the business as a fully integrated insurance and investment organization and is expected to position the integrated business to drive long-term value and benefits for all shareholders, including through:

- opening up a path to broader global index inclusion;
- a streamlined corporate structure enhancing our insurance business' access to the full capital base of Brookfield, enabling BWS to operate with industry-low operating leverage, and further de-risking the growth profile and operations of the combined businesses;
- a single listed security reflecting the full value of the integrated businesses and, for the shareholders of BWS, easier access to a security with improved trading liquidity;
- the potential for U.S. and Canadian-resident BN Class A Shareholders to receive distributions by way of a reduction of capital;
- streamlined financial and tax reporting;
- having no impact on the current credit rating or debt capacity of BN and New BN being expected to have the same credit rating as BN post-closing;
- a robust and transparent corporate governance structure;
- expected tax deferral on the Transaction for each BWS Class A Shareholder that is a U.S.-resident holder or a Canadian-resident holder; and
- expected tax deferral on the Transaction for each BN Class A Shareholder that is a U.S.-resident holder, an electing Eligible Canadian Holder or an electing Eligible U.K. Holder.

See “The Transaction—Background to the Transaction” and “The Transaction—Reasons for the Transaction”. For additional information regarding BN and BWS, see “Information Concerning BN” and “Information Concerning BWS”, respectively.

What are shareholders being asked to vote on at the Meetings?

At the BN Meeting, BN Shareholders are being asked to consider and, if thought advisable, pass the BN Resolutions approving the Transaction.

At the BWS Meeting, BWS Shareholders are being asked to consider and, if thought advisable, pass the BWS Resolutions approving the Transaction.

If the BN Resolutions and BWS Resolutions are passed, the BN Class A Shareholders, the BN Class B Shareholder, the BWS Class A Shareholders and the BWS Class B Shareholder will be asked to consider and, if thought advisable, pass the New BN Share Option Plan Resolution, the New BN Escrowed Stock Plan Resolution, the New BNC Escrowed Stock Plan Resolution and the New BNC Share Option Plan Resolution. The matters to be approved at the Meetings are conditional upon each other and BN, BWS and New BN will not proceed with the Transaction unless the BN Shareholders and the BWS Shareholders have approved all matters to be voted on at the Meetings relating to the Transaction.

BWS Shareholders are also being asked to approve the BWS Bye-Law Amendments, which are required to facilitate the Transaction.

Questions

Answers

See “The Transaction—Details of the Transaction” for additional information on the proposed terms of the Transaction.

What other effects will the Transaction have?

If the BN Resolutions, the BWS Resolutions, the New BN Share Option Plan Resolution, the New BN Escrowed Stock Plan Resolution, the New BNC Escrowed Stock Plan Resolution and the New BNC Share Option Plan Resolution are approved, and subject to satisfaction of other conditions, BN, BWS and New BN will implement the Transaction, pursuant to which, among other things:

- BN Class A Shareholders, other than electing Eligible Canadian Holders, will receive one Class A Share for each BN Class A Share held.
- Electing Eligible Canadian Holders will receive Exchangeable Shares, or a combination of Exchangeable Shares and Class A Shares, in the amounts elected by such Eligible Canadian Holders.
- BWS Class A Shareholders will receive one Class A Share for each BWS Class A Share held.
- The BWS Class B Shareholder will receive one Class B Share for each BWS Class B Share held.
- Subject to TSX and NYSE approval, the Class A Shares will be listed on the TSX and NYSE and trade under the symbol “BN” and the Exchangeable Shares will be listed on the TSX and trade under the symbol “BNCC”.
- The BN Class A Shares and BWS Class A Shares will be delisted from the TSX and NYSE and BWS will cease to be required to file periodic reports in Canada and with the SEC. The BN Preferred Shares will continue to be listed on the TSX and remain outstanding immediately following the closing of the Transaction and remain entitled to the same dividends and other preferences and privileges that they currently have.
- BWS will be an indirect subsidiary of New BN, and all of the outstanding BN Class A Shares will be indirectly owned by New BN. BAM Partners Trust will continue to own all the outstanding BN Class B Shares.

How do the Boards recommend I vote?

Each of the Boards reviewed and considered, among other factors, the terms of the Transaction and the Fairness Opinion. Following this process, each of the Boards unanimously determined that the Transaction is in the best interests of BN and BWS, respectively, and each unanimously resolved to approve the Transaction and recommend that BN Shareholders and BWS Shareholders vote in favor of the resolutions approving the Transaction.

The Boards recommend that you vote **FOR** the resolutions approving the Transaction.

Why should I vote in favor of the Transaction?

In reaching their conclusion that the Transaction is in the best interests of each of BN and BWS, respectively, the Boards reviewed and considered, among other factors, the terms of the Transaction and the Fairness Opinion. In the course of their evaluations, the Boards considered, among other things, the following factors:

- *Corporate Structure.* The simplified corporate structure will establish New BN as a leading global investment firm focused on building long-term wealth for institutions and individuals around the world while utilizing the asset base of the integrated organization and allowing BWS

Questions

Answers

to operate with industry-low operating leverage, and further de-risking the growth profile and operations of the combined business. The Transaction will provide BWS Class A Shareholders access to a security with improved trading liquidity and will provide BN Class A Shareholders and BWS Class A Shareholders access to one listed security that will reflect the full value of all the underlying businesses and will reduce the costs of maintaining two separate publicly traded entities.

- *Day-to-Day Operations.* There will be no change to the day-to-day operations of BN, BWS, or the businesses owned by each of them, as a result of the Transaction. Each of BN and BWS will maintain its existing domicile and governance structures, with each entity's board of directors including independent members. Canada will continue to be the headquarters of BN and Bermuda will continue to be the headquarters of BWS. New BN will reflect the globally diversified nature of Brookfield's business, with operations in more than 30 countries. Over the past five years, our insurance business has worked with insurance regulatory authorities across multiple jurisdictions, including within the most sophisticated insurance markets globally, and has developed expertise and a reputation for operating excellence and adherence with industry best practices within these markets. To both preserve and continue building upon this foundation, New BN will be formed in BWS's current domicile, one of the leading global hubs for the insurance industry, which is also a domicile of convenience for U.S. index inclusion purposes. These two factors should accrue to the benefit of all shareholders over the longer term. New BN will operate as a leading global investment firm focused on building long-term wealth for institutions and individuals around the world and will, through its interests in BN and BWS, continue to invest across our three core businesses: Wealth Solutions, Asset Management and Operating Businesses. New BN will remain focused on delivering 15%+ annualized returns to shareholders over the long term, driven by our disciplined investment approach and deep operational expertise.
- *Fairness Opinion.* KPMG has provided the Fairness Opinion to the Boards, concluding that, as at May 26, 2026, and subject to the assumptions, limitations and qualifications described therein, the consideration to be received by public holders of BN Class A Shares and BWS Class A Shares as part of the Transaction is fair, from a financial point of view, to such holders.
- *Tax-Deferral.* The exchange of BN Class A Shares for Class A Shares and/or Exchangeable Shares, as the case may be, through the Transaction is expected to be tax-deferred for each BN Class A Shareholder that is a U.S. Holder, electing Eligible U.K. Holder, or electing Eligible Canadian Holder. The exchange of BWS Class A Shares for Class A Shares through the Transaction is expected to be tax-deferred for each BWS Class A Shareholder that is a U.S. Holder, a resident of Canada for tax purposes, or a resident of the U.K. for tax purposes.
- *Distributions.* Distributions on the Class A Shares are expected to be made by way of reductions of share capital, akin to the distributions paid on the BWS Class A Shares today. The Transaction is expected to provide Canadian and U.S. investors of BN with the opportunity to receive

Questions

Answers

distributions by way of reductions of share capital instead of taxable dividends, and the non-Canadian investors of BN will have the ability to receive distributions without the imposition of withholding tax. There will be no change for BWS Class A Shareholders, who will continue to receive distributions by way of reductions of share capital.

- *Financial Reporting.* We expect the Transaction to streamline financial reporting and reduce costs associated with separate financial reporting for two publicly traded companies. Following the completion of the Transaction, it is expected that the New BN financial statements will be reported in accordance with U.S. GAAP and reflect the results of operations and financial position of the businesses of BN and BWS on a consolidated basis.
- *Governance.* The Transaction will establish a robust governance framework that promotes transparency and effective oversight of the combined business overseen by a majority independent board of directors at New BN and a majority independent board of directors at BWS who will remain responsible for overseeing the Wealth Solutions business.
- *Credit Ratings.* The Transaction is not expected to impact the current credit rating or debt capacity of BN and New BN is expected to have the same credit rating as BN post-closing.
- *Index Inclusion.* The Transaction is expected to open up a path to broader global index inclusion.

See “The Transaction—Background to the Transaction” and “The Transaction—Reasons for the Transaction”.

Am I entitled to Dissent Rights?

Only Registered BN Shareholders may exercise Dissent Rights. BN Class A Shareholders that are not Registered BN Shareholders and BWS Class A Shareholders do not have Dissent Rights in respect of the Transaction.

Registered BN Shareholders who properly exercise their Dissent Rights will be entitled to be paid the fair value of their BN Class A Shares determined as of the close of business on the day before the BN Resolutions are adopted. This amount may be the same as, more than, or less than the consideration payable under the Transaction or the trading price of the BN Class A Shares on the TSX or the NYSE on such date.

Any Registered BN Shareholders who have duly exercised their Dissent Rights and, following the dissent process under the OBCA, are ultimately entitled to be paid fair value for their BN Class A Shares, will be paid the fair value of such BN Class A Shares and will not receive Class A Shares and/or Exchangeable Shares.

If you wish to exercise Dissent Rights, you should review the requirements summarized in this Transaction Supplement carefully and consult with your legal advisor. See “BN Dissent Rights”.

The Transaction Agreement provides that the Transaction is not required to be completed if BN Class A Shareholders holding more than 5% of the outstanding BN Class A Shares in the aggregate validly exercise their Dissent Rights.

Questions

Can I elect the form of consideration?

Answers

Yes, but only if you are an Eligible Canadian Holder. Eligible Canadian Holders may elect to receive Exchangeable Shares, or a combination of Exchangeable Shares and Class A Shares. To make a valid election for Exchangeable Shares, registered Eligible Canadian Holders must properly complete and duly execute the Letter of Transmittal and Election Form, together with their share certificate(s) representing their BN Class A Shares and all other required documentation, and deposit them with the Depositary prior to the Election Deadline. The election procedure, including the form of Letter of Transmittal and Election Form and any required documentation, is described under “The Transaction—Exchange Mechanics and Letter of Transmittal and Election Form” and is further described in the Letter of Transmittal and Election Form. If you are a Non-Registered BN Shareholder, you must provide election instructions to your Intermediary by its deadline in order to permit your Intermediary to make an election on your behalf prior to the Election Deadline. Eligible Canadian Holders who do not make a proper election by the Election Deadline will receive Class A Shares in exchange for their BN Class A Shares. If you are not an Eligible Canadian Holder, you will not be able to elect to receive Exchangeable Shares. If you have questions about whether you qualify as an Eligible Canadian Holder, you should, and are encouraged to, contact your own legal, tax, financial or other professional advisors. If you have questions about making a valid election for Exchangeable Shares, contact the Depositary.

Electing Eligible Canadian Holders wishing to defer tax on the disposition of their BN Class A Shares must also make a valid submission on the Tax Election Portal by the Tax Election Portal Closing Date and file the Tax Election forms with the relevant governmental authorities.

See “Certain Canadian Federal Income Tax Considerations—Holders Resident in Canada—Exchange of BN Class A Shares—Exchange of BN Class A Shares for Exchangeable Shares”.

When is the Transaction expected to be completed?

If all conditions are met, it is anticipated that the Transaction will be completed on or about year-end 2026.

If the Transaction is completed, when can I expect to receive my Consideration?

The Transaction will generally result in the replacement of the existing holdings of BN Class A Shares and BWS Class A Shares with holdings of Class A Shares and/or Exchangeable Shares. Non-Registered BN Shareholders and Non-Registered BWS Shareholders should contact their Intermediary to determine how soon following the completion of the Transaction they can expect to see their Consideration reflected in their brokerage or other accounts.

Certificates and DRS statements representing Class A Shares will be made available to Registered BN Shareholders and Registered BWS Shareholders on request as soon as practicable after the Transaction becomes effective. Certificates and DRS statements representing the Exchangeable Shares will be made available to Registered BN Shareholders who are Eligible Canadian Holders that deposit with the Depositary, prior to the Election Deadline, a duly completed Letter of Transmittal and Election Form indicating such BN Class A Shareholder’s election to receive Exchangeable Shares as soon as practicable after the Transaction becomes effective.

See “The Transaction—Exchange Mechanics and Letter of Transmittal and Election Form”.

Questions

Answers

What will happen to the listings of the BN Class A Shares, BN Preferred Shares and the BWS Class A Shares?

In connection with the Transaction, subject to TSX and NYSE approval, the BN Class A Shares and BWS Class A Shares will be delisted from the TSX and NYSE. The BN Preferred Shares will continue to be listed on the TSX and remain outstanding immediately following the closing of the Transaction and remain entitled to the same dividends and other preferences and privileges that they currently have.

See “Certain Legal and Regulatory Matters—Canadian Securities Law Matters” and “—United States Securities Law Matters”.

What will happen to my equity incentive awards at BWS and/or BN?

Prior to completion of the Transaction, New BN is expected to adopt an escrowed stock plan, a management share option plan, a global management share option plan, a deferred share unit plan and a restricted stock plan. New BNC is expected to adopt a restricted stock plan, a management share option plan and an escrowed stock plan. The new long-term incentive plans will have terms that are substantially similar to the existing long-term incentive plans of BWS and BN, as the case may be.

Pursuant to the Transaction, outstanding equity incentive awards at BWS and BN will be exchanged or replaced with awards under the applicable new long-term incentive plans such that the equity incentive awards are tied to the value of the Class A Shares going forward.

What will happen if the Transaction is not approved or completed?

If the Transaction is not approved or completed for any reason, the Transaction Agreement will be terminated. In this scenario, we expect that BN and BWS will continue to operate in the ordinary course. For more information, see “Risk Factors—Risks Relating to the Transaction”.

New BN following the Transaction

What will be the capital structure of New BN after completion of the Transaction?

New BN will be authorized to issue five (5) classes of shares: (i) Class A Shares; (ii) Class B Shares; (iii) one (1) Class E Share; (iv) class A senior preferred shares, issuable in series; and (v) class A junior preferred shares, issuable in series. The Class A Shares and Class B Shares will have terms substantially equivalent to the current terms of the BN Class A Shares and BN Class B Shares, respectively (with any necessary changes to reflect New BN’s incorporation and residency in Bermuda). The Class E Share will generally enable holders of Exchangeable Shares to vote together with the holders of Class A Shares. It is not expected that there will be any senior preferred shares or junior preferred shares outstanding upon completion of the Transaction.

New BNC will be authorized to issue, among other classes of shares, an unlimited number of Exchangeable Shares that will be economically equivalent to and exchangeable on a one-for-one basis for Class A Shares. Holders of Exchangeable Shares will be represented at New BN through the Class E Share and will generally vote together with the holders of Class A Shares.

See “The Transaction—Background to the Transaction”, “Information Concerning New BN—Share Capital”, “Information Concerning New BNC” and “Description of Exchangeable Shares”.

Questions

Answers

Does New BN intend to pay distributions on the Class A Shares and Exchangeable Shares?

Yes. Following completion of the Transaction, New BN is expected to make a quarterly distribution by way of a reduction of share capital consistent with the quarterly dividend paid on the BN Class A Shares and the distribution paid on the BWS Class A Shares and BWS Class B Shares, which is currently US\$0.07 per share.

Following the completion of the Transaction, the New BN Board may, subject to shareholder approval, declare distributions by way of a reduction of its share capital at its discretion. New BN expects to seek shareholder approval annually, but it may not be obtained (or it may be obtained for an amount that is less than the amount of distributions declared between annual shareholder meetings) and, accordingly, there can be no assurance that holders of Class A Shares will receive all distributions by way of a reduction of share capital rather than an ordinary dividend. Further, it may not be possible for New BN to continue making distributions by way of a reduction of share capital in the long term at which point holders of Class A Shares will receive all distributions in the form of an ordinary dividend. Distributions on the Class A Shares and Class B Shares will be subject to the prior rights of the holders of any shares ranking senior to the Class A Shares and Class B Shares.

See “Information Concerning New BN—Distribution Policy” and “Risk Factors”.

Holders of Exchangeable Shares will generally be entitled to receive dividends in the same amount and at the same time as distributions paid to holders of Class A Shares. See “Description of Exchangeable Shares”.

Will there be any significant shareholders of New BN after the Transaction?

Yes. The current BWS Class B Shareholder, BNT Partners Trust (which will be renamed “Brookfield Partners Trust” in connection with the Transaction), will hold 100% of the Class B Shares, which will be entitled as a class to elect one-half of the New BN Board and approve all other matters requiring shareholder approval. In addition, the current and former senior executives and directors of BN, BWS and BAM are expected to own Class A Shares or Exchangeable Shares representing approximately 20% of the issued and outstanding Class A Shares and Exchangeable Shares, which will be substantially the same as their aggregate holdings in BN and BWS immediately prior to the Transaction.

See “Information Concerning New BN—Principal Securityholders”.

Who will be on the board of directors of New BN?

After completion of the Transaction, the New BN Board is expected to be majority independent, and a majority of the members are expected to be existing members of the BN Board.

See “Information Concerning New BN—Directors and Executive Officers”.

Where will I be able to trade the Class A Shares and the Exchangeable Shares?

It is expected that, shortly after the completion of the Transaction, the Class A Shares will commence trading on the NYSE and the TSX under the symbol “BN” and the Exchangeable Shares will commence trading on the TSX under the symbol “BNCC”. The Exchangeable Shares will not be listed on the NYSE.

There is currently no public trading market for Class A Shares or the Exchangeable Shares. Listing of the Class A Shares on the NYSE is subject to New BN fulfilling all of the requirements of the NYSE, and listing of the Class A Shares and the Exchangeable Shares on the TSX is subject to New BN and New BNC fulfilling all of the requirements of the TSX on or before the first trading day of the Class A Shares and Exchangeable Shares.

Questions

Are there risks associated with owning Class A Shares and Exchangeable Shares?

Answers

Yes, like owning BN Class A Shares and BWS Class A Shares, the ownership of Class A Shares and/or Exchangeable Shares is subject to both general and specific risks and uncertainties. For a discussion of factors you should consider in deciding whether to vote in favor of the Transaction and hold Class A Shares and/or Exchangeable Shares, see “Risk Factors”.

Tax Matters

Is the Transaction taxable for Canadian federal income tax purposes?

The exchange of BN Class A Shares for Class A Shares generally will be a taxable disposition for Canadian income tax purposes. A taxable capital gain or allowable capital loss may be recognized by each BN Class A Shareholder that is resident in Canada for purposes of the Tax Act and that receives Class A Shares as consideration for their BN Class A Shares based on their particular circumstances, as described further below in the section titled “Certain Canadian Federal Income Tax Considerations.” BN Class A Shareholders that are Eligible Canadian Holders may elect to receive Exchangeable Shares, or a combination of Exchangeable Shares and Class A Shares, as consideration for their BN Class A Shares pursuant to the Transaction. Generally, an Eligible Canadian Holder who validly makes and files a joint election under section 85 of the Tax Act may obtain a full or partial deferral of any capital gain that would otherwise arise on the disposition of such Eligible Canadian Holder’s BN Class A Shares.

The exchange of BWS Class A Shares for Class A Shares generally will occur on a tax-deferred basis, such that a BWS Class A Shareholder that is resident in Canada for purposes of the Tax Act generally will not realize a capital gain (or capital loss) as a result of the exchange, provided certain other requirements are satisfied, as described further below in the section titled “Certain Canadian Federal Income Tax Considerations.”

Please see “Certain Canadian Federal Income Tax Considerations” for a description of the material Canadian federal income tax considerations of the Transaction to BN Class A Shareholders and BWS Class A Shareholders.

Discussion of Canadian income tax consequences in this Transaction Supplement is not intended to be legal, business or tax advice. BN Class A Shareholders and BWS Class A Shareholders are urged to consult their own legal and tax advisors as to the tax consequences of the Transaction to them with respect to their particular circumstances. The Canadian tax consequences of receiving or holding Exchangeable Shares may differ significantly from the Canadian tax consequences of receiving or holding Class A Shares, depending upon the particular circumstances of an Eligible Canadian Holder. Careful consideration should be given by Eligible Canadian Holders to the tax consequences in determining whether an election should be made to receive Exchangeable Shares in connection with the Transaction. Eligible Canadian Holders wishing to make a section 85 election should consult their own tax advisors.

Questions

Is the Transaction taxable for United States federal income tax purposes?

Answers

In connection with the Transaction, New BN expects to receive the U.S. Tax Opinion, substantially to the effect that, subject to certain facts, assumptions, qualifications, limitations and representations, for U.S. federal income tax purposes, the transfer of BWS Class A Shares, BWS Class B Shares, and BN Class A Shares (the “**Contributed Shares**”) to New BN (or a subsidiary of New BN that is treated as an entity disregarded as separate from New BN for U.S. federal income tax purposes) in exchange for New BN Shares pursuant to the Transaction, and taken together with certain related transfers and viewed as part of a single integrated transaction, will qualify for nonrecognition treatment under Section 351(a) of the Code.

Accordingly, for U.S. federal income tax purposes, U.S. Holders of the Contributed Shares generally will not recognize any gain or loss upon the exchange of the Contributed Shares to New BN for New BN Shares pursuant to the Transaction. The material U.S. federal income tax consequences of the Transaction are described in further detail under “Certain United States Federal Income Tax Considerations – Tax Consequences of the Transaction.” Information regarding tax matters in this Transaction Supplement does not constitute tax advice.

Each U.S. Holder of Contributed Shares is encouraged to consult its own tax advisor as to the specific consequences of the Arrangement to such holder, including the effect of any state, local or non-U.S. tax laws and of changes in applicable tax law.

SUMMARY

The following is a summary of certain information contained elsewhere in this Transaction Supplement and is qualified in its entirety by reference to the more detailed information and financial data and statements contained in or referred to elsewhere in this Transaction Supplement, including the Appendices and documents that are incorporated by reference herein.

The Transaction

We established our investment-led insurance business in 2021 by spinning off BWS from BN. In doing so, we used the same pairing structure that we have used for our other listed partnerships, and BWS became a “paired entity” to BN, which enabled it to continue benefiting from BN’s permanent capital base and investing capabilities. Financed with entirely our own capital, we have been building BWS adopting the same patience, discipline and value-oriented approach that has defined our success over many decades. This structure, combined with our proven strategy for scaling businesses, has served BWS very well to date. Over the past five years, our insurance business has accumulated close to \$30 billion of capital and utilized that capital to grow its asset base to close to \$200 billion while exceeding investment expectations on our invested capital.

At this stage, we believe that to keep growing and maximize returns, while maintaining a low risk profile, combining BN and BWS is optimal. With direct access to BN’s permanent capital base – approximately \$145 billion of incremental cash, equities, real estate and other investments – our insurance operations will be afforded enhanced capital efficiency and flexibility, enabling us to optimize our capital structure to support the continued expansion of the business over the long term. Simply stated, few other insurance businesses in the world have access to this scale of excess capital to add to their equity base. This will enable us to grow more, or reduce our risk.

The process of combining the businesses will entail BN folding into the insurance business. The result will be a new parent company, New BN, listed on the TSX and NYSE under the symbol “BN”. New BN will own both present BN and BWS businesses, giving investors direct ownership of the combined business and implementing the optimal ownership structure for the global business going forward. BWS and BN will maintain their existing domicile and governance structures, with each entity’s board of directors including independent members. Moreover, all of BN’s corporate operations, employees and other personnel in Canada will remain unchanged and its business will be conducted in the same manner as prior to the Transaction.

The Transaction will mark the next evolution of the business as a fully integrated insurance and investment organization and is expected to position the integrated business to drive long-term value and benefits for all shareholders.

On May 26, 2026, BN, BWS and New BN executed and delivered the Transaction Agreement. If the Transaction is completed:

- BN Class A Shareholders other than electing Eligible Canadian Holders will receive one Class A Share for each BN Class A Share held.
- Electing Eligible Canadian Holders will receive Exchangeable Shares, or a combination of Exchangeable Shares and Class A Shares, in the amounts elected by such Eligible Canadian Holders.
- BWS Class A Shareholders will receive one Class A Share for each BWS Class A Share held.
- The BWS Class B Shareholder will receive one Class B Share for each BWS Class B Share held.
- Subject to TSX and NYSE approval, the Class A Shares will be listed on the TSX and NYSE and trade under the symbol “BN” and the Exchangeable Shares will be listed on the TSX and trade under the symbol “BNCC”.

- The BN Class A Shares and BWS Class A Shares will be delisted from the TSX and NYSE and BWS will cease to be required to file periodic reports in Canada and with the SEC. In addition, the BN Preferred Shares will continue to be listed on the TSX and remain outstanding immediately following the closing of the Transaction and remain entitled to the same dividends and other preferences and privileges that they currently have.
- BWS will be an indirect subsidiary of New BN, and all of the outstanding BN Class A Shares will be indirectly owned by New BN. BAM Partners Trust will continue to own the outstanding BN Class B Shares.

See “The Transaction—Transaction Agreement”, “—BWS Bye-Law Amendments” and “—Plan of Arrangement”.

Recommendation of the Boards

The BN Board reviewed and considered, among other factors, the terms of the Transaction and the Fairness Opinion. Following this process, the BN Board unanimously determined that the Transaction is in the best interests of BN and unanimously resolved to approve the Transaction and recommend that BN Shareholders vote in favor of the BN Resolutions, the New BN Share Option Plan Resolution, the New BN Escrowed Stock Plan Resolution, the New BNC Escrowed Stock Plan Resolution and the New BNC Share Option Plan Resolution. Accordingly, the BN Board unanimously recommends that BN Shareholders vote **FOR** the BN Resolutions, the New BN Share Option Plan Resolution, the New BN Escrowed Stock Plan Resolution, the New BNC Escrowed Stock Plan Resolution and the New BNC Share Option Plan Resolution.

The BWS Board reviewed and considered, among other factors, the terms of the Transaction and the Fairness Opinion. Following this process, the BWS Board unanimously determined that the Transaction is in the best interests of BWS and unanimously resolved to approve the Transaction and recommend that BWS Shareholders vote in favor of the BWS Resolutions, the New BN Share Option Plan Resolution, the New BN Escrowed Stock Plan Resolution, the New BNC Escrowed Stock Plan Resolution and the New BNC Share Option Plan Resolution. Accordingly, the BWS Board unanimously recommends that the applicable BWS Shareholders vote **FOR** the BWS Resolutions, the New BN Share Option Plan Resolution, the New BN Escrowed Stock Plan Resolution, the New BNC Escrowed Stock Plan Resolution and the New BNC Share Option Plan Resolution.

Reasons for the Recommendation

In reaching their conclusion that the Transaction is in the best interests of each of BN and BWS, respectively, the Boards reviewed and considered, among other factors, the terms of the Transaction and the Fairness Opinion. In the course of their evaluations, the Boards considered, among other things, the following factors:

- *Corporate Structure.* The simplified corporate structure will establish New BN as a leading global investment firm focused on building long-term wealth for institutions and individuals around the world while utilizing the asset base of the integrated organization and allowing BWS to operate with industry-low operating leverage, and further de-risking the growth profile and operations of the combined business. The Transaction will provide BWS Class A Shareholders access to a security with improved trading liquidity and will provide BN Class A Shareholders and BWS Class A Shareholders access to one listed security that will reflect the full value of all the underlying businesses and will reduce the costs of maintaining two separate publicly traded entities.
- *Day-to-Day Operations.* There will be no change to the day-to-day operations of BN, BWS, or the businesses owned by each of them, as a result of the Transaction. Each of BN and BWS will maintain its existing domicile and governance structures, with each entity’s board of directors including independent members. Canada will continue to be the headquarters of BN and Bermuda will continue to be the headquarters of BWS. New BN will reflect the globally diversified nature of Brookfield’s business, with operations in more than 30 countries. Over the past five years, our insurance business has worked with insurance regulatory authorities across multiple jurisdictions, including within the most sophisticated insurance markets globally, and has developed expertise and a reputation for operating excellence and adherence with industry best practices within these markets. To both preserve and continue building upon this foundation, New BN will

be formed in BWS's current domicile, one of the leading global hubs for the insurance industry, which is also a domicile of convenience for U.S. index inclusion purposes. These two factors should accrue to the benefit of all shareholders over the longer term. New BN will operate as a leading global investment firm focused on building long-term wealth for institutions and individuals around the world and will, through its interests in BN and BWS, continue to invest across our three core businesses: Wealth Solutions, Asset Management and Operating Businesses. New BN will remain focused on delivering 15%+ annualized returns to shareholders over the long term, driven by our disciplined investment approach and deep operational expertise.

- *Fairness Opinion.* KPMG has provided the Fairness Opinion to the Boards, concluding that, as at May 26, 2026, and subject to the assumptions, limitations and qualifications described therein, the consideration to be received by public holders of BN Class A Shares and BWS Class A Shares as part of the Transaction is fair, from a financial point of view, to such holders.
- *Tax-Deferral.* The exchange of BN Class A Shares for Class A Shares and/or Exchangeable Shares, as the case may be, through the Transaction is expected to be tax-deferred for each BN Class A Shareholder that is a U.S. Holder, electing Eligible U.K. Holder, or electing Eligible Canadian Holder. The exchange of BWS Class A Shares for Class A Shares through the Transaction is expected to be tax-deferred for each BWS Class A Shareholder that is a U.S. Holder, a resident of Canada for tax purposes, or a resident of the U.K. for tax purposes.
- *Distributions.* Distributions on the Class A Shares are expected to be made by way of reductions of share capital, akin to the distributions paid on the BWS Class A Shares today. The Transaction is expected to provide Canadian and U.S. investors of BN with the opportunity to receive distributions by way of reductions of share capital instead of taxable dividends, and the non-Canadian investors of BN will have the ability to receive distributions without the imposition of withholding tax. There will be no change for BWS Class A Shareholders, who will continue to receive distributions by way of reductions of share capital.
- *Financial Reporting.* We expect the Transaction to streamline financial reporting and reduce costs associated with separate financial reporting for two publicly traded companies. Following the completion of the Transaction, it is expected that the New BN financial statements will be reported in accordance with U.S. GAAP and reflect the results of operations and financial position of the businesses of BN and BWS on a consolidated basis.
- *Governance.* The Transaction will establish a robust governance framework that promotes transparency and effective oversight of the combined business overseen by a majority independent board of directors at New BN and a majority independent board of directors at BWS who will remain responsible for overseeing the Wealth Solutions business.
- *Credit Ratings.* The Transaction is not expected to impact the current credit rating or debt capacity of BN and New BN is expected to have the same credit rating as BN post-closing.
- *Index Inclusion.* The Transaction is expected to open up a path to broader global index inclusion.
- *Shareholder and Court Approval.* The procedures by which the Transaction will be approved, including approval of BN Shareholders and BWS Shareholders and approval of the Court, offer substantial protection to shareholders. See "Certain Legal and Regulatory Matters—Completion of the Transaction".
- *Dissent Rights.* Registered BN Shareholders have the right to exercise Dissent Rights in connection with the Arrangement, subject to strict compliance with the requirements applicable to the exercise of Dissent Rights. Only Registered BN Shareholders may exercise Dissent Rights. BN Class A Shareholders that are not Registered BN Shareholders and BWS Class A Shareholders do not have Dissent Rights in respect of the Transaction.

The foregoing summary of factors considered by the Boards is not intended to be exhaustive. In reaching the determination to unanimously approve and recommend the Transaction to shareholders and given the variety and complexity of factors considered, the Boards did not assign any relative or specific weight to the factors that were considered. Additionally, individual directors may have given different weights to these factors. Their respective recommendations were made after consideration of all of the above and other factors, the risk factors set out herein, and in light of the directors' collective knowledge of the business, financial condition and prospects of our combined group.

See "The Transaction—Background to the Transaction", "The Transaction—Reasons for the Transaction", "The Transaction—Transaction Agreement", "The Transaction—BWS Bye-Law Amendments" and "The Transaction—Plan of Arrangement".

Fairness Opinion

KPMG provided an opinion to the Boards that, as at May 26, 2026 and subject to the assumptions, limitations and qualifications described therein, the consideration to be received by public holders of BN Class A Shares and BWS Class A Shares as part of the Transaction is fair, from a financial point of view, to such holders.

Subject to satisfaction or waiver of conditions precedent to the Transaction Agreement in accordance with the Transaction Agreement, it is anticipated that the Transaction will be completed on or about year-end 2026.

If the BN Resolutions are passed, BN Shareholders will be asked to consider and, if thought advisable, pass the New BN Share Option Plan Resolution, the New BN Escrowed Stock Plan Resolution, the New BNC Escrowed Stock Plan Resolution and the New BNC Share Option Plan Resolution, which are required by the TSX and are a condition precedent to completion of the Transaction, and which must be approved by (i) a majority (calculated on a combined basis) of the votes cast by the BN Class A Shareholders and BWS Class A Shareholders, and (ii) a majority (calculated on a combined basis) of the votes cast by the BN Class B Shareholder and the BWS Class B Shareholder, in each case, who vote in person or by proxy at the Meetings.

See “Certain Legal and Regulatory Matters—BWS Shareholder Approval”.

Court Approval

It is a condition of the Transaction Agreement that the Interim Order and the Final Order must be obtained from the Court. Prior to the mailing of this Transaction Supplement, we obtained the Interim Order, which provides for, among other things, the calling and holding of the BN Meeting.

It is expected that shortly after the Meetings, subject to the approval of the BN Resolutions, the BWS Resolutions, the New BN Share Option Plan Resolution, the New BN Escrowed Stock Plan Resolution, the New BNC Escrowed Stock Plan Resolution and the New BNC Share Option Plan Resolution at the Meetings, an application will be made for the Court’s final approval of the Arrangement. At the hearing for the Final Order, the Court will determine whether to approve the Arrangement. Participation in the hearing for the Final Order, including who may participate and present evidence or argument and the procedure for doing so, is subject to the terms of the Interim Order and any subsequent direction of the Court.

The Interim Order sets out how BN Shareholders, BWS Shareholders and other interested parties may participate in the hearing for the Final Order, which has been set for July 21, 2026. Any BN Shareholder, BWS Shareholder or any other interested party who wishes to appear or be represented and to present evidence or arguments at the hearing of the application for the Final Order may do so but must comply with certain procedural requirements described in the Interim Order.

See “Certain Legal and Regulatory Matters—Court Approval”, a copy of the Interim Order attached as Appendix J and a copy of the Notice of Application for the Final Order attached as Appendix L.

Dissent Rights

Only Registered BN Shareholders have Dissent Rights as to the BN Resolutions. BN Class A Shareholders that are not Registered BN Shareholders do not have Dissent Rights in connection with the BN Resolutions. Pursuant to the Interim Order, each Registered BN Shareholder may exercise Dissent Rights under section 185 of the OBCA as modified by the Plan of Arrangement and the Interim Order. Each Dissenting Shareholder is entitled to be paid the fair value (as set out in Article 4 of the Plan of Arrangement) of the holder’s BN Class A Shares, provided that the holder duly dissents to the BN Resolutions and the Arrangement becomes effective. A Non-Registered BN Shareholder who wishes to dissent with respect to its BN Class A Shares should be aware that only Registered BN Shareholders are entitled to exercise Dissent Rights. A Registered BN Shareholder such as an Intermediary who holds BN Class A Shares as nominee for such Non-Registered BN Shareholder, will be entitled to exercise Dissent Rights on behalf of such Non-Registered BN Shareholder with respect to the BN Class A Shares held for such Non-Registered BN Shareholder.

BWS Class A Shareholders do not have Dissent Rights in connection with the BWS Resolutions. However, in accordance with the Bermuda Companies Act, any BWS Class A Shareholders, singly or aggregately holding not less than ten percent of the issued and outstanding BWS Class A Shares, may apply to a court of competent jurisdiction to have the variation of rights contemplated by the BWS Resolutions cancelled.

See “Dissent Rights”. For a description of certain Canadian and U.S. federal income tax considerations related to the exercise of Dissent Rights, please see “Certain Canadian Federal Income Tax Considerations” and “Certain United States Federal Income Tax Considerations”.

Certain Canadian Federal Income Tax Considerations

BN Class A Shareholders and BWS Class A Shareholders should carefully read the information in this Transaction Supplement under the section titled “Certain Canadian Federal Income Tax Considerations” which qualifies the information set out below and should consult their own tax advisors.

BN Class A Shareholders who are residents of Canada for purposes of the Tax Act (other than Eligible Canadian Holders that make a valid Tax Election as discussed below) generally will dispose of their BN Class A Shares on a taxable basis.

BN Class A Shareholders who are Eligible Canadian Holders may elect to receive Consideration that includes Exchangeable Shares. An Eligible Canadian Holder who elects to receive Exchangeable Shares and who makes and files a valid joint election with New BNC under section 85 of the Tax Act generally may defer all or part of the Canadian income tax on any capital gain that would otherwise arise on the disposition of such Eligible Canadian Holder’s BN Class A Shares under the Transaction, subject to the limitations in the Tax Act (see section titled “Certain Canadian Federal Income Tax Considerations—Holders Resident in Canada—Exchange of BN Class A Shares—Exchange of BN Class A Shares for Exchangeable Shares”).

BWS Class A Shareholders who are residents of Canada for purposes of the Tax Act generally will dispose of their BWS Class A Shares under a tax-deferred foreign share-for-share exchange under subsection 85.1(5) of the Tax Act, unless: (i) immediately before the exchange, the BWS Class A Shareholder and New BN do not deal at arm’s length, (ii) immediately after the exchange, the BWS Class A Shareholder, persons with whom the BWS Class A Shareholder does not deal at arm’s length, or any combination thereof control New BN, or beneficially own more than 50% of the FMV of the shares of New BN, or (iii) the BWS Class A Shareholder includes any portion of the gain or loss otherwise determined on the disposition of the BWS Class A Shares in computing its income (see section titled “Certain Canadian Federal Income Tax Considerations—Holders Resident in Canada—Exchange of BWS Class A Shares”).

BN Class A Shareholders and BWS Class A Shareholders that are not residents of Canada for purposes of the Tax Act immediately prior to the time of disposition of their BN Class A Shares and BWS Class A Shares, as the case may be, and whose BN Class A Shares and BWS Class A Shares, as the case may be, are not “taxable Canadian property” for purposes of the Tax Act will generally not be subject to Canadian income tax under the Tax Act on the disposition of their BN Class A Shares and BWS Class A Shares, as the case may be.

Certain United States Federal Income Tax Considerations

Subject to the discussion under “Certain United States Federal Income Tax Considerations,” for U.S. federal income tax purposes, U.S. Holders of the Contributed Shares generally will not recognize any gain or loss on the exchange of such shares for New BN Shares pursuant to the Transaction. Each U.S. Holder of Contributed Shares is encouraged to consult its own tax advisor as to the specific consequences of the Transaction, including the effect of any state, local or non-U.S. tax laws and of changes in applicable tax law.

See “Certain United States Federal Income Tax Considerations”.

Risk Factors

BN Shareholders and BWS Shareholders should be aware that there are various risks in connection with the Transaction and the ownership of securities of New BN or New BNC after the Transaction. In deciding whether to approve the BN Resolutions, the BWS Resolutions, the New BN Share Option Plan Resolution, the New BN Escrowed Stock Plan Resolution, the New BNC Escrowed Stock Plan Resolution, the New BNC Share Option Plan Resolution and the other matters, BN Shareholders and BWS Shareholders should carefully consider the risk factors described in the Circular.

See “Risk Factors”.

THE TRANSACTION

Background to the Transaction

The Launch and Growth of Brookfield's Insurance Business

Five years ago, we established BWS, our investment-led insurance business. From the outset, our objective has been to build a business that serves the interests of policyholders, delivers attractive risk adjusted returns, and generates a durable 15%+ return on our equity through economic cycles.

Our strategy, which remains unchanged, is to source predictable, low-risk liabilities and earn our extra returns by drawing on our differentiated core competencies across real assets to invest a portion of the capital into real-asset credit and equity. Over that time, we have made meaningful progress by methodically scaling the business while maintaining a low operating risk profile. With our recent acquisition of Just Group in the U.K., we are now a global platform compounding capital at attractive rates while maintaining the same conservative risk profile that has defined Brookfield for decades.

Our formula for profitable growth is to invest in the real assets where we have operating skills and can use our scale to generate attractive risk-adjusted returns through cycles. Fortunately, a number of these are expected to benefit from some of the greatest investment opportunities ever in the years ahead. We conservatively finance our business with the lowest cost of capital available in our markets, further enhancing our ability to generate strong and durable returns on equity.

In 2021, we launched our insurance business by spinning off BWS from BN. In doing so, we used the same pairing structure that we have used for our other listed partnerships, and BWS became a “paired entity” to BN, which enabled it to continue benefiting from BN’s permanent capital base and investing capabilities. Financed with entirely our own capital, we have been building BWS adopting the same patience, discipline and value-oriented approach that has defined our success over many decades.

This structure, combined with our proven strategy for scaling businesses, has served BWS very well to date. Over the past five years, our insurance business has accumulated close to \$30 billion of capital and utilized that capital to grow its asset base to close to \$200 billion while exceeding investment expectations on our invested capital.

Streamlining the Business

Over the last 18 months, a number of measures have been pursued to streamline the corporate structures across Brookfield. With the increasing prominence of index investing, simpler structures with larger market capitalizations are now the most effective way to position our businesses.

Our confidence in this trend has been supported further by the successful combination earlier this year of Brookfield Business Partners L.P. and its paired entity, Brookfield Business Corporation, into one publicly traded Canadian corporation, BBUC. Strong shareholder support and a positive market response to this BBUC combination reinforced our view that one entity both maximizes index inclusion and results in simpler, more streamlined ownership structures. Following the success of BBUC, our infrastructure and energy paired companies recently announced that they too are reviewing their corporate structures with the goal of exploring whether a single combined security for each entity will improve accessibility and liquidity, while retaining their structures’ current key benefits.

Equally as important, we believe that to keep growing and maximize returns, while maintaining a low risk profile, combining BN and BWS is optimal. With direct access to BN’s permanent capital base – approximately \$145 billion of incremental cash, equities, real estate and other investments – our insurance operations will be afforded enhanced capital efficiency and flexibility, enabling us to optimize our capital structure to support the continued expansion of the business over the long term. Simply stated, few other insurance businesses in the world have access to this scale of excess capital to add to their equity base. This will enable us to grow more, or reduce our risk.

Combining BN with BWS

The process of combining the businesses will entail BN folding into the insurance business. The result will be a new parent company, New BN, listed on the NYSE and TSX under the symbol “BN”. New BN will own both present BN and BWS businesses, giving investors direct ownership of the combined business and implementing the optimal ownership structure for the global business going forward.

Each of BN and BWS will maintain its existing domicile and governance structures, with each entity’s board of directors including independent members. In addition, there will be no change in BN’s principal office, its operations, its tax status, or its employees and other personnel in Canada, and its business will be conducted in the same manner as prior to the Transaction.

New BN will reflect the globally diversified nature of Brookfield’s business, with operations in more than 30 countries. Over the past five years, our insurance business has worked with insurance regulatory authorities across multiple jurisdictions, including within the most sophisticated insurance markets globally, and has developed expertise and a reputation for operating excellence and adherence with industry best practices within these markets. To both preserve and continue building upon this foundation, New BN will be formed in BWS’s current domicile, one of the leading global hubs for the insurance industry, which is also a domicile of convenience for U.S. index inclusion purposes. These two factors should accrue to the benefit of all shareholders over the longer term.

Canada will continue to be the headquarters of BN, the United States will continue to be the headquarters of Brookfield Asset Management, and Bermuda will continue to be the headquarters of BWS.

Given Brookfield’s Canadian roots, we will continue our major presence in the country. This includes 15% of global assets under management or \$150 billion and the recent contemplated listing of new companies with over \$50 billion of equity capital. These transactions underscore Brookfield’s very significant commitment to Canada and its capital markets as one of Canada’s largest private investors.

Board Evaluation of the Transaction

In early 2025, management of each of BN and BWS began to explore ways in which the corporate structure could be simplified to better integrate BN and BWS. Both management teams were of the view that a simplification of the corporate structure would enable the use of the combined group’s asset base leading to enhanced capital efficiency and flexibility in optimizing BN’s capital structure to support the continued expansion of the business, better positioning it for index inclusion and long-term growth. In the third quarter of 2025, BN and BWS management met with their respective Boards to discuss the merits of consolidating BWS and BN under one publicly traded company listed on the TSX and NYSE, the value of which would reflect the full value of the combined business. Once a decision was made to pursue a combination of BN and BWS, management of each of BN and BWS and their respective Boards, together with their advisors, undertook an extensive evaluation of the optimal ownership structure for the global business going forward, including the jurisdiction of the parent company.

In the fourth quarter of 2025, together with their advisors, management of each of BN and BWS commenced work on preparing a more detailed workplan to assess the reorganization. BN also considered the potential impact of the proposed reorganization on the credit rating and debt capacity of BN and the combined entity and received advice that the reorganization would not impact the current credit rating or debt capacity of BN and that the combined entity would be expected to have the same credit rating as BN.

In the first quarter of 2026, management of BN and BWS provided an update to their respective Boards on the progress made on the various workstreams relating to the Transaction. During such discussions, each Board was advised that management had received advice from its external legal advisor, Torys LLP, that based on the anticipated structure, the Transaction would not be a “related party transaction” or a “business combination” under MI 61-101 and that there was no requirement under MI 61-101 for either Board to form a special committee of independent directors for purposes of reviewing the Transaction or to obtain an independent valuation in respect of the Transaction. Both Boards determined that if any conflicts of interest were subsequently identified in respect of the Transaction, such conflicts would be referred to the respective GNCs for review and resolution. It was also determined that the respective MRCCs

would be responsible for reviewing, considering and making recommendations, as applicable, to their respective Boards with respect to the Transaction on security-based compensation plans and related matters. Finally, while not required to do so, each Board also determined that it would engage an independent financial advisor to provide the Boards with a fairness opinion supporting their review of the Transaction.

On April 2, 2026, the GNCs met separately to consider the selection of an independent firm to be appointed to provide a fairness opinion to the Boards. The GNCs were provided with the credentials of three firms, including KPMG, to consider for appointment and they reviewed the suitability of each of these firms by taking into account, among other things, qualifications of team members, international recognition and reputation, and experience with transactions of similar size and nature. Each GNC independently determined that KPMG was well suited to provide a fairness opinion and, having regard for the paired nature of the BWS Class A Shares and BN Class A Shares, the GNCs noted that it was advisable for BN and BWS to jointly retain KPMG to deliver the Fairness Opinion to the Boards.

On April 29, 2026, the BWS Board received an update from BWS management on the progress made on the various workstreams and reviewed the advice of Torys LLP regarding the application of MI 61-101 to the Transaction.

On May 12, 2026, the BWS Board reviewed the material terms of the Transaction and the Transaction Agreement, including the proposed BWS Bye-Law Amendments. During the meeting, BWS management provided an update on the progress made on the various workstreams of the Transaction, including the progress of the preparation of the Fairness Opinion by KPMG, a draft of which was provided for review. Further, the BWS Board received the recommendation of the BWS CC regarding the impact of the Transaction on security-based compensation plans. The BWS Board expressed their support for proceeding with the Transaction, subject to settling the final terms of the Transaction Agreement and receiving the Fairness Opinion.

On May 13, 2026, the BN Board reviewed the material terms of the Transaction and the Transaction Agreement. During the meeting, BN management provided an update on the progress made on the various workstreams of the Transaction, including the progress of the preparation of the Fairness Opinion by KPMG. Further, the BN Board received the recommendation of the BN MRCC regarding the impact of the Transaction on security-based compensation plans and related matters and reviewed the advice of Torys LLP regarding the application of MI 61-101 to the Transaction. The BN Board expressed their support for proceeding with the Transaction, subject to settling the final terms of the Transaction Agreement and receiving the Fairness Opinion.

On May 26, 2026, KPMG issued the Fairness Opinion to the effect that, as at May 26, 2026 and subject to the assumptions, limitations and qualifications described in the written Fairness Opinion, the consideration to be received by public holders of BN Class A Shares and BWS Class A Shares as part of the Transaction is fair, from a financial point of view, to such holders.

On May 26, 2026, the BN Board, having previously reviewed the terms of the Transaction, including the Transaction Agreement, the benefits and risks of the Transaction and the steps required for approval of the Transaction, and taking into account the advice and opinions provided, unanimously determined, based on the factors set out below under “—Reasons for the Transaction”, among others, that the Transaction is in the best interests of BN and resolved to approve the Transaction and recommend that BN Shareholders vote in favor of the resolutions approving the Transaction.

On May 26, 2026, the BWS Board, having previously reviewed the terms of the Transaction, including the Transaction Agreement, the benefits and risks of the Transaction and the steps required for approval of the Transaction, and taking into account the advice and opinions provided, unanimously determined, based on the factors set out below under “—Reasons for the Transaction”, among others, that the Transaction is in the best interests of BWS and resolved to approve the Transaction and recommend that BWS Shareholders vote in favor of the resolutions approving the Transaction.

The Transaction Agreement was finalized and executed on May 26, 2026 and entry into the Transaction Agreement was publicly announced promptly thereafter.

Details of the Transaction

The Transaction will mark the next evolution of the business as a fully integrated insurance and investment organization and will result in BN Class A Shareholders and BWS Class A Shareholders holding shares in one publicly traded company that reflects the full value of the combined business. The combining of the businesses of BN and BWS under one publicly traded company pursuant to the Transaction is expected to position the integrated business to drive long-term value and benefits for all holders. If the Transaction is completed:

- BN Class A Shareholders, other than electing Eligible Canadian Holders, will receive one Class A Share for each BN Class A Share held.
- Electing Eligible Canadian Holders will receive Exchangeable Shares, or a combination of Exchangeable Shares and Class A Shares, in the amounts elected by such Eligible Canadian Holders.
- BWS Class A Shareholders will receive one Class A Share for each BWS Class A Share held.
- The BWS Class B Shareholder will receive one Class B Share for each BWS Class B Share held.
- Subject to TSX and NYSE approval, the Class A Shares will be listed on the TSX and NYSE and trade under the symbol “BN” and the Exchangeable Shares will be listed on the TSX and trade under the symbol “BNCC”.
- The BN Class A Shares and BWS Class A Shares will be delisted from the TSX and NYSE and BWS will cease to be required to file periodic reports in Canada and with the SEC. In addition, the BN Preferred Shares will continue to be listed on the TSX and remain outstanding immediately following the closing of the Transaction and remain entitled to the same dividends and other preferences and privileges that they currently have.
- BWS will be an indirect subsidiary of New BN, and all of the outstanding BN Class A Shares will be indirectly owned by New BN. BAM Partners Trust will continue to own the outstanding BN Class B Shares.

Reasons for the Transaction

In reaching their conclusion that the Transaction is in the best interests of each of BN and BWS, respectively, the Boards reviewed and considered, among other factors, the terms of the Transaction and the Fairness Opinion. In the course of their evaluations, the Boards considered, among other things, the following factors:

- *Corporate Structure.* The simplified corporate structure will establish New BN as a leading global investment firm focused on building long-term wealth for institutions and individuals around the world while utilizing the asset base of the integrated organization and allowing BWS to operate with industry-low operating leverage, and further de-risking the growth profile and operations of the combined business. The Transaction will provide BWS Class A Shareholders access to a security with improved trading liquidity and will provide BN Class A Shareholders and BWS Class A Shareholders access to one listed security that will reflect the full value of all the underlying businesses and will reduce the costs of maintaining two separate publicly traded entities.
- *Day-to-Day Operations.* There will be no change to the day-to-day operations of BN, BWS, or the businesses owned by each of them, as a result of the Transaction. Each of BN and BWS will maintain its existing domicile and governance structures, with each entity’s board of directors including independent members. Canada will continue to be the headquarters of BN and Bermuda will continue to be the headquarters of BWS. New BN will reflect the globally diversified nature of Brookfield’s business, with operations in more than 30 countries. Over the past five years, our insurance business has worked with insurance regulatory authorities across multiple jurisdictions, including within the most sophisticated insurance markets globally, and has developed expertise and a reputation for operating excellence and adherence with industry best practices within these markets. To both preserve and continue building upon this foundation, New BN will

be formed in BWS's current domicile, one of the leading global hubs for the insurance industry, which is also a domicile of convenience for U.S. index inclusion purposes. These two factors should accrue to the benefit of all shareholders over the longer term. New BN will operate as a leading global investment firm focused on building long-term wealth for institutions and individuals around the world and will, through its interests in BN and BWS, continue to invest across our three core businesses: Wealth Solutions, Asset Management and Operating Businesses. New BN will remain focused on delivering 15%+ annualized returns to shareholders over the long term, driven by our disciplined investment approach and deep operational expertise.

- *Fairness Opinion.* KPMG has provided the Fairness Opinion to the Boards, concluding that, as at May 26, 2026, and subject to the assumptions, limitations and qualifications described therein, the consideration to be received by public holders of BN Class A Shares and BWS Class A Shares as part of the Transaction is fair, from a financial point of view, to such holders.
- *Tax-Deferral.* The exchange of BN Class A Shares for Class A Shares and/or Exchangeable Shares, as the case may be, through the Transaction is expected to be tax-deferred for each BN Class A Shareholder that is a U.S. Holder, electing Eligible U.K. Holder, or electing Eligible Canadian Holder. The exchange of BWS Class A Shares for Class A Shares through the Transaction is expected to be tax-deferred for each BWS Class A Shareholder that is a U.S. Holder, a resident of Canada for tax purposes, or a resident of the U.K. for tax purposes.
- *Distributions.* Distributions on the Class A Shares are expected to be made by way of reductions of share capital, akin to the distributions paid on the BWS Class A Shares today. The Transaction is expected to provide Canadian and U.S. investors of BN with the opportunity to receive distributions by way of reductions of share capital instead of taxable dividends, and the non-Canadian investors of BN will have the ability to receive distributions without the imposition of withholding tax. There will be no change for BWS Class A Shareholders, who will continue to receive distributions by way of reductions of share capital.
- *Financial Reporting.* We expect the Transaction to streamline financial reporting and reduce costs associated with separate financial reporting for two publicly traded companies. Following the completion of the Transaction, it is expected that the New BN financial statements will be reported in accordance with U.S. GAAP and reflect the results of operations and financial position of the businesses of BN and BWS on a consolidated basis.
- *Governance.* The Transaction will establish a robust governance framework that promotes transparency and effective oversight of the combined business overseen by a majority independent board of directors at New BN and a majority independent board of directors at BWS who will remain responsible for overseeing the Wealth Solutions business.
- *Credit Ratings.* The Transaction is not expected to impact the current credit rating or debt capacity of BN and New BN is expected to have the same credit rating as BN post-closing.
- *Index Inclusion.* The Transaction is expected to open up a path to broader global index inclusion.
- *Shareholder and Court Approval.* The procedures by which the Transaction will be approved, including approval of BN Shareholders and BWS Shareholders and approval of the Court, offer substantial protection to shareholders. See "Certain Legal and Regulatory Matters—Completion of the Transaction".
- *Dissent Rights.* Registered BN Shareholders have the right to exercise Dissent Rights in connection with the Arrangement, subject to strict compliance with the requirements applicable to the exercise of Dissent Rights. Only Registered BN Shareholders may exercise Dissent Rights. BN Class A Shareholders that are not Registered BN Shareholders and BWS Class A Shareholders do not have Dissent Rights in respect of the Transaction.

The foregoing summary of factors considered by the Boards is not intended to be exhaustive. In reaching the determination to unanimously approve and recommend the Transaction to shareholders and given the variety and complexity of factors considered, the Boards did not assign any relative or specific weight to the factors that were considered. Additionally, individual directors may have given different weights to these factors. Their respective recommendations were made after consideration of all of the above and other factors, the risk factors set out herein, and in light of the directors' collective knowledge of the business, financial condition and prospects of our combined group.

Fairness Opinion

KPMG was initially contacted regarding a potential advisory assignment in March 2026 and was formally engaged through an engagement agreement among BN, BWS and KPMG dated May 4, 2026. The terms of the engagement agreement provide that KPMG is to be paid a fixed engagement fee for rendering the Fairness Opinion (regardless of its conclusion or whether any transaction is completed). KPMG's fees are not contingent in whole or in part on the outcome of the Fairness Opinion and/or completion of the Transaction. In addition, KPMG is to be reimbursed for its

reasonable out-of-pocket expenses to complete the Fairness Opinion, and to be indemnified by BN and BWS, jointly and severally, in certain circumstances.

The Fairness Opinion represents the opinion of KPMG and the form and content of the Fairness Opinion were approved for release by a committee, each member of which is a member of the Canadian Institute of Chartered Business Valuators and experienced in merger, acquisition, divestiture and valuation matters.

The Fairness Opinion states that, in the opinion of KPMG, as at May 26, 2026 and subject to the assumptions, limitations and qualifications described therein, the consideration to be received by public holders of BN Class A Shares and BWS Class A Shares as part of the Transaction is fair, from a financial point of view, to such holders.

The Fairness Opinion was rendered on the basis of securities markets, economic, financial and general business conditions prevailing as at May 26, 2026 and the condition and prospects, financial and otherwise, of BN and/or BWS as they were reflected in the information obtained by KPMG and as represented to KPMG in discussions with management of BN and BWS. In its analysis and in preparing the Fairness Opinion, KPMG made numerous assumptions with respect to industry performance, general business and economic conditions and other matters, which it considered to be reasonable and appropriate in the circumstances, many of which are beyond the control of KPMG, BN and BWS.

The full text of the Fairness Opinion, which sets forth, among other things, the assumptions made, information reviewed and matters considered, and the limitations and qualifications on the review undertaken in connection with the Fairness Opinion, is attached as Appendix K hereto. The summary of the Fairness Opinion above is qualified in its entirety by reference to the full text of the Fairness Opinion. The Fairness Opinion is not to be construed as a recommendation to any shareholder as to whether to vote in favor of the Transaction.

Shareholders are urged to read the BWS Bye-Law Amendments in their entirety.

The BWS Board is proposing to amend the BWS Bye-Laws to make changes that are necessary to implement the Plan of Arrangement and effect the Transaction. The amendments are to, among other things, (i) make inoperable the 9.9% voting limit on the BWS Class A Shares in the event that a single Person becomes the beneficial owner (directly or indirectly) of 90% or more of the issued and outstanding BWS Class A Shares; (ii) create the New BN Call Right; (iii) amend the transfer restrictions on the BWS Class B Shares and BWS Class C Shares to permit a transfer to New BN or a subsidiary of New BN in the event of an exercise by New BN of the New BN Call Right; and (iv) create the BWS Class D Shares.

BWS Shareholders are being asked to consider and, if thought advisable, to pass the BWS Resolutions approving, among other things, the BWS Bye-Law Amendments, which will:

- add Section 2.38.1 to Section 2.38.7 to Schedule A of the BWS Bye-Laws to (i) provide BWS with a right, on the Effective Date, to redeem all, but not less than all, of the then outstanding BWS Exchangeable Shares, by delivering one (1) Class A Share for each BWS Exchangeable Share, together with a cash amount for each BWS Exchangeable Share equal to any Unpaid Distributions (collectively, the “**New BN Redemption**”

Consideration”) and (ii) provide New BN with an overriding right, subject to New BN having received prior consent of BN, in circumstances where BWS has exercised its right to redeem the then outstanding BWS Exchangeable Shares, to purchase on the Effective Date all, but not less than all, of the then outstanding BWS Exchangeable Shares in exchange for the issuance and delivery of the New BN Redemption Consideration by New BN (the “**New BN Call Right**”).  - The BWS Class D Shares shall be non-voting for so long as there are BWS Class A Shares and BWS Class B Shares outstanding. If there are no BWS Class A Shares and no BWS Class B Shares outstanding, holders of BWS Class D Shares shall be entitled to one vote for each BWS Class D Share.

The BWS Resolutions include approval for an increase to the authorized capital of BWS of \$50,000,000,000 necessary for the creation and issuance of the BWS Class D Shares in connection with the Transaction. The BWS Class D Shares will only be issued following the Effective Time. The BWS Class D Shares will replace the BWS Class A Shares, BWS Class B Shares and BWS Class C Shares and will be held by a subsidiary of New BN.

BN DISSENT RIGHTS

Registered BN Shareholders have been provided with the right to dissent in respect of the Arrangement in the manner provided in section 185 of the OBCA, as modified by Article 4 of the Plan of Arrangement, the Interim Order, the Final Order and any other order of the Court, in connection with the Arrangement. The following summary is qualified in its entirety by the provisions of section 185 of the OBCA, the Interim Order and the Plan of Arrangement.

Any Dissenting Shareholder may be entitled, in the event the Arrangement becomes effective, to be paid by BN the fair value of the BN Class A Shares held by such Dissenting Shareholder, which fair value, notwithstanding anything to the contrary contained in Part XIV of the OBCA, shall be determined as of the close of business on the day before the BN Resolutions were adopted at the BN Meeting. A Dissenting Shareholder will not be entitled to any other payment or consideration, including any payment that would be payable under the Arrangement had such Dissenting Shareholder not exercised their Dissent Rights in respect of such BN Class A Shares. BN Shareholders are cautioned that fair value could be determined to be less than the value of the Consideration.

Section 185 of the OBCA provides that a Dissenting Shareholder may only make a claim under that section with respect to all of the BN Class A Shares held by the Dissenting Shareholder on behalf of any one beneficial owner and registered in the Dissenting Shareholder's name. One consequence of this provision is that a Registered BN Shareholder may exercise Dissent Rights only in respect of BN Class A Shares that are registered in that Registered BN Shareholder's name. In addition, any judicial determination of fair value will result in delay of receipt by a Dissenting Shareholder of consideration for such Dissenting Shareholder's Dissenting Shares.

In many cases, BN Class A Shares beneficially owned by a Non-Registered BN Shareholder are registered either: (i) in the name of an intermediary, or (ii) in the name of a clearing agency (such as CDS Clearing and Depository Services Inc.) of which the intermediary is a participant. Accordingly, a Non-Registered BN Shareholder will not be entitled to exercise its Dissent Rights directly (unless the BN Class A Shares are re-registered in the Non-Registered BN Shareholder's name). A Non-Registered BN Shareholder who wishes to exercise Dissent Rights should immediately contact the intermediary with whom the Non-Registered BN Shareholder deals in respect of its BN Class A Shares and either: (1) instruct the intermediary to exercise Dissent Rights on the Non-Registered BN Shareholder's behalf (which, if the BN Class A Shares are registered in the name of CDS Clearing and Depository Services Inc. or other clearing agency, may require that such BN Class A Shares first be re-registered in the name of the intermediary), or (2) instruct the intermediary to re-register such BN Class A Shares in the name of the Non-Registered BN Shareholder, in which case the Non-Registered BN Shareholder would be able to exercise Dissent Rights directly.

A Registered BN Shareholder wishing to exercise Dissent Rights with respect to the Arrangement must send a Notice of Dissent to BN at c/o Torys LLP, Attention: Andrew Gray, at Suite 3300, 79 Wellington Street West, Toronto, Ontario, Canada M5K 1N2, not later than 5:00 p.m. (Toronto time) two (2) days immediately preceding the date of the BN Meeting (as it may be adjourned or postponed from time to time), and must otherwise strictly comply with the dissent procedures described in this Transaction Supplement, the Interim Order, the Final Order, the Plan of Arrangement and section 185 of the OBCA, as modified by the Interim Order, the Final Order, and the Plan of Arrangement. Failure to properly exercise Dissent Rights may result in the loss or unavailability of the Dissent Rights.

The filing of a Notice of Dissent does not deprive a Registered BN Shareholder of the right to vote at the BN Meeting. Voting and Dissent Rights relate to each other as follows. First, no Registered BN Shareholder who has voted FOR the BN Resolutions shall be entitled to exercise Dissent Rights with respect to its BN Class A Shares. A Registered BN Shareholder may either vote against the BN Resolutions or abstain and exercise Dissent Rights. Second, voting against the BN Resolutions, an abstention from voting or a proxy submitted instructing a proxyholder to vote against the BN Resolutions does not constitute a Notice of Dissent. Similarly, the revocation of a proxy conferring authority on the proxyholder to vote FOR the BN Resolutions does not constitute a Notice of Dissent. However, any proxy granted by a Registered BN Shareholder who intends to dissent, other than a proxy that instructs the proxyholder to vote against the BN Resolutions, should be validly revoked in order to prevent the proxyholder from voting such BN Class A Shares for the BN Resolutions and thereby causing the Registered BN Shareholder to forfeit his, her or its Dissent Rights.

Within ten (10) days after holders of BN Shares adopt the BN Resolutions, BN is required to notify each Dissenting Shareholder that the BN Resolutions have been adopted. Such notice is not required to be sent to any BN Shareholder who voted FOR the BN Resolutions or who has withdrawn its Notice of Dissent.

A Dissenting Shareholder who has not withdrawn its Notice of Dissent prior to the BN Meeting must then, within twenty (20) days after receipt of notice that the BN Resolutions have been adopted, or if a Dissenting Shareholder does not receive such notice, within twenty (20) days after learning that the BN Resolutions have been adopted, send to BN a written notice containing his or her name and address, the number of Dissenting Shares in respect of which he or she dissents, and a demand for payment of the fair value of such BN Class A Shares (the “**Demand for Payment**”). Within thirty (30) days after sending a Demand for Payment, a Dissenting Shareholder must send to BN certificates representing the BN Class A Shares in respect of which he, she or it dissents. BN will or will cause the Depositary to endorse on the applicable BN Class A Share certificates received from a Dissenting Shareholder a notice that the holder is a Dissenting Shareholder and will forthwith return such BN Class A Share certificates to a Dissenting Shareholder.

Failure to strictly comply with the requirements set forth in section 185 of the OBCA, as modified by the Plan of Arrangement, Interim Order and Final Order may result in the loss of any right to dissent.

After sending a Demand for Payment, a Dissenting Shareholder ceases to have any rights as a BN Shareholder in respect of its Dissenting Shares other than the right to be paid the fair value of the Dissenting Shares held by such Dissenting Shareholder, except where: (i) a Dissenting Shareholder withdraws its Notice of Dissent before BN makes an offer to pay (an “**Offer to Pay**”), or (ii) BN fails to make an Offer to Pay and a Dissenting Shareholder withdraws the Demand for Payment, in which case a Dissenting Shareholder’s rights as a BN Shareholder will be reinstated as of the date of the Demand for Payment, unless such withdrawal occurs at or after the Effective Time, in which case the Dissenting Shareholder will be deemed to have participated in the Arrangement on the same basis as a BN Shareholder (other than a holder of Elected Canadian Shares or Elected U.K. Shares) that is not a Dissenting Shareholder.

Pursuant to the Plan of Arrangement, in no circumstance shall New BN, a New BN Designee, New BNC, BN, or any other Person be required to recognize any Dissenting Shareholder as a BN Shareholder in respect of which Dissent Rights have been validly exercised at or after the Effective Time, and at the Effective Time the names of such Dissenting Shareholders shall be deleted from the register of holders of BN Class A Shares.

Pursuant to the Plan of Arrangement, Dissenting Shareholders who are ultimately determined not to be entitled, for any reason, to be paid fair value for their Dissenting Shares, shall be deemed to have participated in the Arrangement on the same basis as a BN Shareholder (other than a holder of Elected Canadian Shares or Elected U.K. Shares) that is not a Dissenting Shareholder.

BN is required, not later than seven (7) days after the later of the Effective Date or the date on which a Demand for Payment is received from a Dissenting Shareholder, to send to each Dissenting Shareholder who has sent a Demand for Payment, an Offer to Pay for its Dissenting Shares in an amount considered by the BN Board to be the fair value of the BN Class A Shares, accompanied by a statement showing the manner in which the fair value was determined. Every Offer to Pay for BN Class A Shares of the same class must be on the same terms. BN must pay for the Dissenting Shares of a Dissenting Shareholder within ten (10) days after an Offer to Pay has been accepted by a Dissenting Shareholder, but any such offer lapses if BN does not receive an acceptance within thirty (30) days after the Offer to Pay has been made.

If BN fails to make an Offer to Pay for Dissenting Shares, or if a Dissenting Shareholder fails to accept an Offer to Pay that has been made, BN may, within fifty (50) days after the Effective Date or within such further period as a court may allow, apply to a court to fix a fair value for the Dissenting Shares. If BN fails to apply to a court, a Dissenting Shareholder may apply to a court for the same purpose within a further period of twenty (20) days or within such further period as a court may allow. A Dissenting Shareholder is not required to give security for costs in such an application.

If BN or a BN Shareholder makes an application to court, BN will be required to notify each affected Dissenting Shareholder of the date, place and consequences of the application and of its right to appear and be heard in person or by counsel. Upon an application to a court, all Dissenting Shareholders who have not accepted an Offer to Pay will be joined as parties and be bound by the decision of the court. Upon any such application to a court, the court may determine whether any Person is a Dissenting Shareholder who should be joined as a party, and the court will then fix a fair value for the Dissenting Shares of all Dissenting Shareholders. The final order of a court will be rendered against BN in favor of each Dissenting Shareholder for the amount of the fair value of its Dissenting Shares as fixed by the court. The court may, in its discretion, allow a reasonable rate of interest on the amount payable to each Dissenting Shareholder from the Effective Date until the date of payment.

The foregoing is only a summary of the provisions of the OBCA regarding the rights of Dissenting Shareholders (as modified by the Plan of Arrangement, Interim Order and Final Order), which are technical and complex. BN Shareholders are urged to review the full text of section 185 of the OBCA, which is attached as Appendix I to this Transaction Supplement, and those BN Shareholders who wish to exercise Dissent Rights are also advised to seek legal advice, as failure to comply strictly with the provisions of the OBCA, as modified by the Plan of Arrangement, Interim Order, and Final Order, may result in the loss or unavailability of their Dissent Rights.

CERTAIN LEGAL AND REGULATORY MATTERS

Completion of the Transaction

Completion of the Transaction is subject to the conditions precedent in the Transaction Agreement having been satisfied or, where legally permissible, waived, as applicable, including receipt of the following:

- the required approval by the BN Shareholders of the BN Resolutions, the New BN Share Option Plan Resolution, the New BN Escrowed Stock Plan Resolution, the New BNC Escrowed Stock Plan Resolution and the New BNC Share Option Plan Resolution at the BN Meeting;
- the required approval by the applicable BWS Shareholders of the BWS Resolutions, the New BN Share Option Plan Resolution, the New BN Escrowed Stock Plan Resolution, the New BNC Escrowed Stock Plan Resolution and the New BNC Share Option Plan Resolution at the BWS Meeting;
- the Final Order;
- applicable regulatory approvals;
- conditional approval to list Class A Shares, including those issuable pursuant to awards granted under the New BN Share Option Plan, the New BN Escrowed Stock Plan, the New BNC Escrowed Stock Plan and the New BNC Share Option Plan on the TSX and the NYSE; and
- conditional approval to list the Exchangeable Shares, including those issuable pursuant to awards under the New BN Share Option Plan, the New BN Escrowed Stock Plan, the New BNC Escrowed Stock Plan and the New BNC Share Option Plan on the TSX.

The Transaction Agreement provides that, following receipt of the foregoing approvals and the satisfaction (or waiver, if applicable) of the other conditions precedent contained in the Transaction Agreement, the Parties shall, on a date and at a time to be agreed by the Parties, file with any applicable Governmental Entity any and all documents and to exchange (to the extent not previously exchanged) such other documents as may be necessary or desirable to give effect to the Transaction on such date. Upon the closing of the Transaction at the Effective Time on the Effective Date, the transactions comprising the Transaction will be deemed to occur in the order and at the times set out in the BWS Bye-Law Amendments and the Plan of Arrangement without any further act or formality. See “The Transaction—Transaction Agreement—Conditions Precedent”.

Timing

We expect to complete the Transaction following the receipt of the required securityholder approvals, the issue of the Final Order and the receipt of all other legal and regulatory approvals, which is anticipated to be on or about year-end 2026. However, completion of the Transaction is dependent on many factors, and it is not possible at this time to determine precisely when the Transaction will become effective.

BN Shareholder Approval

At the BN Meeting, BN Shareholders will be asked to approve the BN Resolutions.

In accordance with the Interim Order, the approval of the BN Resolutions will require the affirmative vote of:

- not less than 66⅔% of the votes cast by the BN Class A Shareholders present in person or represented by proxy at the BN Meeting; and
- not less than 66⅔% of the votes cast by the BN Class B Shareholder present in person or represented by proxy at the BN Meeting.

If the BN Resolutions are approved, the BN Shareholders will also be asked to consider and vote upon the New BN Share Option Plan Resolution, the New BN Escrowed Stock Plan Resolution, the New BNC Escrowed Stock Plan Resolution and the New BNC Share Option Plan Resolution. In accordance with the Interim Order, the approval of each of the New BN Share Option Plan Resolution, the New BN Escrowed Stock Plan Resolution, the New BNC Escrowed Stock Plan Resolution and the New BNC Share Option Plan Resolution is required by the TSX and is a condition precedent to completion of the Transaction, and will require the affirmative vote of (i) a majority (calculated on a combined basis) of the votes cast by the BN Class A Shareholders and BWS Class A Shareholders, and (ii) a majority (calculated on a combined basis) of the votes cast by the BN Class B Shareholder and the BWS Class B Shareholder, in each case, who vote in person or by proxy at the Meetings.

Notwithstanding the approval by the BN Shareholders in accordance with the foregoing, the BN Resolutions authorize the BN Board, without notice to or approval of the BN Shareholders, (i) to amend, modify or supplement the Transaction Agreement or the Plan of Arrangement to the extent permitted thereby, as described under “The Transaction—Transaction Agreement—Amendments”, and (ii) subject to the terms of the Transaction Agreement, not to proceed with the Transaction or any related transactions.

BWS Shareholder Approval

At the BWS Meeting, BWS Shareholders will be asked to approve the BWS Resolutions. The approval of the BWS Resolutions will require:

- the affirmative vote of a majority of the votes cast by the BWS Class A Shareholders as of the close of business on the Record Date for securityholders entitled to notice of and to vote at the BWS Meeting with respect to the BWS Resolutions;
- the affirmative vote of a majority of the votes cast by the BWS Class B Shareholder as of the close of business on the Record Date for securityholders entitled to notice of and to vote at the BWS Meeting with respect to the BWS Resolutions; and
- approval of the holders of the BWS Class C Shares as of the close of business on the Record Date for securityholders entitled to notice of and to vote at the BWS Meeting with respect to the BWS Resolutions.

If the BWS Resolutions are approved, the BWS Class A Shareholders and the BWS Class B Shareholder will also be asked to consider and vote upon the New BN Share Option Plan Resolution, the New BN Escrowed Stock Plan Resolution, the New BNC Escrowed Stock Plan Resolution and the New BNC Share Option Plan Resolution. The approval of each of the New BN Share Option Plan Resolution, the New BN Escrowed Stock Plan Resolution, the New BNC Escrowed Stock Plan Resolution and the New BNC Share Option Plan Resolution is required by the TSX and is a condition precedent to completion of the Transaction, and will require the affirmative vote of (i) a majority (calculated on a combined basis) of the votes cast by the BN Class A Shareholders and BWS Class A Shareholders, and (ii) a majority (calculated on a combined basis) of the votes cast by the BN Class B Shareholder and the BWS Class B Shareholder, in each case, who vote in person or by proxy at the Meetings.

Notwithstanding the approval by the BWS Shareholders in accordance with the foregoing, the BWS Resolutions authorize the BWS Board, without notice to or approval of any BWS Shareholders, (i) to amend, modify or supplement the Transaction Agreement or the Plan of Arrangement to the extent permitted thereby, as described under “The Transaction—Transaction Agreement—Amendments”, and (ii) subject to the terms of the Transaction Agreement, not to proceed with the Transaction or any related transactions.

Court Approval

It is a condition of the Transaction Agreement that the Interim Order and the Final Order must be obtained from the Court. Prior to the mailing of this Transaction Supplement, we obtained the Interim Order, which provides for, among other things:

- the calling and holding of the BN Meeting;
- the required BN Shareholder Approval;
- the Dissent Rights;
- the notice requirements with respect to the presentation of the application to the Court for the Final Order;
- the ability of BN to adjourn or postpone the BN Meeting from time to time without the need for additional approval of the Court; and
- other procedural matters.

A copy of the Interim Order is attached as Appendix J hereto. The Interim Order sets out how BN Shareholders, BWS Shareholders and other interested parties may participate in the hearing for the Final Order.

It is expected that shortly after the Meetings, subject to the approval of the BN Resolutions, the New BN Share Option Plan Resolution, the New BN Escrowed Stock Plan Resolution, the New BNC Escrowed Stock Plan Resolution and the New BNC Share Option Plan Resolution by the BN Shareholders and the BWS Resolutions, the New BN Share Option Plan Resolution, the New BN Escrowed Stock Plan Resolution, the New BNC Escrowed Stock Plan Resolution and the New BNC Share Option Plan Resolution by the BWS Shareholders at the Meetings, an application will be made for the Court's final approval of the Arrangement. The hearing in respect of the Final Order is scheduled to take place virtually before the Ontario Superior Court of Justice (Commercial List) located at 330 University Avenue, Toronto, Ontario on July 21, 2026 at 10:00 a.m. (Toronto time), or as soon after such time as counsel may be heard. A copy of the Notice of Application for the Final Order is attached as Appendix L hereto. At the hearing for the Final Order, the Court will determine whether to approve the Arrangement. Participation in the hearing for the Final Order, including who may participate and present evidence or argument and the procedure for doing so, is subject to the terms of the Interim Order and any subsequent direction of the Court. Subject to the approval of the BN Resolutions, the New BN Share Option Plan Resolution, the New BN Escrowed Stock Plan Resolution, the New BNC Escrowed Stock Plan Resolution and the New BNC Share Option Plan Resolution by the BN Shareholders and the BWS Resolutions, the New BN Share Option Plan Resolution, the New BN Escrowed Stock Plan Resolution, the New BNC Escrowed Stock Plan Resolution and the New BNC Share Option Plan Resolution by the BWS Shareholders at the Meetings, BN and BWS will announce by news release the time and place of the hearing for the Final Order.

At the hearing for the Final Order, the Court will consider, among other things, the fairness and reasonableness of the Arrangement and the rights of every Person affected, both from a substantive and procedural point of view. The Court may approve the Arrangement in any manner the Court may direct, subject to compliance with such terms and conditions, if any, as the Court deems fit. In connection with the hearing for the Interim Order, the Court was informed that the Final Order will also constitute the basis for an exemption from registration under the U.S. Securities Act for the securities to be issued pursuant to the Arrangement to shareholders pursuant to Section 3(a)(10) of the U.S. Securities Act. See “—United States Securities Law Matters”

Stock Exchange Listing

It is expected that, shortly after the completion of the Transaction, the Class A Shares will commence trading on the NYSE and the TSX under the symbol “BN” and the Exchangeable Shares will commence trading on the TSX under the symbol “BNCC”. The Exchangeable Shares will not be listed on the NYSE.

There is currently no public trading market for Class A Shares or the Exchangeable Shares. Listing of the Class A Shares on the NYSE is subject to New BN fulfilling all of the requirements of the NYSE, and listing of the Class A Shares and the Exchangeable Shares on the TSX is subject to New BN and New BNC fulfilling all of the requirements of the TSX on or before the first trading day of the Class A Shares and Exchangeable Shares.

Canadian Securities Law Matters

MI 61-101

As reporting issuers or the equivalent in all of the provinces and territories of Canada, BN and BWS are subject to the securities laws of the provinces and territories of Canada, including MI 61-101. MI 61-101 regulates certain types of related party and other transactions to ensure equality of treatment of equity holders and may require enhanced disclosure, minority shareholder approval, a formal valuation and, in certain instances, approval and oversight by a special committee of independent directors. The protections of MI 61-101 apply to, among other transactions, “related party transactions” and “business combinations” (each, as defined in MI 61-101). A related party transaction includes, among other things, for an issuer, a transaction between the issuer and a person that is a “related party” (as defined in MI 61-101) of the issuer at the time the transaction is agreed to, as a consequence of which, either through the transaction itself or together with a “connected transaction” (as defined in MI 61-101), the issuer directly or indirectly purchases or acquires an asset from the related party for valuable consideration or issues a security to the related party. A transaction may be a “business combination” where a related party of an issuer acquires the issuer, is a party to a connected transaction or is entitled to receive a “collateral benefit” (as defined in MI 61-101) in connection with an arrangement that terminates the interests of equity securityholders without their consent. A “related party” generally includes a director, senior officer and any Person holding over 10% of the issued and outstanding voting securities of an issuer. Entities may also be “related parties” if they have a common control person.

The Transaction does not constitute a “business combination” for the purposes of MI 61-101 for BWS because the BWS Class A Shares and BWS Class B Shares are not equity securities for the purposes of MI 61-101. The Transaction does not constitute a “business combination” for the purposes of MI 61-101 for BN because no related party of BN will acquire BN, is party to a connected transaction or is entitled to receive a collateral benefit in connection with the Transaction. Each equity securityholder of BN is entitled to receive either: (a) consideration per equity security that is identical in amount and form to the entitlement of the general body of holders in Canada; or (b) consideration for securities of a class of equity securities of BN that is not greater than the entitlement of the general body of holders in Canada of every other class of equity securities of BN in relation to the voting and financial participating interests represented by the respective securities.

The Transaction does not constitute a “related party transaction” for the purposes of MI 61-101 because BN and BWS are not related parties and other transactions between BN and BWS and their respective subsidiaries are exempt from the requirements of MI 61-101 applicable to related party transactions either as “downstream transactions” (as defined in MI 61-101) or as transactions among wholly-owned subsidiaries of a reporting issuer.

As a result of the foregoing, BN and BWS are not required to obtain minority approval or a formal valuation under MI 61-101 in connection with the Transaction.

Restricted Securities

As a reporting issuer in all of the provinces and territories of Canada, New BN will be, among other things, subject to the securities laws of the provinces and territories of Canada, including OSC Rule 56-501 and NI 41-101.

OSC Rule 56-501 regulates the creation and distribution of “restricted shares” by reporting issuers governed by Ontario securities law. The definition of “restricted shares” includes equity shares to which are attached voting rights exercisable in all circumstances, irrespective of the number or percentage of shares owned, that are less, on a per share basis, than the voting rights attaching to any other shares of an outstanding class of shares of the issuer.

OSC Rule 56-501 provides, among other things, that the prospectus exemptions under Ontario securities law are not available in respect of a “stock distribution” (as defined in OSC Rule 56-501), unless either: (i) the “stock distribution”

or (ii) the “reorganization” (as defined in OSC Rule 56-501) that resulted in the creation of the “restricted shares”, received “minority approval” in addition to any other required securityholder approval. OSC Rule 56-501 provides an exemption from the foregoing requirements to obtain minority approval if the stock distribution is of securities of an issuer that was a private company immediately before the completion of the stock distribution or it is a subsequent distribution by such an issuer of securities of the same class.

In connection with the Transaction, Class A Shares, which will be “restricted shares” within the meaning of OSC Rule 56-501, are being created and distributed. The distribution of Class A Shares will be exempt from the minority approval requirements of OSC Rule 56-501 because New BN will be a private company immediately prior to the Transaction.

NI 41-101 provides that an issuer must not file a prospectus under which “restricted securities” (as defined in NI 41-101) or securities that are, directly or indirectly, convertible into, or exercisable or exchangeable for, restricted securities, are distributed unless either: (i) the distribution has received majority approval of the securityholders excluding any votes attaching to securities held by affiliates or control persons of the issuer, or (ii) the “restricted security reorganization” (as defined in NI 41-101) related to the securities to be distributed received prior majority approval of the securityholders excluding any votes attaching to securities held by affiliates or control persons of the issuer.

Following the completion of the Transaction, Class A Shares will be “restricted securities” within the meaning of NI 41-101. New BN has applied for and obtained exemptive relief from future securityholder approval requirements in connection with prospectus distributions of Class A Shares or securities that are, directly or indirectly, convertible into, or exercisable or exchangeable for, Class A Shares, pursuant to NI 41-101, to the extent applicable in the future. The exemptive relief order will allow New BN to file a prospectus in respect of Class A Shares or securities that are, directly or indirectly, convertible into, or exercisable or exchangeable for Class A Shares without requiring further approval by New BN shareholders. The exemptive relief is conditional on, among other things, the BN Resolutions and the BWS Resolutions having been approved by, on a combined basis, a majority of the votes cast by BN Class A Shareholders and BWS Class A Shareholders other than affiliates and control persons of BN and BWS.

Accordingly, (i) in respect of BN, voting in favor of the BN Resolutions will constitute voting in favor of New BN’s ability to conduct future issuances of Class A Shares or securities that are, directly or indirectly, convertible into, or exercisable or exchangeable for, Class A Shares pursuant to a prospectus, and (ii) in respect of BWS, voting in favor of the BWS Resolutions will constitute voting in favor of New BN’s ability to conduct future issuances of Class A Shares or securities that are, directly or indirectly, convertible into, or exercisable or exchangeable for, Class A Shares pursuant to a prospectus, in each case, without requiring further approval by New BN shareholders in accordance with NI 41-101.

As of the Record Date, a total of 24,867,374 BN Class A Shares and 21,191,111 BWS Class A Shares will be excluded for purposes of calculating the securityholder approval threshold described above.

The exemptive relief order will also allow New BN to refer to the Class A Shares, Class B Shares and Class E Share without using the prescribed restricted security terms, subject to certain conditions in the exemptive relief order.

Completion of the Transaction is not conditional on satisfaction of the conditions set forth in the exemptive relief order, but without reliance on such relief, future approval of New BN shareholders might be required in order for New BN to be permitted to undertake future issuances of Class A Shares. A copy of the exemptive relief order issued by the OSC is available at www.osc.ca.

Qualification and Resale of Securities

The Class A Shares and Class B Shares to be issued in connection with the Transaction will be issued in reliance on an exemption from the prospectus requirements of securities legislation in each province and territory of Canada. Subject to disclosure and regulatory requirements and to customary restrictions applicable to distributions of shares that constitute “control distributions”, the shares issued pursuant to the Transaction may be resold in each province

and territory in Canada, subject in certain circumstances to the usual conditions that no unusual effort, or no effort, has been made to prepare the market or create demand.

United States Securities Law Matters

The following discussion is only a general overview of certain requirements of U.S. Securities Laws that may be applicable to securityholders in connection with the Transaction. Further information applicable to U.S. shareholders is disclosed under the heading “Notice to Securityholders in the United States”. **All holders of such securities are urged to obtain legal advice to ensure that the resale of such securities complies with applicable U.S. Securities Laws.**

The following discussion does not address the Canadian securities legislation that will apply to the issuance of Class A Shares, Exchangeable Shares, or the resale of these securities by U.S. shareholders within Canada. U.S. shareholders reselling their Class A Shares and Exchangeable Shares in Canada must comply with Canadian securities laws. See “—Canadian Securities Law Matters” above.

Exemption Relied Upon from the Registration Requirements of the U.S. Securities Act

The 3(a)(10) Securities to be issued pursuant to the Transaction have not been and will not be registered under the U.S. Securities Act and will be issued in reliance on the exemption afforded by Section 3(a)(10) of the U.S. Securities Act and in compliance with the U.S. Securities Laws of each state of the United States in which the holders reside.

Section 3(a)(10) of the U.S. Securities Act exempts from the registration requirements under the U.S. Securities Act the issuance of securities which have been approved by a court of competent jurisdiction, after a hearing upon the substantive and procedural fairness of the terms and conditions of the relevant transaction and at which all persons to whom it is proposed the securities will be issued shall have the right to appear. The Court issued the Interim Order on May 29, 2026 and, subject to the approval of the BN Resolutions, the New BN Share Option Plan Resolution, the New BN Escrowed Stock Plan Resolution, the New BNC Escrowed Stock Plan Resolution and the New BNC Share Option Plan Resolution by the BN Shareholders and the BWS Resolutions, the New BN Share Option Plan Resolution, the New BN Escrowed Stock Plan Resolution, the New BNC Escrowed Stock Plan Resolution and the New BNC Share Option Plan Resolution by the BWS Shareholders, a hearing for a final order approving the Arrangement is expected to take place on or about July 21, 2026 at the Court at 330 University Avenue, Toronto, Ontario, M5G 1R7 or as soon thereafter as is reasonably practicable. All BN Shareholders are entitled to appear and be heard at this hearing, provided that they satisfy the applicable conditions set forth in the Interim Order. See “—Court Approval” above.

Registration of Class A Shares Issued Upon Exchange of the Exchangeable Shares

The Class A Shares to be issued upon exchange of the Exchangeable Shares are not covered by the Section 3(a)(10) exemption from registration referenced above and are subject to the registration requirements of the U.S. Securities Act. Pursuant to the Transaction Agreement, New BN has agreed, among other things, to use its commercially reasonable efforts to: (i) file a U.S. Registration Statement, on an appropriate form, under the U.S. Securities Act to register any and all of the Class A Shares transferred or delivered to holders of the Exchangeable Shares by New BNC or any New BN Designee; (ii) cause the U.S. Registration Statement to become effective as soon as reasonably practicable after the initial filing thereof with the SEC; and (iii) following such effectiveness, cause the U.S. Registration Statement (or a successor registration statement) to remain effective and a U.S. Prospectus to remain available at all times that any Exchangeable Shares remain outstanding. Notwithstanding the foregoing, the Exchangeable Share Provisions provide that (a) none of New BN, New BNC or any New BN Designee shall be required to issue or deliver any Class A Shares to a holder of Exchangeable Shares registered in the name of or beneficially held by a U.S. Holder unless the U.S. Registration Statement is effective and a U.S. Prospectus is available, and (b) unless the U.S. Registration Statement is effective and a U.S. Prospectus is available, any Class A Shares issued or delivered to a holder of Exchangeable Shares registered in the name of or beneficially held by any Person who is not a U.S. Holder in connection with a retraction, redemption, liquidation or exchange of the Exchangeable Shares during the 40-day distribution compliance period under Regulation S of the U.S. Securities Act following the date of such delivery, may not be resold over the NYSE or otherwise into the United States, and on exchange any Person who is not a U.S. Holder will be required to agree to this limitation on resale. For the avoidance

of doubt, a U.S. Holder is permitted to receive and sell the Exchangeable Shares on the TSX in reliance on Rule 904 of Regulation S under the U.S. Securities Act.

Resales of Class A Shares After the Effective Time

The 3(a)(10) Securities to be issued pursuant to the Transaction will be freely transferable under U.S. Securities Laws, except by persons who are “affiliates” of New BN after the Effective Time, or were “affiliates” of BN or BWS within ninety (90) days prior to the Effective Time. As defined in Rule 144 under the U.S. Securities Act, an “affiliate” of an issuer is a person that directly or indirectly through one or more intermediaries, controls, or is controlled by, or is under common control with, the issuer. Typically, persons who are executive officers, directors or 10% or greater shareholders of an issuer are considered to be its “affiliates”. Holders should consult with their own legal counsel regarding status as an “affiliate”.

Shareholders who are “affiliates” of New BN after the Effective Time or who were affiliates of BN or BWS within ninety (90) days prior to the Effective Time may not resell their 3(a)(10) Securities that they receive in connection with the Transaction in the absence of registration under the U.S. Securities Act, unless an exemption from registration is available, such as the exemptions contained in Rule 144 or Regulation S. For “affiliates”, Rule 144 imposes additional resale requirements, including volume limitations and manner of sale and notice requirements. Under Regulation S, resales by “affiliates” of New BN, otherwise than solely by virtue of their position as a director or officer, also may be subject to additional resale restrictions.

Additional Information

Following closing of the Transaction, New BN will be deemed to be a “successor issuer” to BN and BWS under the U.S. Exchange Act, and consequently, Class A Shares will be deemed to be registered pursuant to Section 12(b) of the U.S. Exchange Act and New BN will become subject to the reporting requirements of the U.S. Exchange Act. As a “foreign private issuer” under the U.S. Exchange Act, New BN will, upon consummation of the Transaction, be required to file and/or furnish to the SEC current and annual reports with the SEC. Such documents will be available electronically on EDGAR at www.sec.gov.

The solicitation of proxies hereby is not subject to the requirements of Section 14(a) of the U.S. Exchange Act, by virtue of an exemption applicable to proxy solicitations by a “foreign private issuer” under the U.S. Exchange Act. Accordingly, the solicitation of proxies is being made by or on behalf of BN and BWS in accordance with applicable corporate and securities laws, and this Transaction Supplement has been prepared in accordance with disclosure requirements applicable in Canada. Shareholders should be aware that requirements under such Canadian laws and such disclosure requirements may differ from requirements under United States corporate and securities laws relating to United States corporations.

Information concerning BN, BWS and New BN contained in this Transaction Supplement has been prepared in accordance with Canadian disclosure standards, which are not comparable in all respects to United States disclosure standards. Unless otherwise indicated, the financial statements and other financial information set forth herein have been prepared in accordance with IFRS Accounting Standards. IFRS Accounting Standards differ from United States generally accepted accounting principles, and the financial statements and financial information presented may not be comparable with financial statements and financial information of similar United States entities that file reports with the SEC.

Prospective investors should be aware that the Transaction described in this Transaction Supplement may have tax consequences both in Canada and in the United States which are not described fully herein. Shareholders are urged to consult their tax advisors regarding the U.S. federal and Canadian income tax consequences of the Transaction. See “Certain United States Federal Income Tax Considerations” and “Certain Canadian Federal Income Tax Considerations”.

Special dividends may also be declared from time to time to implement corporate strategic initiatives.

Share Capital

Following completion of the Transaction, New BN will be authorized to issue five (5) classes of shares: (i) Class A Shares; (ii) Class B Shares; (iii) one (1) Class E Share; (iv) class A senior preferred shares, issuable in series (the “**New BN Senior Preferred Shares**”); and (v) class A junior preferred shares, issuable in series (the “**New BN Junior Preferred Shares**”).

Upon completion of the Transaction, and based on the BN Class A Shares, BWS Class A Shares and BWS Class B Shares issued and outstanding as of the date of this Transaction Supplement, we anticipate that approximately 2.52 billion Class A Shares (including Class A Shares issuable upon exchange of the Exchangeable Shares), 36,000 Class B Shares and one (1) Class E Share will be issued and outstanding. The current BWS Class B Shareholder, BNT Partners Trust (which will be renamed “Brookfield Partners Trust” in connection with the Transaction), will hold 100% of the Class B Shares. The Trustee will hold the Class E Share.

See “The Transaction—Background to the Transaction” and “—Corporate Structure” above.

Description of Class A Shares and Class B Shares

The following description of Class A Shares and Class B Shares sets forth certain general terms and provisions of Class A Shares and Class B Shares. This description is in all respects subject to and qualified in its entirety by applicable law and the provisions of New BN’s bye-laws to be in effect on the Effective Date. For a comparison of rights of holders of Class A Shares, BN Class A Shareholders and BWS Class A Shareholders, please see “Comparison of Rights of Shareholders that Become Holders of Class A Shares”.

Dividend Rights and Rights Upon Dissolution or Winding Up

The Class A Shares rank on parity with the Class B Shares and rank after any senior preferred share or junior preferred share of New BN outstanding from time to time with respect to the payment of dividends (if, as and when declared by the New BN Board), distributions and reductions of share capital, and the return of capital on the liquidation, dissolution or winding up of New BN.

Voting Rights

Except as set out below under “— Election of Directors”, each holder of Class A Shares and Class B Shares is entitled to receive notice of, and to attend and vote at, all meetings of New BN’s shareholders (except meetings at which only

holders of another specified class or series of shares are entitled to vote) and shall be entitled to cast one (1) vote per share. In addition to any other required shareholder approvals, all matters to be approved by shareholders of New BN (other than the election of directors and except where the Bermuda Companies Act requires a separate class vote for a merger, amalgamation or variation of class rights) must be approved by: (i) a majority of the votes cast by holders of Class A Shares and the Class E Share, and (ii) a majority of the votes cast by holders of Class B Shares.

Election of Directors

Consistent with the current structure for the appointment of the BN Board, in the election of directors, so long as the Class A Shares and the Class B Shares are outstanding, (i) holders of Class A Shares, together with the holder of the Class E Share (having regard to the Voting Trust Agreement) are entitled to elect one-half of the board of directors of New BN and (ii) holders of Class B Shares are entitled to elect the other one-half of the board of directors of New BN. Holders of the Class A Shares and the Class E Share will vote on resolutions proposing the election of candidates designated as ‘Class A Candidates’ and holders of the Class B Shares will vote on resolutions proposing the election of the candidates designated as ‘Class B Candidates’.

Each holder of Class A Shares and Class B Shares has the right to cast the number of votes equal to the number of Class A Shares or Class B Shares, as applicable, held by the holder multiplied by the number of nominees the holder of Class A Shares or the holder of Class B Shares would be entitled to vote for in the election of directors. A holder of Class A Shares may cast all such votes in favor of one candidate or distribute such votes among the candidates he or she is entitled to vote for in any manner the holder of Class A Shares sees fit. A holder of Class B Shares may cast all such votes in favor of one candidate or distribute such votes among the candidates he or she is entitled to vote for in any manner the holder of Class B Shares sees fit. Where a holder of Class A Shares or Class B Shares has voted for more than one candidate without specifying the distribution of votes among such candidates that he or she is entitled to vote for, the holder of Class A Shares or holder of Class B Shares will be deemed to have divided the holder’s votes equally among the candidates for whom the holder of Class A Shares or holder of Class B Shares voted.

Choice of Forum

Pursuant to the bye-laws of New BN to be in effect on the Effective Date, unless New BN consents in writing to the selection of an alternative forum, the Supreme Court of Bermuda shall, to the fullest extent permitted by law, be the sole and exclusive forum for any dispute that arises concerning the Companies Acts or out of or in connection with the bye-laws of New BN to be in effect on the Effective Date, including any question regarding the existence and scope of the bye-laws of New BN to be in effect on the Effective Date and/or whether there has been any breach of the Companies Acts or the bye-laws of New BN to be in effect on the Effective Date by an officer or director (whether or not such a claim is brought in the name of a holder of Class A Shares, the Class E Share or Class B Shares (the “**Bermuda Forum Provision**”)). The Bermuda Forum Provision will not apply to any causes of action arising under the U.S. Securities Act or the U.S. Exchange Act. In addition, the bye-laws of New BN to be in effect on the Effective Date further provide that unless New BN consents in writing to the selection of an alternative forum, the federal district courts of the United States shall be the sole and exclusive forum for resolving any complaint asserting a cause of action arising under the U.S. Securities Act (the “**U.S. Federal Forum Provision**”). The bye-laws of New BN to be in effect on the Effective Date provide that any person or entity purchasing or otherwise acquiring any interest in any share or other security of New BN is deemed to have notice of and consented to the Bermuda Forum Provision and the U.S. Federal Forum Provision; provided, however, that shareholders cannot and will not be deemed to have waived compliance with the U.S. federal securities laws and the rules and regulations thereunder.

Other Provisions

Immediately following the completion of the Transaction, New BN, BNT Partners Trust (which will be renamed “**Brookfield Partners Trust**” in connection with the Transaction) and Computershare Trust Company of Canada will enter into an agreement relating to the Class B Shares (the “**2026 Trust Agreement**”). The 2026 Trust Agreement provides, among other things, that the BNT Partners Trust will not sell any Class B Shares, directly or indirectly, pursuant to a takeover bid at a price per share in excess of 115% of the market price of the Class A Shares or as part of a transaction involving purchases made from more than five persons or companies in the aggregate, unless a concurrent offer is made to all holders of Class A Shares. The 2026 Trust Agreement will also provide that the concurrent offer must be: (i) for the same percentage of Class A Shares as the percentage of Class B Shares offered to

be purchased from the BNT Partners Trust; (ii) at a price per share at least as high as the highest price per share paid pursuant to the takeover bid for the Class B Shares; and (iii) on the same terms in all material respects as the offer for the Class B Shares.

These provisions in the 2026 Trust Agreement will also apply to any transaction that would be deemed an indirect offer for the Class B Shares under applicable takeover bid legislation in Canada. Additionally, BNT Partners Trust will agree to prevent any person or company from carrying out a direct or indirect sale of Class B Shares in contravention of the 2026 Trust Agreement.

Description of Class E Share

The following description of the Class E Share sets forth certain general terms and provisions of the Class E Share. This description is in all respects subject to and qualified in its entirety by applicable law and the provisions of New BN's bye-laws to be in effect on the Effective Date.

The Class E Share has been created to allow holders of Exchangeable Shares to exercise voting rights with respect to New BN. Pursuant to the Voting Trust Agreement, New BN will issue to and deposit with the Trustee one Class E Share to be held of record by the Trustee as trustee for and on behalf of, and for the use and benefit of, the holders of the Exchangeable Shares. The holder of the Class E Share will be entitled to receive notice of, and to attend and vote at, all general meetings of New BN at which holders of Class A Shares are entitled to vote. With respect to all meetings of shareholders of New BN at which holders of Class A Shares are entitled to vote, each holder of Exchangeable Shares shall be entitled to instruct the Trustee to cast, and the Trustee shall be obligated to cast, a number of votes equal to the product of (a) the number of outstanding Exchangeable Shares held by such holder as at the record date for the relevant meeting and (b) the Exchange Ratio in effect at that time, as set forth in the Exchangeable Share Provisions. The Trustee will exercise the voting rights attached to the Class E Share only as directed by the holders of the Exchangeable Shares and, in the absence of any instructions, will not exercise or permit the exercise of such voting rights.

In addition to any other required shareholder approvals, all matters to be approved by the holder of the Class E Share (other than the election of directors) must be approved by a majority of the votes cast by holders of Class A Shares and the Class E Share, except where the Bermuda Companies Act requires a separate class vote for a merger, amalgamation or variation of class rights.

With respect to the election of directors, holders of Exchangeable Shares who provide voting instructions to the Trustee shall be entitled to direct the Trustee to cast votes for nominees for election to the board of directors of New BN who the holders of Class A Shares and the Class E Share are entitled to vote for. The Trustee has the right to cast the number of votes equal to the product of (a) the number of outstanding Exchangeable Shares for which the Trustee has received voting instructions from the holders of Exchangeable Shares as of the record date and (b) the Exchange Ratio in effect at that time, as set forth in the Exchangeable Share Provisions, multiplied by the number of nominees for whom the Trustee would be entitled to vote for in the election of directors. Where the holder of the Class E Share has voted for more than one candidate without specifying the distribution of votes among such candidates that it is entitled to vote for, the holder of the Class E Share will be deemed to have divided its votes equally among the candidates for whom the holder of the Class E Share voted.

The holder of the Class E Share is not entitled to receive any dividends or other distributions or to participate in any distribution of assets in the event of the liquidation, dissolution or winding-up of New BN. At such time as no Exchangeable Shares (other than Exchangeable Shares owned by New BN and its subsidiaries) are outstanding, New BN may, at its option, redeem and cancel the Class E Share for an amount equal to \$1.00. See "Information Concerning New BNC— Voting Trust Agreement".

Prior Sales

Upon formation of New BN, BWS subscribed for one hundred (100) class A common shares of New BN for an aggregate subscription price of \$100. New BN is not expected to issue any other securities prior to the Effective Date.

As part of the Transaction, the one hundred (100) class A common shares of New BN held by BWS will be redesignated into Class A Shares.

Listing and Trading of Class A Shares

The Class A Shares will be listed and posted for trading on the NYSE and TSX in connection with the completion of the Transaction and will trade under the symbol “BN”.

There is currently no public trading market for Class A Shares. Listing on the NYSE is subject to New BN fulfilling all of the requirements of the NYSE, and listing on the TSX is subject to New BN fulfilling all of the requirements of the TSX on or before the first trading day of Class A Shares.

Principal Securityholders

For over 50 years, the partners of Brookfield (the “**Partnership**” or “**Partners**”) have owned a substantial portion of their investments in Brookfield in partnership with one another. Today, this includes significant ownership of the BN Class A Shares and the shares of BAM and BWS. This ownership framework among the Partners has been an important underpinning of Brookfield’s culture and instrumental to the governance of Brookfield, enabling an uncompromising focus on long-term value creation for all stakeholders.

The Partners include both current and former senior executives and directors of Brookfield. We believe that the Partnership promotes decision-making that is entrepreneurial, collaborative and aligned with the long-term interests of Brookfield. The financial strength and sustainability of the Partnership is characterized by a consistent focus on renewal—longstanding members mentoring new generations of leaders and financially supporting their admission as Partners. We believe this is a critical component to preserving our long-term culture and vision. The Partnership remains resolutely focused on the long-term success of Brookfield for the benefit of all stakeholders, through all economic conditions.

The economic interests of the Partners in Brookfield securities consist primarily of (i) direct ownership of shares, as well as indirect ownership (such as shares that are held through holding companies and by foundations) by the Partners on an individual basis; and (ii) the Partners’ proportionate beneficial interests in shares held by Partners Value Investments L.P. (“**PVI**”). PVI is a listed investment partnership whose principal business activity is owning equity interests in Brookfield for the long-term. As at May 28, 2026, the Partners owned over 90% of PVI’s equity units. PVI owns approximately 181 million BN Class A Shares and 12 million BWS Class A Shares (each on a fully diluted basis).

Upon completion of the Transaction, it is expected that the Partners will beneficially own, in the aggregate, approximately 20% of the Class A Shares and Exchangeable Shares.

In order to foster within New BN the same benefits of long-term stability and continuity as BN has benefited from, 100% of the Class B Shares will be held through the current BWS Class B Shareholder, BNT Partners Trust (which will be renamed “Brookfield Partners Trust” in connection with the Transaction). The beneficial interests in BNT Partners Trust, and the voting interests in its trustee, are held as follows: Bruce Flatt (41%), Barry Blattman, Brian Kingston and Sachin Shah (27%) in equal parts, and Anuj Ranjan, Connor Teskey, Cyrus Madon and Bill Powell (32%) in equal parts. As such, no single individual or entity controls BNT Partners Trust. In the event of a fundamental disagreement among the shareholders of the trustee (and until the disagreement is resolved), three individuals have been granted the authority to govern and direct the actions of BNT Partners Trust. These individuals are, and their successors are required to be, longstanding and respected business colleagues associated with Brookfield. The individuals, at the current time, none of whom is a Partners, are Marcel R. Coutu, Frank J. McKenna and Lord O’Donnell.

Executive Compensation

New BN has not yet paid any compensation to any of its executive officers or any person expected to become an executive officer of New BN. The form and amount of the compensation to be paid to each of New BN's executive officers in any future period will be determined in a manner consistent with that of BN.

For a discussion of executive compensation matters as they will relate to New BN upon completion of the Transaction, see "Compensation Discussion and Analysis" in the BN Circular.

Board Committees

Following completion of the Transaction, New BN will have the following two standing committees of the New BN Board, which will assist in the effective functioning of the New BN Board and help ensure that the views of independent directors are effectively represented:

- audit committee; and
- governance, nominating and compensation committee.

The responsibilities of these committees will be set out in written charters, which will be reviewed and approved annually by the New BN Board. It will be the New BN Board's policy that all committees must consist entirely of independent directors. Special committees may be formed from time to time as required to review particular matters or transactions.

While the New BN Board will retain overall responsibility for corporate governance matters, each standing committee will have specific responsibilities for certain aspects of corporate governance in addition to its other responsibilities, as described below.

Audit Committee

Following completion of the Arrangement, the New BN Board will be required to establish and maintain at all times an audit committee (the "**New BN Audit Committee**") that operates pursuant to a written charter. The New BN Audit Committee will be responsible for monitoring New BN's systems and procedures for financial reporting and associated internal controls, and the performance of New BN's external and internal auditors. It will be responsible for reviewing certain public disclosure documents before their approval by the full New BN Board and release to the public, such as New BN's quarterly and annual financial statements and management's discussion and analysis. The New BN Audit Committee will also be responsible for recommending the independent registered public accounting firm to be nominated for appointment as the external auditor, and for approving the assignment of any non-audit work to be performed by the external auditor, subject to the New BN Audit Committee's Audit Policy. The New BN Audit Committee will meet regularly in private sessions with New BN's external auditor and internal auditors, without management present, to discuss and review specific issues as appropriate.

In addition to being independent directors as described above, all members of the New BN Audit Committee will be required to meet an additional "independence" test under Canadian securities laws and the Sarbanes-Oxley Act, in that their directors' fees must be and are the only compensation they receive, directly or indirectly, from New BN. Further, the New BN Audit Committee will require that all its members disclose any form of association with a present or former internal or external auditor of New BN to the New BN Board for a determination as to whether this association affects the independent status of the director.

Each of the members of the New BN Audit Committee will be persons determined by New BN to be financially literate within the meaning of National Instrument 52-110 – *Audit Committees*. Each of the members of the New BN Audit Committee will have the ability to read and understand a set of financial statements that present a breadth and level of complexity of accounting issues that are generally comparable to the breadth and complexity of the issues that can reasonably be expected to be raised by New BN's financial statements. Further, the New BN Audit Committee requires that all its members disclose any form of association with a present or former internal or external auditor of

New BN to the New BN Board for a determination as to whether this association affects the independent status of the director.

Governance, Nominating and Compensation Committee

Following completion of the Transaction, the New BN Board will be required to establish and maintain at all times a governance, nominating and compensation committee (the “**New BN GNCC**”) that operates pursuant to a written charter. As described above, the New BN GNCC will be required to consist of solely independent directors.

The New BN GNCC, in consultation with the chair of the New BN Board, will be responsible for assessing from time to time the size and composition of the New BN Board and its committees; to review the effectiveness of the New BN Board’s operations and its relations with management; to assess the performance of the New BN Board, its committees and individual directors; to review New BN’s statement of corporate governance practices; and to review and recommend the directors’ compensation.

The New BN Board will have in place a formal procedure for evaluating the performance of the New BN Board, its committees and individual directors – the New BN GNCC will review the performance of the New BN Board, its committees and the contribution of individual directors on an annual basis.

The New BN GNCC will also be responsible for reviewing the credentials of proposed nominees for election or appointment to the New BN Board and for recommending candidates for New BN Board membership, including the candidates proposed to be nominated for election to the New BN Board at the annual meeting of shareholders. To do this, the New BN GNCC will maintain an “evergreen” list of candidates to ensure outstanding candidates with needed skills can be quickly identified to fill planned or unplanned vacancies. Candidates will be assessed in relation to the criteria established by the New BN Board to ensure that the New BN Board has the appropriate mix of talent, quality, skills, diversity, perspectives and other requirements necessary to promote sound governance and New BN Board effectiveness. The New BN GNCC will also be responsible for overseeing New BN’s approach to sustainability matters, which includes a review of their sustainability initiatives and any material disclosures regarding sustainability matters.

The New BN GNCC will review, at least once a year, the composition of the committees to ensure that committee membership complies with the relevant governance guidelines, that the workload for independent directors is balanced, and that committee positions are rotated as appropriate. In doing so, the New BN GNCC will consult with the chair of the New BN Board and make recommendations to the New BN Board, which appoints committee members.

The New BN GNCC will also be responsible for reviewing and reporting to the New BN Board on management resource matters for New BN, including ensuring a diverse pool for succession planning, the job descriptions and annual objectives of senior executives, the form of executive compensation in general, including an assessment of the risks associated with the compensation plans and the levels of compensation of the CEO and other senior executives. The compensation of New BN’s CEO will be set by the New BN GNCC. The New BN GNCC will also review the performance of senior management against written objectives and reports thereon. In addition, the New BN GNCC will be responsible for reviewing any allegations of workplace misconduct claims that are brought to the New BN GNCC’s attention through New BN’s ethics hotline, a referral from New BN’s human resources department, or otherwise.

In reviewing New BN’s compensation policies and practices each year, the New BN GNCC will seek to ensure the executive compensation program provides an appropriate balance of risk and reward consistent with New BN’s risk profile. The New BN GNCC will also seek to ensure New BN’s compensation practices do not encourage excessive risk-taking behavior by the senior management team. The participation in long-term incentive plans is intended to discourage executives from taking excessive risks in order to achieve short-term unsustainable performance.

All members of the New BN GNCC will meet the standard director independence test in that they will have no relationship which could, in the view of the New BN Board, be reasonably expected to interfere with the exercise of their independent judgment. The New BN Board will adopt a heightened test of independence for all members of the

New BN GNCC, which will entail that the New BN Board will have determined that no New BN GNCC member has a relationship with senior management that would impair the member's ability to make independent judgments about New BN's executive compensation. This additional independence test will comply with the test in the listing standards of the NYSE. Additionally, the New BN GNCC will evaluate the independence of any advisor it retains in order to comply with the aforementioned NYSE listing standards.

In addition, on an annual basis, the New BN GNCC will review and recommend for approval to the New BN Board, a number of New BN's conduct guidelines and corporate policies, including a code of business conduct and ethics and guidelines which will apply to New BN's directors, officers and employees as well as New BN's investment and capital markets activities, including the thresholds and other criteria governing when such activities can be approved by management and when New BN Board approval is required.

Auditors, Transfer Agent and Registrar

Deloitte LLP is the auditor of New BN.

The transfer agent and registrar for Class A Shares will be TSX Trust Company, at its principal office in Toronto, Ontario, Canada (the "**Transfer Agent**") and Equiniti Trust Company, LLC will be appointed to act as co-transfer agent and co-registrar for the purpose of registering Class A Shares and transfers of Class A Shares.

INFORMATION CONCERNING NEW BNC

New BNC will be a corporation incorporated under the OBCA prior to completion of the Transaction. New BNC will be an indirect subsidiary of New BN. Following completion of the Arrangement, it is expected that New BNC will own all of the issued and outstanding BN Class A Shares. The registered and head office of New BNC will be located at Brookfield Place, 181 Bay Street, Suite 100, Toronto, Ontario, M5J 2T3.

Board of Directors

After completion of the Transaction, the board of directors of New BNC is expected to be 50% independent, and a majority of the members are expected to be existing members of the BN Board.

Share Capital

Following completion of the Transaction, New BNC will be authorized to issue, among other classes, three classes of shares: (i) an unlimited number of Exchangeable Shares, which are exchangeable at any time for Class A Shares and carry a distribution entitlement that is identical to the Class A Shares; (ii) an unlimited number of New BNC Common Shares; and (iii) an unlimited number of New BNC Junior Preferred Shares.

Description of Exchangeable Shares

The Exchangeable Shares will be issued by New BNC and will carry, as nearly as reasonably practicable, equivalent economic entitlements to those of the Class A Shares for which they are exchangeable. There are possible disadvantages or risks of holding Exchangeable Shares. See “Risk Factors—Risks Relating to the Class A Shares and the Exchangeable Shares”.

The board of directors of New BNC is required to determine, in good faith and in its sole discretion (with the assistance of such financial or other advisors as the board of directors of New BNC may determine), “economic equivalence” for the purposes of the Exchangeable Shares Provisions and each such determination will be conclusive and binding on New BNC and its shareholders. In making each such determination, the board of directors of New BNC shall consider a number of factors as set out in the Exchangeable Share Provisions.

Eligible Canadian Holders may wish to elect to receive Exchangeable Shares rather than Class A Shares, as full or partial consideration for their BN Class A Shares, in order to take advantage of a full or partial tax deferral available under the Tax Act. The Canadian tax consequences of receiving or holding Exchangeable Shares may differ significantly from the Canadian tax consequences of receiving or holding Class A Shares depending upon the particular circumstances of an Eligible Canadian Holder. Careful consideration should be given by Eligible Canadian Holders to the tax consequences in determining whether or not an election should be made to receive Exchangeable Shares. See “Certain Canadian Federal Income Tax Considerations”.

The following summary is a description of certain material provisions of the Exchangeable Share Provisions, is not comprehensive and is qualified in its entirety by reference to the complete text thereof which is attached as Schedule A to the Plan of Arrangement attached as Schedule A to the Transaction Agreement, which is attached as Appendix H hereto.

Ranking

The Exchangeable Shares shall be entitled to a preference over the New BNC Common Shares, the junior redeemable preferred shares and any other shares ranking junior to the Exchangeable Shares (collectively, the “**New BNC Junior Shares**”) with respect to (i) the payment of dividends or other distributions, and (ii) the distribution of assets in the event of the liquidation, dissolution or winding-up of New BNC, whether voluntary or involuntary, or any other distribution of the assets of New BNC among its shareholders for the purpose of winding up its affairs.

Dividends and Other Distributions

Holders of Exchangeable Shares will be entitled to receive economically equivalent dividends or other distributions on the Exchangeable Shares at the same time and in the same amount (but not necessarily in the same legal form) as the dividends or other distributions paid on each Class A Share. The board of directors of New BNC shall, subject to applicable law, as and when amounts are declared by the New BN Board on the Class A Shares, declare a dividend or other distribution on each Exchangeable Share:

- (a) in the case of a cash dividend, return of capital or other cash distribution declared on or in respect of the Class A Shares, in an amount in cash for each Exchangeable Share equal to the product of (A) the Exchange Ratio in effect on the applicable Record Date (as defined in the Exchangeable Share Provisions), multiplied by (B) the cash dividend, return of capital or other cash distribution declared on or in respect of each Class A Share;
- (b) in the case of a stock or share dividend or other distribution declared on or in respect of the Class A Shares to be paid or otherwise satisfied in Class A Shares, or in the case of a split or subdivision of the Class A Shares to be paid or otherwise satisfied, by the issue by New BNC of such number of Exchangeable Shares for each Exchangeable Share as is equal to the product of (A) the Exchange Ratio in effect on the applicable Record Date (as defined in the Exchangeable Share Provisions) (or, in the case of a split or subdivision, on the effective date of such split or subdivision), multiplied by (B) the number of Class A Shares to be paid on each Class A Share (or, in the case of a split or subdivision, the number of Class A Shares resulting from such split or subdivision for each Class A Share held immediately prior thereto); or
- (c) in the case of a dividend or other distribution declared on or in respect of the Class A Shares to be paid or otherwise satisfied in property other than cash or Class A Shares, in such type and amount of property for each Exchangeable Share as is the same as or economically equivalent to (as determined by the board of directors of New BNC in good faith, whose determination shall be conclusive and binding) the type and amount of property declared as a dividend or other distribution or return of capital, on or in respect of each Class A Share, multiplied by the Exchange Ratio in effect on the applicable Record Date (as defined in the Exchangeable Share Provisions).

Such dividends or other distributions shall be paid out of money, assets or property of New BNC properly applicable to the payment of dividends or other distributions (less any amount withheld pursuant to the Exchangeable Share Provisions), out of authorized but unissued shares of New BNC, or through the subdivision of outstanding Exchangeable Shares, as applicable. The holders of Exchangeable Shares shall not be entitled to any dividends or other distributions other than or in excess of the foregoing and the legal form of any distribution (whether as a dividend or other distribution) shall be determined at the discretion of the board of directors of New BNC and such legal form may differ from the legal form of the corresponding distribution declared on the Class A Shares. For greater certainty, such dividends or other distributions paid on the Exchangeable Shares are not required to take the same legal form as the corresponding dividends, other distributions or returns of capital paid on the Class A Shares.

The record date for the determination of the holders of Exchangeable Shares entitled to receive payment of, and the payment date for, any dividend or other distribution declared on the Exchangeable Shares will be the same dates as the record date and payment date, respectively, for the corresponding stock or share dividend or other distribution or return of capital declared on the Class A Shares, each as set and approved by the New BN Board and the board of directors of New BNC, as applicable.

If on any payment date for any dividends or other distributions declared on the Exchangeable Shares, the dividends or other distributions are not paid in full on all of the Exchangeable Shares then outstanding, any such dividends or other distributions that remain unpaid will be paid on a subsequent date or dates determined by the board of directors of New BNC on which New BNC shall have sufficient monies, assets or property properly applicable to the payment of such dividends or other distributions.

If the full amount of a dividend or other distribution to which the holders of Exchangeable Shares are entitled is not declared by the board of directors of New BNC, or is declared but is not paid on the applicable payment date, then

such dividend or other distribution shall accrue and accumulate, whether or not New BNC has earnings, whether or not there are funds legally available for the payment thereof and whether or not such dividends or other distributions are earned, declared or authorized (such amounts, the “**Unpaid Dividends**”). Any dividend or other distribution payment made on the Exchangeable Shares shall first be credited against the earliest Unpaid Dividends due with respect to such Exchangeable Shares which remains payable. For greater certainty, upon payment of the Exchangeable Share Consideration to a holder, such holder shall cease to have any entitlement to receive directly from New BNC or New BN, as applicable, any dividend or other distribution included in the calculation of Unpaid Dividends.

Exchange Ratio Adjustments

The “**Exchange Ratio**” shall be equal to 1.0000 at the time of initial issuance of the Exchangeable Shares and shall be subject to adjustment from time to time in accordance with the Exchangeable Share Provisions to reflect certain capital events, including (i) if New BN declares or pays a dividend on its outstanding Class A Shares wholly or partly in Class A Shares, or if New BNC declares or pays a distribution to holders of Exchangeable Shares consisting wholly or partly of Exchangeable Shares, in each case, without a corresponding dividend or distribution, as applicable, being paid by the other entity; (ii) if New BN splits, subdivides, reverse-splits or combines its outstanding Class A Shares, or if New BNC effects a corresponding change in its outstanding Exchangeable Shares, as applicable, without a corresponding event occurring at the other entity; (iii) if New BN distributes any rights, options or warrants to all or substantially all holders of Class A Shares to convert into, exchange for or subscribe for or to purchase or to otherwise acquire Class A Shares (or other securities convertible into, exchangeable for or exercisable for Class A Shares), without a corresponding distribution of comparable rights, options or warrants by New BNC, or if New BNC distributes any rights, options or warrants to all or substantially all holders of Exchangeable Shares to convert into, exchange for or subscribe for or to purchase or to otherwise acquire Exchangeable Shares (or other securities convertible into, exchangeable for or exercisable for Exchangeable Shares) at a price per share that is less than the average market price of the Exchangeable Shares for the applicable period, without a corresponding distribution of comparable rights, options or warrants by New BN; (iv) if New BN distributes to all or substantially all holders of Class A Shares evidences of its indebtedness or assets (including securities), or rights, options or warrants to convert into, exchange for or subscribe for or to purchase or to otherwise acquire such securities, but excluding all distributions where a comparable distribution (or the cash equivalent) is made by New BNC; (v) if New BN effects a Spin-Off, unless a corresponding distribution or equivalent compensation is made by New BNC in respect of the Exchangeable Shares; or (vi) if New BN or one of its subsidiaries makes a payment in respect of a tender or exchange offer for the Class A Shares (but excluding for all purposes any tender or exchange offer to exchange Class A Shares for Exchangeable Shares or any other security economically equivalent to Class A Shares), to the extent that the cash and value of any other consideration included in the payment per Class A Share exceeds certain thresholds. If any other event occurs that would otherwise result in dilution or a change in the economic equivalence between the Exchangeable Shares and the Class A Shares, the Exchange Ratio shall be adjusted in such manner as the board of directors of New BNC and the New BN Board mutually determine in good faith to be appropriate to maintain such economic equivalence. Any adjustment to the Exchange Ratio shall be calculated up to four decimal places. Within ten (10) Business Days of the effectiveness of any adjustment or readjustment of the Exchange Ratio, New BNC shall make a public announcement of such adjustment or readjustment.

Certain Restrictions

So long as any of the Exchangeable Shares are outstanding, New BNC shall not at any time without, but may at any time with, the approval of the holders of the Exchangeable Shares:

- (a) pay any dividends or other distributions on the New BNC Junior Shares, other than stock or share dividends payable in New BNC Junior Shares;
- (b) redeem or purchase or make any capital distribution in respect of any New BNC Junior Shares with respect to the payment of dividends or the distribution of assets in the event of the liquidation, dissolution or winding-up of New BNC, whether voluntary or involuntary, or any other distribution of the assets of New BNC among its shareholders for the purpose of winding up its affairs;
- (c) redeem or purchase or make any capital distribution in respect of any other shares of New BNC ranking equally with the Exchangeable Shares with respect to the payment of dividends or the

distribution of assets in the event of the liquidation, dissolution or winding-up of New BNC, whether voluntary or involuntary, or any other distribution of the assets of New BNC among its shareholders for the purpose of winding up its affairs; or

- (d) issue any Exchangeable Shares or any other shares of New BNC ranking equally with, or superior to, the Exchangeable Shares, other than, in each case, by way of stock or share dividend to the holders of such Exchangeable Shares or pursuant to a shareholders rights plan adopted by New BNC.

The restrictions listed in (a), (b), (c) and (d) above shall not apply if all dividends or other distributions on the outstanding Exchangeable Shares corresponding to dividends, returns of capital or other distributions declared and paid on the Class A Shares shall have been declared and paid in full on the Exchangeable Shares prior to or as at the date of any such event referred to in (a), (b), (c) and (d) above.

Distribution on Liquidation

Subject to applicable laws and the due exercise by New BN or any New BN Designee of the Retraction Call Right, in the event of the liquidation, dissolution or winding-up of New BNC or any other distribution of the assets of New BNC among its shareholders for the purpose of winding up its affairs (a “**New BNC Company Liquidation Event**”), a holder of Exchangeable Shares shall be entitled to receive from the assets of New BNC in respect of each Exchangeable Share held by such holder on the effective date of such New BNC Company Liquidation Event (the “**Liquidation Date**”), before any distribution of any part of the assets of New BNC among the holders of New BNC Junior Shares, an amount per share (the “**Liquidation Entitlement**”) equal to the amount a holder of such Exchangeable Share would have received from New BN had such holder exercised its Retraction Right and New BN was then subject to a New BN Liquidation Event, which price shall be satisfied in full by New BNC delivering or causing to be delivered to such holder the Exchangeable Share Consideration representing the Liquidation Entitlement.

Notwithstanding the foregoing, upon the occurrence of a New BNC Company Liquidation Event, each holder of Exchangeable Shares shall, subject to applicable law and the due exercise by New BN or any New BN Designee of the Retraction Call Right, be deemed without any further action on the part of such holder to have delivered a Retraction Request and to have exercised its Retraction Right with respect to all Exchangeable Shares held by such holder immediately prior to the Liquidation Date, and the provisions relating to retraction of Exchangeable Shares (including, for greater certainty, the Retraction Call Right) shall apply *mutatis mutandis* to such deemed Retraction Request and deemed exercise of the Retraction Right. After New BNC, New BN or any New BN Designee, as applicable, has satisfied its obligations to pay the holders of the Exchangeable Shares the aggregate Retraction Price or Retraction Call Right Purchase Price, as applicable, such holders shall not be entitled to share in any further distribution of the assets of New BNC.

In the event of the liquidation, dissolution or winding-up of New BN or any other distribution of the assets of New BN among its shareholders for the purpose of winding-up its affairs, whether voluntary or involuntary (a “**New BN Liquidation Event**”), immediately prior to such New BN Liquidation Event, each holder of the then outstanding Exchangeable Shares shall, subject to applicable law and the due exercise by New BN or any New BN Designee of the Retraction Call Right, be deemed without any further action on the part of such holder to have delivered a Retraction Request and to have exercised its Retraction Right with respect to all Exchangeable Shares held by such holder for the Exchangeable Share Price immediately prior to the effective date of such New BN Liquidation Event, and the provisions relating to retraction of Exchangeable Shares (including, for greater certainty, the Retraction Call Right) shall apply *mutatis mutandis* to such deemed Retraction Request and deemed exercise of the Retraction Right.

Retraction of Exchangeable Shares and Associated Call Right

Subject to applicable laws and the due exercise by New BN or any New BN Designee of the Retraction Call Right (as defined below), a holder of Exchangeable Shares shall be entitled (the “**Retraction Right**”) at any time to require New BNC to redeem any or all Exchangeable Shares registered in the name of such holder for an amount per share equal to the Exchangeable Share Price applicable on the last Business Day prior to the Retraction Date (as defined below) (the “**Retraction Price**”), which price shall be satisfied in full by New BNC delivering or causing to be delivered to such holder the Exchangeable Share Consideration representing the Retraction Price.

A holder of Exchangeable Shares must give notice of a request to redeem by presenting and surrendering to New BNC or the Transfer Agent the certificate(s) representing the Exchangeable Shares that the holder desires to have New BNC redeem, together with (i) such other documents and instruments as may be required to effect a transfer of the Exchangeable Shares under the OBCA and the articles of New BNC, as applicable, together with such additional documents, instruments and payments as the Transfer Agent and New BNC may reasonably require and (ii) a duly executed request (the “**Retraction Request**”): (A) specifying that the holder desires to have all or any number specified therein of the Exchangeable Shares represented by such certificate(s) (the “**Retracted Shares**”) redeemed by New BNC, provided that the number of Retracted Shares must be a whole number of Exchangeable Shares; (B) stating the Business Day on which the holder desires to have New BNC redeem the Retracted Shares (the “**Retraction Date**”), provided that the Retraction Date shall not be less than ten (10) Business Days nor more than fifteen (15) Business Days after the date on which the Retraction Request is received by New BNC (or such additional period as may be mutually agreed) and further provided that, in the event that no such Business Day is specified by the holder in the Retraction Request, the Retraction Date shall be deemed to be the tenth (10th) Business Day after the date on which the Retraction Request is received by New BNC; and (C) acknowledging the overriding right (the “**Retraction Call Right**”) of New BN or any New BN Designee to purchase all but not less than all the Retracted Shares directly from the holder and that the Retraction Request shall be deemed to be a revocable offer by the holder to sell the Retracted Shares to New BN or any New BN Designee in accordance with the Retraction Call Right on the Retraction Date for the Retraction Call Right Purchase Price and on the other terms and conditions set out in the Exchangeable Share Provisions.

In the event that a holder of Exchangeable Shares delivers a Retraction Request, or a holder of Exchangeable Shares is deemed to have exercised its Retraction Right pursuant to the Exchangeable Share Provisions relating to liquidation or redemption, the Retraction Call Right will be available to New BN and any New BN Designee, notwithstanding the proposed redemption of the Exchangeable Shares, to purchase from such holder on the Retraction Date all but not less than all of the Retracted Shares held by such holder on payment by New BN or any New BN Designee, as the case may be, of an amount per share equal to the Exchangeable Share Price applicable on the last Business Day prior to the Retraction Date (the “**Retraction Call Right Purchase Price**”), which price shall be satisfied in full by New BN or any New BN Designee, as the case may be, delivering or causing to be delivered to such holder the Exchangeable Share Consideration representing the Retraction Call Right Purchase Price. Upon the exercise of the Retraction Call Right in respect of Retracted Shares, the holder of such Retracted Shares shall be obligated to sell all of such Retracted Shares to New BN or any New BN Designee, as the case may be, on the Retraction Date on payment by New BN or any New BN Designee, as the case may be, of the aggregate Retraction Call Right Purchase Price in respect of such Retracted Shares.

Upon receipt by New BNC of a Retraction Request, New BNC shall immediately notify New BN and any New BN Designee and shall provide New BN and any New BN Designee with a copy of the Retraction Request. Any New BN Designee shall only be entitled to exercise the Retraction Call Right with respect to those Exchangeable Shares, if any, in respect of which New BN has not exercised the Retraction Call Right. To exercise its Retraction Call Right, New BN or any New BN Designee, as the case may be, must notify New BNC in writing of its determination to do so (a “**Retraction Call Notice**”) within five (5) Business Days after New BNC notifies New BN and any New BN Designee of the Retraction Request. If neither New BN nor any New BN Designee so notifies New BNC within such five (5) Business Day period, New BNC shall notify the holder as soon as possible thereafter that neither New BN nor any New BN Designee will exercise the Retraction Call Right. If one or both of New BN and any New BN Designee delivers a Retraction Call Notice within such five (5) Business Day period and duly exercises its Retraction Call Right, the obligation of New BNC to redeem the Retracted Shares shall terminate and, provided that the Retraction Request is not revoked by the holder of such Retracted Shares in the manner specified in the Exchangeable Share Provisions, New BN or any New BN Designee, as the case may be, shall purchase from such holder and such holder shall sell to New BN or any New BN Designee, as the case may be, on the Retraction Date the Retracted Shares for an amount per share equal to the Retraction Call Right Purchase Price. Provided that the aggregate Retraction Call Right Purchase Price has been so deposited with the Transfer Agent, the closing of the purchase and sale of the Retracted Shares pursuant to the Retraction Call Right shall be deemed to have occurred as at the close of business on the Retraction Date and, for greater certainty, no redemption by New BNC of such Retracted Shares shall take place on the Retraction Date.

A holder of Exchangeable Shares who has made a Retraction Request may, by notice in writing given by the holder to New BNC before the close of business on the second (2nd) Business Day immediately preceding the Retraction Date, withdraw such Retraction Request, in which event such Retraction Request will be null and void and, for greater certainty, the revocable offer constituted by the Retraction Request to sell such Exchangeable Shares to New BN or any New BN Designee shall be deemed to have been revoked.

Redemption of Exchangeable Shares and Associated Call Right

Subject to applicable laws and the due exercise by New BN or any New BN Designee of the Redemption Call Right (as defined below), New BNC shall have the right (the “**Redemption Right**”), exercisable at any time after the Redemption Date (as defined below) without any approval, consent, or action by the holders of Exchangeable Shares, to redeem all but not less than all of the then outstanding Exchangeable Shares (other than Exchangeable Shares held by New BN and its subsidiaries) for an amount per share (the “**Redemption Price**”) equal to the Liquidation Entitlement as of the last Business Day prior to the Redemption Date, which price shall be satisfied in full by New BNC delivering or causing to be delivered the Exchangeable Share Consideration for each Exchangeable Share held by such holder. Notwithstanding the foregoing, where there is a Redemption Date, unless a holder of Exchangeable Shares delivers a Holder Redemption Election Notice (as defined below) in accordance with the Exchangeable Share Provisions, such holder shall be deemed without any further action on the part of such holder to have delivered a Retraction Request and to have exercised its Retraction Right with respect to all Exchangeable Shares held by such holder for the Exchangeable Share Price immediately prior to such Redemption Date, and the provisions relating to retraction (including, for greater certainty, the Retraction Call Right) shall apply *mutatis mutandis* to such deemed Retraction Request and deemed exercise of the Retraction Right.

A holder of Exchangeable Shares who wishes to have New BNC redeem such holder’s Exchangeable Shares on the Redemption Date (rather than being deemed to have exercised its Retraction Right) must deliver a written notice to New BNC (a “**Holder Redemption Election Notice**”) electing to have New BNC redeem all of the Exchangeable Shares held by such holder. A Holder Redemption Election Notice shall be delivered to the registered office of New BNC or to any office of the Transfer Agent as may be specified by New BNC in the notice of redemption delivered, and must be received by New BNC or the Transfer Agent, as applicable, not less than ten (10) Business Days prior to the Redemption Date (or, if the notice of redemption specifies a period of less than thirty (30) days prior to the Redemption Date, not less than five (5) Business Days prior to the Redemption Date). A Holder Redemption Election Notice, once delivered, shall be irrevocable.

The “**Redemption Date**” is the date, if any, established by the board of directors of New BNC for the redemption by New BNC of all but not less than all of the then outstanding Exchangeable Shares, other than Exchangeable Shares held by New BN and its subsidiaries (which, at New BNC’s option, need not be redeemed), which date shall be no earlier than the fifteenth (15th) anniversary of the Effective Date, unless:

- (a) at any time after the fifth (5th) anniversary of the Effective Date, the aggregate number of Exchangeable Shares issued and outstanding (other than Exchangeable Shares held by New BN and its subsidiaries) is less than 10% of the number of Exchangeable Shares issued and outstanding on the Effective Date (as such number of shares may be adjusted as deemed appropriate by the board of directors of New BNC in certain circumstances set forth in the Exchangeable Share Provisions), in which case the board of directors of New BNC may accelerate such Redemption Date to such date as it may determine, upon at least 30 days’ prior written notice to the holders of the Exchangeable Shares;
- (b) a New BN Control Transaction (as such term is defined in the Exchangeable Share Provisions) is proposed, in which case, provided that the board of directors of New BNC determines in good faith that it is not practicable to substantially replicate the terms and conditions of the Exchangeable Shares in connection with such New BN Control Transaction or that the redemption of all but not less than all of the then outstanding Exchangeable Shares, other than Exchangeable Shares held by New BN and its subsidiaries (which, at New BNC’s option, need not be redeemed) is necessary to enable the completion of such New BN Control Transaction in accordance with its terms, the board of directors of New BNC may accelerate such Redemption Date to such date as it may determine,

upon such number of days' prior written notice to the holders of the Exchangeable Shares as the board of directors of New BNC may determine to be reasonably practicable in such circumstances;

- (c) a New BN Liquidation Event is pending, in which case the Redemption Date shall be deemed to be the day immediately prior to the effective date of such New BN Liquidation Event;
- (d) an Exchangeable Share Voting Event (as such term is defined in the Exchangeable Share Provisions) is proposed and (A) the holders of the Exchangeable Shares fail to take the necessary action at a meeting or other vote of holders of Exchangeable Shares to approve or disapprove, as applicable, the Exchangeable Share Voting Event, and (B) the board of directors of New BNC has determined, in good faith and in its sole discretion, that it is not reasonably practicable to accomplish the business purpose (which business purpose must be bona fide and not for the primary purpose of causing the occurrence of the Redemption Date) intended by the Exchangeable Share Voting Event in a commercially reasonable manner that does not result in an Exchangeable Share Voting Event, in which case the Redemption Date shall be the Business Day following the day on which the later of the events described in (A) and (B) above occurs;
- (e) an Exempt Exchangeable Share Voting Event (as such term is defined in the Exchangeable Share Provisions) is proposed and holders of the Exchangeable Shares fail to take the necessary action at a meeting or other vote of holders of Exchangeable Shares to approve or disapprove, as applicable, the Exempt Exchangeable Share Voting Event required to maintain the economic equivalence of the Exchangeable Shares and the Class A Shares, in which case the Redemption Date shall be the Business Day following the day on which the holders of the Exchangeable Shares fail to take such action;
- (f) any change or imminent change in applicable laws (including tax laws) occurs as a result of which maintaining the structure associated with the Exchangeable Shares would be materially adverse to New BN, in which case the board of directors of New BNC may accelerate such Redemption Date to such date as it may determine, upon at least thirty (30) days' prior written notice to the holders of the Exchangeable Shares; or
- (g) at any time after the fifth (5th) anniversary of the Effective Date, any amendment is made to the Tax Act and other applicable provincial income tax laws that permits holders of Exchangeable Shares who (A) are resident in Canada, (B) hold their Exchangeable Shares as capital property, and (C) deal at arm's length with New BN, to exchange their Exchangeable Shares for Class A Shares without requiring such holders to recognize any gain or loss or any actual or deemed dividend in respect of such exchange for the purposes of the Tax Act or applicable provincial income tax laws, in which case the board of directors of New BNC may accelerate such Redemption Date to such date as it may determine, upon at least thirty (30) days' prior written notice to the holders of the Exchangeable Shares.

New BN shall have the overriding right (the “**Redemption Call Right**”), in the event of the delivery of a Holder Redemption Election Notice, to purchase from all but not less than all of the holders of Exchangeable Shares who deliver such a notice on the Redemption Date all but not less than all of the Exchangeable Shares held by each such holder in exchange for the Exchangeable Share Consideration for each such Exchangeable Share (the “**Redemption Call Right Purchase Price**”). In the event of the exercise of the Redemption Call Right, each holder of Exchangeable Shares shall be obligated on the Redemption Date to sell all the Exchangeable Shares held by such holder to New BN or any New BN Designee, as the case may be, on the Redemption Date upon delivery by New BN or any New BN Designee, as the case may be, to the holders of Exchangeable Shares of the Redemption Call Right Purchase Price for each such Exchangeable Share, and New BNC shall have no obligation to pay any Redemption Price to the holders of such Exchangeable Shares so purchased by New BN or any New BN Designee.

In order to exercise the Redemption Call Right, New BN or any New BN Designee, as the case may be, must notify the Transfer Agent in writing, as agent for the holders of Exchangeable Shares and New BNC, of its intention to exercise such right at least five (5) Business Days before the Redemption Date. If New BN or any New BN Designee, as the case may be, exercises the Redemption Call Right, all obligations of New BNC to redeem Exchangeable Shares

shall terminate and on the Redemption Date, New BN or any New BN Designee, as the case may be, shall purchase and such holders of Exchangeable Shares who delivered a Holder Redemption Election Notice shall sell all of their Exchangeable Shares for a price per Exchangeable Share equal to the Redemption Call Right Purchase Price. Any New BN Designee shall only be entitled to exercise the Redemption Call Right with respect to those Exchangeable Shares, if any, in respect of which New BN has not exercised the Redemption Call Right.

Purchase for Cancellation

Subject to applicable laws and the articles of New BNC, New BNC may at any time and from time to time (i) purchase for cancellation all or any part of the Exchangeable Shares by private agreement with the holder thereof and (ii) purchase for cancellation all or any part of the outstanding Exchangeable Shares at any price per share by tender to all the holders of Exchangeable Shares then outstanding or through the facilities of any stock exchange on which the Exchangeable Shares are listed or quoted.

Voting Rights

Except as required by applicable law and as provided in the Exchangeable Share Provisions, the holders of the Exchangeable Shares shall not be entitled as such to receive notice of or to attend any meeting of the shareholders of New BNC or to vote at any such meeting. Without limiting the generality of the foregoing, the holders of the Exchangeable Shares shall not be entitled to class votes except as required by applicable law.

As further described below under the section entitled “Voting Trust Agreement”, New BN and New BNC will enter into the Voting Trust Agreement with the Trustee for the purpose of creating a trust for the benefit of the holders of Exchangeable Shares. With respect to all meetings of shareholders of New BN at which holders of Class A Shares are entitled to vote, each holder of Exchangeable Shares shall be entitled to instruct the Trustee to cast, and the Trustee shall be obligated to cast, a number of votes equal to the product of the number of outstanding Exchangeable Shares held by such holder as at the record date for the relevant meeting and the Exchange Ratio in effect at that time. The number of voting rights attached to the Class E Share at a meeting of shareholders of New BN shall consist of a number of votes equal to, in the aggregate, the product of the number of outstanding Exchangeable Shares for which the Trustee has received voting instructions from the Beneficiaries and the Exchange Ratio in effect at the relevant time. The Trustee will exercise the voting rights attached to the Class E Share only as directed by the holders and, in the absence of any instructions, will not exercise or permit the exercise of such voting rights, all as set out in the Voting Trust Agreement.

Amendment and Approval

Any approval required to be given by the holders of the Exchangeable Shares to add to, change or remove any right, privilege, restriction or condition attaching to the Exchangeable Shares or any other matter requiring the approval or consent of the holders of the Exchangeable Shares in accordance with applicable law shall be deemed to have been sufficiently given if it has been given in accordance with applicable law, subject to a minimum requirement that such approval be evidenced by a resolution passed by not less than two-thirds of the votes cast on such resolution at a meeting of holders of Exchangeable Shares duly called and held at which the holders of Exchangeable Shares holding at least 10% of the outstanding Exchangeable Shares at that time are present or represented by proxy; provided that such approval must also be given by the affirmative vote of holders of not less than two-thirds of the votes cast by the Non-Affiliated Holders (being holders of Exchangeable Shares other than New BN or any subsidiary of New BN to the extent New BN or such subsidiary holds Exchangeable Shares) represented in person or by proxy at such meeting.

Successorship Transaction

In the event of a New BN Control Transaction in which New BN merges or amalgamates with, or in which all or substantially all of the then outstanding Class A Shares are acquired by or converted into or exchanged for shares or rights to receive shares of another person (the “**Successor Entity**”), and provided that the Redemption Right or Redemption Call Right is not exercised by New BN, any New BN Designee or New BNC, as applicable, in connection with such transaction, then all references to New BN and Class A Shares in the Exchangeable Share Provisions shall thereafter be deemed to refer to the Successor Entity and the equivalent class of shares of the Successor Entity (with

appropriate adjustments, if any, as are required to result in a holder of Exchangeable Shares on the exchange, redemption or retraction of such shares pursuant to the Exchangeable Share Provisions immediately subsequent to such transaction being entitled to receive that number of shares of the Successor Entity equal to the number of shares such holder would have received if the exchange, redemption or retraction of such shares had occurred immediately prior to such transaction and the transaction was completed), subject to subsequent adjustments to reflect any subsequent changes in the share capital of the Successor Entity.

Conversion of Exchangeable Shares Held by New BN

At any time, New BN and its subsidiaries shall have the right (the “**Conversion Right**”) to convert any Exchangeable Shares acquired or held by them into a number of New BNC Common Shares (which may include a fraction of a New BNC Common Share) at a conversion rate, for each such Exchangeable Share in respect of which the Conversion Right is exercised, equal to the number obtained by dividing the fair market value of an Exchangeable Share by the fair market value of a New BNC Common Share, in each case as determined by the board of directors of New BNC. Upon exercise of the Conversion Right, the Exchangeable Shares so converted shall be cancelled and the applicable number of New BNC Common Shares shall be issued to New BN or the applicable subsidiary, as the case may be.

Fractional Shares

A holder of an Exchangeable Share shall not be entitled to any fraction of a Class A Share upon the retraction, redemption, liquidation or purchase of such holder’s Exchangeable Share pursuant to the Exchangeable Share Provisions and no certificates representing any such fractional interest shall be issued. Any holder otherwise entitled to a fractional interest shall be entitled to receive for such fractional interest from New BNC, New BN or any New BN Designee, as the case may be, a cash payment equal to such fractional interest multiplied by the average of the Last Reported Sale Price for a Class A Share for the five (5) consecutive Trading Day period ending on, and including, the Trading Day immediately preceding the date of such retraction, redemption, liquidation or purchase.

Withholding Rights

New BN, any New BN Designee, New BNC, the Transfer Agent and any other person that has any withholding obligations with respect to any amount paid or deemed paid under the Exchangeable Share Provisions, shall be entitled to deduct and withhold from any dividend, distribution, return of capital, price or other consideration or amount otherwise payable under the Exchangeable Share Provisions to any holder of Exchangeable Shares such amounts as New BN, any New BN Designee, New BNC or the Transfer Agent or such other person, as the case may be, determine in good faith is required to be deducted and withheld with respect to such payment under the *Income Tax Act* (Canada) or United States tax laws or any provision of provincial, territorial, state, local or foreign tax law, in each case, as amended. To the extent that amounts are so withheld, such withheld amounts shall be treated for all purposes as having been paid to the holder of the Exchangeable Shares in respect of which such deduction and withholding was made, provided that such withheld amounts are actually remitted to the appropriate taxing agency. To the extent that the amounts so required to be deducted or withheld from any payment to a holder exceeds the cash portion of the consideration otherwise payable to the holder, New BN, any New BN Designee, New BNC and the Transfer Agent are hereby authorized to sell or otherwise dispose of such portion of the consideration as is necessary to provide sufficient funds to New BN, any New BN Designee, New BNC or the Transfer Agent, as the case may be, to enable it to comply with such deduction or withholding requirement and New BN, any New BN Designee, New BNC or the Transfer Agent, as the case may be, shall notify the holder thereof and remit any unapplied balance of the net proceeds of such sale.

Voting Trust Agreement

The following is a summary description of certain material provisions of the Voting Trust Agreement, is not comprehensive and is qualified in its entirety by reference to the complete text of the Voting Trust Agreement attached as Schedule E to the Transaction Agreement, which is attached as Appendix H hereto.

The purpose of the Voting Trust Agreement is to create a trust for the benefit of the registered holders from time to time of Exchangeable Shares (the “Beneficiaries”). The Trustee will hold the Class E Share in order to enable the Trustee to exercise the voting rights attached thereto as trustee for and on behalf of the Beneficiaries.

Pursuant to the Voting Trust Agreement, New BN will issue to and deposit with the Trustee the Class E Share to be held of record by the Trustee as trustee for and on behalf of, and for the use and benefit of, the Beneficiaries and in accordance with the provisions of the Voting Trust Agreement.

Under the Voting Trust Agreement, the Trustee shall be entitled to exercise all of the voting rights, including the right to consent to or vote in person or by proxy the Class E Share, on any matter, question, proposal or proposition whatsoever that may properly come before the shareholders of New BN at a meeting of shareholders of New BN or in connection with a written consent sought by New BN from holders of Class A Shares.

With respect to all meetings of shareholders of New BN at which holders of Class A Shares are entitled to vote and with respect to all written consents sought by New BN from holders of Class A Shares, each Beneficiary shall be entitled to instruct the Trustee to cast, exercise or withhold, in the manner instructed, that number of votes equal to the product of (i) the number of Exchangeable Shares owned of record by such Beneficiary at the close of business on the record date established by New BN or by applicable law for such meeting or written consent and (ii) the Exchange Ratio in effect at such time.

With respect to any election of directors at a meeting of shareholders of New BN, each Beneficiary shall be entitled to instruct the Trustee to cast a number of votes equal to the Beneficiary’s votes multiplied by the number of nominees for whom the Beneficiary would be entitled to vote if such Beneficiary were directly a holder of Class A Shares. A Beneficiary may instruct the Trustee to cast all such votes in favor of one nominee or distribute such votes among the nominees in any manner the Beneficiary sees fit. Where a Beneficiary has instructed the Trustee to vote for more than one nominee without specifying the distribution of votes among such nominees, the Beneficiary shall be deemed to have directed the Trustee to divide such votes equally among the nominees for whom the Beneficiary voted.

The aggregate voting rights attached to the Class E Share at a meeting of shareholders of New BN at which holders of Class A Shares are entitled to vote shall consist of a number of votes equal to, in the aggregate, the product of the number of outstanding Exchangeable Shares for which the Trustee has received voting instructions from the Beneficiaries and the Exchange Ratio in effect at the relevant time.

The Trustee will exercise each vote attached to the Class E Share only as directed by the relevant holder and, in the absence of instructions from a holder as to voting, the Trustee will not exercise voting rights with respect to such Exchangeable Share. A holder may, upon instructing the Trustee, obtain a proxy from the Trustee entitling the holder to vote directly at the relevant meeting the votes attached to the Class E Share to which the holder is entitled.

The Trustee will mail, cause to be mailed or deliver to each Beneficiary with respect to each meeting of shareholders of New BN or written consent sought by New BN, at the same time as the mailing or delivery with respect thereto is commenced by New BN to its shareholders: (i) a copy of such mailing, together with any related materials; (ii) a statement that such Beneficiary is entitled to instruct the Trustee as to the exercise of the voting rights or to attend such meeting and to exercise personally such voting rights; (iii) a statement as to the manner in which such instructions may be given to the Trustee; (iv) a statement that if no such instructions are received from such Beneficiary, the voting rights to which the Beneficiary is entitled will not be exercised; and (v) a form of direction such Beneficiary may use to direct and instruct the Trustee. The Trustee will also send to the holders of Exchangeable Shares copies of all information statements, interim and annual financial statements, reports and other materials sent by New BN to the holders of Class A Shares at the same time as such materials are sent to such holders. Notwithstanding the foregoing, New BN may, at its option, undertake to perform any or all of the obligations of the Trustee relating to (a) the mailing

or other distribution of materials to Beneficiaries in connection with any meeting of shareholders of New BN or written consent sought by New BN and (b) the collection and receipt of voting instructions from Beneficiaries, so long as New BN delivers a certificate to the Trustee stating that New BN has undertaken to perform such obligations. Where New BN has so undertaken, New BN may authorize a third-party tabulator or other agent (including a transfer agent, proxy solicitation firm or financial services provider) to collect and receive directly the votes from the holders of Exchangeable Shares on New BN's behalf, and the Trustee shall be entitled to rely on voting instructions received by New BN or its authorized agent as if such instructions had been received directly by the Trustee.

All rights of a holder of Exchangeable Shares to exercise votes attached to the Class E Share will cease upon: (a) the retraction or redemption of such holder's Exchangeable Shares; (b) the effective date of the liquidation, dissolution or winding-up of New BNC or any other distribution of the assets of New BNC among its shareholders for the purpose of winding up its affairs; or (c) the purchase of Exchangeable Shares from such holder by New BN or any New BN Designee pursuant to the Redemption Call Right or the Retraction Call Right.

Under the terms of the Transaction Agreement, New BN is required to use its commercially reasonable efforts to: (i) file the U.S. Registration Statement, on an appropriate form, under the U.S. Securities Act to register any and all of the Class A Shares transferred or delivered to holders of the Exchangeable Shares by New BNC or any New BN Designee; (ii) cause the U.S. Registration Statement to become effective as soon as reasonably practicable after the initial filing thereof with the SEC; and (iii) following such effectiveness, cause the U.S. Registration Statement (or a successor registration statement) to remain effective and a U.S. Prospectus to remain available at all times that any Exchangeable Shares remain outstanding. Notwithstanding the foregoing, the Exchangeable Share Provisions provide that (a) none of New BN, New BNC or any New BN Designee shall be required to issue or deliver any Class A Shares to a holder of Exchangeable Shares registered in the name of or beneficially held by a U.S. Holder unless the U.S. Registration Statement is effective and a U.S. Prospectus is available, and (b) unless the U.S. Registration Statement is effective and a U.S. Prospectus is available, any Class A Shares issued or delivered to a holder of Exchangeable Shares registered in the name of or beneficially held by any Person who is not a U.S. Holder in connection with a retraction, redemption, liquidation or exchange of the Exchangeable Shares during the 40-day distribution compliance period under Regulation S of the U.S. Securities Act following the date of such delivery, may not be resold over the NYSE or otherwise into the United States, and on exchange any Person who is not a U.S. Holder will be required to agree to this limitation on resale. For the avoidance of doubt, a U.S. Holder is permitted to receive and sell the Exchangeable Shares on the TSX in reliance on Rule 904 of Regulation S under the U.S. Securities Act.

If the U.S. Registration Statement is not effective and a U.S. Prospectus is not available and New BN, New BNC or any New BN Designee, as applicable, are not required to issue or deliver or cause to be delivered any Class A Shares to a holder of Exchangeable Shares registered in the name of or beneficially held by a U.S. Holder, whether pursuant to the Retraction Call Right, the Redemption Call Right or a redemption by New BNC under the Exchangeable Share Provisions, New BN, New BNC or any New BN Designee, as applicable, may in its sole discretion pay the portion of the Exchangeable Share Consideration otherwise to be settled in Class A Shares in cash in lieu of Class A Shares (with such cash payment being equal to the Last Reported Sale Price of such Class A Shares), provided that if Class A Shares are not delivered within the ninetieth (90th) day of the date that such Class A Shares would have been required to be delivered, then New BN, New BNC or any New BN Designee, as applicable, shall pay the portion of the Exchangeable Share Consideration otherwise to be settled in Class A Shares in cash in lieu of Class A Shares (with such cash payment being equal to the Last Reported Sale Price of such Class A Shares) no later than the first (1st) Business Day after such ninetieth (90th) day.

NEW BN INCENTIVE PLANS RESOLUTIONS

New BN Share Option Plan

New BN Share Option Plan Resolution

At the Meetings, the BN Class A Shareholders, the BN Class B Shareholder, the BWS Class A Shareholders and the BWS Class B Shareholder will be asked to consider and, if thought advisable, approve the New BN Share Option Plan Resolution to authorize and approve the management share option plan of New BN (the “**New BN Share Option Plan**”). See Appendix D “New BN Share Option Plan Resolution” for the full text of the New BN Share Option Plan Resolution.

In order for the New BN Share Option Plan Resolution to be passed, it must be approved by (i) a majority (calculated on a combined basis) of the votes cast by the BN Class A Shareholders and BWS Class A Shareholders, and (ii) a majority (calculated on a combined basis) of the votes cast by the BN Class B Shareholder and BWS Class B Shareholder, in each case, who vote in person or by proxy at the Meetings.

The BN Board unanimously recommends that the BN Shareholders vote FOR the New BN Share Option Plan Resolution.

The BWS Board unanimously recommends that the BWS Class A Shareholders and the BWS Class B Shareholder vote FOR the New BN Share Option Plan Resolution.

Approval of the New BN Share Option Plan by BN Class A Shareholders, the BN Class B Shareholder, BWS Class A Shareholders and the BWS Class B Shareholder is required by the TSX and has been made a condition precedent to completion of the Transaction.

At the BN Meeting, the management representatives of BN designated on the form of proxy to be completed by holders of BN Shares intend to cast the votes represented by such proxy FOR the New BN Share Option Plan Resolution, unless the BN Shareholder has specified on the forms of proxy that the BN Class A Shares or BN Class B Shares represented by such proxy are to be voted against the New BN Share Option Plan Resolution.

At the BWS Meeting, the management representatives of BWS designated on the form of proxy to be completed by BWS Shareholders intend to cast the votes represented by such proxy FOR the New BN Share Option Plan Resolution, unless the BWS Shareholder has specified on the forms of proxy that the BWS Class A Shares or BWS Class B Shares represented by such proxy are to be voted against the New BN Share Option Plan Resolution.

Purpose of the New BN Share Option Plan

The New BN Share Option Plan will be an important component of New BN’s long-term incentive compensation arrangements for executives. The New BN Share Option Plan is intended to align the interests of executives and shareholders and assist in attracting and retaining qualified and motivated senior executives and employees. Pursuant to the Transaction, each outstanding option to acquire a BN Class A Share granted under BN’s management share option plans (other than options held by retired Canadian participants) will be exchanged for an option to acquire a Class A Share under the New BN Share Option Plan and subject to the same expiry, vesting, forfeiture, hold periods and other terms and conditions as were applicable to such BN option prior to the exchange.

New BN Share Option Plan Shares Reserved

Based on the number of outstanding BN Class A Shares, BWS Class A Shares and options to acquire BN Class A Shares (other than options to acquire BN Class A Shares held by retired Canadian participants) as of May 28, 2026, assuming the Transaction is completed, there would be options to acquire approximately 34,891,894 Class A Shares outstanding under the New BN Share Option Plan, representing approximately 1.4% of the estimated total number of Class A Shares and Exchangeable Shares (collectively, the “**Class A and Exchangeable Shares**”) outstanding

immediately following completion of the Transaction. Assuming the New BN Share Option Plan Resolution is approved at the BN Meeting and the BWS Meeting, there would be approximately an additional 14,108,106 Class A Shares available for future option grants under the New BN Share Option Plan, representing approximately 0.5% of the estimated total number of Class A and Exchangeable Shares outstanding immediately following completion of the Transaction. In aggregate, there will be a maximum of 49 million Class A Shares issuable under the New BN Share Option Plan, representing approximately 1.9% of the estimated total number of Class A and Exchangeable Shares outstanding immediately following completion of the Transaction.

Summary of the New BN Share Option Plan

The New BN Share Option Plan will have substantially similar terms as BN's management share option plans. The following is a summary of the principal terms of the New BN Share Option Plan.

The New BN Board establishes the exercise price of each option at the time it is granted, which shall be awarded in US dollars and may not be less than the volume weighted average price of a Class A Share on the NYSE for the five trading days preceding the effective grant date. If options are approved during a blackout period, the effective grant date may not be less than six business days after the blackout period ends.

Employees, officers and consultants of New BN and its subsidiaries or affiliates and others designated by the New BN Board are eligible to participate in the New BN Share Option Plan. Non-employee directors are not eligible to participate in the New BN Share Option Plan.

The maximum number of Class A Shares issuable to any one person shall not exceed 5% of the outstanding Class A and Exchangeable Shares, less the aggregate number of Class A and Exchangeable Shares reserved for issuance to such person under any other security-based compensation arrangement of New BN and New BNC. The maximum number of Class A and Exchangeable Shares issuable to insiders of New BN and New BNC at any time, or issued in any one year to insiders, under any of New BN and New BNC's security-based compensation arrangements cannot exceed in either case 10% of the issued and outstanding Class A and Exchangeable Shares. The New BN Board determines the vesting period for each option grant, which is normally 20% per year over five years commencing the first year after the grant. The New BN Board also sets the expiry period for each option grant, which may not exceed ten years, except where the expiry date falls during or shortly after a blackout period, in which case the expiry date is ten days after the blackout period ends.

The New BN Share Option Plan sets out provisions regarding the exercise and cancellation of options following a change in the employment status of a plan participant. In general, all vested options must be exercised by, and all unvested options are cancelled on, a participant's termination date, except as follows: in the event of termination for reasons other than cause or due to a continuous leave of absence as a result of a disability, vested options must be exercised within 60 days following the termination date; in the event of retirement, vested options continue to be exercisable until the applicable expiry date; and in the event of death, all granted options continue to vest and be exercisable for six months following death. No incremental entitlements are triggered by a change in control of New BN under the New BN Share Option Plan.

The New BN Share Option Plan permits participants to exercise vested options in exchange for a number of Class A Shares equivalent in value to (i) the aggregate FMV of the Class A Shares underlying the options on the exercise date over the aggregate exercise price of the options, less (ii) applicable withholding taxes (only to the extent such taxes have not otherwise been satisfied by the participant). This provides for a reduction in shareholder dilution upon the exercise of options using this feature.

The New BN Share Option Plan also provides that each person that is an officer, employee or consultant of BN or any of its affiliates shall, for so long as such person remains an officer, employee or consultant of BN or any of its affiliates, be permitted to hold and exercise his or her options in accordance with their terms as though such person was an officer, employee or consultant, as applicable, of New BN or any of its affiliates.

Procedure for Amending the New BN Share Option Plan

The New BN Share Option Plan contains an amending provision setting out the types of amendments which can be approved by the New BN Board without shareholder approval and those which require shareholder approval. Shareholder approval is required for any amendment that increases the number of shares issuable under the New BN Share Option Plan, lengthens the period of time after a blackout period during which options may be exercised, results in the exercise price being lower than FMV of a Class A Share at the date of grant, reduces the exercise price or any cancellation and reissuance of an option or other entitlement, expands the categories of eligible persons which may permit the introduction or reintroduction of non-employee directors on a discretionary basis, removes or exceeds the insider participation limit, extends the term of an option beyond its expiry date, permits options to be transferred or assigned (other than for normal estate planning purposes), any amendment to the amendment provisions, or other amendments required by law to be approved by shareholders. Shareholder approval is not required for any amendment to the New BN Share Option Plan or any option that is of a housekeeping or administrative nature, that is necessary to comply with applicable laws or to qualify for favorable tax treatment, that is to the vesting, termination or early termination provisions (provided that the amendment does not entail an extension beyond the expiry period of the options), that adds or modifies a cashless exercise feature that provides for a full deduction of the number of Class A Shares from the New BN Share Option Plan share reserve, and to suspend or terminate the New BN Share Option Plan.

Other Features of the New BN Share Option Plan

New BN does not provide any financial assistance to plan participants to facilitate the purchase of Class A Shares issued pursuant to the exercise of options under the New BN Share Option Plan. Options granted under the New BN Share Option Plan may be assigned by the plan participant to (i) his or her spouse, descendants or any other immediate family member; or (ii) a trust, the beneficiaries of which are one or more of the plan participant and the participant's spouse, descendants or immediate family members; or (iii) a corporation or limited liability company controlled by the plan participant or by one or more of the participant and the participant's spouse, and/or the immediate family members, the shares or interests of which are held directly or indirectly by the plan participant, participant's spouse and/or immediate family members; or (iv) such other transferees for estate planning purposes as may be permitted by the New BN Board in its discretion.

The New BN Board, on the recommendation of the New BN GNCC, approves all option awards. The New BN GNCC recommends the long-term incentive award for the CEO. All other option awards are recommended by the CEO to the New BN GNCC.

New BN Escrowed Stock Plan

New BN Escrowed Stock Plan Resolution

At the Meetings, the BN Class A Shareholders, the BN Class B Shareholder, the BWS Class A Shareholders and the BWS Class B Shareholder will be asked to consider and, if thought advisable, approve the New BN Escrowed Stock Plan Resolution to authorize and approve the escrowed stock plan of New BN (the "**New BN Escrowed Stock Plan**"). See Appendix E "New BN Escrowed Stock Plan Resolution" for the full text of the New BN Escrowed Stock Plan Resolution.

In order for the New BN Escrowed Stock Plan Resolution to be passed, it must be approved by (i) a majority (calculated on a combined basis) of the votes cast by the BN Class A Shareholders and BWS Class A Shareholders, and (ii) a majority (calculated on a combined basis) of the votes cast by the BN Class B Shareholder and the BWS Class B Shareholder, in each case, who vote in person or by proxy at the Meetings.

The BN Board unanimously recommends that the BN Shareholders vote FOR the New BN Escrowed Stock Plan Resolution.

At the BN Meeting, the management representatives of BN designated on the form of proxy to be completed by the BN Shareholders intend to cast the votes represented by such proxy FOR the New BN Escrowed Stock Plan Resolution, unless the BN Shareholder has specified on the forms of proxy that the BN Class A Shares or BN Class B Shares represented by such proxy are to be voted against the New BN Escrowed Stock Plan Resolution.

At the BWS Meeting, the management representatives of BWS designated on the form of proxy to be completed by BWS Shareholders intend to cast the votes represented by such proxy FOR the New BN Escrowed Stock Plan Resolution, unless the BWS Shareholder has specified on the forms of proxy that the BWS Class A Shares or BWS Class B Shares represented by such proxy are to be voted against the New BN Escrowed Stock Plan Resolution.

Purpose of the New BN Escrowed Stock Plan

The New BN Escrowed Stock Plan is intended to incent and retain designated executives or other persons designated by the New BN Board for an extended period and to further align their interests with those of other shareholders in a manner that is less dilutive than alternative long-term ownership plans such as option plans. The New BN Escrowed Stock Plan will replace the BWS escrowed stock plan following the Transaction. In connection with the Transaction, each outstanding escrowed share granted under the BWS escrowed stock plan will be exchanged for an escrowed share that will be exchangeable for Class A Shares under the terms of the New BN Escrowed Stock Plan and subject to the same transfer restrictions, vesting, forfeiture and other terms and conditions as were applicable to such BWS escrowed shares prior to the exchange.

New BN Escrowed Stock Plan Shares Reserved

A maximum of 12.5 million Class A Shares may be issued under the New BN Escrowed Stock Plan, representing approximately 0.5% of the estimated total number of Class A and Exchangeable Shares outstanding immediately following completion of the Transaction (based on the number of issued and outstanding BN Class A Shares and BWS Class A Shares as of May 28, 2026). When Class A Shares are issued in exchange for non-voting common shares (the “**Escrowed Shares**”) of any corporation created to facilitate participation in the New BN Escrowed Stock Plan (the “**Escrowed Company**”), the number of Class A Shares remaining for future issuance under the New BN Escrowed Stock Plan will be reduced. On the wind-up or merger of an Escrowed Company, the number of Class A Shares held by an Escrowed Company that are cancelled in respect of Class A Shares previously issued by New BN in exchange for Escrowed Shares will be added back to the number of Class A Shares available for future issuance under the New BN Escrowed Stock Plan.

The New BN Escrowed Stock Plan also provides that when Class A Shares are issued in exchange for Escrowed Shares and immediately thereafter the Escrowed Company is wound up or merged into New BN and the Class A Shares held by it are cancelled, the number of Class A Shares remaining for future issuance under the New BN Escrowed Stock Plan will not be reduced.

Summary of the New BN Escrowed Stock Plan

The New BN Escrowed Stock Plan will have substantially similar terms as the BWS Escrowed Stock Plan. The following is a summary of the principal terms of the New BN Escrowed Stock Plan.

Each Escrowed Company is capitalized with common shares and preferred shares issued to New BN for cash proceeds. Each Escrowed Company uses its cash resources to directly or indirectly purchase Class A Shares in the open market. Under the terms of the New BN Escrowed Stock Plan, participants are either awarded Escrowed Shares or provided an election to contribute Class A Shares or previously awarded Escrowed Shares as consideration for the Escrowed Shares. Dividends paid to each Escrowed Company on the Class A Shares acquired by the Escrowed Company will be used to pay dividends on the preferred shares which are held by New BN. If a participant elects to contribute Class

A Shares as consideration, dividends paid to the Escrowed Company on the contributed Class A Shares will be paid on the common shares held by the participants. The Class A Shares acquired by an Escrowed Company will not be voted.

Except as otherwise determined by the New BN Board, 20% of Escrowed Shares will vest on the first anniversary of the granting of such shares, with an additional 20% vesting on each subsequent anniversary, up to and including the fifth anniversary of the grant of the Escrowed Shares.

On date(s) determined by the holders of the Escrowed Shares no later than ten years after the initial grant, the vested Escrowed Shares will be acquired by New BN in exchange for the issuance of Class A Shares from treasury, where the value of the Class A Shares being issued is equal to the value of the Escrowed Shares being acquired. The value of the Escrowed Shares will be equal to the increase in value of the Class A Shares held by the Escrowed Company since the grant date of the Escrowed Shares, based on the volume-weighted average price of a Class A Share on the NYSE on the date of the exchange. Participants are not permitted to exchange Escrowed Shares during a restricted trading period, except with the consent of the New BN Board. Once all participants of an Escrowed Company have elected to exchange their Escrowed Shares, the Escrowed Company will be wound up or merged into New BN and New BN will cancel at least that number of Class A Shares held by one or more Escrowed Companies that is equivalent to the number of Class A Shares that have been issued to holders of the Escrowed Shares of the Escrowed Company on exchanges.

Eligibility for participation in the New BN Escrowed Stock Plan is restricted to designated executives of New BN and its affiliates or any other persons designated by the New BN Board. Non-employee directors are not eligible to participate in the New BN Escrowed Stock Plan. The number of Escrowed Shares to be granted to each participant is determined at the discretion of the New BN Board, on the recommendation of the New BN GNCC. The New BN GNCC recommends the award of Escrowed Shares for the CEO. All other awards of Escrowed Shares are recommended by the CEO to the New BN GNCC.

The maximum number of Class A Shares issuable to any one person under the New BN Escrowed Stock Plan and any other security-based compensation arrangement of New BN and New BNC shall not exceed 5% of the outstanding Class A and Exchangeable Shares. The maximum number of Class A and Exchangeable Shares issuable to insiders of New BN and New BNC at any time, or issued in any one year to insiders, under any of New BN and New BNC's security-based compensation arrangements cannot exceed in either case 10% of the issued and outstanding Class A and Exchangeable Shares. Aside from transfers to New BN (in the case of termination of employment) or for personal tax planning purposes, transfers of Escrowed Shares are not permitted. No incremental entitlements are triggered by a change in control of New BN under the New BN Escrowed Stock Plan.

The New BN Escrowed Stock Plan sets out provisions regarding the exchange and forfeiture of Escrowed Shares following a change in the employment status of a plan participant. In general, all vested Escrowed Shares are exchangeable, and all unvested Escrowed Shares are forfeited on, a participant's termination date, except as follows: in the event of termination for cause, all vested and unvested Escrowed Shares are forfeited.

Procedure for Amending New BN Escrowed Stock Plan

The New BN Escrowed Stock Plan contains an amending provision setting out the types of amendments which can be approved by the New BN Board without shareholder approval and those which require shareholder approval. Shareholder approval is required for any amendment that increases the number of Class A Shares issuable under the New BN Escrowed Stock Plan, expands insider participation, any amendment which deletes or reduces the range of amendments which require shareholder approval, expands participation to include non-employee directors of New BN, any amendment to the amendment provisions, or other amendments required by law to be approved by shareholders. Shareholder approval is not required for any amendment to the New BN Escrowed Stock Plan that is of a housekeeping or administrative nature, that is necessary to comply with applicable laws or to qualify for favorable tax treatment, that is to vesting provisions, that is to the termination or early termination provisions (provided that the amendment does not entail an extension beyond the tenth anniversary of the award date for any particular Escrowed Company), and to suspend or terminate the New BN Escrowed Stock Plan.

Purpose of the New BNC Escrowed Stock Plan

The New BNC Escrowed Stock Plan is also intended to incent and retain designated executives or other persons designated by the New BN Board for an extended period and to further align their interests with those of other shareholders in a manner that is less dilutive than alternative long-term ownership plans such as option plans. The New BNC Escrowed Stock Plan will replace the BN escrowed stock plan following the Transaction. In connection with the Transaction, each outstanding escrowed share granted under BN’s escrowed stock plan will be exchanged for an escrowed share that will be exchangeable for Exchangeable Shares under the terms of the New BNC Escrowed Stock Plan and subject to the same transfer restrictions, vesting, forfeiture and other terms and conditions as were applicable to such BN escrowed shares prior to the exchange.

New BNC Escrowed Stock Plan Shares Reserved

A maximum of 36 million Exchangeable Shares may be issued under the New BNC Escrowed Stock Plan, representing approximately 1.4% of the estimated total number of Class A and Exchangeable Shares outstanding immediately following completion of the Transaction (based on the number of issued and outstanding BN Class A Shares and BWS Class A Shares as of May 28, 2026). When Exchangeable Shares are issued in exchange for non-voting common shares (the “**New BNC Escrowed Shares**”) of any corporation created to facilitate participation in the New BNC

New BNC Share Option Plan Resolution

See Appendix G "New BNC Share Option Plan Resolution" for the full text of the New BNC Share Option Plan Resolution.

In order for the New BNC Share Option Plan Resolution to be passed, it must be approved by (i) a majority (calculated on a combined basis) of the votes cast by the BN Class A Shareholders and BWS Class A Shareholders, and (ii) a majority (calculated on a combined basis) of the votes cast by the BN Class B Shareholder and BWS Class B Shareholder, in each case, who vote in person or by proxy at the Meetings.

The BN Board unanimously recommends that the BN Shareholders vote FOR the New BNC Share Option Plan Resolution.

The BWS Board unanimously recommends that the BWS Class A Shareholders and the BWS Class B Shareholder vote FOR the New BNC Share Option Plan Resolution.

Approval of the New BNC Share Option Plan by BN Class A Shareholders, the BN Class B Shareholder, BWS Class A Shareholders and the BWS Class B Shareholder is required by the TSX and has been made a condition precedent to completion of the Transaction.

At the BN Meeting, the management representatives of BN designated on the form of proxy to be completed by BN Shareholders intend to cast the votes represented by such proxy FOR the New BNC Share Option Plan Resolution, unless the BN Shareholder has specified on the forms of proxy that the BN Class A Shares or BN Class B Shares represented by such proxy are to be voted against the New BNC Share Option Plan Resolution.

At the BWS Meeting, the management representatives of BWS designated on the form of proxy to be completed by BWS Shareholders intend to cast the votes represented by such proxy FOR the New BNC Share Option Plan Resolution, unless the BWS Shareholder has specified on the forms of proxy that the BWS Class A Shares or BWS Class B Shares represented by such proxy are to be voted against the New BNC Share Option Plan Resolution.

Purpose of the New BNC Share Option Plan

Pursuant to the Transaction, each outstanding option to acquire a BN Class A Share held by retired Canadian participants (other than certain retired Canadian participants as set out in the Pre-Closing Notice) under BN's management share option plans will be exchanged for an option to acquire an Exchangeable Share under the New BNC Share Option Plan and subject to the same expiry, vesting, forfeiture, hold periods and other terms and conditions as were applicable to such BN option prior to the exchange. No future grants of options to acquire an Exchangeable Share under the New BNC Share Option Plan will be made following completion of the Transaction.

New BNC Share Option Plan Shares Reserved

A maximum of up to 2,000,000 Exchangeable Shares may be issued under the New BNC Share Option Plan, representing approximately 0.07% of the estimated total number of Class A and Exchangeable Shares outstanding immediately following completion of the Transaction (based on the number of issued and outstanding BN Class A Shares and BWS Class A Shares as of May 28, 2026). Based on the number of outstanding BN Class A Shares, BWS Class A Shares and options to acquire BN Class A Shares held by retired Canadian participants (other than certain retired Canadian participants as set out in the Pre-Closing Notice) under the BN management share option plans as of the May 28, 2026 and assuming the Transaction is completed, there would be options to acquire approximately 1,457,272 Exchangeable Shares outstanding under the New BNC Share Option Plan, representing approximately 0.05% of the estimated total number of the Class A and Exchangeable Shares outstanding immediately following completion of the Transaction. As noted above, no further grants of options to acquire Exchangeable Shares under the New BNC Share Option Plan will be made following completion of the Transaction.

Summary of the New BNC Share Option Plan

The New BNC Share Option Plan will have substantially similar terms as BN's management share option plans. The following is a summary of the principal terms of the New BNC Share Option Plan. The only persons eligible to participate in the New BNC Share Option Plan are those retired Canadian participants in BN's management share option plans as of completion of the Transaction.

The maximum number of Exchangeable Shares issuable to any one person under the New BNC Share Option Plan and any other security-based compensation arrangement of New BN and New BNC shall not exceed 5% of the outstanding Class A and Exchangeable Shares. The maximum number of Class A and Exchangeable Shares issuable to insiders of New BN and New BNC at any time, or issued in any one year to insiders, under any of New BN and New BNC's security-based compensation arrangements cannot exceed in either case 10% of the issued and outstanding Class A and Exchangeable Shares.

Under the New BNC Share Option Plan, vested options continue to be exercisable until the applicable expiry date; and in the event of death, all granted options continue to vest and be exercisable for six months following death. No incremental entitlements are triggered by a change in control of New BNC under the New BNC Share Option Plan.

The New BNC Share Option Plan permits participants to exercise vested options in exchange for a number of Exchangeable Shares equivalent in value to (i) the aggregate FMV of the Exchangeable Shares underlying the options on the exercise date over the aggregate exercise price of the options, less (ii) applicable withholding taxes (only to the extent such taxes have not otherwise been satisfied by the participant). This provides for a reduction in shareholder dilution upon the exercise of options using this feature.

Procedure for Amending the New BNC Share Option Plan

The New BNC Share Option Plan contains an amending provision setting out the types of amendments which can be approved by the New BN Board without shareholder approval and those which require shareholder approval. Shareholder approval is required for any amendment that increases the number of shares issuable under the New BNC Share Option Plan, lengthens the period of time after a blackout period during which options may be exercised, reduces the exercise price or any cancellation and reissuance of an option or other entitlement, expands the categories of eligible persons which may permit the introduction or reintroduction of non-employee directors on a discretionary basis, removes or exceeds the insider participation limit, extends the term of an option beyond its expiry date, permits options to be transferred or assigned (other than for normal estate planning purposes), any amendment to the amendment provisions, or other amendments required by law to be approved by shareholders. Shareholder approval is not required for any amendment to the New BNC Share Option Plan or any option that is of a housekeeping or administrative nature, that is necessary to comply with applicable laws or to qualify for favorable tax treatment, that is to the vesting, termination or early termination provisions (provided that the amendment does not entail an extension beyond the expiry period of the options), that adds or modifies a cashless exercise feature that provides for a full deduction of the number of Exchangeable Shares from the New BNC Share Option Plan share reserve, and to suspend or terminate the New BNC Share Option Plan.

Other Features of the New BNC Share Option Plan

New BNC does not provide any financial assistance to plan participants to facilitate the purchase of Exchangeable Shares issued pursuant to the exercise of options under the New BNC Share Option Plan. Options granted under the New BNC Share Option Plan may be assigned by the plan participant to (i) his or her spouse, descendants or any other immediate family member; or (ii) a trust, the beneficiaries of which are one or more of the plan participant and the participant's spouse, descendants or immediate family members; or (iii) a corporation or limited liability company controlled by the plan participant or by one or more of the participant and the participant's spouse, and/or the immediate family members, the shares or interests of which are held directly or indirectly by the plan participant, participant's spouse and/or immediate family members; or (iv) such other transferees for estate planning purposes as may be permitted by the New BN Board in its discretion.

Voting Rights

Under the Companies Acts and in accordance with the bye-laws of New BN, in addition to the election of directors, the approval of the shareholders of a company is required for, among other things, the following matters: (i) discontinuance of a company out of Bermuda to another jurisdiction; (ii) appointment of the auditor; (iii) alteration of the memorandum of association and bye-laws; (iv) an increase or reduction of capital; (v) removal of directors; and (vi) voluntary winding-up or dissolution. Generally, under Bermuda law, the vote of shareholders required to pass resolutions approving matters is a simple majority of votes cast at a meeting (or such other percentage vote as is specified in the bye-laws of New BN). However, a narrow set of other matters require higher majorities under the Companies Acts including loans to directors and statutory schemes of arrangements. Further, there are circumstances under the Companies Acts where shareholders are permitted to vote, whether or not their shares carry the right to vote, such as the alteration of the rights attached to their class of shares, amalgamations or mergers. The bye-laws of New BN provide that any alteration of New BN's memorandum of association and bye-laws, including any variation in the terms attached to any class of shares, or an amalgamation or merger is subject to the approval

Under the OBCA, the vote of shareholders required to pass a resolution is typically a majority or two-thirds of the votes cast on the resolution, depending upon the action being voted upon. A "special resolution" is a resolution passed by a majority of not less than two-thirds of the votes cast by the shareholders who voted in respect of that resolution, or that is signed by all the shareholders entitled to vote on that resolution. Matters requiring approval by special resolution include most amendments to the articles, approval of an amalgamation agreement, authorizing continuance in another jurisdiction, authorizing the sale, lease or exchange of all or substantially all of the corporation's assets except in the ordinary course of business, authorizing the voluntary liquidation and dissolution of the corporation, authorizing a reduction of stated capital in certain cases, and authorizing approval of additions to the stated capital. Matters requiring approval by a majority of the votes cast include confirmation, rejection or amendment of by-laws, and removal of directors. The election of directors and the appointment of the auditor are approved by ordinary resolution (a majority of the votes cast), subject to any applicable majority voting policy or valid higher threshold in the articles

Under the Companies Acts and in accordance with the BWS Bye-Laws, in addition to the election of directors, the approval of the shareholders of a company is required for, among other things, the following matters: (i) discontinuance of a company out of Bermuda to another jurisdiction; (ii) appointment of the auditor; (iii) alteration of the memorandum of association and bye-laws; (iv) an increase or reduction of capital; (v) removal of directors; and (vi) voluntary winding-up or dissolution. Generally, under Bermuda law, the vote of shareholders required to pass resolutions approving matters is a simple majority of votes cast at a meeting (or such other percentage vote as is specified in the BWS Bye-Laws). However, a narrow set of other matters require higher majorities under the Companies Acts including loans to directors and statutory schemes of arrangements. Further, there are circumstances under the Companies Acts where shareholders are permitted to vote, whether or not their shares carry the right to vote, such as the alteration of the rights attached to their class of shares, amalgamations or mergers. The BWS Bye-Laws provide that any alteration of BWS's memorandum of association and bye-laws, including any variation in the terms attached to any class of shares, or an amalgamation or merger (other than with a wholly-

Furthermore, the bye-laws of New BN provide that an amalgamation or merger is subject to the approval by (i) a majority of the votes cast by holders of the Class A Shares and the Class E Share on the resolution and a majority of the votes cast by holders of the Class B Shares on the resolution (instead of two-thirds as would generally be required under the OBCA) as well as (ii) the approval by a majority of the votes cast by all shareholders (including the holders of otherwise non-voting shares).

Under the bye-laws of New BN, any matter requiring the approval of holders of shares (excluding matters which may only require the vote of holders of an affected class of shares) must be approved by (i) a majority of the votes cast by the holders of the Class A Shares and the Class E Share who vote in respect of the resolution and (ii) a majority of the votes cast by the holders of the Class B Shares who vote in respect of the resolution. Except in a limited number of circumstances, the holder of the Class E Share shall be entitled to attend and vote at all general meetings at which holders of Class A Shares are entitled to attend and vote. The BWS Bye-Laws further provide that, BN, as the sole holder of BWS Class C Shares, is required to consent to a number of fundamental matters and will have the right, subject to applicable law, to require BWS to commence a members' voluntary liquidation of the company following the occurrence of certain events. For greater certainty, no consent or resolution of the BWS Class A Shares, BWS Class B Shares, or any other class of shares will be required in connection with the commencement of such members' voluntary liquidation by the holder of the BWS Class C Shares in addition to any class vote that may be required. Under the BWS Bye-Law, any matter requiring the approval of holders of shares (excluding those matters that only require approval of the BWS Class C Shareholder or matters which may only require the vote of holders of an affected class of shares) must be approved by a majority or, where a higher threshold is specified under applicable law, the higher percentage of the votes cast by holders of the BWS Class A Shares who vote in respect of the resolution and by a majority or, where a higher threshold is specified under applicable law, the higher percentage of the votes

Size of Board

The bye-laws of New BN provide that the board will be set at a minimum of four (4) and a maximum of sixteen (16) members or such number in excess thereof as the shareholders may determine, with (i) at least two directors being local residents of Bermuda, (ii) no more than two directors elected by holders of Class A Shares and the Class E Share being resident in any one other country (aside from Bermuda), and (iii) no more than two directors elected by holders of Class B Shares being resident in any one other country (aside from Bermuda). New BN's bye-laws may be amended to change the number of directors with the approval of a majority of the votes cast by holders of Class A Shares and the Class E Share and a majority of the votes cast by the holders of Class B Shares, in each case who vote in respect of the amendment.

The bye-laws of BN provide that the number of directors shall be the number provided in the articles of BN. The articles of BN currently fix the size of the board as having sixteen (16) members.

Election and Removal of Directors

The Companies Acts do not require that the directors elected at a meeting of shareholders be elected for different terms; however, in the absence of such determination by the shareholders of New BN, directors shall serve until the termination of the next annual general meeting following their appointment. In addition, the bye-laws of the company can provide for different terms. Under the bye-laws of New BN, no director term limits have been fixed. In addition, a majority voting policy consistent with TSX requirements is to be adopted.

shareholders of a company may, at a special general meeting called for that purpose, remove any director provided that the notice of the meeting is served on the director or directors concerned not less than 14 days before such meeting. Any director given notice of removal will be entitled to be heard at the special general meeting. A vacancy created by the removal of a director at a special general meeting may be filled at that meeting by the election of another director in his or her place or in the absence of any such election by the other directors.

Process to
Amend the
Governing
Instruments

New BN’s bye-laws provide that any alteration of New BN’s memorandum of association and bye-laws is subject to the approval by a majority of the votes cast by holders of the Class A Shares and the Class E Share on the resolution and a majority of the votes cast by holders of the Class B Shares on the resolution (instead of two-thirds as would generally be required under the OBCA).

Matters requiring approval by a majority of the votes cast include confirmation, rejection or amendment of the by-laws of BN. Matters requiring approval by special resolution include most amendments to the articles of BN.

The BWS Bye-Laws may be revoked or amended only by a resolution of the BWS Board passed by a majority of the directors. No revocation or amendment of the BWS Bye-Laws will be operative until approved by a resolution of the shareholders of BWS at a general meeting of the shareholders. In addition, any amendment to the memorandum of association of BWS or the BWS Bye-Laws requires the prior written consent of all of the holders of the BWS Class C Shares.

Special
Meetings of the
Shareholders

Under the Companies Acts, holders of not less than one-tenth of the paid-up capital of the company that carry the right to vote can require the directors to convene a special general meeting of the company for the purposes stated in the requisition. If the directors do not within 21 days of the date of deposit of the requisition proceed duly to convene a meeting, the requisitionists, or any of them representing more than one-half of the total voting rights of all of them, may themselves convene the meeting, but any meeting so convened shall not be held after the expiration of three months.

The OBCA permits the holders of not less than 5% of the issued shares of a corporation that carry the right to vote to require the directors to call and hold a meeting of the shareholders of the corporation for the purposes stated in the requisition. Subject to certain exceptions, if the directors fail to provide notice of a meeting within 21 days of receiving the requisition, any shareholder who signed the requisition may call the meeting.

Limitation of
Liability and
Indemnification
of Directors and
Officers

The directors and officers of a Bermuda company may be indemnified and secured harmless out of the assets of such company from and against all actions, costs, charges, liabilities, losses, damages and expenses which they or any of their heirs, executors or administrators, shall or may incur or sustain by or by reason of any act done, concurred in or omitted in or about the execution of the company's business, or their duty, or supposed duty, or in their respective offices or trusts. However, the indemnity described above shall not extend to any matter in respect of any fraud or dishonesty which may attach to any of the persons described above, in which case it would be rendered void and unenforceable.

Where an auditor, director or officer is found liable to any person for damages arising out of the performance of any functions as such auditor, director or officer as contemplated by the Companies Acts, an auditor, director or officer may be liable jointly and severally only if it is proved that he or she knowingly engaged in fraud or dishonesty. In all other cases, the court may determine the percentage of responsibility of an auditor, director or officer.

Subject to the Companies Acts, New BN will indemnify every current or former director and officer against all liabilities, loss, damage or expense (including, but not limited to,

The OBCA permits indemnification of a director or officer, a former director or officer or a person who acts or acted at the corporation's request as a director or officer of another entity, against all costs, charges and expenses, including an amount paid to settle an action or satisfy a judgment, reasonably incurred by him or her in respect of any civil, criminal, administrative, investigative, or other proceeding to which he or she is involved by reason of being or having been a director or officer of the corporation or another entity, if: (i) he or she acted honestly and in good faith with a view to the best interests of the corporation or other entity, and (ii) in the case of a criminal or administrative action or proceeding that is enforced by a monetary penalty, he or she had reasonable grounds for believing that his or her conduct was lawful. Under the OBCA, a corporation may also, with court approval, indemnify an indemnifiable person in respect of an action by or on behalf of the corporation or other entity to procure a judgment in its favor, to which the person is made a party by reason of being or having been a director or an officer of the corporation or other entity, against all costs, charges and expenses reasonably incurred by the person in connection with such action if he or she fulfills the conditions set out in clauses (i) and (ii) above. In any event, an indemnifiable person is entitled

liabilities under contract, tort and statute or any applicable foreign law or regulation and all reasonable legal and other costs including defence costs incurred in defending any legal proceedings whether civil or criminal) incurred by them by reason of any act or omission in the conduct of New BN's business or in the discharge of their duties. No director or officer will be liable to New BN for the acts of any other director or officer. Each shareholder of New BN agrees to waive any claim or right of action he or she may have against any director or officer on account of any action taken by the director or officer in the performance of his or her duties, except for such claims or rights arising from fraud by the director or officer or to recover any gain, personal profit or advantage to which such director or officer is not legally entitled.

New BN will advance monies to any director or officer for the costs, charges and expenses he or she may incur in defending any civil or criminal proceedings against him or her upon receipt of an undertaking that the director or officer will repay any portion of the advance that is attributed to a claim of fraud or dishonesty if such claim is proven against the director or officer. No monies will be paid unless determined that the indemnification of the director or officer would be proper in the circumstances because the director or officer has met a standard of conduct which would entitle him or her to indemnification as determined by the New BN Board, by legal counsel where a duly constituted meeting of the New BN Board cannot be convened, or by a majority vote of New BN's shareholders.

to indemnify from the corporation in respect of all costs, charges and expenses reasonably incurred by him or her in connection with the defense of any civil, criminal, administrative investigative action or other proceeding to which he or she is made a party by reason of being or having been a director or officer of the corporation, if the indemnifiable person was not judged by a court or other competent authority to have committed any fault or omitted to do anything that the individual ought to have done, fulfills the conditions set out in clauses (i) and (ii) above, and is fairly and reasonably entitled to indemnity.

Under the OBCA, directors who vote for or consent to a resolution authorizing the issuance of a share of a corporation for consideration other than money are jointly and severally liable to the corporation to make good any amount by which the consideration received by the corporation is less than the fair equivalent of the money that the corporation would have received if the share had been issued for money on the date of the resolution, provided that a director is not liable pursuant to the foregoing if he or she proves he or she did not know and could not reasonably have known that the share was issued for consideration less than the fair equivalent of the money that the corporation would have received had the share been issued for money. In addition, directors who vote or consent to certain resolutions, including, resolutions approving payments or distributions by the corporation contrary to the OBCA are jointly and severally liable to restore to the corporation any amounts so paid and the value of any property so distributed and not otherwise recovered by the corporation. The OBCA does not otherwise

Dividends and Distributions	Under the Companies Acts, subject to any limitations or provisions to the contrary in the memorandum of association and bye-laws of a company, a company may, by resolution of directors, declare and pay dividends in money, shares or other property. A company must not declare or pay a dividend, or make a distribution out of contributed surplus, if there are reasonable grounds for believing that the company is, or would after the payment be, unable to pay its liabilities as they become due or the realizable value of the company's assets would thereby be less than its liabilities. See "Information Concerning New BN – Distribution Policy" for further details.	Under the OBCA, the directors may declare, and the corporation may pay a dividend by issuing fully paid shares of the corporation and, subject to the solvency test described in the following sentence, a corporation may pay a dividend in money or property. The directors are prohibited from declaring and the corporation is prohibited from paying a dividend if there are reasonable grounds for believing that the corporation is or, after the payment would be, unable to pay its liabilities as they become due, or if the realizable value of the corporation's assets would thereby be less than the aggregate of its liabilities and its stated capital of all classes. The OBCA also permits a corporation, subject to its articles, to purchase or otherwise acquire any of its issued shares, provided that no payment to purchase or otherwise acquire shares issued by it may be made unless the solvency test described above is satisfied at the time of, and after, such payment. Shares repurchased by an OBCA corporation are generally cancelled. See "Information Concerning BN – Distribution Policy" for further details.	Same as New BN. However, a corporation may not make any payment to purchase or redeem any redeemable shares issued by it if there are reasonable grounds for believing that the corporation is or, after the payment, would be unable to pay its liabilities as they become due, or after the payment, the realizable value of the corporation's assets would be less than the aggregate of its liabilities and the amount that would be required to pay the holders of shares who have a right to be paid, on a redemption or in a liquidation, rateably with or before the holders of the shares to be purchased or redeemed, to the extent that the amount has not been included in its liabilities.

Liquidation

The Class A Shares and the Class B Shares shall rank on parity with each other and shall rank after the New BN Senior Preferred Shares and New BN Junior Preferred Shares with respect to returns of capital on the liquidation, dissolution or winding-up of New BN. After payment to holders of the New BN Senior Preferred Shares and New BN Junior Preferred Shares and any other shares ranking prior to the Class A Shares, the holders of the Class A Shares and Class B Shares shall be entitled to receive the remaining property of New BN on dissolution.

The BN Class A Shares and BN Class B Shares rank on par with each other with respect to the payment of dividends and the return of capital on the liquidation, dissolution or winding-up of BN or any other distribution of the assets of BN among its shareholders for the purpose of winding-up its affairs.

Upon any liquidation, dissolution or winding-up of BWS or any other distribution of BWS's assets among the BWS Shareholders for the purpose of winding-up BWS's affairs, including whether substantially concurrent with the liquidation, dissolution or winding-up of BN or any other distribution of BN's assets among its shareholders for the purpose of winding-up its affairs, and subject to the prior rights of holders of all classes and series of BWS's senior preferred shares and any other class of shares of BWS ranking in priority or ratably with the BWS Class A Shares and after the payment in full of any unpaid distributions, the holders of BWS Class A Shares shall be entitled to one BN Class A Share per BWS Class A Share held (subject to adjustment in the event of certain capital events by BWS or BN) or its cash equivalent based on the NYSE closing price of one BN Class A Share on the trading day immediately preceding announcement of such liquidation, dissolution or

winding-up (the form of payment to be determined at the election of BWS). If, upon any such liquidation, dissolution or winding-up, the assets of BWS are insufficient to make such payment in full, then the assets of BWS will be distributed among the holders of BWS Class A Shares and BWS Class B Shares ratably in proportion to the full amounts to which they would otherwise be respectively entitled to receive.

Notwithstanding the foregoing, upon any liquidation, dissolution or winding-up of BWS, BN may elect to acquire all but not less than all of the outstanding BWS Class A Shares for one BN Class A Share per BWS Class A Shares (subject to adjustment in the event of certain capital events by BWS or BN) plus all unpaid distributions, if any. The acquisition by BN of all the outstanding BWS Class A Shares will occur on the day prior to the effective date of the liquidation, dissolution or winding-up of BWS.

Fiduciary Duties The Companies Acts provide that every director and officer of a company in performing their functions shall act honestly and in good faith with a view to the best interests of the company and exercise the care, diligence and skill that a reasonably prudent person would exercise in comparable circumstances. Each director also has certain fiduciary duties at common law which he or she must exercise in good faith for the benefit of the company as a whole, including a duty of loyalty to the company, a duty not to allow any personal outside interest to conflict with the company's interest, not to make secret profits or otherwise take advantage of their fiduciary position, and to exercise their powers as directors only for proper corporate purposes. In doing so, he or she must use his or her powers for the purposes for which they are intended and

The OBCA provides that every director and officer of a corporation governed by the OBCA, in exercising his or her powers and discharging his or her duties, shall act honestly and in good faith with a view to the best interests of the corporation, and exercise the care, diligence and skill that a reasonably prudent person would exercise in comparable circumstances. Every director and officer of a corporation governed by the OBCA must comply with the provisions of the OBCA, the regulations thereunder, and the articles and by-laws and any unanimous shareholder agreement of such corporation. No provision in a contract, the articles, the by-laws or any resolution relieves a director or officer from the duty to act in accordance with the OBCA or the regulations thereunder, or relieves him or her of liability for a breach of either, except

where an unanimous shareholder agreement restricts the powers of the directors to manage the business and affairs of a corporation, in which case the shareholders incur the liabilities of the directors to the extent to which said powers are restricted and the directors are thereby relieved of their duties and liabilities.

Protection of Shareholders

Class actions and derivative actions are generally not available to shareholders under Bermuda law. The Bermuda courts, however, would ordinarily be expected to permit a shareholder to commence an action in the name of a company to remedy a wrong to the company where the act complained of is alleged to be beyond the corporate power of the company or is illegal or would result in the violation of the company's memorandum of association or bye-laws. Furthermore, consideration would be given by a Bermuda court to acts that are alleged to constitute fraud against the minority shareholders or, for instance, where an act requires the approval of a greater percentage of the company's shareholders than that which actually approved it.

Under the Companies Acts, a minority oppression remedy also exists. When the affairs of a company are perceived by a shareholder as being conducted in a manner which is oppressive or prejudicial to the interests of some part of the shareholders, a shareholder appearing in the register of shareholders may apply to the Bermuda court, which may make such order as it sees fit, including an order regulating the conduct of the company's affairs in the future or ordering the purchase of the shares of any shareholders by other shareholders or by the company.

Under the OBCA, a current or former registered or beneficial shareholder may apply to the court for leave to bring an action in the name of and on behalf of a corporation or any of its subsidiaries, or intervene in an action to which any such body corporate is a party, for the purpose of prosecuting, defending or discontinuing the action on behalf of the body corporate. The court must be satisfied that the complainant has given reasonable notice to the directors of the corporation or its subsidiary of his or her intention to apply to the court, the directors of the corporation or its subsidiaries will not bring, diligently prosecute, defend or discontinue the action, that the complainant is acting in good faith and that it appears to be in the interests of the corporation or its subsidiaries that the action be brought, prosecuted, defended or discontinued. The OBCA provides that the court in a derivative action may make any order it thinks fit including, without limitation: (i) an order authorizing the complainant or any other person to control the conduct of the action; (ii) an order giving directions for the conduct of the action; (iii) an order directing that any amount adjudged payable by a defendant in the action shall be paid, in whole or in part, directly to the former and present shareholders of the corporation or its subsidiary instead of to the corporation or its subsidiary; and (iv) an order requiring the corporation or its subsidiary to pay reasonable legal fees incurred

Same as New BN.

by the complainant in connection with the action.

The OBCA provides an oppression remedy that enables the court to make any order, both interim and final, to rectify the matters complained of, if the court is satisfied upon the application by a complainant that: (i) any act or omission of a corporation or an affiliate effects or threatens to effect a result; (ii) the business or affairs of a corporation or an affiliate are or have been carried on or conducted in a manner; or (iii) the powers of the directors of a corporation or an affiliate are, have been or are threatened to be exercised in a manner that is oppressive or unfairly prejudicial to, or unfairly disregards the interest of, any security holder, creditor, director or officer of the corporation. A complainant means (i) a registered holder or beneficial owner, or a former registered holder or beneficial owner, of a security of a corporation or any of its affiliates; (ii) a director or an officer or a former director or officer of a corporation or of any of its affiliates; or (iii) any other person who, in the discretion of the court, is a proper person to make such application. Because of the breadth of conduct which can be complained of and the scope of the court's remedial powers, the oppression remedy is very flexible and is sometimes relied upon to safeguard the interests of shareholders and other complainants with a substantial interest in the corporation. Under the OBCA, it is not necessary to prove that the directors of a corporation acted in bad faith in order to seek an oppression remedy. Furthermore, a court may order the corporation to pay the interim expenses of a complainant seeking an oppression remedy, but the complainant may be held accountable for such interim costs on final disposition of the complaint (as in the case of a derivative action).

In the absence of this provision, under the U.S. Securities Act, U.S. federal and state courts have been found to have concurrent jurisdiction over suits brought to enforce duties or liabilities created by the U.S. Securities Act. ELIGIBILITY FOR INVESTMENT

In the opinion of McCarthy Tétrault LLP, counsel to BN and BWS, based on the provisions of the Tax Act and the Regulations, the Class A Shares will be “qualified investments” under the Tax Act for trusts governed by registered retirement savings plans (“RRSPs”), registered retirement income funds (“RRIFs”), registered education savings plans (“RESPs”), registered disability savings plans (“RDSPs”), tax-free savings accounts (“TFSA”) and first home savings accounts (“FHSAs”), as those terms are defined in the Tax Act (collectively, RRSPs, RRIFs, RESPs, RDSPs, TFSAs and FHSAs are referred to as “Registered Plans”) or deferred profit sharing plans (“DPSPs”) (as defined in the Tax Act), provided that the Class A Shares are listed on a “designated stock exchange” for the purposes of the Tax Act (which currently includes the TSX and NYSE).

The annuitant, holder or subscriber, as applicable, of a Registered Plan will be subject to a penalty tax in respect of the Class A Shares held by a trust governed by such Registered Plan, as the case may be, if such Class A Shares are a “prohibited investment” for such Registered Plan for the purposes of the Tax Act. The Class A Shares will not be a prohibited investment for a Registered Plan, provided that the annuitant, holder or subscriber of such a Registered Plan, as the case may be: (i) deals at arm’s length with New BN for purposes of the Tax Act and (ii) does not have a “significant interest” within the meaning of the Tax Act in New BN. In addition, the Class A Shares will not be a prohibited investment if the Class A Shares are “excluded property” as defined in the Tax Act for trusts governed by a Registered Plan. Holders who intend to hold Class A Shares in a Registered Plan should consult their own tax advisors.

Registered Plans and DPSPs will not be Eligible Canadian Holders and will therefore not qualify to acquire Exchangeable Shares under the Transaction.

CERTAIN CANADIAN FEDERAL INCOME TAX CONSIDERATIONS

The following is, as of the date of this Transaction Supplement, a summary of the principal Canadian federal income tax considerations under the Tax Act relating to the Transaction generally applicable to a beneficial owner of BN Class A Shares or BWS Class A Shares who, for purposes of the Tax Act and at all relevant times: (i) holds BN Class A Shares and/or BWS Class A Shares, and will hold Class A Shares and/or Exchangeable Shares, as capital property; and (ii) deals at arm's length with, and is not affiliated with, BN, BWS, New BN, New BNC, Can Topco, Can Topco 2 or a New BN Designee (a **"Holder"**). Generally, BN Class A Shares, BWS Class A Shares, Class A Shares and/or Exchangeable Shares (collectively, the **"Shares"**), as applicable, will be capital property to a Holder, provided that the Holder does not acquire, hold or use the Shares in the course of carrying on a business or as part of an adventure or concern in the nature of trade.

Certain Holders resident in Canada for purposes of the Tax Act who might not otherwise be considered to hold their BN Class A Shares as capital property may be entitled to make, or may have already made, an irrevocable election under subsection 39(4) of the Tax Act to have their BN Class A Shares and all other "Canadian securities" (as defined in the Tax Act) owned or subsequently acquired by such Holder treated as capital property in the taxation year in which the election is made and in all subsequent taxation years. Canadian-resident Holders whose BN Class A Shares might not otherwise be considered to be capital property should consult their own tax advisors concerning this election. Exchangeable Shares received by an Eligible Canadian Holder under a section 85 election in respect of BN Class A Shares, as described below, will not be a "Canadian security" for this purpose. Holders should consult their own tax advisors for advice with respect to whether an election under subsection 39(4) is available in their particular circumstances.

This summary does not apply to a Holder who acquired BN Class A Shares under a BN Long-Term Share Ownership Plan or who acquired BWS Class A Shares under a BWS Long-Term Share Ownership Plan. Those Holders should consult their own tax advisors.

This summary is based on the current provisions of the Tax Act and the regulations thereunder (the **"Regulations"**), in force as of the date hereof, and an understanding of the current administrative policies of the CRA published in writing by it prior to the date hereof. This summary takes into account all specific proposals to amend the Tax Act publicly announced by or on behalf of the Minister of Finance (Canada) prior to the date hereof (the **"Tax Proposals"**) and assumes that all Tax Proposals will be enacted as proposed. However, no assurances can be given that the Tax Proposals will be enacted as proposed, or at all. This summary does not otherwise take into account or anticipate any changes in law or administrative policy whether by legislative, administrative or judicial action nor does it take into account tax legislation or considerations of any province, territory or foreign jurisdiction, which may differ from those discussed herein.

This summary is of a general nature only and is not, and is not intended to be, legal or tax advice to any particular Holder. This summary is not exhaustive of all Canadian federal income tax considerations applicable to the Transaction. Accordingly, Holders should consult their own tax advisors having regard to their own particular circumstances.

Subject to certain exceptions that are not discussed herein, for purposes of the Tax Act, all amounts relating to the acquisition, holding or disposition of Shares (including dividends, adjusted cost base and proceeds of disposition) not otherwise expressed in Canadian dollars must be converted into Canadian dollars based on the daily foreign exchange rate quoted by the Bank of Canada for the applicable day or such other rate of exchange that is acceptable to the Minister of National Revenue (Canada).

Holders Resident in Canada

This portion of the summary generally applies to a Holder who, at all relevant times, for purposes of the Tax Act and any applicable income tax treaty or convention, is, or is deemed to be, resident in Canada (a **"Resident Holder"**). It does not apply to a Holder (i) an interest in which is a "tax shelter investment" (as defined in the Tax Act); (ii) that is a "financial institution" for the purposes of the mark-to-market rules contained in the Tax Act; (iii) that is a "specified financial institution" (as defined in the Tax Act); (iv) that has elected to report its "Canadian tax results" (as defined in the Tax Act) in a currency other than Canadian currency; (v) that has entered into, or will enter into, a "derivative

forward agreement” or “synthetic disposition arrangement” (each as defined in the Tax Act) in respect of the Shares, (vi) that is exempt from tax under Part I of the Tax Act; or (vii) in respect of whom New BN or BWS is or will be a “foreign affiliate” (as defined in the Tax Act). Those Holders should consult their own tax advisors.

Additional considerations, not discussed herein, may apply to a Holder that is a corporation resident in Canada for purposes of the Tax Act and is or becomes (or does not deal at arm’s length for purposes of the Tax Act with a corporation resident in Canada that is or becomes), as part of a transaction or series of transactions that includes the Transaction, controlled by a non-resident person or a group of non-resident persons that do not deal with each other at arm’s length (for purposes of the Tax Act) for purposes of the “foreign affiliate dumping” rules in section 212.3 of the Tax Act. Such Holders should consult their own tax advisors.

This summary does not address the “offshore investment fund property rules” in the Tax Act. Resident Holders should consult their own tax advisors with respect to how such rules may apply to their own particular circumstances.

Exchange of BWS Class A Shares

A Resident Holder that exchanges BWS Class A Shares for consideration consisting of Class A Shares will be deemed to have disposed of such BWS Class A Shares pursuant to the Transaction under a tax-deferred foreign share-for-share exchange under subsection 85.1(5) of the Tax Act unless, immediately after the exchange, such Resident Holder, persons with whom the Resident Holder does not deal with at arm’s length (for purposes of the Tax Act), or the Resident Holder together with all such persons, controls New BN (for purposes of the Tax Act), beneficially owns shares of the capital stock of New BN having a FMV of more than 50% of the FMV of all outstanding shares of the capital stock of New BN, or the Resident Holder has included in computing its income any portion of the gain or loss, otherwise determined, realized on the disposition.

Where subsection 85.1(5) of the Tax Act applies, the Resident Holder will be deemed to have disposed of the BWS Class A Shares for proceeds of disposition equal to the aggregate “adjusted cost base” (as defined in the Tax Act) of those BWS Class A Shares to the Resident Holder, determined immediately before the exchange, and the Resident Holder will be deemed to have acquired the Class A Shares received on the exchange at an aggregate cost equal to such adjusted cost base of the BWS Class A Shares.

Exchange of BN Class A Shares

Exchange of BN Class A Shares for Class A Shares

A Resident Holder that exchanges BN Class A Shares for consideration therefor consisting solely of Class A Shares pursuant to the Transaction will generally have a taxable disposition of the BN Class A Shares. Such Resident Holder will be considered to have disposed of such BN Class A Shares for proceeds of disposition equal to the aggregate FMV, at the time of the disposition, of the Class A Shares acquired. Such Resident Holder will generally realize a capital gain (or capital loss) in the taxation year of the disposition equal to the amount by which such proceeds of disposition are greater (or are less) than the aggregate of the “adjusted cost base” (as defined in the Tax Act) to the Resident Holder of the BN Class A Shares immediately before the disposition and any reasonable costs of disposition. The general tax treatment of capital gains and capital losses is discussed below under the section titled “Certain Canadian Federal Income Tax Considerations – Holders Resident in Canada – Taxation of Capital Gains and Losses”.

Exchange of BN Class A Shares for Exchangeable Shares

Subject to the limitations and conditions described below, New BNC will make a joint election under subsection 85(1) or subsection 85(2), as applicable, of the Tax Act (and the corresponding provisions of any applicable provincial tax legislation) with an Eligible Canadian Holder who validly elects to receive Exchangeable Shares (including any ancillary rights) as full or partial consideration for their BN Class A Shares, at the agreed amount selected by such Eligible Canadian Holder subject to the limitations under the Tax Act (the “**Elected Amount**”). Subject to the limitations under the Tax Act described generally below, the Elected Amount will be treated for the purposes of the Tax Act as the Eligible Canadian Holder’s proceeds of disposition of its BN Class A Shares.

The comments herein with respect to such elections are provided for general assistance only. The law in this area is complex and contains numerous technical requirements. Eligible Canadian Holders wishing to receive Exchangeable Shares in exchange for their BN Class A Shares should consult their own tax advisors.

Elected Amount

In general, the Elected Amount is subject to the following limitations in respect of the BN Class A Shares that are the subject of the election:

- the Elected Amount may not be less than the aggregate amount of (i) the FMV of any Class A Shares received on the exchange and (ii) the aggregate FMV of any ancillary rights received on the exchange;
- the Elected Amount may not be less than the lesser of (i) the “adjusted cost base” (as defined in the Tax Act) to the Eligible Canadian Holder of its BN Class A Shares disposed of, determined immediately before the time of the disposition, and (ii) the FMV of the BN Class A Shares disposed of at that time; and
- the Elected Amount may not be greater than the FMV at the time of the disposition of the BN Class A Shares so disposed of.

Elected Amounts which do not comply with these limitations will be automatically adjusted pursuant to the provisions of the Tax Act so that they comply. Any reference to an Elected Amount herein refers to the Elected Amount that complies (or is adjusted to comply) with these limitations.

Tax Treatment

Where a Resident Holder who is an Eligible Canadian Holder and New BNC make a joint election under subsection 85(1) or subsection 85(2) of the Tax Act, as applicable, the treatment to such Eligible Canadian Holder generally will be as follows:

- the Eligible Canadian Holder will be deemed to realize proceeds of disposition equal to the Elected Amount;
- if the proceeds of disposition are equal to the aggregate of the adjusted cost base to the Eligible Canadian Holder of the BN Class A Shares, determined immediately before the disposition, and any reasonable costs of disposition, no capital gain or capital loss will be realized by the Eligible Canadian Holder;
- to the extent that the proceeds of disposition of the BN Class A Shares exceed the aggregate of the adjusted cost base to the Eligible Canadian Holder of the BN Class A Shares, determined immediately before the disposition, and any reasonable costs of disposition, the Eligible Canadian Holder will, in general, realize a capital gain;
- the cost to the Eligible Canadian Holder of any ancillary rights received on the exchange will be equal to the FMV thereof at that time;
- the cost to the Eligible Canadian Holder of any Class A Shares received on the exchange will be equal to the FMV thereof at that time; and
- the cost to the Eligible Canadian Holder of Exchangeable Shares received on the exchange will be equal to the amount by which the proceeds of disposition exceed the sum of: (i) the FMV of any Class A Shares received on the exchange and (ii) the aggregate FMV of any ancillary rights received on the exchange.

Procedure for Making a Tax Election

New BNC has agreed to make an election with each Eligible Canadian Holder that validly elects to receive Exchangeable Shares (including any ancillary rights) as full or partial consideration for their BN Class A Shares at the amount determined by such electing Eligible Canadian Holder, subject to the limitations set out in subsection 85(1)

or subsection 85(2) of the Tax Act (or any applicable provincial income tax law) (a “**Tax Election**”). In connection with making a Tax Election, electing Eligible Canadian Holders will be provided with access to a dedicated online platform through which the Tax Election process will be administered (the “**Tax Election Portal**”).

The Tax Election Portal will be made available the day following the Effective Date and will be open until the date that is sixty (60) days following the Effective Date (the “**Tax Election Portal Closing Date**”). To complete a Tax Election, an electing Eligible Canadian Holder must make a valid submission on the Tax Election Portal no later than the Tax Election Portal Closing Date. The information necessary to make a valid submission on the Tax Election Portal will include the number of BN Class A Shares transferred, the number of Class A Shares (if any) and Exchangeable Shares that the Eligible Canadian Holder has elected to receive, and the applicable Elected Amounts for the purposes of such Tax Election. New BNC will make a Tax Election only with an Eligible Canadian Holder, and at the Elected Amounts subject to the limitations set out in subsection 85(1) or subsection 85(2) of the Tax Act (and any applicable provincial tax law).

For brokers or other intermediaries acting on behalf of multiple electing Eligible Canadian Holders, a bulk submission process will be made available.

Subject to the submission on the Tax Election Portal made by the electing Eligible Canadian Holder complying with the procedures set out on the Tax Election Portal and the provisions of the Tax Act (and any applicable provincial income tax law) and provided the submission is made no later than the Tax Election Portal Closing Date, a Tax Election form will be signed by New BNC and delivered to the electing Eligible Canadian Holder, within thirty (30) days of receipt of such submission on the Tax Election Portal, for filing with the CRA (or the applicable provincial tax authority). Other than the foregoing obligation, none of BN, New BN, New BNC, any of their affiliates, nor any successor corporation shall be responsible for the proper completion of any Tax Election form, nor for any taxes, interest or penalties resulting from the failure of an electing Eligible Canadian Holder to properly complete or file such Tax Election form in the form and manner and within the time prescribed by the Tax Act (or any applicable provincial tax law), and each electing Eligible Canadian Holder is solely responsible for ensuring the Tax Election is completed correctly and filed with the CRA (and any applicable provincial tax authority) by the required deadline. With the exception of the execution and delivery of completed Tax Election forms within thirty (30) days of receiving a valid submission from an electing Eligible Canadian Holder through the Tax Election Portal in accordance with the procedures set out thereon, compliance with the requirements for making a valid Tax Election will be the sole responsibility of the electing Eligible Canadian Holder making the election.

For the CRA to accept a Tax Election without a late filing penalty being paid by an electing Eligible Canadian Holder, the Tax Election form must be received by the CRA on or before the day that is the earliest of the days on or before which either New BNC or the electing Eligible Canadian Holder (or any partner thereof where the electing Eligible Canadian Holder is a partnership) is required to file an income tax return for the taxation year in which the disposition occurs. New BNC’s 2026 taxation year is scheduled to end on December 31, 2026. New BNC’s income tax return is required to be filed within six (6) months of its taxation year end. Electing Eligible Canadian Holders are urged to consult their own advisors as soon as possible respecting the deadlines (including, where applicable, provincial deadlines) applicable to their own particular circumstances; however, regardless of such deadlines, information necessary for an electing Eligible Canadian Holder to make a Tax Election must be received by New BNC in accordance with the procedures set out on the Tax Election Portal no later than the Tax Election Portal Closing Date.

Any electing Eligible Canadian Holder who does not make a valid submission on the Tax Election Portal in accordance with the procedures set out thereon within the time period noted above may not be able to benefit from the tax deferral provisions in subsections 85(1) and 85(2) of the Tax Act (or the corresponding provisions of any applicable provincial income tax law). Accordingly, all electing Eligible Canadian Holders who wish to make a Tax Election with New BNC should give their immediate attention to this matter. Electing Eligible Canadian Holders are referred to Information Circular 76 -19R3 and Interpretation Bulletin IT-291R3 (archived) issued by the CRA for further information respecting the Tax Election. Electing Eligible Canadian Holders wishing to make the Tax Election are urged to consult their own tax advisors without delay. The comments herein and on the Tax Election Portal with respect to the Tax Election are provided for general assistance only. The law in this area is complex and contains numerous technical requirements.

The Tax Election Portal will be available at brookfieldtaxelection.kpmg.ca.

Receipt of Ancillary Rights

An Eligible Canadian Holder who receives Exchangeable Shares in consideration for their BN Class A Shares will receive ancillary rights in respect of the Exchangeable Shares, described under the section titled “Information Concerning New BNC – Description of Exchangeable Shares”. Such Eligible Canadian Holder will be required to account for the ancillary rights in determining the proceeds of disposition of the BN Class A Shares and the cost to the Eligible Canadian Holder of the Exchangeable Shares. New BNC considers that the ancillary rights have a nominal FMV. This determination of value is not binding on the CRA and it is possible that the CRA could take a contrary view.

Class A Shares

Dividends on Class A Shares

The amount of a dividend received or deemed to be received on a Class A Share by a Resident Holder who is an individual will be included in computing such Resident Holder’s income for the taxation year in which such dividend is received and will not be subject to the gross-up and dividend tax credit rules in the Tax Act.

The amount of a dividend received or deemed to be received on a Class A Share by a Resident Holder that is a corporation will be included in the corporation’s income and will generally not be deductible in computing its taxable income.

Any foreign withholding tax on such dividends generally should be eligible, subject to the specific rules and limitations under the Tax Act, to be credited against the Resident Holder’s income tax or deducted from income.

A Resident Holder that is, throughout the relevant taxation year, a “Canadian-controlled private corporation” (as defined in the Tax Act) or, at any time during the year, a “substantive CCPC” (as defined in the Tax Act), may be liable to pay an additional tax (refundable in certain circumstances) on such Resident Holder’s “aggregate investment income” (as defined in the Tax Act) for the year, which will generally include dividends received on the Class A Shares. Resident Holders that are corporations are advised to consult their own tax advisors.

Distributions by way of a Reduction of Share Capital on Class A Shares

Any distributions by way of a reduction of share capital paid or payable to a Resident Holder on a Class A Share will not be included in computing the Resident Holder’s income but will reduce the “adjusted cost base” (as defined in the Tax Act) to the Resident Holder of the Class A Share. To the extent that a Resident Holder’s adjusted cost base would otherwise be a negative amount, the negative amount will be deemed to be a capital gain realized by the Resident Holder and the adjusted cost base of the Class A Share to the Resident Holder will be nil immediately thereafter. The general tax treatment of capital gains and capital losses is discussed below under the section titled “Certain Canadian Federal Income Tax Considerations – Holders Resident in Canada – Taxation of Capital Gains and Losses”.

Disposition of Class A Shares

A Resident Holder who disposes of, or is deemed to have disposed of, a Class A Share will generally realize a capital gain (or capital loss) in the taxation year of the disposition or deemed disposition equal to the amount by which the proceeds of disposition are greater (or are less) than the aggregate “adjusted cost base” (as defined in the Tax Act) to the Resident Holder of the Class A Share immediately before the disposition or deemed disposition and any reasonable costs of disposition. The general tax treatment of capital gains and capital losses is discussed below under the section titled “Certain Canadian Federal Income Tax Considerations – Holders Resident in Canada – Taxation of Capital Gains and Losses”.

For purposes of determining the adjusted cost base to a Resident Holder of each Class A Share acquired pursuant to the Transaction, the cost of such Class A Share will be averaged with the adjusted cost base of any other Class A Shares of the same class held by the Resident Holder as capital property.

Exchangeable Shares

Dividends on Exchangeable Shares

A Resident Holder will be required to include in computing its income for a taxation year the amount of any dividends received (or deemed to be received) on its Exchangeable Shares.

In the case of a Resident Holder that is an individual (other than certain trusts), such dividends will be subject to the gross-up and dividend tax credit rules applicable to taxable dividends received or deemed to be received from “taxable Canadian corporations” (as defined in the Tax Act), including the enhanced gross-up and dividend tax credit applicable to any dividends designated by New BNC as eligible dividends in accordance with the provisions of the Tax Act. New BNC may be subject to restrictions on its ability to make such designations under the Tax Act, and has made no commitment in this regard.

For a Resident Holder that is a corporation, the amount of any such taxable dividend that is included in computing its income for a taxation year will generally be deductible in computing its taxable income for that taxation year. In certain circumstances, subsection 55(2) of the Tax Act will treat a taxable dividend received or deemed to be received by a Resident Holder that is a corporation as proceeds of disposition or a capital gain, to the extent and under the circumstances specified in the Tax Act. Resident Holders that are corporations should consult their own tax advisors having regard to their own particular circumstances.

A Resident Holder that is a “private corporation” or a “subject corporation” (as defined in the Tax Act) may be liable to pay a tax under Part IV of the Tax Act (which generally is refundable, subject to the detailed rules of the Tax Act) on the amount of dividends received or deemed to be received on the Exchangeable Shares to the extent such dividends are deductible in computing the Resident Holder’s taxable income for the taxation year.

A Resident Holder that is, throughout the relevant taxation year, a “Canadian-controlled private corporation” (as defined in the Tax Act) or, at any time during the year, a “substantive CCPC” (as defined in the Tax Act) may be liable to pay an additional tax (refundable in certain circumstances) on such Resident Holder’s “aggregate investment income” (as defined in the Tax Act) for the year, which will generally include dividends received on the Exchangeable Shares. Resident Holders that are corporations are advised to consult their own tax advisors.

Redemption or Retraction of Exchangeable Shares by New BNC

On a redemption of an Exchangeable Share by New BNC, including upon the exercise of a retraction right, a Resident Holder will be deemed to have received a dividend equal to the amount, if any, by which the FMV of the Class A Shares received in consideration therefor exceeds the “paid-up capital” (determined for purposes of the Tax Act) attributable to the redeemed Exchangeable Shares immediately before the redemption. Such paid-up capital will be determined by reference to the aggregate Elected Amount under the Tax Elections made pursuant to the Transaction, among other things, and therefore cannot be determined in advance of the Effective Date. Any such deemed dividend will be subject to the same tax treatment as described above under the heading “Certain Canadian Federal Income Tax Considerations – Holders Resident in Canada – Exchangeable Shares – Dividends on Exchangeable Shares”.

Such a Resident Holder will also realize a capital gain (or a capital loss) to the extent that the proceeds of disposition of such Exchangeable Shares, as reduced by the amount of any deemed dividend as discussed above, exceed (or are less than) the total of (i) the “adjusted cost base” (as defined in the Tax Act) of such Exchangeable Shares to such Resident Holder, and (ii) any reasonable costs of disposition. The general tax treatment of capital gains and capital losses is discussed below under the section titled “Certain Canadian Federal Income Tax Considerations – Holders Resident in Canada – Taxation of Capital Gains and Losses”.

The cost of a Class A Share received by a Resident Holder on the redemption or retraction of an Exchangeable Share by New BNC will be equal to the FMV of such Class A Share at the time of such event, and will be averaged with the adjusted cost base of any other Class A Shares of the same class held at that time by such Resident Holder as capital property for the purpose of determining the adjusted cost base of all Class A Shares of that class held by such Resident Holder.

Exchange of Exchangeable Shares with New BN

A Resident Holder who acquires Class A Shares pursuant to New BN (or a New BN Designee) exercising its call right to acquire Exchangeable Shares will generally realize a capital gain (or capital loss) in the taxation year of the exchange equal to the amount by which the proceeds of disposition are greater (or are less) than the aggregate of the “adjusted cost base” (as defined in the Tax Act) to the Resident Holder of the Exchangeable Shares immediately before the exchange and any reasonable costs of disposition. For these purposes, the proceeds of disposition will be the FMV of the Class A Shares received in consideration for the Exchangeable Shares. The general tax treatment of capital gains and capital losses is discussed below under the section titled “Certain Canadian Federal Income Tax Considerations – Holders Resident in Canada – Taxation of Capital Gains and Losses”.

The cost of a Class A Share received by a Resident Holder on the acquisition of an Exchangeable Share by New BN will be equal to the FMV of such Class A Share at the time of such event, and will be averaged with the adjusted cost base of any other Class A Shares of the same class held at that time by such Resident Holder as capital property for the purpose of determining the adjusted cost base of all Class A Shares of that class held by such Resident Holder.

Disposition of Exchangeable Shares other than on Redemption/Retraction by New BNC or Exchange with New BN

A Resident Holder who disposes of, or is deemed to have disposed of, an Exchangeable Share, other than on the redemption/retraction of the Exchangeable Share by New BNC or exchange of the Exchangeable Share with New BN, will generally realize a capital gain (or capital loss) in the taxation year of the disposition or deemed disposition equal to the amount by which the proceeds of disposition are greater (or are less) than the aggregate of the “adjusted cost base” (as defined in the Tax Act) to the Resident Holder of the Exchangeable Share immediately before the disposition or deemed disposition and any reasonable costs of disposition. The general tax treatment of capital gains and capital losses is discussed below under the section titled “Certain Canadian Federal Income Tax Considerations – Holders Resident in Canada – Taxation of Capital Gains and Losses”.

BN Dissenting Resident Holders

A Resident Holder who exercises Dissent Rights with respect to its BN Class A Shares and receives from BN the fair value of such Resident Holder’s BN Class A Shares will be deemed to have received a dividend equal to the amount, if any, by which the payment received exceeds the paid-up capital attributable to such redeemed BN Class A Shares immediately before their surrender to BN pursuant to the Transaction. Any such deemed dividend will be subject to the same tax treatment as described above with respect to Exchangeable Shares under the heading “Certain Canadian Federal Income Tax Considerations – Holders Resident in Canada – Exchangeable Shares – Dividends on Exchangeable Shares”.

Such a Resident Holder will also realize a capital gain (or a capital loss) to the extent that the proceeds of disposition of such BN Class A Shares, as reduced by the amount of any deemed dividend as discussed above, exceed (or are less than) the total of (i) the “adjusted cost base” (as defined in the Tax Act) of such BN Class A Shares to such Resident Holder, and (ii) any reasonable costs of disposition. The general tax treatment of capital gains and capital losses is discussed below under the section titled “Certain Canadian Federal Income Tax Considerations – Holders Resident in Canada – Taxation of Capital Gains and Losses”.

Any interest awarded by the Court to such a dissenting Resident Holder will be included in computing such dissenting Resident Holder’s income for purposes of the Tax Act. In addition, a Resident Holder that is a “private corporation” or a “subject corporation”, as defined in the Tax Act, may be liable for an additional refundable tax in respect of such interest.

Taxation of Capital Gains and Losses

In general, one-half of a capital gain realized by a Resident Holder must be included in computing such Resident Holder's income as a taxable capital gain. One-half of a capital loss must be deducted as an allowable capital loss against taxable capital gains realized by the Resident Holder in the year and any excess may be deducted against net taxable capital gains in any of the three preceding years or in any subsequent year, to the extent and under the circumstances set out in the Tax Act.

The amount of any capital loss realized on the disposition or deemed disposition of Shares by a Resident Holder that is a corporation may be reduced by the amount of taxable dividends received or deemed to have been received by it on such Shares or shares substituted for such Shares to the extent and in the circumstances specified by the Tax Act. Similar rules may apply where a Share is owned by a partnership or trust of which a corporation, trust or partnership is a member or beneficiary. Resident Holders to whom these rules may be relevant should consult their own tax advisors.

A Resident Holder that is, throughout the relevant taxation year, a "Canadian-controlled private corporation" (as defined in the Tax Act) or, at any time during the year, a "substantive CCPC" (as defined in the Tax Act), may be liable to pay an additional tax (refundable in certain circumstances) on such Resident Holder's "aggregate investment income" (as defined in the Tax Act) for the year, which will generally include taxable capital gains on dispositions of Shares. Resident Holders that are corporations are advised to consult their own tax advisors.

Alternative Minimum Tax

Taxable dividends received or deemed to be received and taxable capital gains realized by a Resident Holder who is an individual (including certain trusts) may result in such Resident Holder being liable for alternative minimum tax under the Tax Act. Resident Holders are advised to consult their own tax advisors.

Foreign Property Information Reporting

Generally, a Resident Holder that is a "specified Canadian entity" (as defined in the Tax Act) for a taxation year or a fiscal period and whose total "cost amount" of "specified foreign property" (as such terms are defined in the Tax Act), including the Class A Shares and Exchangeable Shares (including the ancillary rights), at any time in the year or fiscal period exceeds C\$100,000 will be required to file an information return with the CRA for the year or fiscal period disclosing certain prescribed information in respect of such property. Subject to certain exceptions, a Resident Holder generally will be a specified Canadian entity. Penalties may apply where a Resident Holder fails to file the required information return in respect of such Resident Holder's specified foreign property on a timely basis in accordance with the Tax Act.

The reporting rules in the Tax Act relating to specified foreign property are complex and this summary does not purport to address all circumstances in which reporting may be required by a Resident Holder. Resident Holders should consult their own tax advisors regarding compliance with the reporting rules contained in the Tax Act.

Holders Not Resident in Canada

This portion of the summary is generally applicable to a Holder (a "**Non-Resident Holder**") who (i) for the purposes of the Tax Act and any applicable tax treaty, is neither resident nor deemed to be resident in Canada at any time while they hold BWS Class A Shares, BN Class A Shares or Class A Shares; and (ii) does not and will not use or hold and is not and will not be deemed to use or hold the BWS Class A Shares, BN Class A Shares or Class A Shares in carrying on a business in Canada. Special rules, which are not discussed in this summary, may apply to a Non-Resident Holder that is an insurer carrying on business in Canada and elsewhere or an authorized foreign bank. Such Holders should consult their own tax advisors.

Holders that are not resident or deemed to be resident in Canada will not be Eligible Canadian Holders and will therefore not qualify to acquire Exchangeable Shares under the Transaction.

Disposition of BN Class A Shares or BWS Class A Shares Pursuant to the Transaction

A Non-Resident Holder generally will not be subject to tax under the Tax Act in respect of a capital gain realized on the disposition of a BN Class A Share or BWS Class A Share under the Transaction unless the BN Class A Share or BWS Class A Share, as applicable, constitutes “taxable Canadian property” to the Non-Resident Holder thereof for purposes of the Tax Act, and the gain is not exempt from tax pursuant to the terms of an applicable tax treaty.

Generally, provided the BN Class A Shares or BWS Class A Shares, as applicable, are listed on a “designated stock exchange” as defined in the Tax Act (which currently includes the TSX and NYSE), at the time of disposition, the BN Class A Shares or BWS Class A Shares, as applicable, will not constitute taxable Canadian property of a Non-Resident Holder at that time, unless at any time during the 60-month period immediately preceding the disposition the following two conditions are met concurrently: (i) the Non-Resident Holder, persons with whom the Non-Resident Holder did not deal at arm’s length for the purposes of the Tax Act, partnerships in which the Non-Resident Holder or such non-arm’s length person holds a membership interest (either directly or indirectly through one or more partnerships), or the Non-Resident Holder together with all such persons, owned 25% or more of the issued shares of any class or series of shares of BN or BWS, as applicable; and (ii) more than 50% of the FMV of the BN Class A Shares or BWS Class A Shares, as applicable, was derived directly or indirectly from one or any combination of real or immovable property situated in Canada, Canadian resource properties (as defined in the Tax Act), timber resource properties (as defined in the Tax Act) and an option, an interest or right in any of the foregoing property, whether or not such property exists. Notwithstanding the foregoing, a BN Class A Share or BWS Class A Share may otherwise be deemed to be taxable Canadian property to a Non-Resident Holder for purposes of the Tax Act.

If the BN Class A Shares or BWS Class A Shares constitute or are deemed to constitute taxable Canadian property to any Non-Resident Holder, such Non-Resident Holder may be entitled to relief under the provisions of an applicable income tax treaty or convention. Non-Resident Holders whose BN Class A Shares or BWS Class A Shares may be taxable Canadian property should consult their own tax advisors.

BN Dissenting Non-Resident Holders

A Non-Resident Holder who exercises Dissent Rights with respect to its BN Class A Shares and receives from BN the fair value of such Non-Resident Holder’s BN Shares will be deemed to have received a dividend equal to the amount, if any, by which the payment received exceeds the “paid-up capital” (determined for purposes of the Tax Act) attributable to such redeemed Shares immediately before their surrender to BN pursuant to the Transaction. BN will withhold and remit to the CRA tax on such dividends at the rate specified under the Tax Act or as modified by the provisions of an applicable income tax treaty or convention.

Such a Non-Resident Holder will also be considered to have disposed of such Non-Resident Holder’s BN Class A Shares for proceeds of disposition equal to the fair value of such BN Class A Shares less the amount of any deemed dividend as discussed above. A Non-Resident Holder generally will not be subject to capital gains tax under the Tax Act in respect of the disposition of such BN Class A Shares unless the BN Class A Shares constitute “taxable Canadian property” to the Non-Resident Holder (as described above under the section titled “Certain Canadian Federal Income Tax Considerations – Holders Not Resident in Canada – Disposition of BN Class A Shares or BWS Class A Shares Pursuant to the Transaction”).

Any interest awarded by a court and paid to such a dissenting Non-Resident Holder will not be subject to Canadian withholding tax.

CERTAIN UNITED STATES FEDERAL INCOME TAX CONSIDERATIONS

The following discussion summarizes certain material U.S. federal income tax considerations applicable to U.S. Holders with respect to the transfer of Contributed Shares to New BN, or a subsidiary of New BN that is treated as an entity disregarded as separate from New BN for U.S. federal income tax purposes, in exchange for New BN Shares pursuant to the Transaction and the ownership and disposition of New BN Shares by such U.S. Holders. This discussion is general in nature and does not purport to be a complete analysis of all potential U.S. tax effects of the Transaction.

This discussion is based on current provisions of the Code, the Treasury Regulations promulgated thereunder (the “**Treasury Regulations**”), judicial decisions, published positions of the IRS, and other applicable authorities, all as in effect on the date hereof, and all of which are subject to change, possibly with retroactive effect, and to differing interpretations. This discussion does not address all U.S. federal tax laws (such as estate or gift tax laws), nor does it address any aspects of U.S. state or local or non-U.S. taxation. New BN does not intend to seek any ruling from the IRS regarding the U.S. federal income tax consequences of the Transaction or the other matters discussed below. There can be no assurance that the IRS will not challenge the conclusions reflected herein or that a court would not sustain any such challenge.

This discussion only addresses U.S. Holders of Contributed Shares (*i.e.*, BWS Class A Shares, BWS Class B Shares, and BN Class A Shares) that will hold New BN Shares received in the Transaction as capital assets for U.S. federal income tax purposes (generally, property held for investment). This discussion does not constitute tax advice and does not address all aspects of U.S. federal income taxation that may be relevant to particular holders of Contributed Shares, or New BN Shares, in light of their personal circumstances, or to any holders subject to special treatment under the Code, such as:

- persons that own (directly, indirectly or constructively, applying certain attribution rules) 10% or more of either the total voting power or total value of the stock of BWS, BN or New BN;
- persons that will own (directly, indirectly or constructively, applying certain attribution rules) 5% or more of either the total voting power or total value of the stock of New BN immediately following the Transaction;
- dealers in securities or currencies;
- financial institutions or financial services entities;
- mutual funds;
- life insurance companies;
- persons that hold BN Shares or BWS Shares or that will hold New BN Shares as part of a straddle, hedge, constructive sale, or conversion transaction with other investments;
- persons whose BN Shares, BWS Shares, or New BN Shares are loaned to a short seller to cover a short sale of such units or shares;
- U.S. Holders whose functional currency is not the U.S. dollar;
- persons who have elected mark-to-market accounting;
- persons who hold BN Shares, BWS Shares or will hold New BN Shares through a partnership or other entity or arrangement classified as a partnership for U.S. federal income tax purposes;
- “passive foreign investment companies”, “controlled foreign corporations”, or corporations that accumulate earnings to avoid U.S. federal income tax;

- persons subject to any alternative minimum tax or to the Medicare contribution tax on net investment income;
- any non-U.S. Holder treated for U.S. federal income tax purposes as a nonresident alien individual present in the United States for a period or periods aggregating 183 days or more during the taxable year in which the Arrangement is completed;
- any non-U.S. Holder treated for U.S. federal income tax purposes as engaged in a trade or business within the United States;
- persons who received their BN Shares, BWS Shares, or New BN Shares through the exercise of employee stock options or otherwise as compensation or through a tax-qualified retirement plan;
- persons subject to special tax accounting rules under Section 451(b) of the Code;
- certain U.S. expatriates or former long-term residents of the United States; or
- U.S. Holders who receive distributions on BN Shares, BWS Shares, or New BN Shares other than in U.S. dollars.

For purposes of this discussion, a “**U.S. Holder**” is a beneficial owner of Contributed Shares, or after the completion of the Transaction, New BN Shares, that for U.S. federal income tax purposes is:

- an individual citizen or resident of the United States;
- a corporation (or other entity treated as a corporation for U.S. federal income tax purposes) created or organized in or under the laws of the United States, any state thereof or the District of Columbia;
- an estate, the income of which is subject to U.S. federal income taxation regardless of its source; or
- a trust if (i) a court within the United States is able to exercise primary supervision over the administration of the trust and one or more U.S. persons have the authority to control all substantial decisions of the trust, or (ii) the trust has a valid election in effect under applicable Treasury Regulations to be treated as a U.S. person for U.S. federal income tax purposes.

Under Section 367(a) of the Code and the Treasury Regulations thereunder, special rules may apply to a U.S. Holder that actually or constructively owns 5% or more, by vote or value, of the issued and outstanding stock of New BN within the meaning of Treasury Regulation Section 1.367(a)-3(b)(1)(i) immediately after the Transaction. Furthermore, under Section 367(b) of the Code and the Treasury Regulations thereunder, special rules may also apply to a U.S. Holder that actually or constructively owned 10% or more of the total combined voting power of the voting stock of any Contributed Entity at any time during the five-year period ending on the date of the Transaction. Any such U.S. Holder is urged to consult its tax advisor regarding the U.S. federal income tax consequences of the Transaction with regard to the holder’s particular circumstances.

If a partnership, including for this purpose any arrangement or entity that is classified as a partnership for U.S. federal income tax purposes, holds Contributed Shares or, after completion of the Arrangement, New BN Shares, the tax treatment of a partner in such partnership generally will depend upon the status of the partner and the activities of such partnership. U.S. Holders that are partnerships for U.S. federal income tax purposes and the partners of such partnerships are urged to consult their tax advisors regarding the U.S. federal income tax consequences of the Transaction and the ownership and disposition of New BN Shares received pursuant to the Transaction.

THIS DISCUSSION IS FOR INFORMATIONAL PURPOSES ONLY AND IS NOT TAX ADVICE. U.S. HOLDERS ARE URGED TO CONSULT THEIR TAX ADVISORS REGARDING THE U.S. FEDERAL INCOME TAX CONSEQUENCES OF THE TRANSACTION AND, AFTER THE COMPLETION OF THE TRANSACTION, THE OWNERSHIP AND DISPOSITION OF NEW BN SHARES WITH RESPECT TO THEIR PARTICULAR CIRCUMSTANCES, AS WELL AS ANY TAX CONSEQUENCES ARISING UNDER

THE U.S. FEDERAL TAX LAWS OTHER THAN THOSE PERTAINING TO INCOME TAX, INCLUDING ESTATE OR GIFT TAX LAWS, OR UNDER ANY STATE, LOCAL, OR NON-U.S. TAX LAWS OR ANY APPLICABLE INCOME TAX TREATY.

The following discussion assumes that the Transaction will be completed as described in the Transaction Agreement and this Transaction Supplement.

Characterization of the Exchangeable Shares

The U.S. federal income tax consequences of the Transaction also depend, in part, on whether the Exchangeable Shares are, for U.S. federal income tax purposes, treated as stock of New BNC and not as stock in New BN. New BNC and New BN intend to take the position and believe that the Exchangeable Shares are properly characterized as stock of New BNC for U.S. federal income tax purposes. However, the treatment of the Exchangeable Shares as stock of New BNC is not free from doubt, as there is no direct authority regarding the proper U.S. federal income tax treatment of securities similar to the Exchangeable Shares. If the Exchangeable Shares are not treated as stock of New BNC, and are instead treated as Class A Shares, then the U.S. federal income tax consequences of the Transaction and the ownership and disposition of the Class A Shares received pursuant to the Transaction could differ materially and adversely from the consequences described herein.

The remainder of this discussion assumes that the Exchangeable Shares will be treated as stock of New BNC for U.S. federal income tax purposes.

Tax Consequences of the Transaction

In connection with the Arrangement, New BN expects to receive the U.S. Tax Opinion, substantially to the effect that, subject to certain facts, assumptions, qualifications, limitations and representations, for U.S. federal income tax purposes, the transfer of the Contributed Shares to New BN (or a subsidiary of New BN that is treated as an entity disregarded as separate from New BN for U.S. federal income tax purposes) in exchange for New BN Shares pursuant to the Transaction, together with certain related transfers and viewed as part of a single integrated transaction (the “**New BN Contribution**”), will qualify for non-recognition treatment under Section 351(a) of the Code. Accordingly, U.S. Holders of Contributed Shares will not recognize gain or loss for U.S. federal income tax purposes upon the New BN Contribution, as discussed in greater detail below. However, if any of the facts, assumptions, representations, statements, or undertakings relied upon by Weil, Gotshal & Manges LLP in rendering the U.S. Tax Opinion are, or become, inaccurate or incomplete, or if BN, BWS, or New BN breach any of their respective covenants in the transaction documents, the U.S. Tax Opinion may be invalid and the conclusions reached therein could be jeopardized.

The U.S. Tax Opinion is not binding on the IRS or the courts. New BN has not sought and will not seek any rulings from the IRS with respect to the treatment of the Arrangement and certain related transactions for U.S. federal income tax purposes and there can be no assurance that the IRS will not assert that the Transaction and/or certain related transactions are taxable. Thus, notwithstanding receipt by New BN of the U.S. Tax Opinion, the IRS could assert that the Transaction and/or certain related transactions do not qualify for non-recognition treatment for U.S. federal income tax purposes. If the IRS were successful in taking this position, the U.S. Holders of Contributed Shares could be subject to significant U.S. federal income tax liability as discussed below.

The following discussion addresses the U.S. federal income tax consequences that will apply to U.S. Holders of Contributed Shares (i) assuming the New BN Contribution qualifies for non-recognition treatment pursuant to Section 351 of the Code and (ii) if, contrary to expectation, the New BN Contribution were not to qualify for non-recognition under Section 351 of the Code.

Consequences to U.S. Holders

Qualification of the New BN Contribution Under Section 351 of the Code

The transfer of the Contributed Shares in exchange for New BN Shares, as applicable (*i.e.*, the New BN Contribution), taken together with certain related transfers pursuant to the Arrangement and viewed as part of a single integrated

transaction, is expected to qualify as a transfer of property described in Section 351 of the Code. Accordingly, subject to the discussion below regarding the application of the “passive foreign investment company” (“**PFIC**”) rules, a U.S. Holder who receives New BN Shares in the New BN Contribution:

- will not recognize gain or loss in the New BN Contribution.
- will have an aggregate tax basis in the New BN Shares received in the New BN Contribution equal to the aggregate tax basis of the Contributed Shares surrendered in exchange therefor.
- will have a holding period for New BN Shares received in the New BN Contribution that includes its holding period for its Contributed Shares surrendered in exchange therefor.

U.S. Holders of the Contributed Shares that have acquired different blocks of Contributed Shares at different times or at different prices are urged to consult their own tax advisors regarding the allocation of their aggregate adjusted basis among, and their holding period of, New BN Shares.

BN and BWS (the “**Contributed Entities**”) do not expect, based on the current composition of their income, assets and activities, to be classified as a PFIC for the current taxable year or for the taxable year that includes the Effective Date, nor do they believe that they were a PFIC for any previous taxable year. If, contrary to this expectation, either of the Contributed Entities were classified as a PFIC at any time during a U.S. Holder’s holding period in the Contributed Shares of such Contributed Entity so classified, then the PFIC rules generally would apply to such U.S. Holder’s exchange of those Contributed Shares for New BN Shares pursuant to the Transaction in a manner substantially similar to that described below under “—Ownership and Disposition of New BN Shares—Passive Foreign Investment Company Considerations”. The PFIC determination is based on the application of complex U.S. federal income tax rules and depends upon the composition of a corporation’s income and assets and the nature of its activities from time to time. Accordingly, there can be no assurance that the Contributed Entities will not be classified as a PFIC, or that the IRS or a court will agree with the Contributed Entities’ determination as to their PFIC status. U.S. Holders of Contributed Shares are urged to consult their tax advisors regarding the potential for the PFIC rules to apply to the New BN Contribution in light of their particular circumstances.

Tax Consequences if the New BN Contribution Does Not Qualify Under Section 351 of the Code

If, contrary to expectation, the New BN Contribution (*i.e.*, the transfer of the Contributed Shares in exchange for New BN Shares pursuant to the Transaction) does not qualify for non-recognition treatment as described in Section 351 of the Code, then a U.S. Holder of the Contributed Shares who receives New BN Shares in the New BN Contribution generally will recognize gain or loss equal to the difference between (i) the fair market value as of the Effective Date of the New BN Shares received and (ii) the holder’s adjusted tax basis in the Contributed Shares surrendered in exchange therefor. Subject to the potential application of the rules described below under the heading “—Ownership and Disposition of New BN Shares—Passive Foreign Investment Company Considerations” with respect to the Contributed Entities, such gain or loss generally will be taxable as capital gain or loss and will be long-term capital gain or loss if the holder’s holding period for the Contributed Shares exceeds one year on the Effective Date. Gain or loss recognized by a U.S. Holder generally will be treated as U.S.-source gain or loss for foreign tax credit limitation purposes. Long-term capital gains of non-corporate U.S. Holders generally are taxed at preferential rates. The deductibility of capital losses is subject to limitations.

Assuming the New BN Contribution does not qualify for non-recognition treatment as described in Section 351 of the Code, a U.S. Holder’s tax basis in the New BN Shares received in the Transaction will equal the fair market value of such New BN Shares, and a U.S. Holder’s holding period in such New BN Shares will begin on the day after the Effective Date.

U.S. Holders Exercising Dissent Rights Pursuant to the Transaction

A U.S. Holder that exercises Dissent Rights pursuant to the Transaction and is paid cash in exchange for all of its BN Class A Shares generally will recognize gain or loss in an amount equal to the difference, if any, between (i) the amount of cash received by the Dissenting Shareholder in exchange for BN Class A Shares (other than amounts, if

any, that are or are deemed to be interest for U.S. federal income tax purposes, which amounts will be taxable as ordinary income) and (ii) the holder's adjusted tax basis in such BN Class A Shares surrendered. Subject to the potential application of the rules described below under the heading "—Ownership and Disposition of New BN Shares—Passive Foreign Investment Company Considerations" with respect to BN, such gain or loss generally will be capital gain or loss and will be long-term capital gain or loss if the holder's holding period for the BN Class A Shares exceeds one year at the time of the completion of the Arrangement. Gain or loss recognized by a U.S. Holder generally will be treated as U.S.-source gain or loss for foreign tax credit limitation purposes. Long-term capital gains of non-corporate U.S. Holders generally are taxed at preferential rates. The deductibility of capital losses is subject to limitations.

Ownership and Disposition of New BN Shares

Taxation of Distributions

Subject to the discussion below under "—Passive Foreign Investment Company Considerations", the gross amount of a distribution paid to a U.S. Holder with respect to New BN Shares will be included in the holder's gross income as a dividend to the extent paid out of the current or accumulated earnings and profits of New BN, as determined under U.S. federal income tax principles. To the extent that the amount of a distribution exceeds the current and accumulated earnings and profits of New BN, the excess would be treated as a non-taxable return of capital to the extent of the U.S. Holder's tax basis in New BN Shares and then as capital gain.

New BN expects that, as a result of its status as a newly formed holding company pursuant to the Transaction, it may have limited current or accumulated earnings and profits for U.S. federal income tax purposes during an initial period, and, as a result, distributions during such period may consist in whole or in part of amounts treated as a return of capital for U.S. federal income tax purposes. Notwithstanding the foregoing, no assurance can be provided that New BN will calculate, or will be able to determine, its earnings and profits in accordance with U.S. federal income tax principles. Accordingly, notwithstanding New BN's expectation described above, the U.S. federal income tax characterization of any distribution may differ from the manner in which such distribution is reported to U.S. Holders, and no assurance can be provided that any distribution, or any portion thereof, will be treated as a return of capital for U.S. federal income tax purposes.

Dividends received by individuals and certain other non-corporate U.S. Holders of New BN Shares readily tradable on the NYSE generally will be "qualified dividend income" subject to tax at preferential rates applicable to long-term capital gains, provided that such holders meet certain holding period and other requirements and New BN is not treated as a PFIC for the taxable year in which the dividend is paid or for the preceding taxable year. Dividends on New BN Shares generally will not be eligible for the dividends-received deduction allowed to U.S. shareholders that are treated as corporations for U.S. federal tax purposes. U.S. Holders are urged to consult their tax advisors regarding the application of the relevant rules in light of their particular circumstances.

Dividends paid by New BN generally will constitute foreign-source income for foreign tax credit limitation purposes. Accordingly, any Canadian federal withholding tax assessed on dividends received by U.S. Holders may, subject to certain limitations, be claimed as a foreign tax credit or as a deduction for U.S. federal income tax purposes. Notwithstanding the foregoing, the rules relating to foreign tax credits are complex, and the availability of a foreign tax credit depends on numerous factors. U.S. Holders are urged to consult their tax advisors regarding the availability of the foreign tax credit with respect to their particular circumstances.

Gain or Loss on Sale, Taxable Exchange or Other Taxable Disposition of New BN Shares

Subject to the discussion below under "—Passive Foreign Investment Company Considerations," upon a sale or other taxable disposition of New BN Shares, a U.S. Holder generally will recognize capital gain or loss in an amount equal to the difference, if any, between the amount realized for the New BN Shares and the U.S. Holder's adjusted tax basis in the New BN Shares. The amount realized will equal the amount of cash, if any, plus the fair market value of any property received in exchange for the Class A Shares.

Any such capital gain or loss generally will be long-term capital gain or loss if the U.S. Holder's holding period for the New BN Shares so disposed of exceeds one year at the time of the sale, exchange, or other taxable disposition. Gain or loss, as well as the holding period for the New BN Shares, will be determined separately for each block of New BN Shares (that is, shares acquired at the same cost in a single transaction) sold or otherwise subject to a taxable disposition.

Gain or loss recognized by a U.S. Holder generally will be treated as U.S.-source gain or loss for foreign tax credit limitation purposes. Long-term capital gains recognized by non-corporate U.S. Holders, including individual U.S. Holders, that have held their New BN Shares for more than one year, will be eligible to be taxed at preferential rates. The deductibility of capital losses is subject to limitations.

Passive Foreign Investment Company Considerations

Certain adverse U.S. federal income tax consequences could apply to a U.S. Holder if New BN is treated as a PFIC for any taxable year during which the U.S. Holder holds New BN Shares. A non-U.S. corporation, such as New BN, will be classified as a PFIC for U.S. federal income tax purposes for any taxable year in which, after applying certain look-through rules, either (i) 75% or more of its gross income for such year consists of certain types of "passive" income or (ii) 50% or more of the value of its assets (determined on the basis of a quarterly average) during such year produce or are held for the production of passive income. Passive income generally includes dividends, interest, royalties, rents, annuities, net gains from the sale or exchange of property producing such income and net foreign currency gains. For purposes of the PFIC income test and asset test described above, if New BN owns, directly or indirectly, 25% or more of the total value of the outstanding shares of another corporation, New BN will be treated as if it (a) held a proportionate share of the assets of such other corporation and (b) received directly a proportionate share of the income of such other corporation.

Based on its expected income, assets, and activities, New BN does not expect to be a PFIC for the current taxable year or in the foreseeable future. However, the determination of whether New BN is or will be a PFIC must be made annually as of the close of each taxable year. Because PFIC status depends upon the composition of New BN's income and assets from time to time, there can be no assurance that New BN will not be considered a PFIC for any taxable year, or that the IRS or a court will agree with New BN's determination as to its PFIC status.

Subject to certain elections described below, if New BN were a PFIC for any taxable year during which a U.S. Holder held New BN Shares, then gain recognized by such U.S. Holder upon the sale or other taxable disposition of the New BN Shares would be allocated ratably over the U.S. Holder's holding period for the New BN Shares. The amounts allocated to the taxable year of the sale or other taxable disposition and to any year before New BN became a PFIC would be taxed as ordinary income. The amount allocated to each other taxable year would be subject to tax at the highest rate in effect for individuals or corporations, as appropriate, for that taxable year, and an interest charge would be imposed on the tax on such amount. Further, to the extent that any distribution received by a U.S. Holder on its New BN Shares were to exceed 125% of the average of the annual distributions on the New BN Shares received during the preceding three years or the U.S. Holder's holding period, whichever is shorter, that distribution would be subject to taxation in the same manner as gain, described immediately above. Similar rules would apply with respect to any lower-tier PFICs treated as owned indirectly by a U.S. Holder through such holder's ownership of New BN Shares.

Certain elections may be available to U.S. Holders to mitigate some of the adverse tax consequences resulting from PFIC treatment. If a U.S. Holder were to make an election to treat such holder's interest in New BN as a "qualified electing fund" (a "**QEF Election**") for the first year the holder were treated as holding such interest, then in lieu of the tax consequences described in the paragraph immediately above, the U.S. Holder would be required to include in income each year a portion of the ordinary earnings and net capital gains of New BN, even if not distributed to the holder. A QEF Election must be made by a U.S. Holder on an entity-by-entity basis. To make a QEF Election, a U.S. Holder must, among other things, (i) obtain a PFIC annual information statement from New BN and (ii) prepare and submit IRS Form 8621 with the holder's annual income tax return. To the extent reasonably practicable, New BN intends to make available information related to the PFIC status of New BN and any other subsidiary of New BN that New BN is able to identify as a PFIC with respect to U.S. Holders, including information necessary to make a QEF Election with respect to each such entity.

In the case of a PFIC that is a publicly traded foreign company, and in lieu of making a QEF Election, an election may be made to “mark to market” the stock of such publicly traded foreign company on an annual basis. Pursuant to such an election, a U.S. Holder would include in each year as ordinary income the excess, if any, of the fair market value of such stock over its adjusted basis at the end of the taxable year. No assurance can be provided that New BN or any of its subsidiaries will qualify as PFICs that are publicly traded or that a mark-to-market election will be available for any such entity.

Subject to certain exceptions, a U.S. person that directly or indirectly owns an interest in a PFIC generally is required to file an annual report with the IRS, and the failure to file such report could result in the imposition of penalties on the U.S. person and in the extension of the statute of limitations with respect to federal income tax returns filed by the U.S. person. The application of the PFIC rules to U.S. Holders is uncertain in certain respects. Each U.S. Holder is urged to consult its tax advisor regarding the application of the PFIC rules, including the foregoing filing requirements and the advisability of making any available election under the PFIC rules, with respect to the holder’s ownership and disposition of New BN Shares.

Information Reporting and Backup Withholding

U.S. Holders generally will be subject to information reporting and may be subject to backup withholding on any cash payments received as a result of the exercise of Dissent Rights pursuant to the Arrangement.

Dividend payments with respect to the New BN Shares and proceeds from the sale, exchange or redemption of the New BN Shares may be subject to information reporting to the IRS and possible U.S. federal backup withholding. Backup withholding will not apply, however, to a U.S. Holder who furnishes a correct taxpayer identification number and makes other required certifications, or who is otherwise exempt from backup withholding and establishes such exempt status. Backup withholding is not an additional tax. Amounts withheld as backup withholding may be credited against a U.S. Holder’s U.S. federal income tax liability, and a holder generally may obtain a refund of any excess amounts withheld under the backup withholding rules by timely filing the appropriate claim for refund with the IRS and furnishing any required information.

Foreign Financial Asset Reporting

Certain U.S. persons are required to report information relating to interests in “specified foreign financial assets” on IRS Form 8938. A U.S. Holder’s interest in New BN Shares may be subject to such reporting, subject to certain exceptions (including an exception for New BN Shares held in accounts maintained by certain financial institutions). The failure to report such information could result in the imposition of penalties on the U.S. Holder and the extension of the statute of limitations with respect to U.S. federal income tax returns filed by the U.S. Holder. U.S. Holders are urged to consult their tax advisors regarding the effect, if any, of this reporting requirement on their ownership and disposition of New BN Shares.

THE FOREGOING DISCUSSION IS NOT INTENDED AS A SUBSTITUTE FOR CAREFUL TAX PLANNING. THE TAX MATTERS RELATING TO THE ARRANGEMENT ARE COMPLEX AND ARE SUBJECT TO VARYING INTERPRETATIONS. MOREOVER, THE EFFECT OF EXISTING INCOME TAX LAWS, THE MEANING AND IMPACT OF WHICH ARE UNCERTAIN, AND OF PROPOSED CHANGES IN INCOME TAX LAWS WILL VARY WITH THE PARTICULAR CIRCUMSTANCES OF EACH HOLDER, AND IN REVIEWING THIS TRANSACTION SUPPLEMENT THESE MATTERS SHOULD BE CONSIDERED. EACH HOLDER OF CONTRIBUTED SHARES IS URGED TO CONSULT ITS TAX ADVISOR REGARDING THE U.S. FEDERAL, STATE, LOCAL, AND OTHER TAX CONSEQUENCES OF THE TRANSACTION AND THE OWNERSHIP AND DISPOSITION OF NEW BN SHARES IN LIGHT OF THE HOLDER’S PARTICULAR CIRCUMSTANCES.

RISK FACTORS

You should carefully consider the following risk factors when voting to approve the Transaction. You should also carefully consider the risk factors incorporated by reference from the BN Annual Report, the BWS Annual Report, the BN Q1 2026 MD&A and the BWS Q1 2026 MD&A, and the other information incorporated by reference in this Transaction Supplement, as updated by our subsequent filings with the SEC and securities regulatory authorities in Canada, which are or will be incorporated herein by reference. For additional information, see “Information Concerning BN”, “Information Concerning BWS” and “Other Information”.

Risks Relating to the Transaction

Completion of the Transaction is subject to a number of conditions precedent and required approvals

The completion of the Transaction is subject to a number of conditions precedent, some of which are outside of our control, including receipt of the Final Order. At the hearing for the Final Order, the Court will consider whether to approve the Arrangement based on the applicable legal requirements and the evidence before the Court. Other conditions precedent which are outside of our control include, without limitation, the required shareholder approvals, the approvals of TSX and NYSE and applicable regulatory approvals. There can be no certainty, nor can we provide any assurance, that all conditions precedent to the Transaction will be satisfied or waived, or, if satisfied or waived, when they will be satisfied or waived or that the Transaction will be completed as currently contemplated or at all. If the Transaction is delayed or not completed, the market price of the BN Class A Shares and of the BWS Class A Shares may be materially adversely affected. See “The Transaction—Transaction Agreement—Conditions Precedent”.

The Transaction Agreement may be terminated in accordance with its terms

The Transaction Agreement may be terminated in certain circumstances, including in the sole and absolute discretion of the Boards, in which case the Transaction will not be completed. Accordingly, there is no certainty, nor can we provide any assurance, that the Transaction Agreement will not be terminated prior to the completion of the Transaction.

The failure to complete the Transaction could negatively impact BN and BWS

Failure to complete the Transaction for any reason could negatively impact the market price of the BN Class A Shares or the BWS Class A Shares, and BN will remain liable for costs relating to the proposed Transaction.

Possible failure to realize the anticipated benefits of the Transaction

A variety of factors, including those risk factors set forth in this Transaction Supplement and the documents incorporated by reference herein, may adversely affect New BN’s ability to achieve the anticipated benefits of the Transaction. A failure to realize the anticipated benefits of the Transaction could have a material adverse effect on New BN’s business and operations.

Fluctuations in market prices may cause the value of the Class A Shares and/or the Exchangeable Shares, as applicable, that you receive in the Transaction to be less than the value of your BN Class A Shares and/or BWS Class A Shares prior to the Transaction

The ratio at which the BN Class A Shares and BWS Class A Shares will be converted into Class A Shares and/or Exchangeable Shares, as applicable, in the Transaction is fixed, and there will be no adjustment to the ratio for changes in the market price of BN Class A Shares or BWS Class A Shares. In addition, the Class A Shares and the Exchangeable Shares have never been publicly traded. Accordingly, the value of the consideration to be received by BN Class A Shareholders and BWS Class A Shareholders upon completion of the Transaction is not ascertainable at this time and will ultimately depend upon the FMV of BN Class A Shares and BWS Class A Shares at the Effective Time. Those market prices may be higher or lower than the market prices of the BN Class A Shares and BWS Class A Shares on the date on which the intention to undertake the Transaction was announced, the date the Transaction

Agreement was executed, the date of this Transaction Supplement or the date of the Meetings. Price changes for the BN Class A Shares and BWS Class A Shares may result from a variety of factors, including, among others, general market and economic conditions, changes in BN's and BWS's respective operations and prospects, cash flows, financial position, market assessments of the likelihood that the Transaction will be approved, and the timing of the Transaction.

Risks Relating to New BN

New BN is a holding entity and will rely on BN and BWS to provide New BN with the funds necessary to pay distributions and meet its financial obligations

New BN is a holding entity and its sole material asset will be its direct and indirect interests in the BN Class A Shares and all of the issued and outstanding securities of BWS, through which we will hold all of our interests in our operating businesses. New BN will have no independent means of generating revenues. As a result, New BN will depend on distributions and other payments from BN and BWS (which in turn will depend on distributions and other payments from our subsidiaries and operating businesses) to provide it with the funds necessary to meet its financial obligations. BN, BWS and their respective subsidiaries and operating businesses are legally distinct from New BN and some of them are or may become restricted in their ability to pay dividends and distributions or otherwise make funds available to New BN pursuant to local law, regulatory requirements and their contractual agreements, including agreements governing their financing arrangements. Any other entities through which we may conduct operations in the future will also be legally distinct from New BN and may be similarly restricted in their ability to pay dividends and distributions or otherwise make funds available to New BN under certain conditions. BN, BWS and their respective subsidiaries and operating businesses will generally be required to service their debt obligations before making distributions to New BN or their parent entities, as applicable, thereby reducing the amount of our cash flow available to New BN to meet its financial obligations.

We anticipate that the only distributions that New BN will receive in respect of its interests in BN and BWS will consist of amounts that are intended to assist New BN to pay expenses as they become due and to make distributions to its shareholders in accordance with New BN's bye-laws to be in effect on the Effective Date and its dividend policy.

New BN is not, and does not intend to become, regulated as an investment company under the Investment Company Act of 1940 (and similar legislation in other jurisdictions), and, if New BN were deemed an "investment company" under the Investment Company Act, applicable restrictions could make it impractical for us to operate as contemplated

The Investment Company Act of 1940 (and similar legislation in other jurisdictions) provides certain protections to investors and imposes certain restrictions on companies that are registered or required to be registered as investment companies. Among other things, such restrictions limit or prohibit transactions with affiliates, impose limitations on the issuance of debt and equity securities and impose certain governance requirements. New BN has not been and does not intend to become registered as an investment company, and New BN intends to conduct its activities so it will not be deemed to be an investment company under the Investment Company Act of 1940 (and similar legislation in other jurisdictions). In order to ensure that we are not deemed to be an investment company, we may be required to materially restrict or limit the scope of our operations or plans. We will be limited in the types of acquisitions that we may make, and we may need to modify our organizational structure or dispose of assets which we would not otherwise dispose of. Moreover, if anything were to happen which would cause New BN to be deemed an investment company under the Investment Company Act of 1940, it would be impractical for us to operate as contemplated. Agreements and arrangements between and among us, Brookfield, and other counterparties would be impaired, the type and number of acquisitions that we would be able to make as a principal would be limited and our business, financial condition and results of operations would be materially adversely affected. Accordingly, we would be required to take extraordinary steps to address the situation, such as the restructuring of our combined group or the dissolution of New BN, any of which could materially adversely affect the value of Class A Shares. In addition, if New BN were deemed to be an investment company under the Investment Company Act of 1940, it would be taxable as a corporation for U.S. federal income tax purposes, and such treatment could materially adversely affect the value of Class A Shares.

New BN is expected to be a “foreign private issuer” under the U.S. Exchange Act and therefore, New BN will be exempt from certain disclosure requirements applicable to U.S. domestic registrants listed on the NYSE

Although New BN will be subject to the periodic reporting requirements of the U.S. Exchange Act, the periodic disclosure required of foreign private issuers under the U.S. Exchange Act is different from periodic disclosure required of U.S. domestic registrants. Therefore, there may be less publicly available information about New BN than if New BN were a U.S. domestic registrant. New BN will be exempt from certain other sections of the U.S. Exchange Act to which U.S. domestic issuers are subject, including the requirement to provide its shareholders with information statements or proxy statements that comply with the U.S. Exchange Act. In addition, large shareholders of New BN will not be obligated to file reports under Section 16(a) of the U.S. Exchange Act, neither insiders of New BN nor such large shareholders will be subject to the short-swing profit recovery provisions contained in Section 16(b) of the Exchange Act, and New BN will be permitted to follow certain home country corporate governance practices (being the corporate governance practices of Bermuda exempted companies) instead of those otherwise required under the NYSE Listed Company Manual for domestic issuers. New BN expects to follow the same corporate practices as would be applicable to U.S. domestic companies under the U.S. federal securities laws and NYSE corporate governance standards (being those applicable to Bermuda exempted companies). However, New BN may elect in the future to follow its home country law for certain of its other corporate governance practices (those applicable to Bermuda exempted companies), as permitted by the rules of the NYSE, in which case its shareholders would not be afforded the same protection as provided under NYSE corporate governance standards to U.S. domestic registrants. Following New BN’s home country governance practices as opposed to the requirements that would otherwise apply to a U.S. domestic company listed on the NYSE will likely provide less protection than is accorded to investors of U.S. domestic issuers.

U.S. investors may find it difficult or impossible to enforce service of process and enforcement of judgments against New BN and its board of directors and New BNC and its board of directors

New BN was established under the laws of Bermuda, and most of our subsidiaries are organized in jurisdictions outside of the United States. New BNC will be established under the laws of Ontario. In addition, certain of our executive officers are located outside of the United States. Certain of our directors and officers reside outside of the United States. A substantial portion of our assets are, and the assets of our directors and officers may be located outside of the United States. It may not be possible for investors to effect service of process within the United States upon our directors and officers. It may also not be possible to enforce against New BN, our directors and officers or New BNC, judgments obtained in U.S. courts predicated upon the civil liability provisions of applicable securities law in the United States.

Risks Relating to the Class A Shares and the Exchangeable Shares

The Class A Shares and the Exchangeable Shares have never been publicly traded and an active and liquid trading market for the Class A Shares and/or the Exchangeable Shares may not develop or be sustained in Canada, and there is no assurance that the Exchangeable Shares will be listed on the TSX

Prior to the Transaction, there will not have been a market for the Class A Shares or the Exchangeable Shares. We will seek to have the Class A Shares listed on the NYSE and the TSX under the symbol “BN” and will seek to have the Exchangeable Shares listed on the TSX under the symbol “BNCC”. Listing is subject to the approval of the NYSE and the TSX in accordance with their respective listing requirements. We cannot predict the extent to which investor interest will lead to the development of an active and liquid trading market for the Class A Shares or the Exchangeable Shares or, if such a market develops, whether it will be maintained. We cannot predict the effects on the price of Class A Shares or the Exchangeable Shares if a liquid and active trading market for the Class A Shares or the Exchangeable Shares, as applicable, does not develop. In addition, if such a market does not develop, relatively small sales of the Class A Shares or the Exchangeable Shares may have a significant negative impact on the price of the Class A Shares or the Exchangeable Shares, as applicable. A number of factors, principally factors relating to New BN or New BNC but also including factors specific to BN, BWS and their business, financial condition and liquidity, economic and financial market conditions, interest rates, availability of capital and financing sources, volatility levels and other factors could lead to a decline in the value of the Class A Shares or the Exchangeable Shares and a lack of liquidity in any market for the Class A Shares or the Exchangeable Shares. Moreover, TSX listing of the Exchangeable Shares will be subject to New BNC fulfilling all of the requirements of the TSX and the approval of the TSX, including the

distribution of the Exchangeable Shares to a minimum number of public shareholders. If the Exchangeable Shares are not listed on the TSX, there will be no public trading market for the Exchangeable Shares and it is unlikely that any active trading market for Exchangeable Shares will develop.

There can be no assurance that the market price of a Class A Share and an Exchangeable Share will be equivalent

Although it is anticipated that the market price of one (1) Exchangeable Share and the market price of one (1) Class A Share will reflect essentially equivalent values, there can be no assurance that the market price of one (1) Class A Share will be identical, or even similar, to the market price of one (1) Exchangeable Share.

The Class A Shares and/or Exchangeable Shares to be received by BN Class A Shareholders and BWS Class A Shareholders as a result of the Transaction will have different rights from the BN Class A Shares or BWS Class A Shares

The rights associated with Class A Shares and Exchangeable Shares are different from the rights associated with BN Class A Shares under the OBCA. As a Bermuda company, New BN is governed by the Bermuda Companies Act. Bermuda corporate law differs in some material respects from laws generally applicable to Canadian corporations, including the provisions relating to interested directors, mergers and acquisitions, takeovers, shareholder lawsuits and indemnification of directors. Under Bermuda law, the duties of directors and officers of a company are generally owed to the company only. Officers of a Bermuda company must, in exercising their powers and performing their duties, act honestly and in good faith with a view to the best interests of the company and must exercise the care, diligence, and skill that a reasonably prudent person would exercise in comparable circumstances. Shareholders of Bermuda companies do not generally have rights to take action against directors or officers of the company and may only do so in limited circumstances. See “Comparison of Rights of Shareholders that become Holders of Class A Shares”.

New BN’s bye-laws to be in effect on the Effective Date designate specific courts in Bermuda as the exclusive forum for certain litigation that may be initiated by our shareholders, which could limit our shareholders’ ability to obtain a desired judicial forum for disputes with us.

Pursuant to New BN’s bye-laws to be in effect on the Effective Date, unless New BN consents in writing to the selection of an alternative forum, the Supreme Court of Bermuda shall, to the fullest extent permitted by law, be the sole and exclusive forum for any dispute that arises concerning the Companies Acts or out of or in connection with New BN’s bye-laws, including any question regarding the existence and scope of New BN’s bye-laws and/or whether there has been any breach of the Companies Acts or New BN’s bye-laws by an officer or director (whether or not such a claim is brought in the name of a shareholder or in the name of New BN) (the “Bermuda Forum Provision”). The Bermuda Forum Provision will not apply to any causes of action arising under the U.S. Securities Act or the Exchange Act. In addition, the New BN bye-laws to be in effect on the Effective Date further provide that unless we consent in writing to the selection of an alternative forum, the federal courts of the United States shall be the sole and exclusive forum for resolving any complaint filed in the United States asserting a cause of action arising under the U.S. Securities Act. In addition, New BN’s bye-laws to be in effect on the Effective Date provide that any person or entity purchasing or otherwise acquiring any interest in Class A Shares is deemed to have notice of and consented to the Bermuda Forum Provision and the U.S. Federal Forum Provision; provided, however, that shareholders cannot and will not be deemed to have waived New BN’s compliance with the U.S. federal securities laws and the rules and regulations thereunder. The Bermuda Forum Provision and the U.S. Federal Forum Provision in New BN’s bye-laws to be in effect on the Effective Date may impose additional litigation costs on shareholders in pursuing any such claims. Additionally, the forum selection clauses in New BN’s bye-laws to be in effect on the Effective Date may limit shareholders’ ability to bring a claim in a judicial forum that they find favorable for disputes with New BN or its directors, officers or employees, which may discourage the filing of lawsuits against New BN and its directors, officers and employees, even though an action, if successful, might benefit New BN shareholders. In addition, while the Delaware Supreme Court ruled in March 2020 that federal forum selection provisions purporting to require claims under the U.S. Securities Act be brought in federal court are “facially valid” under Delaware law, there is uncertainty as to whether other courts, including courts in Bermuda and other courts within the U.S. and Canada, will enforce the U.S. Federal Forum Provision. If the U.S. Federal Forum Provision is found to be unenforceable, New BN may incur additional costs associated with resolving such matters. The U.S. Federal Forum Provision may also impose additional litigation costs on shareholders who assert that the provision is not enforceable or invalid. The Supreme Court of Bermuda and the federal courts in the United States may also reach different judgments or results than would other courts, including

courts where a shareholder considering an action may be located or would otherwise choose to bring the action, and such judgments may be more or less favorable to New BN than its shareholders.

We may issue additional shares of New BN, preferred shares and securities exchangeable into shares of New BN in the future, including in lieu of incurring indebtedness, which may dilute existing shareholders. We may also issue securities that have rights and privileges that are more favorable than the rights and privileges accorded to the holders of Class A Shares

The issuance of additional Class A Shares, Class B Shares, preferred shares and securities exchangeable into shares of New BN may have a dilutive effect on the interests of our shareholders. Subject to applicable law, the rules of the TSX and NYSE and the terms of any of New BN's securities then outstanding, the New BN Board may use such authority to issue such additional securities. The sale or issuance of a substantial number of New BN shares or other equity related securities of New BN in the public markets, or the perception that such sales or issuances could occur, could depress the market price of the Class A Shares and the Exchangeable Shares and impair New BN's ability to raise capital through the sale of additional securities. We cannot predict the effect that future sales or issuances of New BN shares or other equity related securities of our combined group would have on the market price of the Class A Shares.

New BN cannot assure you that it will be able to pay distributions by way of a reduction of capital

The payment of any reduction of capital distributions is subject to shareholder approval, which New BN intends to seek annually but which may not be obtained. Accordingly, there can be no assurance that holders of Class A Shares will receive all distributions by way of a reduction of capital distribution rather than an ordinary dividend.

Change of control approvals required by insurance laws and regulations in certain of the jurisdictions in which we operate could discourage or inhibit takeovers, business combinations or other change of control transactions

Under U.S. state insurance laws and regulations, no person, corporation or other entity may, directly or indirectly, acquire control of an insurance company, or a controlling interest in any person, corporation or other entity that has a controlling interest in an insurance company, without the prior approval of such insurance company's domiciliary state insurance regulator. Under most U.S. state insurance laws, the acquisition of, directly or indirectly, 10% or more of the voting securities of an insurance company or any company that owns or controls 10% or more of the voting securities of an insurance company is presumptively considered to be an acquisition of control, although such presumption may be rebutted by a showing that control does not in fact exist. The applicable state insurance regulator may also find that control exists in circumstances in which a person owns or controls, directly or indirectly, less than 10% of the voting securities of an insurance company. Accordingly, for so long as New BN owns or controls 10% or more of the voting securities of any U.S. domiciled insurance company (such as the insurance subsidiaries of American National Group Inc. or Clearbrook Group Holdings Inc.), the acquisition of 10% or more of New BN's voting securities (comprised of Class A Shares and Class B Shares) would require the prior approval of the U.S. state insurance regulator in each U.S. state in which such U.S. insurance company is domiciled.

Under applicable insurance laws and regulations of Canada, prior approval from the Minister of Finance (Canada) is required for any direct or indirect change of control of any Canadian-domiciled insurance company (such as Blumont Annuity). In addition, the Bermuda Insurance Act requires that the acquisition of 10% or more of the voting securities or voting power in a Bermuda insurer requires notification to or approval from the Bermuda Monetary Authority, as applicable. In addition, there is a requirement to notify the Cayman Islands Monetary Authority of any acquisition of more than 10% of our issued share capital or our voting securities. See Item 4.B "Business Overview — Regulatory Framework" in the BWS Annual Report.

Under the *Financial Services and Markets Act 2000*, the acquisition or increase of control of a U.K.-authorized insurance company is subject to prior regulatory approval. Any person proposing to acquire or increase control, generally defined as holding 10% or more of the equity, economic interest or voting rights of the insurer or its parent undertaking, or otherwise being able to exercise significant influence over its management, must notify the Prudential Regulation Authority and obtain approval before completing the transaction. Further approvals are required when ownership thresholds of 20%, 30% or 50% are reached or exceeded, or when the acquirer becomes the insurer's parent undertaking.

These laws and regulations in many of the jurisdictions in which we operate may discourage or inhibit takeovers, potential acquisition proposals, business combinations or other change of control transactions and may delay, deter or prevent a change of control of our company, including through transactions (and in particular, unsolicited transactions), that some or all of our shareholders might consider to be desirable. Additionally, any person, corporation or other entity that acquires, directly or indirectly, our voting securities without the requisite prior approvals or complying with applicable notification requirements will be in violation of these laws and may be subject to penalties, fines, or other actions that may be taken by the applicable insurance regulator, including injunctive action requiring the disposition or seizure of those securities or prohibiting the voting of those securities.

The terms and ownership of New BN's share capital could discourage or inhibit takeovers, business combinations or other change of control transactions

Senior members of the Partnership will collectively hold and control all of the outstanding Class B Shares through the BNT Partners Trust (which will be renamed "Brookfield Partners Trust" in connection with the Transaction), and will be entitled to elect one-half of the New BN Board and approve all other matters requiring shareholder approval, including the right to consent to any merger or similar reorganization of New BN. This could discourage potential acquirers from making a takeover bid or seeking to effect a change of control or business combination involving New BN or make it difficult for any bid, change of control or business combination to be completed.

Non-U.S. shareholders will be subject to foreign currency risk associated with New BN's and New BNC's distributions

It is expected that a significant number of New BN's and New BNC's shareholders will reside in countries where the U.S. dollar is not the functional currency. New BN's and New BNC's distributions will be denominated in U.S. dollars but will generally be settled in the local currency of the shareholder receiving the dividend. The value received in the local currency from the distribution will be generally determined based on the exchange rate between the U.S. dollar and the applicable local currency at the time of payment. As such, if the U.S. dollar depreciates significantly against the local currency of the non-U.S. shareholder, the value received by such shareholder in its local currency will be adversely affected.

BN Class A Shareholders who elect to receive Exchangeable Shares will experience a delay in receiving Class A Shares from the date they request an exchange, which may affect the value of Class A Shares the holder receives in an exchange

BN Class A Shareholders who elect to receive Exchangeable Shares in the Transaction and later request to receive Class A Shares in exchange for their Exchangeable Shares may experience a delay in receiving their Class A Shares after the applicable request is received. During such period, the market price of Class A Shares may increase or decrease. Any such increase or decrease would affect the value of the Consideration to be received by such a holder of Exchangeable Shares upon a subsequent sale of Class A Shares received in the exchange.

The Exchangeable Share structure is not permanent and may be subject to an accelerated conversion to Class A Shares

New BNC will have the right to redeem all outstanding Exchangeable Shares (other than those held by New BN and its subsidiaries) for Class A Shares at any time on or after the fifteenth (15th) anniversary of the Effective Date. The redemption of the Exchangeable Shares may be accelerated and could occur earlier than the fifteenth (15th) anniversary of the Effective Date upon the occurrence of certain events including, among other things: (i) at any time after the fifth (5th) anniversary of the Effective Date if the number of Exchangeable Shares outstanding (other than Exchangeable Shares held by New BN and its subsidiaries) falls below 10% of the number of Exchangeable Shares issued on the Effective Date; (ii) if New BN is subject to a takeover or merger; and (iii) if there is a change in law that makes maintaining the Exchangeable Share structure materially adverse or unnecessary. As a result, holders of Exchangeable Shares may be forced to exchange their Exchangeable Shares for Class A Shares earlier than anticipated, which could result in the loss of any option to hold a Canadian-listed security related to New BN and other potential adverse tax or liquidity consequences. There can be no assurance that the Exchangeable Share structure will remain in place for the full 15-year period, nor, regardless of whether the redemption is accelerated or occurs on the fifteenth

(15th) anniversary of the Effective Date, assurance that the market conditions at the time of the redemption will be favorable for the Exchangeable Shares.

If the U.S. Registration Statement is not effective or a U.S. Prospectus is not available following the Transaction, U.S. Holders of Exchangeable Shares will not be able to exercise retraction rights to require New BNC to redeem any of their Exchangeable Shares, will not be entitled to receive Class A Shares on a redemption or exchange of their Exchangeable Shares and may experience delays of up to 90 days in receiving the Exchangeable Share Consideration on a redemption or exchange of their Exchangeable Shares

There is no assurance when, or if, the U.S. Registration Statement will be effective and/or a U.S. Prospectus will be available following the Transaction and, accordingly, U.S. Holders of Exchangeable Shares may be restricted from exercising their retraction right in respect of their Exchangeable Shares, the delivery of Class A Shares to U.S. Holders pursuant to certain sections of the Exchangeable Share Provisions, the Retraction Call Right, the Redemption Call Right or otherwise may be delayed, and U.S. Holders may receive a cash payment in lieu of Class A Shares. No U.S. Holder of Exchangeable Shares may exercise its right to require New BNC to redeem any of the Exchangeable Shares registered in the name of or beneficially held by such U.S. Holder, and none of New BN, New BNC or any New BN Designee shall be required to issue or deliver or cause to be delivered any Class A Shares to a holder of Exchangeable Shares registered in the name of or beneficially held by a U.S. Holder, whether pursuant to certain sections of the Exchangeable Share Provisions, the Retraction Call Right, the Redemption Call Right or otherwise, unless the U.S. Registration Statement is effective and a U.S. Prospectus is available. In accordance with the Exchangeable Share Provisions, in the event of the exercise of the Redemption Call Right or a redemption of the Exchangeable Shares instigated by New BNC, any Exchangeable Shares registered in the name of or beneficially held by a U.S. Holder shall remain outstanding until such time that the Exchangeable Share Consideration deliverable in respect of such Exchangeable Shares is delivered.

Eligible Canadian Holders that elect to receive Exchangeable Shares may also be, or subsequently become, a U.S. Holder for U.S. securities law purposes.

Risks Relating to Taxation

United States

If, contrary to expectation, the transfer of the Contributed Shares in exchange for New BN Shares (i.e., the New BN Contribution) pursuant to the Arrangement does not qualify for non-recognition treatment as described in Section 351 of the Code or is otherwise taxable, including by reason of Section 367(a) of the Code, then U.S. Holders receiving New BN Shares may recognize taxable gain for U.S. federal income tax purposes.

In connection with the Arrangement, New BN expects to receive the U.S. Tax Opinion substantially to the effect that, subject to certain facts, assumptions, qualifications, limitations and representations, for U.S. federal income tax purposes, U.S. Holders of the Contributed Shares will not recognize any gain or loss on the exchange of such shares for New BN Shares under Section 351(a) of the Code as discussed in greater detail in “Certain United States Federal Income Tax Considerations—Consequences to U.S. Holders.” However, if any of the facts, assumptions, representations, statements, or undertakings relied upon by Weil, Gotshal & Manges LLP in rendering the U.S. Tax Opinion are, or become, inaccurate or incomplete, or if New BN, BN, or BWS breach any of the respective covenants in the transaction documents, New BN may not be able to rely on the U.S. Tax Opinion, and the U.S. Holders of the Contributed Shares could be subject to significant U.S. federal income tax liabilities. Furthermore, the IRS is not bound by the U.S. Tax Opinion and may challenge its conclusions, and a court may sustain such challenge.

If, contrary to expectation, the New BN Contribution does not qualify for non-recognition treatment as described in Section 351 of the Code, then the transfer of the Contributed Shares in exchange for New BN Shares will be treated as taxable exchanges for U.S. federal income tax purposes. In such case, a U.S. Holder of the Contributed Shares generally will be required to recognize taxable gain or loss for U.S. federal income tax purposes, as described in greater detail in “Certain United States Federal Income Tax Considerations—Consequences to U.S. Holders—Tax Consequences if the New BN Contribution Does Not Qualify Under Section 351 of the Code.”

If New BN were a passive foreign investment company for U.S. federal income tax purposes for any taxable year, U.S. Holders of New BN Shares could be subject to adverse U.S. federal income tax consequences.

If New BN is or becomes a “passive foreign investment company,” or a PFIC, within the meaning of Section 1297 of the Code for any taxable year during which a U.S. Holder (as defined in “Certain United States Federal Income Tax Considerations— Consequences to U.S. Holders”) holds New BN Shares, certain adverse U.S. federal income tax consequences may apply to such U.S. Holder. New BN does not expect to be a PFIC for U.S. federal income tax purposes for the current taxable year or in the foreseeable future. However, PFIC status depends on the composition of a company’s income and assets and the fair market value of its assets from time to time, as well as on the application of complex statutory and regulatory rules that are subject to potentially varying or changing interpretations. Accordingly, there can be no assurance that New BN will not be treated as a PFIC for any taxable year.

If New BN were treated as a PFIC, a U.S. Holder of New BN Shares may be subject to adverse U.S. federal income tax consequences, such as taxation at the highest marginal ordinary income tax rates on capital gains and on certain actual or deemed distributions, interest charges on certain taxes treated as deferred, and additional reporting requirements. See “Certain United States Federal Income Tax Considerations — Consequences to U.S. Holders — Ownership and Disposition of New BN Shares—Passive Foreign Investment Company Considerations.” U.S. Holders of New BN Shares should consult with their tax advisor regarding the potential application of these rules.

Canada

The Transaction will have tax consequences for former BWS Class A Shareholders and BN Class A Shareholders and the Tax consequences of the Transaction may differ from anticipated treatment

The Transaction may be a taxable transaction for purposes of the Tax Act and, as a result, taxes may be required to be paid by BWS Class A Shareholders or BN Class A Shareholders on any income and taxable capital gains that result from receipt of the consideration received under the Transaction. See the section titled “Certain Canadian Federal Income Tax Considerations” for more information in this regard. There can be no assurance that the CRA, the IRS or other applicable taxing authorities will agree with the interpretation of Canadian tax consequences of the Transaction, as applicable, as set forth in this Transaction Supplement, and BWS Class A Shareholders and BN Class A Shareholders are advised to consult with their own tax advisors to determine the tax consequences of the Transaction applicable to their particular circumstances.

There may be a taxable event for Eligible Canadian Holders as a result of transactions beyond their control

An Eligible Canadian Holder who: (i) disposes of BN Class A Shares pursuant to the Transaction and who receives, as part of the consideration therefor, Exchangeable Shares; and (ii) validly makes a joint tax election under subsection 85(1) or subsection 85(2) of the Tax Act (as applicable and as described in the section titled “Certain Canadian Federal Income Tax Considerations – Holders Resident in Canada – Exchange of BN Shares – Section 85 Election”) in respect of such BN Class A Shares, may obtain a full or partial tax deferral of any capital gain that may otherwise arise on the exchange of such BN Class A Shares for Canadian federal income tax purposes. However, an Eligible Canadian Holder will be considered to have disposed of Exchangeable Shares: (i) on a redemption of such Exchangeable Shares by New BNC; and (ii) on an acquisition of such Exchangeable Shares by New BN or a New BN Designee. Although each is a taxable event, the Canadian federal income tax consequences of the disposition will be different depending on whether the event giving rise to the disposition is a redemption by New BNC or an acquisition by New BN or a New BN Designee.

Prior to the 15th anniversary of the Effective Date, New BNC may choose to redeem Exchangeable Shares in limited circumstances, and on or after the 15th anniversary of the Effective Date, New BNC may redeem the Exchangeable Shares in any circumstances. In addition, an Eligible Canadian Holder (including an Eligible Canadian Holder who exercises the right to require redemption of its Exchangeable Shares by giving a Retraction Request) cannot control whether the Exchangeable Shares will be acquired by New BN or a New BN Designee under the Retraction Call Right or Redemption Call Right, as applicable, or redeemed by New BNC. Thus, an Eligible Canadian Holder may have a taxable event in a transaction beyond his or her control and, in certain circumstances, an Eligible Canadian Holder may have no control over the Canadian federal income tax consequences arising from such event. See the section titled “Certain Canadian Federal Income Tax Considerations” for further information.

5.3 Extinction of Rights

Any certificate that immediately prior to the Effective Time represented outstanding Acquired Securities that are exchanged pursuant to Section 3.1 shall cease to represent a claim or interest of any kind or nature as a shareholder of BN or BWS. - (e) Currency. In these Exchangeable Share Provisions, unless stated otherwise, all cash payments provided for herein shall be made in U.S. dollars.

Section 2 Ranking of Exchangeable Shares

The Exchangeable Shares shall be entitled to a preference over the Junior Shares and any other shares ranking junior to the Exchangeable Shares with respect to: (a) the payment of dividends or other distributions as and to the extent provided in Section 3; and (b) the distribution of assets in the event of the liquidation, dissolution or winding-up of the Company, whether voluntary or involuntary, or any other distribution of the assets of the Company among its shareholders for the purpose of winding up its affairs as and to the extent provided in Section 6.

Section 3 Dividends and Distributions

- (a) Dividends and Distributions. A holder of Exchangeable Shares shall be entitled to receive, and the Board of Directors shall declare and the Company shall pay, subject to Section 4 and applicable law, as and when declared by the New BN Board on the Class A Shares, dividends or other distributions on each Exchangeable Share:
 - (i) in the case of a cash dividend, return of capital or other cash distribution declared on or in respect of the Class A Shares, in an amount in cash for each Exchangeable Share equal to the product of (A) the Exchange Ratio in effect on the applicable Record Date, multiplied by (B) the cash dividend, return of capital or other cash distribution declared on or in respect of each Class A Share;
 - (ii) in the case of a stock or share dividend or other distribution declared on or in respect of the Class A Shares to be paid or otherwise satisfied in Class A Shares, or in the case of a split or subdivision of the Class A Shares, to be paid or otherwise satisfied by the issue by the Company of such number of Exchangeable Shares for each Exchangeable Share as is equal to the product of (A) the Exchange Ratio in effect on the applicable Record Date (or, in the case of a split or subdivision, on the effective date of such split or subdivision), multiplied by (B) the number of Class A Shares to be paid on each Class A Share (or, in the case of a split or subdivision, the number of

Class A Shares resulting from such split or subdivision for each Class A Share held immediately prior thereto); or

- (iii) in the case of a dividend or other distribution declared on or in respect of the Class A Shares to be paid or otherwise satisfied in property other than cash or Class A Shares, in such type and amount of property for each Exchangeable Share as is the same as or economically equivalent to (as determined by the Board of Directors in good faith, whose determination shall be conclusive and binding) the type and amount of property declared as a dividend or other distribution or return of capital, on or in respect of each Class A Share, multiplied by the Exchange Ratio in effect on the applicable Record Date;

such dividends or other distributions shall be paid out of money, assets or property of the Company properly applicable to the payment of dividends or other distributions (less any amount withheld pursuant to Section 14(c)), out of authorized but unissued shares of the Company or through the subdivision of outstanding Exchangeable Shares, as applicable. The holders of Exchangeable Shares shall not be entitled to any dividends or other distributions other than or in excess of the dividends or returns of capital referred to in this Section 3(a). For greater certainty, such dividends or other distributions paid on the Exchangeable Shares are not required to take the same legal form as the corresponding dividends, other distributions or returns of capital paid on the Class A Shares.

- (b) Payments of Dividends and Distributions. Cheques of the Company payable at par at any branch of the bankers of the Company shall be issued in respect of any cash dividends or other distributions contemplated by Section 3(a)(i) and the sending of such cheque to each holder of an Exchangeable Share shall satisfy the cash dividend or other cash distribution represented thereby unless the cheque is not paid on presentation. Certificates registered in the name of the registered holder of Exchangeable Shares or written evidence of the book entry issuance or transfer to the registered holder of Exchangeable Shares shall be delivered in respect of any stock or share dividends or other distributions contemplated by Section 3(a)(ii) or any subdivision of the Exchangeable Shares under Section 3(a)(ii) and Section 3(g). Such other type and amount of property in respect of any dividends or other distributions contemplated by Section 3(a)(iii) shall be issued, distributed or transferred by the Company in such manner as it shall determine, and the issuance, distribution or transfer thereof by the Company to each holder of an Exchangeable Share shall satisfy the dividend or other distribution represented thereby. Subject to the requirements of applicable law with respect to unclaimed property, no holder of an Exchangeable Share shall be entitled to recover by action or other legal process against the Company any dividend or other distribution that is represented by a cheque that has not been duly presented to the Company's bankers for payment or that otherwise remains unclaimed for a period of six years from the date on which such dividend was payable.

- (c) Record and Payment Dates. The Record Date for the determination of the holders of Exchangeable Shares entitled to receive payment of, and the payment date for, any dividend or other distribution declared on the Exchangeable Shares under Section 3(a) shall be the same dates as the Record Date and payment date, respectively, for the corresponding dividend or other distribution or return of capital declared on the Class A Shares, each as set and approved by the New BN Board and the Board of Directors, as applicable. The Record Date for the determination of the holders of Exchangeable Shares entitled to receive Exchangeable Shares in connection with any subdivision of the Exchangeable Shares under Section 3(a)(ii) and Section 3(g), and the effective date of such subdivision, shall be the same dates as the Record Date and payment date, respectively, for the corresponding stock or share dividend or other distribution or return of capital declared on the Class A Shares, or, in the case of a split or subdivision, the effective date of such split or subdivision, each as set and approved by the New BN Board and the Board of Directors, as applicable.
- (d) Partial Payment. If on any payment date for any dividends or other distributions declared on the Exchangeable Shares under Section 3(a) the dividends or other distributions are not paid in full on all of the Exchangeable Shares then outstanding, any such dividends or other distributions that remain unpaid shall be paid on a subsequent date or dates determined by the Board of Directors on which the Company shall have sufficient moneys, assets or property properly applicable to the payment of such dividends or other distributions.
- (e) Unpaid Dividends. If the full amount of a dividend or other distribution to which the holders of Exchangeable Shares are entitled under Section 3(a) is not declared by the Board of Directors, or is declared but is not paid on the applicable payment date, then such dividend or other distribution shall accrue and accumulate, whether or not the Company has earnings, whether or not there are funds legally available for the payment thereof and whether or not such dividends or other distributions are earned, declared or authorized (such amounts, the “**Unpaid Dividends**”). Any dividend or other distribution payment made on the Exchangeable Shares shall first be credited against the earliest Unpaid Dividends due with respect to such Exchangeable Shares which remains payable. For greater certainty, upon payment of the Exchangeable Share Consideration to a holder, such holder shall cease to have any entitlement to receive directly from the Company or New BN, as applicable, any dividend or other distribution included in the calculation of Unpaid Dividends.
- (f) Economic Equivalence. The Board of Directors shall determine, in good faith and in its sole discretion (with the assistance of such financial or other advisors as the Board of Directors may determine), “economic equivalence” for the purposes of the Exchangeable Share Provisions and each such determination shall be conclusive and binding on the Company and its shareholders. In making each such determination, the following factors shall, without excluding other factors determined by the Board of Directors to be relevant, be considered by the Board of Directors:

- (i) any Exchange Ratio adjustments previously done in accordance with Section 4;
 - (ii) in the case of any stock or share dividend or other distribution payable or otherwise satisfied in Class A Shares, the number of such shares issued as a result of such stock or share dividend or other distribution in proportion to the number of Class A Shares outstanding immediately prior to such stock or share dividend or other distribution;
 - (iii) in the case of the issuance or distribution of any rights, options, warrants to subscribe for or purchase Class A Shares (or securities exchangeable for or convertible into or carrying rights to acquire Class A Shares), the relationship between the exercise price of each such right, option or warrant, the number of such rights, options or warrants to be issued or distributed in respect of each Class A Share and the Last Reported Sale Price of a Class A Share, the price volatility of the Class A Shares and the terms of any such instrument;
 - (iv) in the case of the issuance or distribution of any other form of property (including any shares or securities of New BN of any class other than Class A Shares, any rights, options or warrants (other than those referred to in Section 3(f)(iii)), any evidences of indebtedness of New BN or any assets of New BN), the relationship between the fair market value (as determined by the Board of Directors in the manner above contemplated) of such property to be issued or distributed with respect to each outstanding Class A Share and the Last Reported Sale Price of a Class A Share;
 - (v) in the case of any subdivision, redivision or change of the then outstanding Class A Shares into a greater number of Class A Shares or the reduction, combination, consolidation or change of the then outstanding Class A Shares into a lesser number of Class A Shares or any amalgamation, merger, arrangement, reorganization or other transaction affecting the Class A Shares, the effect thereof upon the then outstanding Class A Shares; and
 - (vi) in all such cases, the general taxation consequences of the relevant event to holders of Exchangeable Shares to the extent that such consequences may differ from the taxation consequences to holders of Class A Shares as a result of differences between taxation laws of Canada and Bermuda (except for any differing consequences arising as a result of differing marginal taxation rates and without regard to the individual circumstances of holders of Exchangeable Shares).
- (g) Stock Distributions, Consolidations and Subdivisions. In the event of a stock distribution, consolidation or subdivision of the Class A Shares (including a split or subdivision as contemplated in Section 3(a)(ii)), the Board of Directors may, in good faith and in its discretion and subject to applicable law (including any required approval of the holders of Exchangeable Shares under applicable law) and to

obtaining all required regulatory approvals, declare a corresponding stock distribution, consolidation or subdivision in respect of the Exchangeable Shares. In such instance, and notwithstanding any other provision hereof, such stock distribution, consolidation or subdivision shall become effective on the effective date specified in Section 3(c) without any further act or formality on the part of the Board of Directors. For greater certainty, subject to applicable law, holders of Exchangeable Shares shall be deemed to have consented to any amendment to the articles of the Company required to give effect to such stock distribution, consolidation or subdivision if the holders of Exchangeable Shares have approved such stock distribution, consolidation or subdivision in accordance with applicable law.

Section 4 Exchange Ratio Adjustments

- (a) Initial Exchange Ratio. The Exchange Ratio shall be equal to 1.00000 at the time of initial issuance of the Exchangeable Shares and shall be, subject to Section 4(j), cumulatively adjusted from time to time thereafter as set forth in this Section 4.
- (b) Stock Dividends, Splits, Subdivisions, Combinations and Reclassifications. If New BN (i) declares or pays a dividend on its outstanding Class A Shares wholly or partly in Class A Shares, (ii) splits or subdivides its outstanding Class A Shares, or (iii) effects a reverse share split or otherwise combines or reclassifies its outstanding Class A Shares into a smaller number of Class A Shares, the Exchange Ratio shall be adjusted to equal the amount determined by multiplying the Exchange Ratio in effect immediately prior to the Open of Business on the Record Date for such event by a fraction, (x) the numerator of which shall be the number of Class A Shares issued and outstanding as of the Close of Business on the Record Date for such dividend or immediately following the effective date for such split, subdivision, reverse split, combination or reclassification, as applicable (assuming for such purpose that such dividend, split, subdivision, reverse split, combination or reclassification has occurred as of such time), and (y) the denominator of which shall be the actual number of Class A Shares (determined without the above assumption that such dividend, split, subdivision, reverse split, combination or reclassification has occurred as of such time) issued and outstanding as of the Close of Business on the Record Date for such dividend or immediately prior to the effective date for such split, subdivision, reverse split, combination or reclassification, as applicable. Any adjustment under this Section 4(b) shall become effective immediately after the Open of Business on the Record Date for such dividend, or immediately after the Open of Business on the effective date for such split, subdivision, reverse split, combination or reclassification, as applicable. If such distribution of the type described in this Section 4(b) is declared but not so paid or made, and will not be so paid or made, the Exchange Ratio shall be immediately readjusted, effective as of the date the New BN Board determines not to pay such dividend, to the Exchange Ratio that would be in effect if such dividend had not been declared. For greater certainty, no adjustment under this Section 4(b) shall be required if the Board of Directors effects a corresponding stock

distribution, consolidation or subdivision of the Exchangeable Shares in accordance with Section 3(g).

- (c) Distribution of Rights, Options or Warrants. If New BN distributes any rights, options or warrants to all or substantially all holders of Class A Shares to convert into, exchange for or subscribe for or to purchase or to otherwise acquire Class A Shares (or other securities convertible into, exchangeable for or exercisable for Class A Shares) (each a “**New BN Distributed Right**”), then, as of the Record Date for the distribution of such New BN Distributed Rights or, if later, the time such New BN Distributed Rights become exercisable, the Exchange Ratio shall be adjusted to equal the amount determined by multiplying the Exchange Ratio in effect immediately prior to the Open of Business on the Record Date by a fraction (A) the numerator of which shall be the number of Class A Shares issued and outstanding as of the Close of Business on the Record Date (or, if later, the date such New BN Distributed Rights become exercisable) plus the maximum number of Class A Shares deliverable or purchasable under such New BN Distributed Rights and (B) the denominator of which shall be (x) the number of Class A Shares issued and outstanding as of the Close of Business on the Record Date plus (y) such number of Class A Shares determined by dividing the minimum aggregate cash purchase price under such New BN Distributed Rights of the maximum number of Class A Shares purchasable under such New BN Distributed Rights by the average of the Last Reported Sale Price for a Class A Share for the ten (10) consecutive Trading Day period ending on, and including, the Trading Day immediately preceding the date of announcement of such issuance (or, if later, the date such New BN Distributed Rights become exercisable); provided, however, that, if any such New BN Distributed Rights expire or become no longer exercisable, then the Exchange Ratio shall be adjusted, effective retroactive to the Record Date of the New BN Distributed Rights, to reflect a reduced maximum number of Class A Shares or any change in the minimum aggregate purchase price for the purposes of the above fraction. Any adjustment under this Section 4(c) will be made successively whenever such rights, options or warrants are issued and shall become effective immediately after the Open of Business on the Record Date for such issuance (or, if later, the date such rights, options or warrants become exercisable). To the extent that Class A Shares are not delivered and will not be delivered after the exercise of such rights, options or warrants, the Exchange Ratio shall be decreased to the Exchange Ratio that would then be in effect had the increase with respect to the issuance of such rights, options or warrants been made on the basis of delivery of only the number of Class A Shares actually delivered. If such rights, options or warrants are not so issued, the Exchange Ratio shall be decreased, effective as of the date the New BN Board determines not to issue such rights, options or warrants, to the Exchange Ratio that would then be in effect if such Record Date for such issuance had not occurred. In determining the minimum aggregate purchase price under such New BN Distributed Rights, there shall be taken into account any consideration received by New BN for such rights, options or warrants and any amount payable on exercise or conversion thereof, the value of such consideration, if other than cash, to be determined by the New BN Board.

- (d) Distribution of Assets or Indebtedness. If New BN distributes to all or substantially all holders of Class A Shares evidences of its indebtedness or assets (including securities, but excluding dividends paid exclusively in cash, distributions referred to in Sections 4(b) or 4(c) above or any Spin-Off referred to in Section 4(e) below) or rights, options or warrants to convert into, exchange for or subscribe for or to purchase or to otherwise acquire such securities (but excluding distributions referred to in Section 4(c) above), the Exchange Ratio shall be adjusted to equal the amount determined by multiplying the Exchange Ratio in effect immediately prior to the Open of Business on the Record Date for such dividend by a fraction (A) the numerator of which shall be the average of the Last Reported Sale Price for a Class A Share over the ten (10) consecutive Trading Day period ending on, and including, the Trading Day immediately prior to the Ex-Dividend Date for such dividend and (B) the denominator of which shall be the average of the Last Reported Sale Price for a Class A Share over the ten (10) consecutive Trading Day period ending on, and including, the Trading Day immediately prior to the Ex-Dividend Date for such dividend less the fair market value on the Record Date for such dividend (as determined by the New BN Board in good faith) of the portion of the evidences of indebtedness or assets, rights, options or warrants so distributed applicable to one Class A Share. Any adjustment under this Section 4(d) will become effective immediately after the Open of Business on the Record Date for such dividend. If such dividend is not paid or made, the Exchange Ratio shall be decreased, effective as of the date the New BN Board determines not to pay or make such dividend, to be the Exchange Ratio that would then be in effect if such dividend had not been declared. Notwithstanding the foregoing, if the fair market value (as determined by the New BN Board) of the portion of the evidences of indebtedness or assets, rights, options or warrants distributable to one Class A Share is equal to or greater than the average Last Reported Sale Price for a Class A Share referenced above in this Section 4(d), in lieu of the foregoing adjustment, each holder of Exchangeable Shares shall receive from the Company, in respect of each Exchangeable Share held, a distribution of cash payable out of the funds legally available therefor (at the same time as holders of the Class A Shares), that in the determination of the Company, is comparable as a whole in all material respects with the amount of New BN indebtedness or assets or rights, options or warrants to convert into, exchange for or subscribe for or to purchase or to otherwise acquire such securities that such holder would have received if such holder owned a number of Class A Shares equal to the Exchange Ratio in effect immediately prior to the Record Date.
- (e) Spin-Off. If New BN completes a Spin-Off, the Exchange Ratio shall be adjusted to equal the amount determined by multiplying the Exchange Ratio in effect immediately prior to the Open of Business on the Record Date for such Spin-Off by a fraction (A) the numerator of which shall be the average of the Last Reported Sale Prices of the share capital or similar equity interest applicable to one Class A Share distributed to holders of Class A Shares over the Valuation Period plus the average of the Last Reported Sale Price for a Class A Share over the Valuation Period and (B) the denominator of which shall be the average of the Last Reported Sale Price for a Class A Share over the Valuation Period; provided that, the Company may elect to pay cash in lieu of making an adjustment to the Exchange

Ratio provided by this Section 4(e), in which case the Company shall be required to pay to the holders of Exchangeable Shares, and such holders shall be entitled to receive, cash on the third (3rd) Business Day immediately following the last Trading Day of the Valuation Period in an amount in respect of each Exchangeable Share held, calculated by multiplying the Last Reported Sale Price for a Class A Share on the Record Date of such Spin-Off by the amount the Exchange Ratio would have increased as a result of such Spin-Off if no such cash payment was made. Any adjustment under this Section 4(e) will be made immediately after the Close of Business on the last Trading Day of the Valuation Period, but will be given effect as of the Open of Business on the Record Date for such Spin-Off. Notwithstanding the foregoing, in respect of any Retraction Right being exercised by a holder of Exchangeable Shares during the Valuation Period, references contained in the definition of Valuation Period to “ten (10) consecutive Trading Days” shall be deemed for the purposes of the foregoing for such holder to be replaced with such lesser number of Trading Days as have elapsed between the Record Date of such Spin-Off and the Trading Day immediately preceding the Retraction Date in determining the Exchange Ratio. If any such Spin-Off does not occur, the Exchange Ratio shall be decreased, effective as of the date the New BN Board determines not to proceed with the Spin-Off, to be the Exchange Ratio that would then be in effect if such Spin-Off had not been pursued.

- (f) Tender or Exchange Offers. If New BN or one of its subsidiaries makes a payment in respect of a tender or exchange offer for the Class A Shares (but excluding for all purposes any tender or exchange offer involving an offer to exchange Class A Shares for Exchangeable Shares or any other security that is economically equivalent to Class A Shares), to the extent that the cash and value of any other consideration included in the payment per Class A Share exceeds the average of the Last Reported Sale Price for a Class A Share over the ten (10) consecutive Trading Day period commencing on, and including, the Trading Day next succeeding the last date on which tenders or exchanges may be made pursuant to such tender or exchange offer (the “**Expiration Date**”), then the Exchange Ratio shall be adjusted to equal the amount determined by multiplying the Exchange Ratio in effect immediately prior to the Open of Business on the Trading Day next succeeding the Expiration Date by a fraction (A) the numerator of which shall be (x) the sum of the aggregate value of all cash and any other consideration (as determined by the New BN Board in good faith) paid or payable in respect of Class A Shares in such tender or exchange offer plus (y) the average of the Last Reported Sale Price for a Class A Share over the ten (10) consecutive Trading Day period commencing on, and including, the Trading Day next succeeding the Expiration Date multiplied by the number of Class A Shares issued and outstanding immediately after the Expiration Date (after giving effect to the purchase of all Class A Shares accepted for purchase or exchange in such tender or exchange offer, without duplication), and (B) the denominator of which shall be the number of Class A Shares issued and outstanding immediately prior to the Expiration Date (before giving effect to the purchase of all Class A Shares accepted for purchase or exchange in such tender or exchange offer) multiplied by the average of the Last Reported Sale Price for a Class A Share over the ten (10) consecutive Trading Day period commencing on,

and including, the Trading Day next succeeding the Expiration Date. For greater certainty, no adjustment under this Section 4(f) will be made for any normal course issuer bid or similar stock buyback. Any adjustment under this Section 4(f) will be made immediately after the Close of Business on the tenth (10th) Trading Day immediately following, and including, the Trading Day next succeeding the Expiration Date and shall be given effect as of the Open of Business on the day next succeeding the Expiration Date. Notwithstanding the foregoing, in respect of any Retraction Right being exercised by a holder of Exchangeable Shares during the Valuation Period, references above to “ten (10) consecutive Trading Days” shall be deemed for such holder to be replaced with such lesser number of Trading Days as have elapsed between the Expiration Date and the Trading Day immediately preceding the Retraction Date in determining the Exchange Ratio.

- (g) Splits or Subdivision of Exchangeable Shares. If the Company (a) declares or pays a dividend on its outstanding Exchangeable Shares wholly or partly in Exchangeable Shares; (b) splits or subdivides its outstanding Exchangeable Shares or (c) effects a reverse share split or otherwise combines or reclassifies its outstanding Exchangeable Shares into a smaller number of Exchangeable Shares, the Exchange Ratio shall be adjusted to equal the amount determined by multiplying the Exchange Ratio in effect immediately prior to the Open of Business on the Record Date for such event by a fraction, (x) the numerator of which shall be the number of Exchangeable Shares issued and outstanding as of the Close of Business on the Record Date for such dividend or immediately prior to the effective date for such split, subdivision, reverse split, combination or reclassification, as applicable (determined without the assumption for such purpose that such dividend, split, subdivision, reverse split, combination or reclassification has occurred as of such time), and (y) the denominator of which shall be the actual number of Exchangeable Shares (assuming the above assumption that such dividend, split, subdivision, reverse split, combination or reclassification has occurred) issued and outstanding as of the Close of Business on the Record Date for such dividend or immediately following the effective date for such split, subdivision, reverse split, combination or reclassification, as applicable. Any adjustment under this Section 4(g) shall become effective immediately after the Open of Business on the Record Date for such dividend, or immediately after the Open of Business on the effective date for such split, subdivision, reverse split, combination or reclassification, as applicable. If such dividend of the type described in this Section 4(g) is declared but not so paid or made and will not be so paid or made, the Exchange Ratio shall be immediately readjusted, effective as of the date the Board of Directors determines not to pay such dividend, to the Exchange Ratio that would be in effect if such dividend had not been declared.
- (h) Rights, Options or Warrants in respect of Exchangeable Shares. If the Company distributes any rights, options or warrants to all or substantially all holders of Exchangeable Shares to convert into, exchange for or subscribe for or to purchase or to otherwise acquire Exchangeable Shares (or other securities convertible into, exchangeable for or exercisable for Exchangeable Shares) at a price per share that is less than the average of the Exchangeable Share Value for the ten (10)

consecutive Trading Day period ending on, and including, the Trading Day immediately preceding the date of announcement of such issuance (each a “**Distributed Right**”), then, as of the Record Date for the distribution of such Distributed Rights or, if later, the time such Distributed Rights become exercisable, the Exchange Ratio shall be adjusted to equal the amount determined by multiplying the Exchange Ratio in effect immediately prior to the Open of Business on the Record Date by a fraction (A) the numerator of which shall be (x) the number of Exchangeable Shares issued and outstanding as of the Close of Business on the Record Date (or, if later, the date such Distributed Rights become exercisable) plus (y) such number of Exchangeable Shares determined by dividing the minimum aggregate cash purchase price under such Distributed Rights of the maximum number of Exchangeable Shares purchasable under such Distributed Rights by the average of the Exchangeable Share Value for the ten (10) consecutive Trading Day period ending on, and including, the Trading Day immediately preceding the date of announcement of such issuance (or, if later, the date such Distributed Rights become exercisable) and (B) the denominator of which shall be the number of Exchangeable Shares issued and outstanding as of the Close of Business on the Record Date (or, if later, the date such Distributed Rights become exercisable) plus the maximum number of Exchangeable Shares purchasable under such Distributed Rights; provided, however, that, if any such Distributed Rights expire or become no longer exercisable, then the Exchange Ratio shall be adjusted, effective retroactive to the Record Date of the Distributed Rights, to reflect a reduced maximum number of Exchangeable Shares or any change in the minimum aggregate purchase price for the purposes of the above fraction. Any adjustment under this Section 4(h) will be made successively whenever such rights, options or warrants are issued and shall become effective immediately after the Open of Business on the Record Date (or, if later, the date such Distributed Rights become exercisable) for such issuance. To the extent that the Exchangeable Shares are not delivered and will not be delivered after the exercise of such rights, options or warrants, the Exchange Ratio shall be increased to the Exchange Ratio that would then be in effect had the increase with respect to the issuance of such rights, options or warrants been made on the basis of delivery of only the number of Exchangeable Shares actually delivered. If such rights, options or warrants are not so issued, the Exchange Ratio shall be increased, effective as of the date the Board of Directors determines not to issue such rights, options or warrants, to the Exchange Ratio that would then be in effect if such Record Date for such issuance had not occurred. In determining the minimum aggregate purchase price under such Distributed Rights, there shall be taken into account any consideration received by the Company for such rights, options or warrants and any amount payable on exercise or conversion thereof, the value of such consideration, if other than cash, to be determined by the Board of Directors.

- (i) Other Events Affecting Economic Equivalence. If any other event occurs that, in the determination of the Board of Directors, would otherwise result in dilution or a change in the economic equivalence between the Exchangeable Shares and the Class A Shares, the Exchange Ratio shall be adjusted in such manner as the Board

of Directors and the New BN Board mutually determine in good faith to be appropriate to maintain such economic equivalence.

- (j) No Adjustment. Notwithstanding the foregoing provisions of this Section 4, the Exchange Ratio shall not be adjusted in connection with:
- (i) any event described in Sections 4(b) through 4(f) above (other than Section 4(e) above) if, in connection with such event, the Company makes a distribution of cash, Exchangeable Shares, Class A Shares and/or rights, options or warrants to acquire Exchangeable Shares and/or Class A Shares with respect to all applicable Exchangeable Shares, splits or subdivides the Exchangeable Shares, distributes to all or substantially all holders of Exchangeable Shares evidences of its indebtedness or assets or effects a reverse split of, or otherwise combines or makes an offer for, the Exchangeable Shares, as applicable, that, in the determination of the Board of Directors, is comparable as a whole in all material respects with such event;
 - (ii) a Spin-Off as described in Section 4(e) above if the Company makes a compensating distribution in an amount and on terms that are equivalent to the value of such Spin-Off as determined by the Board of Directors (which may include a distribution of the share capital or similar equity interests distributed to holders of Class A Shares in the Spin-Off or other assets, cash or property (including securities)); or
 - (iii) an event described in Section 4(g) above if, in connection with such event, New BN makes a distribution of cash, Exchangeable Shares, Class A Shares and/or rights, options or warrants to acquire Exchangeable Shares and/or Class A Shares with respect to all Class A Shares, splits or subdivides the Class A Shares or effects a reverse split of, or otherwise combines or makes an offer for, the Class A Shares, as applicable, that, in the determination of the Board of Directors, is comparable as a whole in all material respects with such event.
- (k) Calculation. Any adjustment to the Exchange Ratio shall be calculated up to four (4) decimal places. Within ten (10) Business Days of the effectiveness of any adjustment or readjustment of the Exchange Ratio, the Company shall make a public announcement of such adjustment or readjustment.

Section 5 Certain Restrictions

So long as any of the Exchangeable Shares are outstanding, the Company shall not at any time without, but may at any time with, the approval of the holders of the Exchangeable Shares given as specified in Section 11(b):

- (a) pay any dividends or other distributions on the Junior Shares, other than stock or share dividends payable in Junior Shares;

- (b) redeem or purchase or make any capital distribution in respect of any Junior Shares with respect to the payment of dividends or the distribution of the assets in the event of the liquidation, dissolution or winding up of the Company, whether voluntary or involuntary, or any other distribution of the assets of the Company among its shareholders for the purpose of winding up its affairs;
- (c) redeem or purchase or make any capital distribution in respect of any other shares of the Company ranking equally with the Exchangeable Shares with respect to the payment of dividends or the distribution of assets in the event of the liquidation, dissolution or winding-up of the Company, whether voluntary or involuntary, or any other distribution of the assets of the Company among its shareholders for the purpose of winding up its affairs; or
- (d) issue any Exchangeable Shares or any other shares ranking equally with, or superior to, the Exchangeable Shares, other than, in each case, by way of stock or share dividends to the holders of such Exchangeable Shares or pursuant to a shareholders rights plan adopted by the Company;

provided, however, that the restrictions in this Section 5 shall not apply if all dividends or other distributions on the outstanding Exchangeable Shares corresponding to dividends, returns of capital or other distributions declared and paid on the Class A Shares shall have been declared and paid in full on the Exchangeable Shares prior to or as at the date of any such event referred to in this Section 5.

Section 6 Liquidation

- (a) Liquidation Amount. Subject to applicable laws and the due exercise by New BN or any New BN Designee of the Retraction Call Right, in the event of the liquidation, dissolution or winding-up of the Company or any other distribution of the assets of the Company among its shareholders for the purpose of winding up its affairs (a “**Company Liquidation Event**”), a holder of Exchangeable Shares shall be entitled to receive from the assets of the Company in respect of each Exchangeable Share held by such holder on the effective date of such Company Liquidation Event (the “**Liquidation Date**”), before any distribution of any part of the assets of the Company among the holders of Junior Shares, an amount per share (the “**Liquidation Entitlement**”) equal to the amount a holder of such Exchangeable Share would have received from New BN had such holder exercised its Retraction Right and New BN was then subject to a New BN Liquidation Event, which price shall be satisfied in full by the Company delivering or causing to be delivered to such holder the Exchangeable Share Consideration representing the Liquidation Entitlement. Notwithstanding the foregoing, upon the occurrence of a Company Liquidation Event, each holder of Exchangeable Shares shall, subject to applicable law and the due exercise by New BN or any New BN Designee of the Retraction Call Right, be deemed without any further action on the part of such holder to have delivered a Retraction Request pursuant to Section 7(a) and to have exercised its Retraction Right with respect to all Exchangeable Shares held by such holder immediately prior to the Liquidation Date, and the provisions of Section 7

(including, for greater certainty, the Retraction Call Right) shall apply *mutatis mutandis* to such deemed Retraction Request and deemed exercise of the Retraction Right.

- (b) No Right to Participate in Further Distributions. After the Company, New BN or any New BN Designee, as applicable, has satisfied its obligations to pay the holders of the Exchangeable Shares the aggregate Retraction Price or Retraction Call Right Purchase Price, as applicable, pursuant to Section 7, such holders shall not be entitled to share in any further distribution of the assets of the Company.
- (c) Liquidation of New BN. In the event of the liquidation, dissolution or winding-up of New BN or any other distribution of the assets of New BN among its shareholders for the purpose of winding-up its affairs, whether voluntary or involuntary (a “**New BN Liquidation Event**”), immediately prior to such New BN Liquidation Event, each holder of the then outstanding Exchangeable Shares shall, subject to applicable law and the due exercise by New BN or any New BN Designee of the Retraction Call Right, be deemed without any further action on the part of such holder to have delivered a Retraction Request pursuant to Section 7(a) and to have exercised its Retraction Right with respect to all Exchangeable Shares held by such holder for the Exchangeable Share Price immediately prior to the effective date of such New BN Liquidation Event, and the provisions of Section 7 (including, for greater certainty, the Retraction Call Right) shall apply *mutatis mutandis* to such deemed Retraction Request and deemed exercise of the Retraction Right.

Section 7 Retraction of Exchangeable Shares

- (a) Retraction at Option of Holder.
 - (i) Subject to applicable laws and the due exercise by New BN or any New BN Designee of the Retraction Call Right, a holder of Exchangeable Shares shall be entitled (the “**Retraction Right**”) at any time to require the Company to redeem any or all of the Exchangeable Shares registered in the name of such holder for an amount per share equal to the Exchangeable Share Price applicable on the last Business Day prior to the Retraction Date (the “**Retraction Price**”), which price shall be satisfied in full by the Company delivering or causing to be delivered to such holder the Exchangeable Share Consideration representing the Retraction Price. A holder of Exchangeable Shares must give notice of a request to redeem by presenting and surrendering to the Company, at the registered office of the Company or at any office of the Transfer Agent as may be specified by the Company by notice to the holders of the Exchangeable Shares, the certificate or certificates representing the Exchangeable Shares that such holder desires to have the Company redeem, together with (A) such other documents and instruments as may be required to effect a transfer of Exchangeable Shares under the OBCA and the articles of the Company, as applicable, together with such additional documents, instruments and payments as the Transfer Agent and the Company may reasonably require

and (B) a duly executed request (the “**Retraction Request**”) in the form of Appendix I hereto or in such other form as may be acceptable to the Company:

- (A) specifying that such holder desires to have all or any number specified therein of the Exchangeable Shares represented by such certificate or certificates (the “**Retracted Shares**”) redeemed by the Company, provided that the number of Retracted Shares must be a whole number of Exchangeable Shares;
 - (B) stating the Business Day on which the holder desires to have the Company redeem the Retracted Shares (the “**Retraction Date**”), provided that the Retraction Date shall not be less than 10 Business Days nor more than 15 Business Days after the date on which the Retraction Request is received by the Company (or such additional period as may be mutually agreed) and further provided that, in the event that no such Business Day is specified by the holder in the Retraction Request, the Retraction Date shall be deemed to be the 10th Business Day after the date on which the Retraction Request is received by the Company, subject to Section 7(a)(v); and
 - (C) acknowledging the overriding right (the “**Retraction Call Right**”) of New BN or any New BN Designee to purchase all but not less than all the Retracted Shares directly from the holder and that the Retraction Request shall be deemed to be a revocable offer by the holder to sell the Retracted Shares to New BN or any New BN Designee in accordance with the Retraction Call Right on the Retraction Date for the Retraction Call Right Purchase Price and on the other terms and conditions set out in Section 7(b).
- (ii) In the case of a redemption of Exchangeable Shares pursuant to this Section 7(a), upon receipt by the Company or the Transfer Agent in the manner specified in Section 7(a)(i) of a certificate or certificates representing the number of Exchangeable Shares which the holder desires to have the Company redeem, together with a duly executed Retraction Request and such additional documents and instruments specified in Section 7(a)(i) or that the Company may reasonably require, and provided that (A) the Retraction Request has not been revoked by the holder of such Retracted Shares in the manner specified in Section 7(a)(iv), and (B) neither New BN nor any New BN Designee has exercised the Retraction Call Right, the Company shall redeem the Retracted Shares effective at the Close of Business on the Retraction Date. On the Retraction Date, the Company shall deliver or cause to be delivered to such holder, at the address of the holder recorded in the securities register of the Company for the Exchangeable Shares or at the address specified in the Retraction Request or by holding for pick-up by the holder at the registered office of the Company or at any office of the Transfer Agent as may be specified by the Company by notice

to the holders of the Exchangeable Shares, the Exchangeable Share Consideration representing the Retraction Price and such delivery of such Exchangeable Share Consideration by or on behalf of the Company by the Transfer Agent shall be deemed to be payment of and shall satisfy and discharge all liability for the Retraction Price to the extent that the same is represented by such Exchangeable Share Consideration. If only a part of the Exchangeable Shares represented by any certificate is redeemed, a new certificate for the balance of such Exchangeable Shares shall be issued to the holder at the expense of the Company. On and after the Close of Business on the Retraction Date, the holder of the Retracted Shares shall cease to be a holder of such Retracted Shares and shall not be entitled to exercise any of the rights of a holder in respect thereof (including any rights under the Voting Trust Agreement), other than the right to receive the aggregate Retraction Price in respect thereof, unless payment of the aggregate Retraction Price payable to such holder shall not be made upon presentation and surrender of share certificates and other required documents in accordance with the foregoing provisions, in which case the rights of such holder shall remain unaffected until such aggregate Retraction Price has been paid in the manner hereinbefore provided. On and after the Close of Business on the Retraction Date, provided that presentation and surrender of the certificates and payment of such aggregate Retraction Price has been made in accordance with the foregoing provisions, the holder of the Retracted Shares so redeemed by the Company shall thereafter be considered and deemed for all purposes to be a holder of the Class A Shares delivered to such holder.

- (iii) Notwithstanding any other provision of this Section 7, the Company shall not be obligated to redeem Retracted Shares specified by a holder in a Retraction Request if and to the extent that such redemption of Retracted Shares would be contrary to solvency requirements or other provisions of applicable laws. If the Company believes, after due enquiry, that on any Retraction Date it would not be permitted by any of such provisions to redeem the Retracted Shares tendered for redemption on such date, and provided that neither New BN nor any New BN Designee has exercised the Retraction Call Right with respect to such Retracted Shares, the Company shall only be obligated to redeem Retracted Shares specified by a holder in a Retraction Request to the extent of the maximum number that may be so redeemed (rounded down to a whole number of shares) as would not be contrary to such provisions and shall notify the holder at least two Business Days prior to the Retraction Date as to the number of Retracted Shares which will not be redeemed by the Company. In any case in which the redemption by the Company of Retracted Shares would be contrary to solvency requirements or other provisions of applicable laws, the Company shall redeem Retracted Shares in accordance with Section 7(a)(ii) on a *pro rata* basis in proportion to the total number of Exchangeable Shares tendered for retraction and shall issue to each holder of Retracted Shares a

new certificate, at the expense of the Company, representing the Retracted Shares not redeemed by the Company pursuant to Section 7(a)(ii).

- (iv) A holder of Retracted Shares may, by notice in writing given by the holder to the Company before the Close of Business on the second Business Day immediately preceding the Retraction Date, withdraw its Retraction Request, in which event such Retraction Request shall be null and void and, for greater certainty, the revocable offer constituted by the Retraction Request to sell the Retracted Shares to New BN or any New BN Designee shall be deemed to have been revoked.
- (v) Notwithstanding any other provision of this Section 7(a), if:
 - (A) exercise of the rights of the holders of the Exchangeable Shares, or any of them, to require the Company to redeem any Exchangeable Shares pursuant to this Section 7(a) on any Retraction Date would require listing particulars or any similar document to be issued in order to obtain the approval of the TSX or NYSE to the listing and trading (subject to official notice of issuance) of the Class A Shares that would be required to be delivered to such holders of Exchangeable Shares in connection with the exercise of such rights; and
 - (B) as a result of (A) above, it would not be practicable (notwithstanding the reasonable endeavours of New BN) to obtain such approvals in time to enable all or any of such Class A Shares to be admitted to listing and trading by the TSX or NYSE (subject to official notice of issuance) when so delivered; the Retraction Date shall, notwithstanding any other date specified or otherwise deemed to be specified in any relevant Retraction Request, be deemed for all purposes to be the earlier of (i) the second Business Day immediately following the date the approvals referred to in Section 7(a)(v)(A) are obtained and (ii) the date which is 30 Business Days after the date on which the relevant Retraction Request is received by the Company, and references in these Exchangeable Share Provisions to such Retraction Date shall be construed accordingly.

(b) Retraction Call Rights.

- (i) In the event that (A) a holder of Exchangeable Shares delivers a Retraction Request pursuant to Section 7(a), or (B) a holder of Exchangeable Shares is deemed to have exercised its Retraction Right pursuant to Section 6(a), Section 6(c) or Section 8(a), and subject to the limitations set forth in Section 7(a)(ii) (including that any New BN Designee shall only be entitled to exercise its Retraction Call Right with respect to those holders of Exchangeable Shares, if any, in respect of which New BN has not exercised

its Retraction Call Right), the Retraction Call Right will be available to New BN and any New BN Designee, notwithstanding the proposed redemption of the Exchangeable Shares by the Company pursuant to Section 7(a), to purchase from such holder on the Retraction Date all but not less than all of the Retracted Shares held by such holder on payment by New BN or any New BN Designee, as the case may be, of an amount per share equal to the Exchangeable Share Price applicable on the last Business Day prior to the Retraction Date (the “**Retraction Call Right Purchase Price**”), which price shall be satisfied in full by New BN or any New BN Designee, as the case may be, delivering or causing to be delivered to such holder the Exchangeable Share Consideration representing the Retraction Call Right Purchase Price. Upon the exercise of the Retraction Call Right in respect of Retracted Shares, the holder of such Retracted Shares shall be obligated to sell all of such Retracted Shares to New BN or any New BN Designee, as the case may be, on the Retraction Date on payment by New BN or any New BN Designee, as the case may be, of the aggregate Retraction Call Right Purchase Price in respect of such Retracted Shares as set forth in this Section 7(b)(i).

- (ii) Upon receipt by the Company of a Retraction Request, the Company shall immediately notify New BN and any New BN Designee and shall provide New BN and any New BN Designee with a copy of the Retraction Request. Any New BN Designee shall only be entitled to exercise its Retraction Call Right with respect to those holders of Retracted Shares, if any, in respect of which New BN has not exercised its Retraction Call Right. In order to exercise its Retraction Call Right, New BN or any New BN Designee, as the case may be, must notify the Company in writing of its determination to do so (a “**Retraction Call Notice**”) within five Business Days after the Company notifies New BN of the Retraction Request. If neither New BN nor any New BN Designee notifies the Company within such five Business Day period, the Company shall notify the holder as soon as possible thereafter that neither New BN nor any New BN Designee will exercise the Retraction Call Right. If one or both of New BN and any New BN Designee delivers a Retraction Call Notice within such five Business Day period and duly exercises its Retraction Call Right in accordance with this Section 7(b)(ii), the obligation of the Company to redeem the Retracted Shares shall terminate and, provided that the Retraction Request is not revoked by the holder of such Retracted Shares in the manner specified in Section 7(a)(iv), New BN or any New BN Designee, as the case may be, shall purchase from such holder and such holder shall sell to New BN or any New BN Designee, as the case may be, on the Retraction Date the Retracted Shares for an amount per share equal to the Retraction Call Right Purchase Price. Provided that the aggregate Retraction Call Right Purchase Price has been so deposited with the Transfer Agent as provided in Section 7(b)(iii), the closing of the purchase and sale of the Retracted Shares pursuant to the Retraction Call Right shall be deemed to have occurred as at the Close of Business on the Retraction Date and, for greater certainty,

no redemption by the Company of such Retracted Shares shall take place on the Retraction Date.

- (iii) For the purpose of completing a purchase of Retracted Shares pursuant to the exercise of the Retraction Call Right, New BN or any New BN Designee, as the case may be, shall deliver or cause to be delivered to the holder of such Retracted Shares, at the address of the holder recorded in the securities register of the Company for the Exchangeable Shares or at the address specified in the holder's Retraction Request or by holding for pick-up by the holder at the registered office of the Company or at any office of the Transfer Agent as may be specified by the Company by notice to the holders of Exchangeable Shares, the Exchangeable Share Consideration representing the Retraction Call Right Purchase Price to which such holder is entitled and such delivery of Exchangeable Share Consideration on behalf of New BN or any New BN Designee, as the case may be, shall be deemed to be payment of and shall satisfy and discharge all liability for the Retraction Call Right Purchase Price to the extent that the same is represented by such Exchangeable Share Consideration, unless any cheque comprising part of such Exchangeable Share Consideration is not paid on due presentation.
- (iv) On and after the Close of Business on the Retraction Date, the holder of the Retracted Shares shall cease to be a holder of such Retracted Shares and shall not be entitled to exercise any of the rights of a holder in respect thereof (including any rights under the Voting Trust Agreement), other than the right to receive the aggregate Retraction Call Right Purchase Price in respect thereof, unless payment of the aggregate Retraction Call Right Purchase Price payable to such holder shall not be made upon presentation and surrender of share certificates and other required documents in accordance with the foregoing provisions, in which case the rights of such holder shall remain unaffected until such aggregate Retraction Call Right Purchase Price has been paid in the manner hereinbefore provided. On and after the Close of Business on the Retraction Date, provided that presentation and surrender of certificates and payment of such aggregate Retraction Call Right Purchase Price has been made in accordance with the foregoing provisions, the holder of the Retracted Shares so purchased by New BN or any New BN Designee, as the case may be, shall thereafter be considered and deemed for all purposes to be a holder of the Class A Shares delivered to such holder.

Section 8 Redemption of Exchangeable Shares by the Company

- (a) Redemption Amount. Subject to applicable laws and the due exercise by New BN or any New BN Designee of the Redemption Call Right, the Company shall have the right (the “**Redemption Right**”), exercisable at any time after the Redemption Date without any approval, consent, or action by the holders of Exchangeable Shares, to redeem all but not less than all of the then outstanding Exchangeable

Shares (other than Exchangeable Shares held by New BN and its subsidiaries) for an amount per share (the “**Redemption Price**”) equal to the Liquidation Entitlement as of the last Business Day prior to the Redemption Date, which price shall be satisfied in full by the Company delivering or causing to be delivered the Exchangeable Share Consideration for each Exchangeable Share held by such holder. Notwithstanding the foregoing, where there is a Redemption Date, unless a holder of Exchangeable Shares delivers a Holder Redemption Election Notice in accordance with Section 8(c), such holder shall be deemed without any further action on the part of such holder to have delivered a Retraction Request pursuant to Section 7(a) and to have exercised its Retraction Right with respect to all Exchangeable Shares held by such holder for the Exchangeable Share Price immediately prior to such Redemption Date, and the provisions of Section 7 (including, for greater certainty, the Retraction Call Right) shall apply *mutatis mutandis* to such deemed Retraction Request and deemed exercise of the Retraction Right.

- (b) Notice of Redemption. In the case of a redemption of Exchangeable Shares pursuant to Section 8(a), the Company shall send or cause to be sent to each holder of Exchangeable Shares a notice in writing of the redemption by the Company or the purchase by New BN or any New BN Designee under the Redemption Call Right, as the case may be, of the Exchangeable Shares held by such holder. Such notice shall be given: (A) at least 30 days before the Redemption Date, in the case of a Redemption Date established pursuant to paragraph (i), (vi) or (vii) of the definition of Redemption Date; (B) on such number of days’ prior written notice as the Board of Directors may determine to be reasonably practicable in the circumstances, in the case of a Redemption Date established pursuant to paragraph (ii) of the definition of Redemption Date; (C) on or before the Redemption Date, in the case of a Redemption Date established pursuant to paragraph (iii), (iv) or (v) of the definition of Redemption Date; and (D) at least 30 days before the Redemption Date, in all other cases. In any such case, such notice shall set out the formula for determining the Redemption Price or the Redemption Call Right Purchase Price, as the case may be, the Redemption Date and, if applicable, particulars of the Redemption Call Right. In the case of any notice given in connection with a possible Redemption Date, such notice may be given contingently and may be withdrawn if the contingency does not occur.
- (c) Holder Redemption Election Notice. A holder of Exchangeable Shares who wishes to have the Company redeem such holder’s Exchangeable Shares on the Redemption Date pursuant to Section 8(a) (rather than being deemed to have exercised its Retraction Right) must deliver a written notice to the Company (a “**Holder Redemption Election Notice**”) electing to have the Company redeem all of the Exchangeable Shares held by such holder. A Holder Redemption Election Notice shall be delivered to the registered office of the Company or to any office of the Transfer Agent as may be specified by the Company in the notice of redemption delivered pursuant to Section 8(b), and must be received by the Company or the Transfer Agent, as applicable, not less than ten (10) Business Days prior to the Redemption Date (or, if the notice of redemption delivered pursuant to

Section 8(b) specifies a period of less than thirty (30) days prior to the Redemption Date, not less than five (5) Business Days prior to the Redemption Date). A Holder Redemption Election Notice, once delivered, shall be irrevocable. For greater certainty, a holder of Exchangeable Shares who does not deliver a valid Holder Redemption Election Notice in accordance with this Section 8(c) within the time period specified herein shall be deemed to have delivered a Retraction Request pursuant to Section 7(a).

- (d) Payment of Redemption Price. On or promptly after the Redemption Date, and provided that the Redemption Call Right has not been exercised by New BN or any New BN Designee, the Company shall deliver or cause to be delivered to the holders of the Exchangeable Shares who have delivered a Holder Redemption Election Notice in accordance with Section 8(c) the Redemption Price for each such Exchangeable Share, upon presentation and surrender of the certificates representing such Exchangeable Shares, together with such other documents and instruments as may be required to effect a transfer of Exchangeable Shares under the OBCA and the articles of the Company, as applicable, together with such additional documents, instruments and payments as the Transfer Agent and the Company may reasonably require, at the registered office of the Company or at any office of the Transfer Agent as may be specified by notice to the holders of the Exchangeable Shares. Payment of the Redemption Price for such Exchangeable Shares shall be made by delivery to each holder, at the address of the holder recorded in the securities register of the Company for the Exchangeable Shares or by holding for pick-up by the holder at the registered office of the Transfer Agent as may be specified by the Company by notice to the holders of Exchangeable Shares, the Exchangeable Share Consideration representing the Redemption Price. On and after the Redemption Date, the holders of the Exchangeable Shares called for redemption shall cease to be holders of such Exchangeable Shares and shall not be entitled to exercise any of the rights of holders in respect thereof (including any rights under the Voting Trust Agreement) other than the right to receive, without interest, their proportionate part of the aggregate Redemption Price, unless payment of the aggregate Redemption Price for such Exchangeable Shares shall not be made upon presentation and surrender of certificates in accordance with the foregoing provisions, in which case the rights of the holders shall remain unaffected until the Redemption Price has been paid in the manner hereinbefore provided. The Company shall have the right at any time after the sending of notice of its intention to redeem the Exchangeable Shares as aforesaid to deposit or cause to be deposited the aggregate Redemption Price (in the form of Exchangeable Share Consideration) of the Exchangeable Shares so called for redemption, or of such of the said Exchangeable Shares represented by certificates that have not at the date of such deposit been surrendered by the holders thereof in connection with such redemption, in a custodial account with any chartered bank or trust company in Canada named in such notice and any interest earned on such deposit shall belong to the Company. Provided that such aggregate Redemption Price has been so deposited prior to the Redemption Date, on and after the Redemption Date, the Exchangeable Shares in respect of which such deposit shall have been made shall be redeemed and the rights of the holders thereof after the Redemption Date shall

be limited to receiving, without interest, their proportionate part of the aggregate Redemption Price for such Exchangeable Shares so deposited, against presentation and surrender of the certificates for the Exchangeable Shares held by them, respectively, in accordance with the foregoing provisions. Upon such payment or deposit of the Redemption Price, the holders of the Exchangeable Shares shall thereafter be considered and deemed for all purposes to be holders of the Class A Shares delivered to them or the custodian on their behalf. For greater certainty, holders of Exchangeable Shares who are deemed to have exercised their Retraction Right pursuant to Section 8(a) shall receive payment in accordance with Section 7, and the provisions of this Section 8(d) shall not apply to such holders.

(e) Redemption Call Right.

- (i) New BN shall have the overriding right (the “**Redemption Call Right**”), in the event of the delivery of a Holder Redemption Election Notice pursuant to Section 8(c), to purchase from all but not less than all of the holders of Exchangeable Shares who deliver such a notice on the Redemption Date all but not less than all of the Exchangeable Shares held by each such holder in exchange for the Exchangeable Share Consideration for each such Exchangeable Share (the “**Redemption Call Right Purchase Price**”). In the event of the exercise of the Redemption Call Right, each holder of Exchangeable Shares shall be obligated on the Redemption Date to sell all the Exchangeable Shares held by such holder to New BN or any New BN Designee, as the case may be, on the Redemption Date upon delivery by New BN or any New BN Designee, as the case may be, to the holders of Exchangeable Shares of the Redemption Call Right Purchase Price for each such Exchangeable Share, and the Company shall have no obligation to pay any Redemption Price to the holders of such Exchangeable Shares so purchased by New BN or any New BN Designee.
- (ii) In order to exercise the Redemption Call Right, New BN or any New BN Designee, as the case may be, must notify the Transfer Agent in writing, as agent for the holders of Exchangeable Shares and the Company, of its intention to exercise such right at least five Business Days before the Redemption Date. If New BN or any New BN Designee, as the case may be, exercises the Redemption Call Right in accordance with this Section 8(e)(ii), all obligations of the Company under Sections 8(a) and 8(d) shall terminate and on the Redemption Date, New BN or any New BN Designee, as the case may be, shall purchase and such holders of Exchangeable Shares who delivered a Holder Redemption Election Notice pursuant to Section 8(c) shall sell all of their Exchangeable Shares for a price per Exchangeable Share equal to the Redemption Call Right Purchase Price.
- (iii) For the purpose of completing a purchase of Exchangeable Shares pursuant to the exercise of the Redemption Call Right, New BN or any New BN Designee, as the case may be, shall deliver or cause to be delivered to each

holder of Exchangeable Shares who delivered a Holder Redemption Election Notice pursuant to Section 8(c), at the address of the holder recorded in the securities register of the Company for the Exchangeable Shares or by holding for pick-up by the holder at the registered office of the Company or at any office of the Transfer Agent as may be specified by the Company by notice to the holders of Exchangeable Shares, the Exchangeable Share Consideration representing the Redemption Call Right Purchase Price to which such holder is entitled, upon presentation and surrender of the certificates representing such Exchangeable Shares, together with such other documents and instruments as may be required to effect a transfer of Exchangeable Shares under the OBCA and the articles of the Company, as applicable, together with such additional documents, instruments and payments as the Transfer Agent and the Company may reasonably require. Such delivery of Exchangeable Share Consideration on behalf of New BN or any New BN Designee, as the case may be, shall be deemed to be payment of and shall satisfy and discharge all liability for the Redemption Call Right Purchase Price to the extent that the same is represented by such Exchangeable Share Consideration.

- (iv) On and after the Close of Business on the Redemption Date, the holders of the Exchangeable Shares purchased by New BN or any New BN Designee pursuant to the Redemption Call Right shall cease to be holders of such Exchangeable Shares and shall not be entitled to exercise any of the rights of holders in respect thereof (including any rights under the Voting Trust Agreement), other than the right to receive the aggregate Redemption Call Right Purchase Price in respect thereof, unless payment of the aggregate Redemption Call Right Purchase Price payable to such holder shall not be made upon presentation and surrender of share certificates and other required documents in accordance with the foregoing provisions, in which case the rights of such holder shall remain unaffected until such aggregate Redemption Call Right Purchase Price has been paid in the manner hereinbefore provided. On and after the Close of Business on the Redemption Date, provided that presentation and surrender of certificates and payment of such aggregate Redemption Call Right Purchase Price has been made in accordance with the foregoing provisions, the holders of the Exchangeable Shares so purchased by New BN or any New BN Designee, as the case may be, shall thereafter be considered and deemed for all purposes to be holders of the Class A Shares delivered to them.

Section 9 Purchase for Cancellation

- (a) Private Agreement. Subject to applicable laws and the articles of the Company, and notwithstanding Section 9(b), the Company may at any time and from time to time purchase for cancellation all or any part of the Exchangeable Shares by private agreement with the holder thereof.

- (b) Tender Offer. Subject to applicable laws and the articles of the Company, the Company may at any time and from time to time purchase for cancellation all or any part of the outstanding Exchangeable Shares at any price per share by tender to all the holders of Exchangeable Shares then outstanding or through the facilities of any stock exchange on which the Exchangeable Shares are listed or quoted. If in response to an invitation for tenders under the provisions of this Section 9(b) more Exchangeable Shares are tendered at a price or prices acceptable to the Company than the Company is prepared to purchase, the Exchangeable Shares to be purchased by the Company shall be purchased as nearly as may be pro rata according to the number of shares tendered by each holder who submits a tender to the Company, provided that when shares are tendered at different prices the pro rating shall be effected (disregarding fractions) only with respect to the shares tendered at the price at which more shares were tendered than the Company is prepared to purchase after the Company has purchased all the shares tendered at lower prices. If only part of the Exchangeable Shares represented by any certificate are purchased pursuant to this Section 9(b), a new certificate for the balance of such shares shall be issued at the expense of the Company.

Section 10 Voting Rights

- (a) Voting in the Company. Except as required by applicable laws and by Section 11, the holders of the Exchangeable Shares shall not be entitled as such to receive notice of or to attend any meeting of the shareholders of the Company or to vote at any such meeting. Without limiting the generality of the foregoing, the holders of the Exchangeable Shares shall not be entitled to class votes except as required by applicable law.
- (b) Voting in New BN. New BN and the Company shall enter into the Voting Trust Agreement with the Trustee for the purpose of creating a trust for the benefit of the holders of Exchangeable Shares which shall set forth the terms and conditions governing the voting rights of holders of Exchangeable Shares in respect of New BN, as summarized in this Section 10(b). The Trustee will hold 1 (one) Class E Share in the capital of New BN, which will enable the Trustee to exercise voting rights on any matters that come before holders of Class A Shares. With respect to all meetings of shareholders of New BN at which holders of Class A Shares are entitled to vote, each Beneficiary shall be entitled to instruct the Trustee to cast, and the Trustee shall be obligated to cast, the number of votes equal to the product of the number of outstanding Exchangeable Shares held by such Beneficiary as at the record date for the relevant meeting and the Exchange Ratio in effect at that time. The number of voting rights attached to the 1 (one) Class E Share at a meeting of shareholders of New BN shall consist of a number of votes equal to, in the aggregate, the product of the number of outstanding Exchangeable Shares for which it has received voting instructions from the Beneficiaries and the Exchange Ratio in effect at the relevant time. The Trustee will exercise the voting rights attached to the Class E Share only as directed by the Beneficiaries and, in the absence of any instructions, will not exercise or permit the exercise of such voting rights, all as set out in the Voting Trust Agreement.

Section 11 **Amendment and Approval**

- (a) Amendment. The rights, privileges, restrictions and conditions attaching to the Exchangeable Shares may be added to, changed or removed only with the approval of the holders of the Exchangeable Shares given as hereinafter specified.

- (b) Approval. Any approval given by the holders of the Exchangeable Shares to add to, change or remove any right, privilege, restriction or condition attaching to the Exchangeable Shares, or any other matter requiring the approval or consent of the holders of the Exchangeable Shares in accordance with applicable laws, shall be deemed to have been sufficiently given if it shall have been given in accordance with applicable law, subject to a minimum requirement that such approval be evidenced by resolution passed by not less than two-thirds of the votes cast on such resolution at a meeting of holders of Exchangeable Shares duly called and held at which the holders of Exchangeable Shares holding at least 10% of the outstanding Exchangeable Shares at that time are present or represented by proxy; provided that such approval must also be given by the affirmative vote of holders of not less than two-thirds of the votes cast by the Non-Affiliated Holders represented in person or by proxy at such meeting. If at any such meeting the holders of Exchangeable Shares holding at least 10% of the outstanding Exchangeable Shares as of the record date for such meeting are not present or represented by proxy within one-half hour after the time appointed for such meeting, then the meeting shall be adjourned to such date not less than five days thereafter and to such time and place as may be designated by the chair of such meeting. At such reconvened meeting, the holders of Exchangeable Shares present or represented by proxy thereat may transact the business for which the meeting was originally called and a resolution passed thereat by the affirmative vote of not less than two-thirds of the votes cast on such resolution at such reconvened meeting shall, together with the affirmative vote of not less than two-thirds of the votes cast by the Non-Affiliated Holders represented in person or by proxy at such reconvened meeting, be effective.

Section 12 **Successorship Transaction**

In the event of a New BN Control Transaction in which New BN merges or amalgamates with, or in which all or substantially all of the then outstanding Class A Shares are acquired by or converted into or exchanged for shares or rights to receive shares of another person (the “**Successor Entity**”), and provided that the Redemption Right or Redemption Call Right is not exercised by New BN, any New BN Designee or the Company, as applicable, in connection with such transaction, then all references to New BN and Class A Shares in these Exchangeable Share Provisions shall thereafter be deemed to refer to the Successor Entity and the equivalent class of shares of the Successor Entity (with appropriate adjustments, if any, as are required to result in a holder of Exchangeable Shares on the exchange, redemption or retraction of such shares pursuant to these Exchangeable Share Provisions immediately subsequent to such transaction being entitled to receive that number of shares of the Successor Entity equal to the number of shares such holder would have received if the exchange, redemption or retraction of such shares had occurred immediately prior to such transaction and the transaction was completed), subject to subsequent adjustments to reflect any subsequent changes in the share capital of the Successor Entity.

Section 13 Conversion of Exchangeable Shares Held by New BN

At any time, New BN and its subsidiaries (including any New BN Designee) shall have the right (the “**Conversion Right**”) to convert any Exchangeable Shares acquired or held by them into a number of Common Shares (which may include a fraction of a Common Share) at a conversion rate, for each such Exchangeable Share in respect of which the Conversion Right is exercised, equal to the number obtained by dividing the fair market value of an Exchangeable Share by the fair market value of a Common Share, in each case as determined by the Board of Directors. Upon exercise of the Conversion Right, the Exchangeable Shares so converted shall be cancelled and the applicable number of Common Shares shall be issued to New BN or the applicable subsidiary, as the case may be.

Section 14 Legend; Call Rights; Withholding Rights

- (a) Legend. The certificates evidencing the Exchangeable Shares shall contain or have affixed thereto a legend in form and on terms approved by the Board of Directors.
- (b) Call Rights. Each holder of an Exchangeable Share, whether of record or beneficial, by virtue of becoming and being such a holder shall be deemed to acknowledge each of the Redemption Call Right and the Retraction Call Right, in each case, in favour of New BN and any New BN Designee, and the overriding nature thereof in connection with a Company Liquidation Event, or the retraction or redemption of Exchangeable Shares (including the deemed retraction by a holder of Exchangeable Shares pursuant to Section 6(a), Section 6(c) or Section 8(a)), as the case may be, and to be bound thereby in favour of New BN and any New BN Designee as provided herein and in the Plan of Arrangement.
- (c) Withholding Rights. Notwithstanding anything to the contrary in these Exchangeable Share Provisions, New BN, any New BN Designee, the Company and the Transfer Agent, and any other person that has any withholding obligations with respect to any amount paid or deemed paid under these Exchangeable Share Provisions, shall be entitled to deduct and withhold from any dividend, distribution, return of capital, price or other consideration or amount otherwise payable under the Exchangeable Share Provisions to any holder of Exchangeable Shares such amounts as New BN, any New BN Designee, the Company, the Transfer Agent or such other person, as the case may be, determine in good faith is required to be deducted and withheld with respect to such payment under the Tax Act or United States tax laws or any provision of provincial, territorial, state, local or foreign tax law, in each case, as amended. To the extent that amounts are so withheld, such withheld amounts shall be treated for all purposes hereof as having been paid to the holder of the Exchangeable Shares in respect of which such deduction and withholding was made, provided that such withheld amounts are actually remitted to the appropriate taxing agency. To the extent that the amounts so required to be deducted or withheld from any payment to a holder exceeds the cash portion of the consideration otherwise payable to the holder, New BN, any New BN Designee, the Company and the Transfer Agent are hereby authorized to sell or otherwise dispose of such portion of the consideration as is necessary to provide sufficient

funds to New BN, any New BN Designee, the Company or the Transfer Agent, as the case may be, to enable it to comply with such deduction or withholding requirement and New BN, any New BN Designee, the Company or the Transfer Agent, as the case may be, shall notify the holder thereof and remit any unapplied balance of the net proceeds of such sale.

- (d) Designation of Subsidiaries. New BN may, in its sole discretion, designate a subsidiary (including Can Topco) to exercise the Redemption Call Right or the Retraction Call Right in respect of any Exchangeable Shares, as applicable, and take any other action required or permitted to be taken by New BN in connection with the exercise of the Redemption Call Right or the Retraction Call Right (any such designated subsidiary, a “**New BN Designee**”). Any such exercise by a New BN Designee shall be deemed to be an exercise or action by New BN for all purposes, with the same force and effect as if exercised or performed directly by New BN, without any further act, formality, consent or approval.

Section 15 Notices

- (a) Notices. Subject to applicable laws, any notice, request or other communication to be given to the Company by a holder of Exchangeable Shares shall be in writing and shall be valid and effective if given by first class mail (postage prepaid) or by telecopy or by delivery to the registered office of the Company and addressed to the attention of the Secretary of the Company. Any such notice, request or other communication, if given by mail, telecopy or delivery, shall only be deemed to have been given and received upon actual receipt thereof by the Company.
- (b) Certificates. Any presentation and surrender by a holder of Exchangeable Shares to the Company or the Transfer Agent of certificates representing Exchangeable Shares in connection with the liquidation, dissolution or winding-up of the Company or the retraction or redemption of Exchangeable Shares shall be made by first class mail (postage prepaid) or by delivery to the registered office of the Company or to such office of the Transfer Agent as may be specified by the Company, in each case, addressed to the attention of the Secretary of the Company. Any such presentation and surrender of certificates shall only be deemed to have been made and to be effective upon actual receipt thereof by the Company or the Transfer Agent, as the case may be. Any such presentation and surrender of certificates made by first class mail (postage prepaid) shall be at the sole risk of the holder mailing the same.

(c) Notice to Shareholders.

- (i) Subject to applicable laws, any notice, request or other communication to be given to a holder of Exchangeable Shares by or on behalf of the Company shall be in writing and shall be valid and effective if given by first class mail (postage prepaid) or by delivery to the address of the holder recorded in the register of shareholders of the Company or, in the event of the address of any such holder not being so recorded, then at the last known address of such holder. Any such notice, request or other communication, if given by mail, shall be deemed to have been given and received on the third Business Day following the date of mailing and, if given by delivery, shall be deemed to have been given and received on the date of delivery. Accidental failure or omission to give any notice, request or other communication to one or more holders of Exchangeable Shares shall not invalidate or otherwise alter or affect any action or proceeding to be taken by the Company pursuant thereto.
- (ii) In the event of any interruption of mail service immediately prior to a scheduled mailing or in the period following a mailing during which delivery normally would be expected to occur, the Company shall make reasonable efforts to disseminate any notice by other means, such as publication. Except as otherwise required or permitted by law, if post offices in Canada are not open for the deposit of mail, any notice which the Company or the Transfer Agent may give or cause to be given hereunder will be deemed to have been properly given and to have been received by holders of Exchangeable Shares if (i) it is given to the TSX for dissemination, or (ii) it is published once in the national edition of *The Globe and Mail* and in a daily newspaper of general circulation in the French language in the City of Montreal, provided that if the national edition of *The Globe and Mail* is not being generally circulated, publication thereof will be made in the National Post or any other daily newspaper of general circulation published in the City of Toronto.
- (iii) Notwithstanding any other provisions of these Exchangeable Share Provisions, notices, other communications and deliveries need not be mailed if the Company determines that delivery thereof by mail may be delayed. Persons entitled to any deliveries (including certificates and cheques) which are not mailed for the foregoing reason may take delivery thereof at the office of the Transfer Agent to which the deliveries were made, upon application to the Transfer Agent, until such time as the Company has determined that delivery by mail will no longer be delayed. The Company will provide notice of any such determination not to mail made hereunder as soon as reasonably practicable after the making of such determination and in accordance with this Section 15(c). Such deliveries in such circumstances will constitute delivery to the persons entitled thereto.

Section 16 Fractional Shares

A holder of an Exchangeable Share shall not be entitled to any fraction of a Class A Share upon the retraction, redemption, liquidation or purchase of such holder's Exchangeable Share pursuant to these Exchangeable Share Provisions and no certificates representing any such fractional interest shall be issued and such holder otherwise entitled to a fractional interest shall be entitled to receive for such fractional interest from the Company, New BN or any New BN Designee, as the case may be, a cash payment equal to such fractional interest multiplied by the average of the Last Reported Sale Price for a Class A Share for the five (5) consecutive Trading Day period ending on, and including, the Trading Day immediately preceding the date of such retraction, redemption, liquidation or purchase of such holder's Exchangeable Share pursuant to these Exchangeable Share Provisions.

Section 17 U.S. Registration

- (a) Notwithstanding any other provision of these Exchangeable Share Provisions, none of New BN, the Company, or any New BN Designee shall be required to issue or deliver any Class A Shares to a U.S. Holder of Exchangeable Shares unless a U.S. Registration Statement is effective and a U.S. Prospectus is available.
- (b) Unless the U.S. Registration Statement is effective and a U.S. Prospectus is available, during the 40-day distribution compliance period following the date of delivery of any Class A Shares issued or delivered to a holder who is not a U.S. Holder upon a retraction, redemption or liquidation of Exchangeable Shares, such Class A Shares may not be resold over the NYSE or otherwise into the United States, and New BN shall establish procedures to ensure that such holder complies with this limitation on resale.

SCHEDULE C

(See attached.)

Number and Designation of and Rights, Privileges, Restrictions and Conditions Attaching to the Class AA Preference Shares, Series 1 of the Corporation (the “Special Preferred Shares”)

1. Number and Consideration for Issue

The Special Preferred Shares will consist of four (4) shares. The consideration for the issue of each Special Preferred Share will be C\$25.00.

2. Dividends

- 2.1 **Payment of Dividends.** The holders of the Special Preferred Shares shall be entitled to receive and the Corporation shall pay thereon, as and when declared by the board of directors out of the moneys of the Corporation properly applicable to the payment of dividends, non-cumulative preferential dividends equal to \$[■] per share per annum.

The holders of the Special Preferred Shares shall not be entitled to any dividends other than or in excess of the cash dividends hereinbefore provided for.

- 2.2 **Priority.** Except with the consent in writing of the holders of all the Special Preferred Shares and Class AA Preference Shares outstanding, no dividends shall at any time be declared and paid, or declared and set aside for payment, on the Class A Limited Voting Shares, the Class B Limited Voting Shares, the Class C Limited Voting Shares or any other shares of the Corporation ranking junior to the Special Preferred Shares and Class AA Preference Shares, in any year, unless the full amount of the dividends declared for such year on the Special Preferred Shares and Class AA Preference Shares then issued and outstanding shall have been paid, or provided for, at the date of such declaration and payment or setting aside of dividends on the Class A Limited Voting Shares, the Class B Limited Voting Shares, the Class C Limited Voting Shares or other shares of the Corporation ranking junior to the Special Preferred Shares and Class A Preference Shares.

- 2.3 **Method of Payment.** Dividends (less any tax required to be withheld by the Corporation) on the Special Preferred Shares will be paid by cheque payable in lawful money of Canada at par at any branch in Canada of the Corporation's bankers for the time being, mailed to the registered holders of Special Preferred Shares by first class mail addressed to each holder at the holder's address as it appears on the books of the Corporation, or by any other reasonable means the Corporation deems desirable. The mailing of such cheque from the Corporation's registered office, or the principal office of the registrar or transfer agent for the Special Preferred Shares, or the payment by any other reasonable means that the Corporation deems desirable, on or before the date on which a dividend is to be paid to a holder of Special Preferred Shares, will be deemed to be payment of the dividends represented thereby and payable on that date unless the cheque is not paid on presentation or payment by such other means is not received. Dividends represented by a cheque which has not been presented to the Corporation's bankers

for payment or that otherwise remain unclaimed for a period of six years from the date on which they were declared to be payable will be forfeited to the Corporation.

3. Purchase for Cancellation

The Corporation may at any time or from time to time purchase for cancellation all or any part of the outstanding Special Preferred Shares in the open market (including purchase through or from an investment dealer or a member of a recognized stock exchange), by private purchases or by invitation for tenders addressed to all of the holders of record of Special Preferred Shares then outstanding. If, in response to an invitation for tenders, more Special Preferred Shares are tendered at a price or prices acceptable to the Corporation than the Corporation is prepared to purchase, then the Special Preferred Shares to be purchased by the Corporation will be purchased as nearly as may be in proportion to the number of shares tendered by each holder who submits a tender to the Corporation, provided that when shares are tendered at different prices, the pro rating will be effected only with respect to the shares tendered at the price at which more shares were tendered than the Corporation is prepared to purchase after the Corporation has purchased all the shares tendered at lower prices.

4. Restrictions on Dividends and Retirement of Shares

As long as any of the Special Preferred Shares are outstanding, the Corporation will not, without the approval of the holders of the Special Preferred Shares given as hereinafter specified:

- (a) declare, pay or set apart for payment any dividends on shares of the Corporation ranking as to dividends junior to the Special Preferred Shares (other than stock dividends in any shares of the Corporation ranking as to capital and dividends junior to the Special Preferred Shares);
- (b) call for redemption, redeem, purchase or otherwise pay off or retire for value any shares of the Corporation ranking as to capital junior to the Special Preferred Shares (except out of the net cash proceeds of a substantially concurrent issue of shares of the Corporation ranking as to capital and dividends junior to the Special Preferred Shares);
- (c) call for redemption, redeem, purchase or otherwise pay off or retire for value less than all of the Special Preferred Shares then outstanding;
- (d) call for redemption, redeem, purchase or otherwise pay off or retire for value any shares of the Corporation ranking as to capital on a parity with the Special Preferred Shares except pursuant to any purchase obligation, sinking fund, retraction privilege or mandatory redemption provisions attaching to any such shares ranking as to capital on a parity with the Special Preferred Shares from time to time issued; or
- (e) issue any additional Special Preferred Shares or any share of the Corporation ranking as to dividends or capital prior to or on a parity with the Special Preferred Shares;

unless, in each case, all declared but unpaid dividends then payable on the Special Preferred Shares then outstanding and on all other shares of the Corporation ranking as to dividends on a parity with the Special Preferred Shares have been paid or set apart for payment.

5. Liquidation, Dissolution or Winding-Up

In the event of the liquidation, dissolution or winding-up (collectively, the “**winding-up**”) of the Corporation, whether voluntary or involuntary, or in the event of any other distribution of assets of the Corporation among its shareholders for the purpose of winding-up its affairs, the holders of the Special Preferred Shares will be entitled to receive from the assets of the Corporation a sum equal to C\$25.00 for each Special Preferred Share held by them respectively, plus an amount equal to all declared and unpaid dividends thereon up to but excluding the date of payment, which, for greater certainty, will include dividends calculated in accordance with clause 0.2.1 during the period from and including the immediately preceding Dividend Payment Date to but excluding the date of the winding-up before any amount will be paid to or assets of the Corporation distributed amongst the holders of any shares of the Corporation ranking as to capital junior to the Special Preferred Shares. After payment to the holders of the Special Preferred Shares of the amounts so payable to them, they will not be entitled to share in any further distribution of the assets of the Corporation.

6. Voting Rights

Except for meetings of holders of a particular class or series of shares other than the Special Preferred Shares required by applicable law to be held as a separate class or series meeting, the holders of the Special Preferred Shares, as a class, shall be entitled to receive notice of and to attend all meetings of the shareholders of the Corporation and at any such meeting to vote, together with (except at meetings of holders of Special Preferred Shares required by applicable law to be held as a separate class meeting) the holders of the Class B Limited Voting Shares on all matters submitted to a vote. On each such matter, the holders of Special Preferred Shares will be entitled to vote, collectively, an aggregate of 100 votes (with the number of votes per share being allocated pro rata across each Special Preferred Share voting on such matter).

7. Interpretation

If any date on which any dividend on the Special Preferred Shares is payable by the Corporation, or on or by which any action is required to be taken by the Corporation hereunder, is not a business day, then such dividend will be payable, or such other action will be required to be taken, on or by the next succeeding day that is a business day.

For the purposes of these share provisions:

- (a) “business day” means a day other than Saturday, Sunday or any other day that is treated as a statutory holiday in the jurisdiction in which the Corporation’s registered office is located; and
- (b) the words “in priority to”, “on a parity with”, “junior to” and “ranking as to” or like words refer to the order of priority in the payment of dividends and in the distribution of assets in the event of a liquidation, dissolution or winding-up of the

Corporation, whether voluntary or involuntary, or in the event of any other distribution of assets of the Corporation among its shareholders for the purpose of winding-up its affairs.

8. Mail Service Interruption

If the board of directors of the Corporation determines that mail service is or is threatened to be interrupted at the time when the Corporation is required or elects to give any notice hereunder, or is required to send any cheque or any share certificate to any holder of Special Preferred Shares, the Corporation may, notwithstanding the provisions hereof:

- (a) give such notice by delivery thereof to such holder as its address appearing on the records of the Corporation or by publication thereof once in a daily English language newspaper of general circulation in Canada and such notice will be deemed to have been validly given on the day next succeeding its publication; and
- (b) fulfill the requirement to send such cheque or such share certificate by arranging for the delivery thereof to such holder by the Corporation at such holder's address appearing on the records of the Corporation or by the registrar or transfer agent for the Special Preferred Shares at its principal offices and such cheque and/or certificate will be deemed to have been sent on the date on which notice of such arrangement has been given as provided in (a) above, provided that as soon as the directors of the Corporation determine that mail service is no longer interrupted or threatened to be interrupted such cheque or share certificate, if not previously delivered to such holder, must be sent by mail as herein provided. If the Corporation is required to mail such cheque or share certificate, such mailing must be made by prepaid mail to the registered address of each person who at the date of mailing is a registered holder and who is entitled to receive such cheque or certificate.

9. Amendment

The rights, privileges, restrictions and conditions attached to the Special Preferred Shares may be added to, changed or removed by articles of amendment but only with the prior approval of the holders of the Special Preferred Shares given in such manner as provided in clause 0.10 and as may then be required by law, subject to a minimum requirement that such approval be given by resolution signed by the holders of all of the then outstanding Special Preferred Shares or passed by the affirmative vote of at least 66 2/3% of the votes cast by the holders of the Special Preferred Shares duly called for that purpose and at which a majority of the Special Preferred Shares are represented or, if no quorum is present at such meeting, at any adjourned meeting of the holders of the Special Preferred Shares at which holders of Special Preferred Shares represented thereat will constitute the quorum and may transact the business for which the meeting was originally called notwithstanding that they may not represent a majority of the outstanding Special Preferred Shares.

10. Approval of Holders of Special Preferred Shares

- 10.1 **Approval.** Any approval of the holders of the Special Preferred Shares with respect to any matters requiring the consent of the holders of the Special Preferred Shares

other than the amendment of the rights, privileges, restrictions and conditions attached to the Special Preferred Shares as set forth in section 0.8 may be given in such manner as may be then required by law, subject to a minimum requirement that such approval be given by resolution signed by the holders of all of the then outstanding Special Preferred Shares or passed by the affirmative vote of at least 66 2/3% of the votes cast by the holders of Special Preferred Shares who voted in respect of that resolution at a meeting of the holders of the Special Preferred Shares duly called for that purpose and at which the quorum as required by the by-laws of the Corporation is present.

- 10.2 **Formalities.** The proxy rules applicable to, the formalities to be observed in respect of the giving of notice of, and the formalities to be observed in respect of the conduct of, any meeting or any adjourned meeting of holders of Special Preferred Shares will be those from time to time prescribed by the by-laws of the Corporation with respect to meetings of shareholders, or if not so prescribed, as required by law. On every poll taken at every meeting of holders of Special Preferred Shares, every holder of Special Preferred Shares entitled to vote thereat will have one vote in respect of each C\$1.00 of the issue price of the Special Preferred Shares held.

2. The Class A Preferred Shares may include one or more series of shares, and, subject to the Act, the directors may, by resolution,
 - (a) determine the maximum number of shares of any of those series of shares that the Company is authorized to issue, determine that there is no maximum number or, if none of the shares of that series is issued, alter any determination so made, and authorize the amendment of the articles of the Company accordingly;
 - (b) amend the articles of the Company to create an identifying name by which the shares of any of those series of shares may be identified or, if none of the shares of that series is issued, to alter any such identifying name so created; and

The Class A Preferred Shares of each series shall rank on parity with the Class A Preferred Shares of every other series with respect to priority in payment of dividends and in the distribution of assets in the event of the liquidation, dissolution or winding up of the Company, whether voluntary or involuntary, or any other distribution of the assets of the Company among its shareholders for the purpose of winding up its affairs.

Amendment

4. The Company shall not delete or vary any preference, right, condition, restriction, limitation or prohibition attaching to the Class A Preferred Shares as a class or create preference shares ranking in priority to or on a parity with the Class A Preferred Shares except by special resolution passed by at least two-thirds of the votes cast at a meeting of the holders of the Class A Preferred Shares duly called for that purpose and held upon at least fifteen days' notice at which the holders of at least a majority of the outstanding Class A Preferred Shares are present or represented by proxy. If at any such meeting the holders of a majority of the outstanding Class A Preferred Shares are not present or represented by proxy within half an hour after the time appointed for such meeting, then the meeting shall be adjourned to such date being not less than twenty-one days later and to such time and place as may be appointed by the chairman and not less than fifteen days' notice shall be given of such adjourned meeting but it shall not be necessary in such notice to specify the purpose for which the meeting was originally called. At such adjourned meeting the holders of Class A Preferred Shares present or represented by proxy may transact the business for which the meeting was originally called and a resolution passed thereat by not less than two-thirds of the votes cast at such meeting shall constitute the authorization of the holders of the Class A Preferred Shares referred to above. The formalities to be observed in respect of the giving of notice of any such meeting or adjourned meeting and the conduct thereof shall be those from time to time prescribed by the articles of the Company with respect

to meetings of shareholders. On every poll taken at a meeting of the holders of Class A Preferred Shares as a class, or at a joint meeting of the holders of two or more series of Class A Preferred Shares, each holder of Class A Preferred Shares entitled to vote thereat shall have one vote in respect of each Class A Preferred Share held.

Class A Preferred Shares, Series 1

The first series of Class A Preferred Shares of the Company shall consist of an unlimited number of Class A Preferred Shares, which shall be designated as Class A Preferred Shares, Series 1 (hereinafter referred to as the “Series 1 Class A Preferred Shares”), which, in addition to the rights, privileges, restrictions and conditions attached to the Class A Preferred Shares as a class, shall have attached thereto the following rights, privileges, restrictions and conditions:

1. Consideration for Issue

The consideration for the issue of each Series 1 Class A Preferred Share shall be C\$25.00.

2. Dividends

For the purposes hereof, the following terms shall have the following meanings, unless the context otherwise requires:

- a) **“Dividend Payment Date”** in respect of the dividends payable on the Series 1 Class A Preferred Shares means the last day of March, June, September and December in each year.
- b) **“Dividend Period”** means the period from and including the date of initial issue of the Series 1 Class A Preferred Shares up to but excluding the First Dividend Payment Date and, thereafter, the period from and including a Dividend Payment Date up to but excluding the next succeeding Dividend Payment Date.
- c) **“First Dividend Payment Date”** means the date determined by the board of directors of the Company, in connection with the initial issuance of the Series 1 Class A Preferred Shares, for the payment of the first dividend on the Series 1 Class A Preferred Shares.

2.1 Payment of Dividends

The holders of the Series 1 Class A Preferred Shares shall be entitled to receive, and the Company shall pay thereon, as and when declared by the board of directors of the Company, subject to the insolvency provisions of applicable law and subject to the prior rights of the holders of the Exchangeable Shares and any other shares of any other class ranking senior to the Series 1 Class A Preferred Shares, out of moneys of the Company properly applicable to the payment of dividends, non-cumulative preferential cash dividends equal to C\$1.75 per annum (C\$0.4375 per quarter) payable in lawful money of Canada quarterly, with respect to each Dividend Period, on the applicable Dividend Payment Date (or, in respect of the initial Dividend Period, on the First Dividend Payment Date).

If in any quarter the board of directors of the Company in its discretion shall not declare the non-cumulative preferential cash dividends or any part thereof on the Series 1 Class A Preferred Shares for such quarter, then the rights of the holders of the Series 1 Class A Preferred Shares to such dividends or to any undeclared part thereof for such quarter shall be forever extinguished.

For any period that is less than a full Dividend Period with respect to any Series 1 Class A Preferred Share:

- (i) which is issued, redeemed or purchased during such Dividend Period; or
- (ii) in respect of which assets of the Company are distributed to the holders thereof pursuant to Article 8 during such Dividend Period;

the dividend shall be equal to the amount calculated by multiplying C\$1.75 by a fraction of which the numerator is the number of days in such period (including the day at the beginning of such period and excluding the day at the end of such period) and the denominator is 365.

2.2 Method of Payment

The Company may make payments in respect of the dividends on the Series 1 Class A Preferred Shares (less any tax required to be withheld by the Company) by either (i) wire or electronic transfer in lawful money of Canada made to the account designated by the holder of Series 1 Class A Preferred Shares or (ii) cheque payable in lawful money of Canada at par at any branch in Canada of the Company's bankers, provided that the Company and any particular holder of Series 1 Class A Preferred Shares may agree on some other means for payment of dividends to such holder. Dividends on the Series 1 Class A Preferred Shares shall be paid as hereinafter provided to the holders of Series 1 Class A Preferred Shares appearing on the Company's register of such holders at the close of business on such day (which shall not be more than 60 days preceding the date fixed for the payment of such dividend) as may be determined in advance from time to time by the directors of the Company or, if no such date is so determined, at the close of business on the date on which the directors pass the resolution relating to the payment of such dividend. The making of a payment by way of a wire or electronic transfer of funds or the mailing from the Company's registered office by prepaid first class mail, on or before any Dividend Payment Date of such a cheque to a holder of Series 1 Class A Preferred Shares, or in the case of joint holders to the joint holder whose name appears first on the Company's register of holders of Series 1 Class A Preferred Shares, shall be deemed to be payment of the dividends represented thereby and payable on such Dividend Payment Date, as applicable, unless the cheque is not paid upon presentation. Dividends which are represented by a cheque which has not been presented to the Company's bankers for payment or that otherwise remain unclaimed for a period of six years from the date on which they were declared to be payable shall be forfeited to the Company.

3. Redemption

3.1 Optional Redemption

Subject to the provisions of this Article 3 and Article 5 and to the rights, privileges, restrictions and conditions attaching to any shares of the Company ranking prior to the Series 1 Class A Preferred Shares, the Company may, upon giving notice as hereinafter provided, redeem at any time all, or from time to time any part, of the then outstanding Series 1 Class A Preferred Shares on payment for each share to be redeemed of a redemption amount equal to the issue price of such Series 1 Class A Preferred Share together with an amount equal to all declared and unpaid dividends thereon up to (but excluding) the redemption date (the whole constituting and being herein referred to as the "**Redemption Price**"). The Redemption Price may, at the option of the

Company, be satisfied in whole or in part by the delivery of property in specie (which may include, without limitation, shares of New BN or any of its subsidiaries, shares of the Company, debt instruments, or other assets held by the Company), with the fair market value of such property to be determined by the board of directors of the Company acting in good faith.

3.2 Partial Redemption

In case a part only of the Series 1 Class A Preferred Shares is to be redeemed at any time, the shares to be redeemed shall be selected by lot or some other random selection method as the board of directors of the Company in its sole discretion determines or in such other manner as the board of directors of the Company in its sole discretion determines to be equitable. If a part only of the Series 1 Class A Preferred Shares represented by any certificate shall be redeemed, a new certificate representing the balance of such shares shall be issued to the holder thereof at the expense of the Company upon presentation and surrender of the first mentioned certificate.

3.3 Method of Redemption

In any case of redemption of Series 1 Class A Preferred Shares, the Company shall, at least 10 days before the date specified for redemption, send by prepaid first class mail or deliver to each person who at the date of mailing or delivery is a holder of Series 1 Class A Preferred Shares to be redeemed a notice in writing of the intention of the Company to redeem such Series 1 Class A Preferred Shares. Such notice shall be mailed or delivered to each holder of Series 1 Class A Preferred Shares to be redeemed at the last address of such holder as it appears on the securities register of the Company, or in the event of the address of any such holder not so appearing, then to the last address of such holder known to the Company. Accidental failure or omission to give such notice to one or more holders shall not affect the validity of such redemption, but if such failure or omission is discovered notice as aforesaid shall be given forthwith to such holder or holders and shall have the same force and effect as if given in due time. Such notice shall set out the number of Series 1 Class A Preferred Shares held by the person to whom it is addressed which are to be redeemed, the Redemption Price, the date specified for redemption and the place or places in Canada at which holders of Series 1 Class A Preferred Shares may present and surrender the certificate or certificates representing such shares for redemption.

On and after the date so specified for redemption, the Company shall pay or cause to be paid to or to the order of the holders of the Series 1 Class A Preferred Shares to be redeemed the Redemption Price of such shares on presentation and surrender, at the registered office of the Company or any other place or places in Canada specified in the notice of redemption, of the certificate or certificates representing the Series 1 Class A Preferred Shares called for redemption. Payment in respect of Series 1 Class A Preferred Shares being redeemed shall be made by (i) wire or electronic transfer in lawful money of Canada made to the account designated by the holder of Series 1 Class A Preferred Shares, (ii) cheque payable to the respective holders thereof in lawful money of Canada at any branch in Canada of the Company's bankers, and/or (iii) if the Company elects to satisfy the Redemption Price in whole or in part by the delivery of property in specie, by the delivery of such property to the holder or, at the Company's election, by holding such property for pick-up by the holder at the registered office of the Company or at such other location as the Company may specify.

The Company shall have the right, at any time after the mailing or delivery of notice of its intention to redeem Series 1 Class A Preferred Shares, to deposit the Redemption Price of the Series 1 Class A Preferred Shares so called for redemption, or of such of the Series 1 Class A Preferred Shares which are represented by certificates which have not, at the date of such deposit, been surrendered by the holders thereof in connection with such redemption, in a separate account in any chartered bank or trust company in Canada named in the redemption notice or in a subsequent notice in writing to the holders of the Series 1 Class A Preferred Shares in respect of which the deposit is made, to be paid without interest to or to the order of the respective holders of the Series 1 Class A Preferred Shares called for redemption upon presentation and surrender to such bank or trust company of the certificates representing such shares. Upon such deposit being made or upon the date specified for redemption in such notice, whichever is the later, the Series 1 Class A Preferred Shares in respect of which such deposit shall have been made shall be deemed to be redeemed and the rights of the holders thereof shall be limited to receiving, without interest, the Redemption Price of their respective Series 1 Class A Preferred Shares being redeemed upon presentation and surrender of the certificate or certificates representing such shares. Any interest allowed on any such deposit shall belong to the Company.

From and after the date specified for redemption in any notice of redemption, the Series 1 Class A Preferred Shares called for redemption shall cease to be entitled to dividends or any other participation in any distribution of the assets of the Company and the holders thereof shall not be entitled to exercise any of their other rights as shareholders in respect thereof unless payment of the Redemption Price shall not be made upon presentation and surrender of the certificates representing such shares in accordance with the foregoing provisions, in which case the rights of the holders shall remain unaffected. Redemption moneys which are represented by a cheque which has not been presented to the Company's bankers for payment or that otherwise remain unclaimed (including moneys held on deposit in a separate account as provided for above) for a period of six years from the date specified for redemption shall be forfeited to the Company.

4. Purchase for Cancellation

Subject to the provisions of Article 6 and to the rights, privileges, restrictions and conditions attaching to any shares of the Company ranking prior to the Series 1 Class A Preferred Shares, the Company may purchase for cancellation at any time all or from time to time any part of the outstanding Series 1 Class A Preferred Shares in the open market (including, without limitation, purchase through or from an investment dealer or firm holding membership or trading privileges on a stock exchange on which the Series 1 Class A Preferred Shares are listed for trading) or by invitation for tenders addressed to all the holders of Series 1 Class A Preferred Shares then outstanding, at the lowest price or prices at which, in the opinion of the board of directors of the Company, such shares are then obtainable but not exceeding a price per share equal to the then applicable Redemption Price, plus an amount equal to the costs of purchase. Such purchase price may, at the option of the Company, be satisfied in whole or in part by the delivery of property in specie, with the fair market value of such property to be determined by the board of directors of the Company acting in good faith. If, in response to an invitation for tenders under the provisions of this Article 4, more Series 1 Class A Preferred Shares are tendered at a price or prices acceptable to the Company than the Company is prepared to purchase, then the Series 1 Class A Preferred Shares to be purchased by the Company shall be purchased as nearly as may be *pro rata* according to the number of shares tendered by each holder who submits a tender to the Company,

provided that when shares are tendered at different prices, the pro rating shall be effected only with respect to the shares tendered at the price at which more shares were tendered than the Company is prepared to purchase after the Company has purchased all the shares tendered at lower prices.

5. Retraction Privilege

5.1 Right to Require Retraction

Subject to the provisions of this Article 5 and Article 6 and to the rights, privileges, restrictions and conditions attaching to any class of shares of the Company ranking in priority to the Series 1 Class A Preferred Shares, at any time, a holder of Series 1 Class A Preferred Shares shall have the right to require the Company to redeem all or any part of the holder's then outstanding Series 1 Class A Preferred Shares. The Company shall redeem Series 1 Class A Preferred Shares duly tendered pursuant to the above retraction privilege at the Redemption Price.

5.2 Retraction Procedure

In order to exercise its right of retraction, a holder must give the Company notice (the "**Retraction Request**") of such exercise and tender to the Company, at its registered office, any certificate(s) representing such Series 1 Class A Preferred Shares which the holder wishes the Company to redeem. The Retraction Request shall include the following statements: (a) a statement specifying that the holder desires to have all or any number specified therein of the Series 1 Class A Preferred Shares (the "**Retracted Shares**") redeemed by the Company; and (b) a statement specifying the business day on which the holder desires to have the Company redeem the Retracted Shares (the "**Retraction Date**"), provided that the Retraction Date shall be not less than three (3) business days nor more than ten (10) business days after the date on which such notice is received by the Company and further provided that, in the event that no such business day is specified by the holder in such notice, the Retraction Date shall be deemed to be the sixth (6th) business day after the date on which such notice is received by the Company. Subject to Article 3 and Article 6, the Company shall redeem all the Series 1 Class A Preferred Shares tendered pursuant to the above retraction privilege. If a holder of Series 1 Class A Preferred Shares wishes to tender for redemption pursuant to the above retraction privilege only a part of the Series 1 Class A Preferred Shares represented by a certificate(s), the holder may deposit the certificate(s), if any, and at the same time advise the Company in writing as to the number of Series 1 Class A Preferred Shares with respect to which tender is being made, and the Company may issue and deliver to such holder at the expense of the Company a new certificate representing the Series 1 Class A Preferred Shares that are not being tendered. The provisions of Article 3 shall apply to any redemption by the Company pursuant to this Article 5 except to the extent that such provisions are inconsistent with the provisions of this Article 5.

5.3 Retraction Subject to Applicable Law

If, as a result of insolvency provisions or other provisions of applicable law or the rights, privileges, restrictions and conditions attaching to any shares of the Company ranking prior to the Series 1 Class A Preferred Shares, the Company is not permitted to redeem all of the Series 1 Class A Preferred Shares duly tendered pursuant to the above retraction privilege: (i) the Company shall redeem only the maximum number of Series 1 Class A Preferred Shares which the board

determines the Company is then permitted to redeem (such redemption to be made pro rata, disregarding fractions of shares, from each holder of tendered Series 1 Class A Preferred Shares according to the number of Series 1 Class A Preferred Shares tendered for redemption by each such holder) and the Company may issue and deliver to each such holder, at the expense of the Company, a new certificate representing the Series 1 Class A Preferred Shares not redeemed by the Company; and (ii) the Company shall redeem on or about March 15 in each fiscal year (each, a “**Rolling Retraction Date**”) thereafter, from Series 1 Class A Preferred Shares tendered for redemption by the holders thereof on or before the thirtieth (30th) day preceding such Rolling Retraction Date in the same manner as set forth in Article 5.2, the lesser of (a) the number of Series 1 Class A Preferred Shares so tendered, and (b) the number of Series 1 Class A Preferred Shares which the board determines the Company is then permitted to redeem (any such redemption to be made pro rata, disregarding fractions of shares, from each holder of tendered Series 1 Class A Preferred Shares according to the number of Series 1 Class A Preferred Shares tendered for redemption by each such holder). The Company shall be under no obligation to give any notice to the holder of Series 1 Class A Preferred Shares in respect of the redemption provided for in clause (ii).

So long as the board has acted in good faith in making any of the determinations referred to above as to the number of Series 1 Class A Preferred Shares which the Company is permitted at any time to redeem, neither the Company nor the directors shall have any liability in the event that any such determination proves to be inaccurate.

6. Restrictions on Dividends and Retirement of Shares

So long as any of the Series 1 Class A Preferred Shares are outstanding, the Company shall not, without the approval of the holders of the Series 1 Class A Preferred Shares given as hereinafter specified:

6.1.1 declare, pay or set apart for payment any dividends or other distribution on the Common Shares or any other shares ranking as to dividends junior to the Series 1 Class A Preferred Shares (other than dividends payable in shares of the Company ranking as to capital and dividends junior to the Series 1 Class A Preferred Shares);

6.1.2 call for redemption, redeem, purchase or otherwise pay off or retire for value, or make any capital distributions in respect of, the Common Shares or any other shares ranking junior to the Series 1 Class A Preferred Shares;

6.1.3 issue any shares ranking as to capital or dividends prior to or on a parity with the Series 1 Class A Preferred Shares;

unless, in each such case, (i) all declared and unpaid dividends on the Series 1 Class A Preferred Shares then outstanding and on all other shares of the Company ranking as to dividends prior to or on a parity with the Series 1 Class A Preferred Shares shall have been paid or set apart for payment, (ii) after the distribution or repurchase, the Company would be able to redeem all of the Series 1 Class A Preferred Shares pursuant to Article 3, and (iii) the Company is not otherwise in default under the rights, privileges, restrictions and conditions attached to the Series 1 Class A Preferred

Shares or any other shares of the Company ranking as to dividends or as to capital prior to or on a parity with the Series 1 Class A Preferred Shares.

7. Voting Rights

Except as herein referred to or as required by law, the holders of the Series 1 Class A Preferred Shares as a series shall not be entitled as such to receive notice of, to attend or to vote at any meeting of the shareholders of the Company.

8. Liquidation, Dissolution or Winding-Up

In the event of the liquidation, dissolution or winding-up of the Company, whether voluntary or involuntary, or in the event of any other distribution of assets of the Company among its shareholders for the purpose of winding up its affairs, the holders of the Series 1 Class A Preferred Shares shall be entitled to receive from the assets of the Company, after satisfaction of the rights of the holders of the Exchangeable Shares and any other shares ranking senior to the Series 1 Class A Preferred Shares, the Redemption Price in respect of each Series 1 Class A Preferred Share, before any amount shall be paid by the Company or any assets of the Company shall be distributed to holders of shares of any class of the Company ranking as to capital junior to the Series 1 Class A Preferred Shares. Such liquidation entitlement may, at the option of the Company, be satisfied in whole or in part by the delivery of property in specie which may include, without limitation, shares of New BN or any of its subsidiaries, shares of the Company, debt instruments, or other assets held by the Company), with the fair market value of such property to be determined by the board of directors of the Company acting in good faith. After payment to the holders of the Series 1 Class A Preferred Shares of the amounts so payable to them, they shall not be entitled to share in any further distribution of the assets of the Company.

9. Interpretation

In the event that any date on which any dividend on the Series 1 Class A Preferred Shares is payable by the Company, or on or by which any other action is required to be taken by the Company or the holders of Series 1 Class A Preferred Shares hereunder, is not a Business Day, then such dividend shall be payable, or such other action shall be required to be taken, on or by the next succeeding date that is a Business Day.

For the purpose of these share provisions:

9.1.1 **“Business Day”** means any day, other than a Saturday, a Sunday or a statutory or civic holiday in the Province of Ontario or a day on which banking institutions in Toronto, Ontario or Hamilton, Bermuda are generally authorized or obligated by law to close; and

9.1.2 **“ranking as to capital”** means ranking with respect to the distribution of assets in the event of a liquidation, dissolution or winding-up of the Company, whether voluntary or involuntary, or in the event of any other distribution of assets of the Company among its shareholders for the purpose of winding up its affairs.

10. Amendment

The rights, privileges, restrictions and conditions attached to the Series 1 Class A Preferred Shares may be added to, changed or removed by an amendment to these share provisions and the articles of the Company, as applicable, but only with the approval of the holders of the Series 1 Class A Preferred Shares given as hereinafter specified in addition to any vote or authorization required by law.

11. Approval of Holders of the Series 1 Class A Preferred Shares

Any approval of the holders of the Series 1 Class A Preferred Shares with respect to any and all matters referred to herein or of any other matters requiring the consent of the holders of the Series 1 Class A Preferred Shares may be given in such manner as may then be required by law, subject to a minimum requirement that such approval be given by resolution signed by all the holders of outstanding Series 1 Class A Preferred Shares or passed by the affirmative vote of at least 2/3 of the votes cast by the holders of Series 1 Class A Preferred Shares who voted in respect of that resolution at a meeting of the holders of the Series 1 Class A Preferred Shares duly called for that purpose and at which at least 25% of the outstanding Series 1 Class A Preferred Shares are present or represented by proxy. If at any such meeting at least 25% of the outstanding Series 1 Class A Preferred Shares are not present or represented by proxy within one-half hour after the time appointed for such meeting, then the meeting shall be adjourned to such date not less than 15 days thereafter and to such time and place as may be designated by the chairman of such meeting, and not less than 10 days' written notice shall be given of such adjourned meeting. At such adjourned meeting, the holders of the Series 1 Class A Preferred Shares represented in person or by proxy may transact the business for which the meeting was originally called and the holders of the Series 1 Class A Preferred Shares represented in person or by proxy shall form the necessary quorum. At any meeting of the holders of the Series 1 Class A Preferred Shares as a series, each holder of Series 1 Class A Preferred Shares shall be entitled to one (1) vote in respect of each Series 1 Class A Preferred Share held.

Class A Preferred Shares, Series 2

The second series of Class A Preferred Shares of the Company shall consist of an unlimited number of Class A Preferred Shares, which shall be designated as Class A Preferred Shares, Series 2 (hereinafter referred to as the “Series 2 Class A Preferred Shares”), which, in addition to the rights, privileges, restrictions and conditions attached to the Class A Preferred Shares as a class, shall have attached thereto the following rights, privileges, restrictions and conditions:

1. Consideration for Issue

The consideration for the issue of each Series 2 Class A Preferred Share shall be C\$25.00.

2. Dividends

For the purposes hereof, the following terms shall have the following meanings, unless the context otherwise requires:

- a) **“Dividend Payment Date”** in respect of the dividends payable on the Series 2 Class A Preferred Shares means the last day of March, June, September and December in each year.
- b) **“Dividend Period”** means the period from and including the date of initial issue of the Series 2 Class A Preferred Shares up to but excluding the First Dividend Payment Date and, thereafter, the period from and including a Dividend Payment Date up to but excluding the next succeeding Dividend Payment Date.
- c) **“First Dividend Payment Date”** means the date determined by the board of directors of the Company, in connection with the initial issuance of the Series 2 Class A Preferred Shares, for the payment of the first dividend on the Series 2 Class A Preferred Shares.

2.1 Payment of Dividends

The holders of the Series 2 Class A Preferred Shares shall be entitled to receive, and the Company shall pay thereon, as and when declared by the board of directors of the Company, subject to the insolvency provisions of applicable law and subject to the prior rights of the holders of the Exchangeable Shares and any other shares of any other class ranking senior to the Series 2 Class A Preferred Shares, out of moneys of the Company properly applicable to the payment of dividends, non-cumulative preferential cash dividends equal to C\$1.75 per annum (C\$0.4375 per quarter) payable in lawful money of Canada quarterly, with respect to each Dividend Period, on the applicable Dividend Payment Date (or, in respect of the initial Dividend Period, on the First Dividend Payment Date).

If in any quarter the board of directors of the Company in its discretion shall not declare the non-cumulative preferential cash dividends or any part thereof on the Series 2 Class A Preferred Shares for such quarter, then the rights of the holders of the Series 2 Class A Preferred Shares to such dividends or to any undeclared part thereof for such quarter shall be forever extinguished.

For any period that is less than a full Dividend Period with respect to any Series 2 Class A Preferred Share:

- (i) which is issued, redeemed or purchased during such Dividend Period; or
- (ii) in respect of which assets of the Company are distributed to the holders thereof pursuant to Article 8 during such Dividend Period;

the dividend shall be equal to the amount calculated by multiplying C\$1.75 by a fraction of which the numerator is the number of days in such period (including the day at the beginning of such period and excluding the day at the end of such period) and the denominator is 365.

2.2 Method of Payment

The Company may make payments in respect of the dividends on the Series 2 Class A Preferred Shares (less any tax required to be withheld by the Company) by either (i) wire or electronic transfer in lawful money of Canada made to the account designated by the holder of Series 2 Class A Preferred Shares or (ii) cheque payable in lawful money of Canada at par at any branch in Canada of the Company's bankers, provided that the Company and any particular holder of Series 2 Class A Preferred Shares may agree on some other means for payment of dividends to such holder. Dividends on the Series 2 Class A Preferred Shares shall be paid as hereinafter provided to the holders of Series 2 Class A Preferred Shares appearing on the Company's register of such holders at the close of business on such day (which shall not be more than 60 days preceding the date fixed for the payment of such dividend) as may be determined in advance from time to time by the directors of the Company or, if no such date is so determined, at the close of business on the date on which the directors pass the resolution relating to the payment of such dividend. The making of a payment by way of a wire or electronic transfer of funds or the mailing from the Company's registered office by prepaid first class mail, on or before any Dividend Payment Date of such a cheque to a holder of Series 2 Class A Preferred Shares, or in the case of joint holders to the joint holder whose name appears first on the Company's register of holders of Series 2 Class A Preferred Shares, shall be deemed to be payment of the dividends represented thereby and payable on such Dividend Payment Date, as applicable, unless the cheque is not paid upon presentation. Dividends which are represented by a cheque which has not been presented to the Company's bankers for payment or that otherwise remain unclaimed for a period of six years from the date on which they were declared to be payable shall be forfeited to the Company.

3. Redemption

3.1 Optional Redemption

Subject to the provisions of this Article 3 and Article 5 and to the rights, privileges, restrictions and conditions attaching to any shares of the Company ranking prior to the Series 2 Class A Preferred Shares, the Company may, upon giving notice as hereinafter provided, redeem at any time all, or from time to time any part, of the then outstanding Series 2 Class A Preferred Shares on payment for each share to be redeemed of a redemption amount equal to the issue price of such Series 2 Class A Preferred Share together with an amount equal to all declared and unpaid dividends thereon up to (but excluding) the redemption date (the whole constituting and being herein referred to as the "**Redemption Price**"). The Redemption Price may, at the option of the

Company, be satisfied in whole or in part by the delivery of property in specie (which may include, without limitation, shares of New BN or any of its subsidiaries, shares of the Company, debt instruments, or other assets held by the Company), with the fair market value of such property to be determined by the board of directors of the Company acting in good faith.

3.2 Partial Redemption

In case a part only of the Series 2 Class A Preferred Shares is to be redeemed at any time, the shares to be redeemed shall be selected by lot or some other random selection method as the board of directors of the Company in its sole discretion determines or in such other manner as the board of directors of the Company in its sole discretion determines to be equitable. If a part only of the Series 2 Class A Preferred Shares represented by any certificate shall be redeemed, a new certificate representing the balance of such shares shall be issued to the holder thereof at the expense of the Company upon presentation and surrender of the first mentioned certificate.

3.3 Method of Redemption

In any case of redemption of Series 2 Class A Preferred Shares, the Company shall, at least 10 days before the date specified for redemption, send by prepaid first class mail or deliver to each person who at the date of mailing or delivery is a holder of Series 2 Class A Preferred Shares to be redeemed a notice in writing of the intention of the Company to redeem such Series 2 Class A Preferred Shares. Such notice shall be mailed or delivered to each holder of Series 2 Class A Preferred Shares to be redeemed at the last address of such holder as it appears on the securities register of the Company, or in the event of the address of any such holder not so appearing, then to the last address of such holder known to the Company. Accidental failure or omission to give such notice to one or more holders shall not affect the validity of such redemption, but if such failure or omission is discovered notice as aforesaid shall be given forthwith to such holder or holders and shall have the same force and effect as if given in due time. Such notice shall set out the number of Series 2 Class A Preferred Shares held by the person to whom it is addressed which are to be redeemed, the Redemption Price, the date specified for redemption and the place or places in Canada at which holders of Series 2 Class A Preferred Shares may present and surrender the certificate or certificates representing such shares for redemption.

On and after the date so specified for redemption, the Company shall pay or cause to be paid to or to the order of the holders of the Series 2 Class A Preferred Shares to be redeemed the Redemption Price of such shares on presentation and surrender, at the registered office of the Company or any other place or places in Canada specified in the notice of redemption, of the certificate or certificates representing the Series 2 Class A Preferred Shares called for redemption. Payment in respect of Series 2 Class A Preferred Shares being redeemed shall be made by (i) wire or electronic transfer in lawful money of Canada made to the account designated by the holder of Series 2 Class A Preferred Shares, (ii) cheque payable to the respective holders thereof in lawful money of Canada at any branch in Canada of the Company's bankers, and/or (iii) if the Company elects to satisfy the Redemption Price in whole or in part by the delivery of property in specie, by the delivery of such property to the holder or, at the Company's election, by holding such property for pick-up by the holder at the registered office of the Company or at such other location as the Company may specify.

The Company shall have the right, at any time after the mailing or delivery of notice of its intention to redeem Series 2 Class A Preferred Shares, to deposit the Redemption Price of the Series 2 Class A Preferred Shares so called for redemption, or of such of the Series 2 Class A Preferred Shares which are represented by certificates which have not, at the date of such deposit, been surrendered by the holders thereof in connection with such redemption, in a separate account in any chartered bank or trust company in Canada named in the redemption notice or in a subsequent notice in writing to the holders of the Series 2 Class A Preferred Shares in respect of which the deposit is made, to be paid without interest to or to the order of the respective holders of the Series 2 Class A Preferred Shares called for redemption upon presentation and surrender to such bank or trust company of the certificates representing such shares. Upon such deposit being made or upon the date specified for redemption in such notice, whichever is the later, the Series 2 Class A Preferred Shares in respect of which such deposit shall have been made shall be deemed to be redeemed and the rights of the holders thereof shall be limited to receiving, without interest, the Redemption Price of their respective Series 2 Class A Preferred Shares being redeemed upon presentation and surrender of the certificate or certificates representing such shares. Any interest allowed on any such deposit shall belong to the Company.

From and after the date specified for redemption in any notice of redemption, the Series 2 Class A Preferred Shares called for redemption shall cease to be entitled to dividends or any other participation in any distribution of the assets of the Company and the holders thereof shall not be entitled to exercise any of their other rights as shareholders in respect thereof unless payment of the Redemption Price shall not be made upon presentation and surrender of the certificates representing such shares in accordance with the foregoing provisions, in which case the rights of the holders shall remain unaffected. Redemption moneys which are represented by a cheque which has not been presented to the Company's bankers for payment or that otherwise remain unclaimed (including moneys held on deposit in a separate account as provided for above) for a period of six years from the date specified for redemption shall be forfeited to the Company.

4. Purchase for Cancellation

Subject to the provisions of Article 6 and to the rights, privileges, restrictions and conditions attaching to any shares of the Company ranking prior to the Series 2 Class A Preferred Shares, the Company may purchase for cancellation at any time all or from time to time any part of the outstanding Series 2 Class A Preferred Shares in the open market (including, without limitation, purchase through or from an investment dealer or firm holding membership or trading privileges on a stock exchange on which the Series 2 Class A Preferred Shares are listed for trading) or by invitation for tenders addressed to all the holders of Series 2 Class A Preferred Shares then outstanding, at the lowest price or prices at which, in the opinion of the board of directors of the Company, such shares are then obtainable but not exceeding a price per share equal to the then applicable Redemption Price, plus an amount equal to the costs of purchase. Such purchase price may, at the option of the Company, be satisfied in whole or in part by the delivery of property in specie, with the fair market value of such property to be determined by the board of directors of the Company acting in good faith. If, in response to an invitation for tenders under the provisions of this Article 4, more Series 2 Class A Preferred Shares are tendered at a price or prices acceptable to the Company than the Company is prepared to purchase, then the Series 2 Class A Preferred Shares to be purchased by the Company shall be purchased as nearly as may be *pro rata* according to the number of shares tendered by each holder who submits a tender to the Company,

provided that when shares are tendered at different prices, the pro rating shall be effected only with respect to the shares tendered at the price at which more shares were tendered than the Company is prepared to purchase after the Company has purchased all the shares tendered at lower prices.

5. Retraction Privilege

5.1 Right to Require Retraction

Subject to the provisions of this Article 5 and Article 6 and to the rights, privileges, restrictions and conditions attaching to any class of shares of the Company ranking in priority to the Series 2 Class A Preferred Shares, at any time, a holder of Series 2 Class A Preferred Shares shall have the right to require the Company to redeem all or any part of the holder's then outstanding Series 2 Class A Preferred Shares. The Company shall redeem Series 2 Class A Preferred Shares duly tendered pursuant to the above retraction privilege at the Redemption Price.

5.2 Retraction Procedure

In order to exercise its right of retraction, a holder must give the Company notice (the "**Retraction Request**") of such exercise and tender to the Company, at its registered office, any certificate(s) representing such Series 2 Class A Preferred Shares which the holder wishes the Company to redeem. The Retraction Request shall include the following statements: (a) a statement specifying that the holder desires to have all or any number specified therein of the Series 2 Class A Preferred Shares (the "**Retracted Shares**") redeemed by the Company; and (b) a statement specifying the business day on which the holder desires to have the Company redeem the Retracted Shares (the "**Retraction Date**"), provided that the Retraction Date shall be not less than three (3) business days nor more than ten (10) business days after the date on which such notice is received by the Company and further provided that, in the event that no such business day is specified by the holder in such notice, the Retraction Date shall be deemed to be the sixth (6th) business day after the date on which such notice is received by the Company. Subject to Article 3 and Article 6, the Company shall redeem all the Series 2 Class A Preferred Shares tendered pursuant to the above retraction privilege. If a holder of Series 2 Class A Preferred Shares wishes to tender for redemption pursuant to the above retraction privilege only a part of the Series 2 Class A Preferred Shares represented by a certificate(s), the holder may deposit the certificate(s), if any, and at the same time advise the Company in writing as to the number of Series 2 Class A Preferred Shares with respect to which tender is being made, and the Company may issue and deliver to such holder at the expense of the Company a new certificate representing the Series 2 Class A Preferred Shares that are not being tendered. The provisions of Article 3 shall apply to any redemption by the Company pursuant to this Article 5 except to the extent that such provisions are inconsistent with the provisions of this Article 5.

5.3 Retraction Subject to Applicable Law

If, as a result of insolvency provisions or other provisions of applicable law or the rights, privileges, restrictions and conditions attaching to any shares of the Company ranking prior to the Series 2 Class A Preferred Shares, the Company is not permitted to redeem all of the Series 2 Class A Preferred Shares duly tendered pursuant to the above retraction privilege: (i) the Company shall redeem only the maximum number of Series 2 Class A Preferred Shares which the board

determines the Company is then permitted to redeem (such redemption to be made pro rata, disregarding fractions of shares, from each holder of tendered Series 2 Class A Preferred Shares according to the number of Series 2 Class A Preferred Shares tendered for redemption by each such holder) and the Company may issue and deliver to each such holder, at the expense of the Company, a new certificate representing the Series 2 Class A Preferred Shares not redeemed by the Company; and (ii) the Company shall redeem on or about March 15 in each fiscal year (each, a “**Rolling Retraction Date**”) thereafter, from Series 2 Class A Preferred Shares tendered for redemption by the holders thereof on or before the thirtieth (30th) day preceding such Rolling Retraction Date in the same manner as set forth in Article 5.2, the lesser of (a) the number of Series 2 Class A Preferred Shares so tendered, and (b) the number of Series 2 Class A Preferred Shares which the board determines the Company is then permitted to redeem (any such redemption to be made pro rata, disregarding fractions of shares, from each holder of tendered Series 2 Class A Preferred Shares according to the number of Series 2 Class A Preferred Shares tendered for redemption by each such holder). The Company shall be under no obligation to give any notice to the holder of Series 2 Class A Preferred Shares in respect of the redemption provided for in clause (ii).

So long as the board has acted in good faith in making any of the determinations referred to above as to the number of Series 2 Class A Preferred Shares which the Company is permitted at any time to redeem, neither the Company nor the directors shall have any liability in the event that any such determination proves to be inaccurate.

6. Restrictions on Dividends and Retirement of Shares

So long as any of the Series 2 Class A Preferred Shares are outstanding, the Company shall not, without the approval of the holders of the Series 2 Class A Preferred Shares given as hereinafter specified:

6.1.1 declare, pay or set apart for payment any dividends or other distribution on the Common Shares or any other shares ranking as to dividends junior to the Series 2 Class A Preferred Shares (other than dividends payable in shares of the Company ranking as to capital and dividends junior to the Series 2 Class A Preferred Shares);

6.1.2 call for redemption, redeem, purchase or otherwise pay off or retire for value, or make any capital distributions in respect of, the Common Shares or any other shares ranking junior to the Series 2 Class A Preferred Shares;

6.1.3 issue any shares ranking as to capital or dividends prior to or on a parity with the Series 2 Class A Preferred Shares;

unless, in each such case, (i) all declared and unpaid dividends on the Series 2 Class A Preferred Shares then outstanding and on all other shares of the Company ranking as to dividends prior to or on a parity with the Series 2 Class A Preferred Shares shall have been paid or set apart for payment, (ii) after the distribution or repurchase, the Company would be able to redeem all of the Series 2 Class A Preferred Shares pursuant to Article 3, and (iii) the Company is not otherwise in default under the rights, privileges, restrictions and conditions attached to the Series 2 Class A Preferred

Shares or any other shares of the Company ranking as to dividends or as to capital prior to or on a parity with the Series 2 Class A Preferred Shares.

In the event of the liquidation, dissolution or winding-up of the Company, whether voluntary or involuntary, or in the event of any other distribution of assets of the Company among its shareholders for the purpose of winding up its affairs, the holders of the Series 2 Class A Preferred Shares shall be entitled to receive from the assets of the Company, after satisfaction of the rights of the holders of the Exchangeable Shares and any other shares ranking senior to the Series 2 Class A Preferred Shares, the Redemption Price in respect of each Series 2 Class A Preferred Share, before any amount shall be paid by the Company or any assets of the Company shall be distributed to holders of shares of any class of the Company ranking as to capital junior to the Series 2 Class A Preferred Shares. Such liquidation entitlement may, at the option of the Company, be satisfied in whole or in part by the delivery of property in specie which may include, without limitation, shares of New BN or any of its subsidiaries, shares of the Company, debt instruments, or other assets held by the Company), with the fair market value of such property to be determined by the board of directors of the Company acting in good faith. After payment to the holders of the Series 2 Class A Preferred Shares of the amounts so payable to them, they shall not be entitled to share in any further distribution of the assets of the Company.

9. Interpretation

In the event that any date on which any dividend on the Series 2 Class A Preferred Shares is payable by the Company, or on or by which any other action is required to be taken by the Company or the holders of Series 2 Class A Preferred Shares hereunder, is not a Business Day, then such dividend shall be payable, or such other action shall be required to be taken, on or by the next succeeding date that is a Business Day.

For the purpose of these share provisions:

9.1.1 **“Business Day”** means any day, other than a Saturday, a Sunday or a statutory or civic holiday in the Province of Ontario or a day on which banking institutions in Toronto, Ontario or Hamilton, Bermuda are generally authorized or obligated by law to close; and

10. Amendment

The rights, privileges, restrictions and conditions attached to the Series 2 Class A Preferred Shares may be added to, changed or removed by an amendment to these share provisions and the articles of the Company, as applicable, but only with the approval of the holders of the Series 2 Class A Preferred Shares given as hereinafter specified in addition to any vote or authorization required by law.

Any approval of the holders of the Series 2 Class A Preferred Shares with respect to any and all matters referred to herein or of any other matters requiring the consent of the holders of the Series 2 Class A Preferred Shares may be given in such manner as may then be required by law, subject to a minimum requirement that such approval be given by resolution signed by all the holders of outstanding Series 2 Class A Preferred Shares or passed by the affirmative vote of at least 2/3 of the votes cast by the holders of Series 2 Class A Preferred Shares who voted in respect of that resolution at a meeting of the holders of the Series 2 Class A Preferred Shares duly called for that purpose and at which at least 25% of the outstanding Series 2 Class A Preferred Shares are present or represented by proxy. If the Company exercises its right to redeem Exchangeable Shares under Section 2.38.1, subject to the exercise of the New BN Call Right, provided that the aggregate New BN Redemption Consideration has been so deposited, on and after the Effective Date, the Exchangeable Shares will be redeemed and the rights of the Exchangeable Shareholders thereof on and after the Effective Date will be limited to receiving the New BN Redemption Consideration for such Exchangeable Shares and the Exchangeable Shareholders will not be entitled to exercise any of the rights of Exchangeable Shareholders in respect thereof other than the right to receive such Exchangeable Shareholder's New BN Redemption Consideration for each Exchangeable Share redeemed. On the Effective Date, each share certificate ("**Certificate**") issued in respect of Exchangeable Shares will cease to evidence title to any shares of the Company and, upon delivery of the Certificate to the Company or the Transfer Agent, will solely represent a right to request a share certificate in respect of the New BN Redemption Consideration issued to the holder of the Certificate. Effective as of twenty (20) minutes after the Effective Time (as such term is defined in the Plan of Arrangement), the Company hereby provides notice of redemption of the Exchangeable Shares under Section 2.38.1 to all of the holders of Class A Shares outstanding immediately prior to the Effective Time.

In the event of the exercise by New BN of the New BN Call Right, each Exchangeable Shareholder will be obligated to sell and transfer all Exchangeable Shares held by such Exchangeable Shareholder to New BN on the Effective Date on issuance and delivery, as applicable, by New BN to or for such Exchangeable Shareholder of the New BN Redemption Consideration for each such Exchangeable Share and the Company will have no obligation to pay any New BN Redemption Consideration to the holders of such Exchangeable Shares so purchased by New BN.

2.38.4 Effective as of twenty (20) minutes after the Effective Time (as such term is defined in the Plan of Arrangement), subject to New BN having received prior consent of BN, New BN hereby provides notice of its intention to exercise its New BN Call Right and, immediately prior to redemption by the Company taking effect, New BN shall exercise its

right to purchase the Exchangeable Shares under Section 2.38.3. If New BN duly exercises its New BN Call Right in accordance with this Section 2.38.4, the right of the Company to redeem those Exchangeable Shares which are subject to the New BN Call Right pursuant to Section 2.38.1 on the Effective Date will terminate at such time and, on the Effective Date, New BN will purchase and the Exchangeable Shareholders of such Exchangeable Shares will sell and transfer all of the Exchangeable Shares to New BN subject to the New BN Call Right in accordance with Section 2.38.3.

If New BN does not exercise the New BN Call Right in the manner described above, on the Effective Date an Exchangeable Shareholder will be entitled to receive in exchange therefor the New BN Redemption Consideration otherwise payable by the Company in connection with the redemption of the Exchangeable Shares pursuant to Section 2.38.2.

2.38.6 For greater certainty, the Company and New BN may undertake such transactions as may be necessary or desirable in order to deliver, or cause to be delivered, all or a portion of New BN Redemption Consideration to Exchangeable Shareholders in accordance with Section 2.38.5.

2.38.7 Each Exchangeable Shareholder, by virtue of becoming and being such an Exchangeable Shareholder, will be deemed to acknowledge the New BN Call Right in favour of New BN and the overriding nature thereof, to be bound thereby in favour of New BN as herein provided and to become a member of New BN upon the receipt of the New BN Redemption Consideration."

- (2) The materials referred to in this Section 5.3 shall be provided to the Trustee by New BN, and the materials referred to in Sections 5.3(1)(b), 5.3(1)(c), 5.3(1)(d), 5.3(1)(e) and 5.3(1)(f) shall (if reasonably practicable to do so) be subject to reasonable comment by the Trustee in a timely manner. Subject to the foregoing, New BN shall ensure that the materials to be provided to the Trustee are provided in sufficient time to permit the Trustee

to comment as aforesaid and to send all materials to each Beneficiary at the same time as such materials are first sent to holders of Class A Shares. New BN agrees not to communicate with holders of Class A Shares with respect to the materials referred to in this Section 5.3 otherwise than by mail unless such method of communication is also reasonably available to the Trustee for communication with the Beneficiaries. Notwithstanding the foregoing, New BN may, at its option, exercise the duties of the Trustee to deliver copies of all materials to all Beneficiaries as required by this Section 5.3 so long as, in each case, New BN delivers a certificate to the Trustee stating that New BN has undertaken to perform the obligations of the Trustee set forth in this Section 5.3.

- (3) For the purpose of determining the number of Beneficiary Votes to which a Beneficiary is entitled in respect of any New BN Meeting or New BN Consent, the number of Exchangeable Shares owned of record by the Beneficiary shall be determined at the close of business on the record date established by New BN or by applicable law for purposes of determining shareholders entitled to vote at such New BN Meeting or in respect of such New BN Consent. New BN shall notify the Trustee in writing of any decision of the board of directors of New BN with respect to the calling of any New BN Meeting or any New BN Consent and shall provide all necessary information and materials to the Trustee in each case promptly and, in any event, in sufficient time to enable the Trustee to perform the obligations of the Trustee set forth in this Section 5.3.

5.4 Copies of Shareholder Information

New BN shall deliver to the Trustee copies of all proxy materials (including notices of New BN Meetings but excluding proxies to vote Class A Shares), information statements, reports (including all interim and annual financial statements) and other written communications that, in each case, are to be distributed by New BN from time to time to holders of Class A Shares in sufficient quantities and in sufficient time so as to enable the Trustee to send or cause to send those materials to each Beneficiary at the same time as such materials are first sent to holders of Class A Shares. The Trustee shall mail, deliver pursuant to the notice and access procedures or otherwise send to each Beneficiary, at the expense of New BN, copies of all such materials (and all materials specifically directed to the Beneficiaries or to the Trustee for the benefit of the Beneficiaries by New BN) received by the Trustee from New BN contemporaneously with the sending of such materials to holders of Class A Shares. The Trustee shall also make available for inspection, on an appointment basis, during regular business hours by any Beneficiary at the Trustee's principal office in Toronto, Ontario all proxy materials, information statements, reports and other written communications that are:

- (a) received by the Trustee as the registered holder of the Class E Share and made available by New BN generally to the holders of Class A Shares; or

Notwithstanding the foregoing, New BN may, at its option, exercise the duties of the Trustee to deliver copies of all such materials to all Beneficiaries as required by this Section 5.4 so long as,

in each case, New BN delivers a certificate to the Trustee stating that New BN has undertaken to perform the obligations of the Trustee set forth in this Section 5.4.

5.5 Other Materials

As soon as reasonably practicable after receipt by New BN or shareholders of New BN (if such receipt is known by New BN) of any material sent or given by or on behalf of a third party to holders of Class A Shares generally, including dissident proxy and information circulars (and related information and material) and take-over bid and securities exchange take-over bid circulars (and related information and material), provided such material has not been sent to the Beneficiaries by or on behalf of such third party, New BN shall use its reasonable efforts to obtain and deliver to the Trustee copies thereof in sufficient quantities so as to enable the Trustee to forward such material (unless the same has been provided directly to Beneficiaries by such third party) to each Beneficiary as soon as possible thereafter. As soon as reasonably practicable after receipt thereof, the Trustee shall mail or otherwise send to each Beneficiary, at the expense of New BN, copies of all such materials received by the Trustee from New BN. The Trustee shall also make available for inspection, on an appointment basis, during regular business hours by any Beneficiary at the Trustee's principal office in Toronto, Ontario copies of all such materials. Notwithstanding the foregoing, New BN may, at its option, exercise the duties of the Trustee to deliver copies of all such materials to all Beneficiaries as required by this Section 5.5 so long as, in each case, New BN delivers a certificate to the Trustee stating that New BN has undertaken to perform the obligations of the Trustee set forth in this Section 5.5.

5.6 List of Persons Entitled to Vote

New BNC shall (a) prior to each annual or other New BN Meeting or the seeking of any New BN Consent, and (b) forthwith upon each request made at any time by the Trustee in writing, prepare or cause to be prepared a list (a “**List**”) of the names and addresses of the Beneficiaries arranged in alphabetical order and showing the number of Exchangeable Shares held of record by each such Beneficiary, in each case at the close of business on the date specified by the Trustee in such request or, in the case of a List prepared in connection with a New BN Meeting or New BN Consent, at the close of business on the record date established by New BN or pursuant to applicable law for determining the holders of Class A Shares entitled to receive notice of and/or to vote at such New BN Meeting or to give consent in connection with a New BN Consent. Each such List shall be delivered to the Trustee promptly after receipt by New BNC of such request or the record date for such meeting or seeking of consent, as the case may be, and, in any event, within sufficient time as to permit the Trustee to perform its obligations under this Agreement. New BN agrees to give New BNC notice (with a copy to the Trustee) of the calling of any New BN Meeting or the seeking of any New BN Consent, together with the record date therefor, sufficiently prior to the date of the calling of such meeting or seeking of such consent, so as to enable New BNC to perform its obligations under this Section 5.6.

5.7 Entitlement to Direct Votes

Subject to Section 5.8 and Section 5.11, any Beneficiary named in a List prepared in connection with any New BN Meeting or New BN Consent shall be entitled to (a) instruct the Trustee in the manner described in Section 5.2 with respect to the exercise of the Beneficiary Votes to which

such Beneficiary is entitled, (b) attend such meeting and personally exercise thereat (or to exercise with respect to any written consent), as the proxy of the Trustee, the Beneficiary Votes to which such Beneficiary is entitled, or (c) appoint a third party as the proxy of the Trustee to attend such meeting and exercise thereat the Beneficiary Votes to which such Beneficiary is entitled except, in each case, to the extent that such Beneficiary has transferred the ownership of any Exchangeable Shares in respect of which such Beneficiary is entitled to Beneficiary Votes after the close of business on the record date for such meeting or seeking of consent.

5.8 Voting by Trustee and Attendance of Trustee Representative at Meeting

- (1) In connection with each New BN Meeting and New BN Consent, the Trustee shall exercise, either in person or by proxy, in accordance with the instructions received from a Beneficiary pursuant to Section 5.2, the Beneficiary Votes as to which such Beneficiary is entitled to direct the vote (or any lesser number thereof as may be set forth in the instructions) other than any Beneficiary Votes that are the subject of Section 5.8(2); provided, however, that such written instructions are received by the Trustee from the Beneficiary prior to the time and date fixed by the Trustee for receipt of such instruction in the notice given by the Trustee to the Beneficiary pursuant to Section 5.3.
- (2) To the extent so instructed in accordance with the terms of this Agreement, the Trustee shall cause a representative who is empowered by it to sign and deliver, on behalf of the Trustee, proxies for Voting Rights enabling a Beneficiary to attend a New BN Meeting. Upon submission by a Beneficiary (or its designee) named in the List prepared in connection with the relevant meeting of identification satisfactory to the Trustee's representative, and at the Beneficiary's request, such representative shall sign and deliver to such Beneficiary (or its designee) a proxy to exercise personally the Beneficiary Votes as to which such Beneficiary is otherwise entitled hereunder to direct the vote, if such Beneficiary either (i) has not previously given the Trustee instructions pursuant to Section 5.3 in respect of such meeting or (ii) submits to such representative written revocation of any such previous instructions. At such meeting, the Beneficiary (or its designee) exercising such Beneficiary Votes in accordance with such proxy shall have the same rights in respect of such Beneficiary Votes as the Trustee to speak at the meeting in favour of any matter, question, proposal or proposition, to vote by way of ballot at the meeting in respect of any matter, question, proposal or proposition, and to vote at such meeting by way of a show of hands in respect of any matter, question, proposal or proposition.
- (3) Notwithstanding any other provision of this Agreement, New BN may, at its option, undertake to perform any or all of the obligations of the Trustee relating to:
 - (a) the mailing or other distribution of materials to Beneficiaries in connection with any New BN Meeting or New BN Consent; and
 - (b) the collection and receipt of voting instructions from Beneficiaries,so long as New BN delivers a certificate to the Trustee stating that New BN has undertaken to perform such obligations. Where New BN has so undertaken, New BN may authorize a

third-party tabulator or other agent (including a transfer agent, proxy solicitation firm or financial services provider) to collect and receive directly the votes from the holders of Exchangeable Shares on New BN's behalf, and the Trustee shall be entitled to act or refrain from acting and rely and shall be protected in acting or refraining to act and relying on voting instructions received by New BN or its authorized agent as if such instructions had been received directly by the Trustee. For greater certainty, following receipt of such voting instructions (whether received by the Trustee directly or through New BN or its authorized agent), the Trustee shall exercise the Beneficiary Votes in accordance with such instructions as contemplated herein.

5.9 Distribution of Written Materials

Any written materials distributed by the Trustee to the Beneficiaries pursuant to this Agreement shall be sent by mail (or otherwise communicated in the same manner as New BN utilizes in communications to holders of Class A Shares subject to applicable regulatory requirements and to the Trustee being advised in writing of such manner and provided such manner of communications is reasonably available to the Trustee) to each Beneficiary at its address as shown on the register of holders of Exchangeable Shares maintained by the registrar. In connection with each such distribution, New BNC shall provide or cause to be provided to the Trustee for purposes of communication, on a timely basis and without charge or other expense, a current List, and upon the request of the Trustee, mailing labels to enable the Trustee to carry out its duties under this Agreement. The materials referred to in this Section 5.9 which are provided to the Trustee shall be subject to review and comment by the Trustee. New BNC's obligations under this Section 5.9 shall be deemed satisfied to the extent New BN exercises its option to perform the duties of the Trustee to deliver copies of materials to each Beneficiary and New BNC provides the required information and materials to New BN.

5.10 Termination of Voting Rights

Except as otherwise provided in the Exchangeable Share Provisions, all of the rights of a Beneficiary with respect to the Beneficiary Votes exercisable in respect of the Exchangeable Shares held by such Beneficiary, including the right to instruct the Trustee as to the voting of or to vote personally such Beneficiary Votes, shall lapse and be deemed to be surrendered by the Beneficiary to New BN or any New BN Designee, as the case may be, and such Beneficiary Votes and the Voting Rights represented thereby shall cease immediately upon:

- (a) the retraction or redemption of Exchangeable Shares pursuant to Section 7 and Section 8 of the Exchangeable Share Provisions;
- (b) the effective date of the liquidation, dissolution or winding-up of New BNC or any other distribution of the assets of New BNC among its shareholders for the purpose of winding up its affairs pursuant to Section 6 of the Exchangeable Share Provisions; or
- (c) the purchase of Exchangeable Shares from the holder thereof by New BN or any New BN Designee, as the case may be, pursuant to the exercise by New BN or any New BN Designee of the Redemption Call Right or the Retraction Call Right

(unless, in any case, New BN or any New BN Designee, as the case may be, shall not have delivered the requisite consideration deliverable in exchange therefor).

5.11 Disclosure of Interest in Exchangeable Shares

The Trustee or New BNC shall be entitled to require any Beneficiary or any person whom the Trustee or New BNC, as the case may be, knows or has reasonable cause to believe holds any interest whatsoever in an Exchangeable Share to (a) confirm that fact, or (b) give such details as to whom has an interest in such Exchangeable Share, in each case as would be required (if the Exchangeable Shares were a class of “equity securities” of New BNC) under Section 5.2 of National Instrument 62-104 *Take-Over Bids and Issuer Bids* or as would be required under the articles of New BN or any laws or regulations, or pursuant to the rules or regulations of any regulatory agency, if and only to the extent that the Exchangeable Shares were Class A Shares. If a Beneficiary does not provide the information required to be provided by such Beneficiary pursuant to this Section 5.11, the board of directors of New BN may take any action permitted under the articles or by-laws of New BN or any laws or regulations, or pursuant to the rules or regulations of any regulatory agency, with respect to the Voting Rights relating to the Exchangeable Shares held by such Beneficiary as if, and only to the extent that, the Exchangeable Shares were Class A Shares.

Any exercise of such discretionary rights, powers, duties and authorities by the Trustee shall be final, conclusive and binding upon all persons. For greater certainty, the Trustee shall have only those duties as are set out specifically in this Agreement.
- (3) The Trustee, in exercising its rights, powers, duties and authorities hereunder, shall act honestly and in good faith and with a view to the best interests of the Beneficiaries and shall exercise the care, diligence and skill that a reasonably prudent trustee would exercise in comparable circumstances.
- (4) The Trustee shall retain the right not to act and shall not be liable for refusing to act if, it is due to a lack of information or instructions or the Trustee, in its sole judgment, acting reasonably, determines that such act is conflicting with or contrary to the terms of this Agreement or the law or regulation of any jurisdiction or any order or directive of any court, governmental agency or other regulatory body.

6.2 No Conflict of Interest

The Trustee represents to New BN, New BNC and any New BN Designee that, at the date of execution and delivery of this Agreement, to the best of the Trustee's knowledge, there exists no material conflict of interest in the role of the Trustee as a fiduciary hereunder and the role of the Trustee in any other capacity. The Trustee shall, within 90 days after it becomes aware that such material conflict of interest exists, either eliminate such material conflict of interest or resign in the manner and with the effect specified in Article 9. If, notwithstanding the foregoing provisions of this Section 6.2, the Trustee has such a material conflict of interest, the validity and enforceability of this Agreement shall not be affected in any manner whatsoever by reason only of the existence of such material conflict of interest. If the Trustee contravenes the foregoing provisions of this Section 6.2, any interested party may apply to the Ontario Superior Court of Justice for an order that the Trustee be replaced as Trustee hereunder.

6.3 Dealings with Transfer Agents, Registrars, etc.

In connection therewith, the Trustee may obtain the advice and assistance of such experts or advisors (who may be experts or advisors to New BN, New BNC and/or any New BN Designee) as the Trustee considers necessary or advisable. If requested by the Trustee, New BN shall retain or cause to be retained qualified experts or advisors for the purpose of providing such tax advice or assistance.

6.7 Action of Beneficiaries

No Beneficiary shall have the right to institute any action, suit or proceeding or to exercise any other remedy authorized by this Agreement for the purpose of enforcing any of its rights or for the execution of any trust or power hereunder unless the Beneficiary has requested the Trustee to take or institute such action, suit or proceeding and furnished the Trustee with the funding, security or indemnity referred to in Section 6.6 and the Trustee shall have failed to act within a reasonable time thereafter. In such case, but not otherwise, the Beneficiary shall be entitled to take proceedings in any court of competent jurisdiction such as the Trustee might have taken; it being understood and intended that no one or more Beneficiaries shall have any right in any manner whatsoever to affect, disturb or prejudice the rights hereby created by any such action, or to enforce any right hereunder or the Voting Rights except subject to the conditions and in the manner herein provided, and that all powers and trusts hereunder shall be exercised and all proceedings at law shall be instituted, had and maintained by the Trustee, except only as herein provided, and in any event for the equal benefit of all Beneficiaries.

6.8 Reliance Upon Declarations

- (4) Each statutory declaration, Officer's Certificate, opinion or report furnished to the Trustee as evidence of compliance with a condition provided for in this Agreement shall include a statement by the person giving the evidence:

- (c) In the event that the Trustee does not receive a direction or receives only a partial direction, the Trustee shall continue to hold cash balances constituting part or all of the funds in accordance with (a) above.

Except as in this Agreement otherwise specifically provided, the Trustee shall not be bound to act in accordance with any direction or request of New BN, New BNC and/or any New BN Designee

or of the respective directors thereof until a duly authenticated copy of the instrument or resolution containing such direction or request shall have been delivered to the Trustee, and the Trustee shall be empowered to act and rely, and shall be protected in acting and relying, upon any such copy purporting to be authenticated and believed by the Trustee to be genuine. The Trustee shall have the right not to act and shall not be liable for refusing to act if, due to a lack of information or for any other reason whatsoever, the Trustee, in its sole judgment, determines that such act might cause it to be in non-compliance with any sanctions legislation or regulation or any applicable anti-money laundering or anti-terrorist legislation, regulation or guideline. Further, should the Trustee, in its sole judgment, determine at any time that its acting under this Agreement has resulted in its being in non-compliance with any sanctions legislation or regulation or any applicable anti-money laundering or anti-terrorist legislation, regulation or guideline, then it shall have the right to resign on fifteen days written notice to the other parties to this Agreement, provided that (a) the Trustee's written notice shall describe the circumstances of such non-compliance to the extent permitted under any sanctions legislation or regulation or applicable anti-money laundering or anti-terrorist legislation, regulation or guideline, and (b) if such circumstances are rectified to the Trustee's satisfaction within such fifteen day period, such resignation shall not be effective.

6.14 Authority to Carry on Business

The Trustee represents to New BN, New BNC and any New BN Designee that, at the date of execution and delivery by it of this Agreement, it is authorized to carry on the business of a trust company in each of the provinces and territories of Canada but if, notwithstanding the provisions of this Section 6.14, it ceases to be so authorized to carry on business, the validity and enforceability of this Agreement, the Voting Rights and the other rights granted in or resulting from the Trustee being a party to this Agreement shall not be affected in any manner whatsoever by reason only of such event but the Trustee shall, within 90 days after ceasing to be authorized to carry on the business of a trust company in any province or territory of Canada, either become so authorized or resign in the manner and with the effect specified in Article 9.

6.15 Conflicting Claims

In so refusing, the Trustee may elect not to exercise any Voting Rights or other rights subject to such conflicting claims or demands and, in so doing, the Trustee shall not be or become liable to any person on account of such election or its failure or refusal to comply with any such conflicting claims or demands. The Trustee shall be entitled to continue to refrain from acting and to refuse to act until:

The Trustee hereby accepts the Trust created and provided for, by and in this Agreement and agrees to perform the same upon the terms and conditions herein set forth and to hold all rights, privileges and benefits conferred hereby and by law in trust for the various persons who shall from time to time be Beneficiaries, subject to all the terms and conditions herein set forth.

6.17 Third Party Interests

Each party to this Agreement hereby represents to the Trustee that any account to be opened by, or interest to be held by the Trustee in connection with this Agreement, for or to the credit of such party, either (a) is not intended to be used by or on behalf of any third party, or (b) is intended to be used by or on behalf of a third party, in which case such party hereto agrees to complete and execute forthwith a declaration in the Trustee's prescribed form as to the particulars of such third party.

6.18 Privacy

- (1) The parties acknowledge that Canadian federal and/or provincial legislation that addresses the protection of individuals' personal information (collectively, "**Privacy Laws**") applies to obligations and activities under this Agreement. Despite any other provision of this Agreement, no party shall take or direct any action that would contravene, or cause the others to contravene, applicable Privacy Laws. The parties shall, prior to transferring or causing to be transferred personal information to the Trustee, obtain and retain required consents of the relevant individuals to the collection, use and disclosure of their personal information, or shall have determined that such consents either have previously been given upon which the parties can rely or are not required under the Privacy Laws. The Trustee shall use commercially reasonable efforts to ensure that its services hereunder comply with Privacy Laws. Specifically, the Trustee agrees (a) to have a designated chief privacy officer, (b) to maintain policies and procedures to protect personal information and to receive and respond to any privacy complaint or inquiry, (c) to use personal information solely for the purposes of providing its services under or ancillary to this Agreement and not to use it for any other purpose except with the consent of or direction from the other parties or the individual involved, (d) not to sell or otherwise improperly disclose personal information to any third party, and (e) to employ administrative, physical and technological

safeguards to reasonably secure and protect personal information against loss, theft, or unauthorized access, use or modification.

- (2) The parties acknowledge that the Trustee may, in the course of providing services hereunder, collect or receive financial and other personal information about the parties and/or their representatives, as individuals, or about other individuals related to the subject matter hereof, and use such information for the following purposes:
- (a) to provide the services required under this Agreement and other services that may be requested from time to time;
 - (b) to help the Trustee manage its servicing relationships with such individuals;
 - (c) to meet the Trustee's legal and regulatory requirements; and
 - (d) if social insurance numbers are collected by the Trustee, to perform tax reporting and to assist in verifying an individual's identity for security purposes.

Each party acknowledges and agrees that the Trustee may receive, collect, use and disclose personal information provided to it or acquired by it in connection with this Agreement for the purposes described above, in the manner and on the terms described in its privacy code, including revisions thereto, available on the Trustee's website or upon request.

- (3) The Trustee may transfer personal information to other companies in or outside of Canada that provide data processing and storage or other support in order to facilitate the services it provides.

ARTICLE 7 COMPENSATION

7.1 Fees and Expenses of the Trustee

New BN, New BNC and any New BN Designee jointly and severally agree to pay the Trustee reasonable compensation for all of the services rendered by it under this Agreement and shall reimburse the Trustee for all reasonable expenses (including, but not limited to, taxes (other than taxes based on the net income or capital of the Trustee), fees paid to legal counsel and other experts and advisors and agents and travel expenses) and disbursements, including the reasonable cost and expense of any suit or litigation of any character and any proceedings before any governmental agency, in each case reasonably incurred by the Trustee in connection with the carrying out of its rights and its duties under this Agreement; provided, however, that New BN, New BNC and any New BN Designee shall have no obligation to reimburse the Trustee for any expenses or disbursements paid, incurred or suffered by the Trustee in any suit or litigation or any such proceedings in which the Trustee is determined to have acted in bad faith or with fraud, gross negligence or wilful misconduct.

ARTICLE 8

INDEMNIFICATION AND LIMITATION OF LIABILITY

8.1 Indemnification of the Trustee

In addition to and without derogation of any other protection afforded to the Trustee hereunder or otherwise at law, New BN, New BNC and any New BN Designee jointly and severally indemnify and hold harmless the Trustee and its affiliates and each of their respective directors, officers, employees and agents appointed and acting in accordance with this Agreement (collectively, the “**Indemnified Parties**”) against all claims, losses, damages, reasonable costs, penalties, fines and reasonable expenses (including reasonable fees and expenses of the Trustee’s legal counsel) which, without fraud, gross negligence, willful misconduct or bad faith on the part of such Indemnified Party, may be paid, incurred or suffered by the Indemnified Party by reason of or as a result of the Trustee’s acceptance or administration of the Trust, its compliance with its duties set forth in this Agreement, or any written or oral instructions (to be confirmed in writing) delivered to the Trustee by New BN, New BNC or any New BN Designee pursuant hereto. In no case shall New BN, New BNC and any New BN Designee be liable under this indemnity for any claim against any of the Indemnified Parties unless New BN, New BNC or any New BN Designee shall be notified by the Trustee of the written assertion of a claim or of any action commenced against the Indemnified Parties, promptly after any of the Indemnified Parties shall have received any such written assertion of a claim or shall have been served with a summons or other first legal process giving information as to the nature and basis of the claim. Subject to (ii), below, New BN, New BNC and any New BN Designee shall be entitled to participate at their own expense in the defense and, if New BN, New BNC or any New BN Designee so elect at any time after receipt of such notice, either of them may assume the defense of any suit brought to enforce any such claim. The Trustee shall have the right to employ separate counsel in any suit and participate in the defense thereof but the fees and expenses of such counsel shall be at the expense of the Trustee unless: (i) the employment of such counsel has been authorized by New BN, New BNC or any New BN Designee, such authorization not to be unreasonably withheld; or (ii) the named parties to any such suit include both the Trustee and New BN, New BNC or any New BN Designee and the Trustee shall have been advised by counsel acceptable to New BN, New BNC or any New BN Designee that there may be one or more legal defenses available to the Trustee that are different from or in addition to those available to New BN, New BNC or any New BN Designee and that an actual or potential conflict of interest exists (in which case New BN, New BNC and any New BN Designee shall not have the right to assume the defense of such suit on behalf of the Trustee but shall be liable to pay the reasonable fees and expenses of counsel for the Trustee). This indemnity shall survive the resignation or removal of the Trustee and the termination of the Trust.

8.2 Limitation of Liability

The Trustee shall not be held liable for any loss which may occur by reason of depreciation of the value of any part of the Trust Estate or any loss incurred on any investment of funds pursuant to this Agreement, except to the extent that such loss is attributable to the bad faith, fraud, gross negligence or wilful misconduct on the part of the Trustee. Notwithstanding any other provision

of this Agreement, and whether such losses or damages are foreseeable or unforeseeable, the Trustee shall not be liable under any circumstances whatsoever for any (a) breach by any other party of securities law or other rule of any securities regulatory authority, (b) lost profits, or (c) special, indirect, incidental, consequential, exemplary, aggravated or punitive losses or damages.

8.3 Force Majeure

No party shall be liable to the other, or held in breach of this Agreement, if prevented, hindered or delayed in the performance or observance of any provision contained herein by reason of act of God, riots, terrorism, acts of war, epidemics, pandemics, governmental action or judicial order, earthquakes, or any other similar causes (including, but not limited to, mechanical, electronic or communication interruptions, disruptions or failures). Performance times under this Agreement shall be extended for a period of time equivalent to the time lost because of any delay that is excusable under this Section 8.3.

ARTICLE 9 CHANGE OF TRUSTEE

9.1 Resignation

The Trustee, or any trustee hereafter appointed, may at any time resign by giving written notice of such resignation to New BN, New BNC and any New BN Designee specifying the date on which it desires to resign, provided that such notice shall not be given less than 30 days before such desired resignation date unless New BN, New BNC and any New BN Designee otherwise agree and provided further that such resignation shall not take effect until the date of the appointment of a successor trustee and the acceptance of such appointment by the successor trustee. Upon receiving such notice of resignation, New BN, New BNC and any New BN Designee shall promptly appoint a successor trustee, which successor trustee shall be a corporation organized and existing under the laws of Canada and authorized to carry on the business of a trust company in all provinces and territories of Canada, by written instrument in duplicate, one copy of which shall be delivered to the resigning trustee and one copy to the successor trustee. Failing the appointment and acceptance of a successor trustee, a successor trustee may be appointed by order of a court of competent jurisdiction upon application of one or more of the parties to this Agreement. If the retiring trustee is the party initiating an application for the appointment of a successor trustee by order of a court of competent jurisdiction, New BN, New BNC and any New BN Designee shall be jointly and severally liable to reimburse the retiring trustee for its legal costs and expenses in connection with same.

9.2 Removal

The Trustee, or any trustee hereafter appointed, may (provided a successor trustee is appointed) be removed at any time on not less than 30 days' prior notice by written instrument executed by New BN, New BNC and any New BN Designee, in duplicate, one copy of which shall be delivered to the trustee so removed and one copy to the successor trustee, provided that such removal shall not take effect until the date of acceptance of appointment by the successor trustee.

9.3 Successor Trustee

Any successor trustee appointed as provided under this Agreement shall execute, acknowledge and deliver to New BN, New BNC and any New BN Designee and to its predecessor trustee an instrument accepting such appointment. Thereupon the resignation or removal of the predecessor trustee shall become effective and such successor trustee, without any further act, deed or conveyance, shall become vested with all the rights, powers, duties and obligations of its predecessor under this Agreement, with the like effect as if originally named as trustee in this Agreement. However, on the written request of New BN, New BNC and any New BN Designee or of the successor trustee, the trustee ceasing to act shall, upon payment of any amounts then due to it pursuant to the provisions of this Agreement, execute and deliver an instrument transferring to such successor trustee all the rights and powers of the trustee so ceasing to act. Upon the request of any such successor trustee, New BN, New BNC, any New BN Designee and such predecessor trustee shall execute any and all instruments in writing for more fully and certainly vesting in and confirming to such successor trustee all such rights and powers.

9.4 Notice of Successor Trustee

Upon acceptance of appointment by a successor trustee as provided herein, New BN, New BNC and any New BN Designee shall cause to be mailed notice of the succession of such trustee hereunder to each Beneficiary specified in a List. If New BN, New BNC or any New BN Designee shall fail to cause such notice to be mailed within ten days after acceptance of appointment by the successor trustee, the successor trustee shall cause such notice to be mailed at the expense of New BN, New BNC and any New BN Designee.

ARTICLE 10 NEW BN SUCCESSORS

10.1 Certain Requirements in Respect of Combination, etc.

So long as any Exchangeable Shares not owned by New BN or its subsidiaries are outstanding, New BN shall not enter into any transaction (whether by way of reorganization, consolidation, arrangement, amalgamation, merger, transfer, sale or otherwise) whereby all or substantially all of its undertaking, property and assets would become the property of any other person or, in the case of an amalgamation or merger, of the continuing corporation resulting therefrom, provided that it may do so if:

- (a) such other person or continuing corporation (the “**New BN Successor**”), by operation of law, becomes bound by the terms and provisions of this Agreement or, if not so bound, executes, prior to or contemporaneously with the consummation of such transaction, a trust agreement supplemental hereto and such other instruments (if any) as are necessary or advisable to evidence that the New BN Successor (A) (i) will honour the terms of the Class E Share or (ii) will issue a replacement exchangeables limited voting share that will give the Trustee equivalent rights as the Class E Share and (B) agrees to observe and perform all the covenants and obligations of New BN under this Agreement; and

- (b) such transaction shall, to the satisfaction of the Trustee acting and relying on the opinion of legal counsel to the Trustee, be upon such terms and conditions as to substantially preserve and not impair any of the rights, duties, powers and authorities of the Trustee or the holders of the Exchangeable Shares.

10.2 Vesting of Powers in Successor

Whenever the conditions of Section 10.1 have been duly observed and performed, the parties, if required by Section 10.1, shall execute and deliver the supplemental trust agreement provided for in Section 10.1(a) and thereupon the New BN Successor and such other person that may then be the issuer of the Class A Shares shall possess and from time to time may exercise each and every right and power of New BN under this Agreement in the name of New BN or otherwise and any act or proceeding by any provision of this Agreement required to be done or performed by the board of directors of New BN or any officers of New BN may be done and performed with like force and effect by the directors or officers of such New BN Successor.

10.3 Wholly-Owned Subsidiaries

Nothing herein shall be construed as preventing (a) the amalgamation or merger of any wholly-owned direct or indirect subsidiary of New BN (other than New BNC or any New BN Designee) with or into New BN, (b) the winding-up, liquidation or dissolution of any wholly-owned direct or indirect subsidiary of New BN (other than New BNC or any New BN Designee), provided that all of the assets of such subsidiary are transferred to New BN or another wholly-owned direct or indirect subsidiary of New BN, (c) any other distribution of the assets of any wholly-owned direct or indirect subsidiary of New BN among the shareholders of such subsidiary for the purpose of winding up its affairs, and (d) any such transactions that are expressly permitted by this Article 10.

10.4 Successor Transactions

Notwithstanding the foregoing provisions of this Article 10, in the event of a New BN Control Transaction:

- (a) in which New BN merges or amalgamates with, or in which all or substantially all of the then outstanding Class A Shares are acquired by, one or more other corporations to which New BN is, immediately before such merger, amalgamation or acquisition, “**related**” within the meaning of the *Income Tax Act* (Canada) (otherwise than by virtue of a right referred to in paragraph 251(5)(b) thereof);
- (b) which does not result in an acceleration of the Redemption Date in accordance with paragraph (ii) of the definition of Redemption Date in the Exchangeable Share Provisions; and
- (c) in which all or substantially all of the then outstanding Class A Shares are converted into or exchanged for shares or rights to receive such shares (the “**Other Shares**”) of another corporation (the “**Other Corporation**”) that, immediately after such New BN Control Transaction, owns or controls, directly or indirectly, New BN;

then, (i) all references herein to “New BN” shall thereafter be and be deemed to be references to “Other Corporation” and all references herein to “Class A Shares” shall thereafter be and be deemed to be references to “Other Shares” (with appropriate adjustments, if any, as are required to result in a holder of Exchangeable Shares on the exchange, redemption or retraction of such shares pursuant to the Exchangeable Share Provisions immediately subsequent to the New BN Control Transaction being entitled to receive that number of Other Shares equal to the number of Other Shares such holder of Exchangeable Shares would have received if the exchange, redemption or retraction of such shares pursuant to the Exchangeable Share Provisions had occurred immediately prior to the New BN Control Transaction and the New BN Control Transaction was completed) but subject to subsequent adjustments to reflect any subsequent changes in the share capital of the issuer of the Other Shares, including any subdivision, consolidation or reduction of share capital, without any need to amend the terms and conditions of this Agreement and without any further action required, and (ii) New BN shall cause the Other Corporation to deposit one or more voting securities of such Other Corporation to allow Beneficiaries to exercise voting rights in respect of the Other Corporation substantially similar to those provided for in this Agreement.

ARTICLE 11

AMENDMENTS AND SUPPLEMENTAL TRUST AGREEMENTS

11.1 Amendments, Modifications, etc.

Subject to Section 11.2, 11.4 and 13.1 this Agreement may not be amended or modified except by an agreement in writing executed by New BN, New BNC, any New BN Designee and the Trustee and approved by the Beneficiaries in accordance with Section 11 of the Exchangeable Share Provisions.

11.2 Ministerial Amendments

Notwithstanding the provisions of Section 11.1, the parties to this Agreement may in writing, at any time and from time to time, without the approval of the Beneficiaries, amend or modify this Agreement for the purposes of:

- (a) adding to the covenants of any or all parties hereto for the protection of the Beneficiaries hereunder provided that the board of directors of each of New BN, New BNC and any New BN Designee shall be of the good faith opinion, and subject to receipt by the Trustee of an opinion of counsel to the Trustee, that such additions will not be prejudicial to the rights or interests of the Beneficiaries;
- (b) evidencing the succession of New BN Successors and the covenants of and obligations assumed by each such New BN Successor in accordance with the provisions of Article 10;
- (c) making such amendments or modifications not inconsistent with this Agreement as may be necessary or desirable with respect to matters or questions arising hereunder which, in the good faith opinion of the board of directors of each of New BN, New BNC and any New BN Designee and in the opinion of the Trustee it may be expedient to make, provided that each such board of directors and the Trustee shall

be of the good faith opinion, after consultation with counsel, that such amendments or modifications will not be prejudicial to the rights or interests of the Beneficiaries; or

- (d) making such changes or corrections which, on the advice of counsel to New BN, New BNC, any New BN Designee and the Trustee, are required for the purpose of curing or correcting any ambiguity or defect or inconsistent provision or clerical omission or mistake or manifest error, provided that each such board of directors and the Trustee shall be of the good faith opinion, after consultation with counsel, that such changes or corrections will not be prejudicial to the rights or interests of the Beneficiaries.

11.3 Meeting to Consider Amendments

New BNC, at the request of New BN, shall call a meeting or meetings of the Beneficiaries for the purpose of considering any proposed amendment or modification requiring approval pursuant hereto. Any such meeting or meetings shall be called and held in accordance with the articles of New BNC, the Exchangeable Share Provisions and all applicable laws.

11.4 Changes in Capital of New BN and New BNC

Notwithstanding the provisions of Section 11.1, in the event either Class A Shares or the Exchangeable Shares or both are in any way changed, this Agreement shall forthwith be amended and modified as necessary in order that it shall apply with full force and effect, *mutatis mutandis*, to all new securities into which Class A Shares or the Exchangeable Shares or both are so changed and the parties hereto shall execute and deliver a supplemental trust agreement giving effect to and evidencing such necessary amendments and modifications.

11.5 Execution of Supplemental Trust Agreements

No amendment to or modification or waiver of any of the provisions of this Agreement otherwise permitted hereunder shall be effective unless made in writing and signed by all of the parties hereto. Notwithstanding the provisions of Section 11.1, from time to time New BN, New BNC and any New BN Designee (in each case, when authorized by a resolution of its board of directors) and the Trustee may, subject to the provisions of these presents, and they shall, when so directed by these presents, execute and deliver by their proper officers, trust agreements or other instruments supplemental hereto, which thereafter shall form part hereof, for any one or more of the following purposes:

- (a) evidencing the succession of New BN Successors and the covenants of and obligations assumed by each such New BN Successor in accordance with the provisions of Article 10 and the successors of the Trustee or any successor trustee in accordance with the provisions of Article 9;
- (b) making any additions to, deletions from or alterations of the provisions of this Agreement or the Voting Rights, that, in the opinion of the Trustee, acting and relying on the opinion of counsel to the Trustee, will not be prejudicial to the interests of the Beneficiaries or are, in the opinion of counsel to the Trustee, acting

and relying on the opinion of counsel to the Trustee, necessary or advisable in order to incorporate, reflect or comply with any legislation the provisions of which apply to New BN, New BNC, any New BN Designee, the Trustee or this Agreement; and

- (c) for any other purposes not inconsistent with the provisions of this Agreement, including to make or evidence any amendment or modification to this Agreement as contemplated hereby; provided that, in the opinion of the Trustee, the rights, duties and authorities of the Trustee and, in the opinion of the Trustee, acting and relying on the advice of counsel to the Trustee, the rights of the Beneficiaries, will not be prejudiced thereby.

ARTICLE 12 TERMINATION

12.1 Term

The Trust created by this Agreement shall continue until the earliest to occur of the following events:

- (a) no outstanding Exchangeable Shares are held by a Beneficiary;

12.2 Survival of Agreement

This Agreement shall survive any termination of the Trust and shall continue until there are no Exchangeable Shares outstanding held by a Beneficiary; provided, however, that the provisions of Article 7 and Article 8 shall survive any such termination of this Agreement.

ARTICLE 13 GENERAL

13.1 Severability

If any term or other provision of this Agreement is invalid, illegal or incapable of being enforced by any rule or law, or public policy, all other conditions and provisions of this Agreement shall nevertheless remain in full force and effect so long as the economic or legal substance of the transactions contemplated hereby is not affected in any manner materially adverse to any party. Upon such determination that any term or other provision is invalid, illegal or incapable of being enforced, the parties hereto shall negotiate in good faith to modify this Agreement so as to effect the original intent of the parties as closely as possible in an acceptable manner to the end that the transactions contemplated hereby are fulfilled to the fullest extent possible.

One class of shares

(2.1) The right to dissent described in subsection (2) applies even if there is only one class of shares.

Exception

(3) A shareholder of a corporation incorporated before the 29th day of July, 1983 is not entitled to dissent under this section in respect of an amendment of the articles of the corporation to the extent that the amendment,

Shareholder's right to be paid fair value

(4) In addition to any other right the shareholder may have, but subject to subsection (30), a shareholder who complies with this section is entitled, when the action approved by the resolution from which the shareholder dissents becomes effective, to be paid by the corporation the fair value of the shares held by the shareholder in respect of which the shareholder dissents, determined as of the close of business on the day before the resolution was adopted.

No partial dissent

(5) A dissenting shareholder may only claim under this section with respect to all the shares of a class held by the dissenting shareholder on behalf of any one beneficial owner and registered in the name of the dissenting shareholder.

Objection

(6) A dissenting shareholder shall send to the corporation, at or before any meeting of shareholders at which a resolution referred to in subsection (1) or (2) is to be voted on, a written objection to the resolution, unless the corporation did not give notice to the shareholder of the purpose of the meeting or of the shareholder's right to dissent.

Idem

(7) The execution or exercise of a proxy does not constitute a written objection for purposes of subsection (6).

Notice of adoption of resolution

(8) The corporation shall, within ten days after the shareholders adopt the resolution, send to each shareholder who has filed the objection referred to in subsection (6) notice that the resolution has been adopted, but such notice is not required to be sent to any shareholder who voted for the resolution or who has withdrawn the objection.

Idem

Endorsement on certificate

(13) A corporation or its transfer agent shall endorse on any share certificate received under subsection (11) a notice that the holder is a dissenting shareholder under this section and shall return forthwith the share certificates to the dissenting shareholder.

Rights of dissenting shareholder

(14) On sending a notice under subsection (10), a dissenting shareholder ceases to have any rights as a shareholder other than the right to be paid the fair value of the shares as determined under this section except where,

- (a) the dissenting shareholder withdraws notice before the corporation makes an offer under subsection (15);

in which case the dissenting shareholder's rights are reinstated as of the date the dissenting shareholder sent the notice referred to in subsection (10).

Same

(14.1) A dissenting shareholder whose rights are reinstated under subsection (14) is entitled, upon presentation and surrender to the corporation or its transfer agent of any share certificate that has been endorsed in accordance with subsection (13),

Same

(14.2) A dissenting shareholder whose rights are reinstated under subsection (14) and who held uncertificated shares at the time of sending a notice to the corporation under subsection (10) is entitled,

- (a) to be issued the same number, class and series of uncertificated shares as those held by the dissenting shareholder at the time of sending the notice under subsection (10); and
- (b) to be sent the notice referred to in subsection 54 (3).

Offer to pay

(15) A corporation shall, not later than seven days after the later of the day on which the action approved by the resolution is effective or the day the corporation received the notice referred to in subsection (10), send to each dissenting shareholder who has sent such notice,

- (a) a written offer to pay for the dissenting shareholder's shares in an amount considered by the directors of the corporation to be the fair value thereof, accompanied by a statement showing how the fair value was determined; or
- (b) if subsection (30) applies, a notification that it is unable lawfully to pay dissenting shareholders for their shares.

Idem

(16) Every offer made under subsection (15) for shares of the same class or series shall be on the same terms.

Idem

(17) Subject to subsection (30), a corporation shall pay for the shares of a dissenting shareholder within ten days after an offer made under subsection (15) has been accepted, but any such offer lapses if the corporation does not receive an acceptance thereof within thirty days after the offer has been made.

Application to court to fix fair value

(18) Where a corporation fails to make an offer under subsection (15) or if a dissenting shareholder fails to accept an offer, the corporation may, within fifty days after the action approved by the resolution is effective or within such further period as the court may allow, apply to the court to fix a fair value for the shares of any dissenting shareholder.

Idem

(19) If a corporation fails to apply to the court under subsection (18), a dissenting shareholder may apply to the court for the same purpose within a further period of twenty days or within such further period as the court may allow.

Idem

(20) A dissenting shareholder is not required to give security for costs in an application made under subsection (18) or (19).

Costs

(21) If a corporation fails to comply with subsection (15), then the costs of a shareholder application under subsection (19) are to be borne by the corporation unless the court otherwise orders.

Notice to shareholders

(22) Before making application to the court under subsection (18) or not later than seven days after receiving notice of an application to the court under subsection (19), as the case may be, a corporation shall give notice to each dissenting shareholder who, at the date upon which the notice is given,

- (a) has sent to the corporation the notice referred to in subsection (10); and
- (b) has not accepted an offer made by the corporation under subsection (15), if such an offer was made,

of the date, place and consequences of the application and of the dissenting shareholder's right to appear and be heard in person or by counsel, and a similar notice shall be given to each dissenting shareholder who, after the date of such first mentioned notice and before termination of the proceedings commenced by the application, satisfies the conditions set out in clauses (a) and (b) within three days after the dissenting shareholder satisfies such conditions.

Parties joined

(23) All dissenting shareholders who satisfy the conditions set out in clauses (22) (a) and (b) shall be deemed to be joined as parties to an application under subsection (18) or (19) on the later of the date upon which the application is brought and the date upon which they satisfy the conditions, and shall be bound by the decision rendered by the court in the proceedings commenced by the application.

Idem

(24) Upon an application to the court under subsection (18) or (19), the court may determine whether any other person is a dissenting shareholder who should be joined as a party, and the court shall fix a fair value for the shares of all dissenting shareholders.

Appraisers

(25) The court may in its discretion appoint one or more appraisers to assist the court to fix a fair value for the shares of the dissenting shareholders.

Final order

(26) The final order of the court in the proceedings commenced by an application under subsection (18) or (19) shall be rendered against the corporation and in favour of each dissenting shareholder who, whether before or after the date of the order, complies with the conditions set out in clauses (22) (a) and (b).

Interest

(27) The court may in its discretion allow a reasonable rate of interest on the amount payable to each dissenting shareholder from the date the action approved by the resolution is effective until the date of payment.

Where corporation unable to pay

(28) Where subsection (30) applies, the corporation shall, within ten days after the pronouncement of an order under subsection (26), notify each dissenting shareholder that it is unable lawfully to pay dissenting shareholders for their shares.

Idem

(29) Where subsection (30) applies, a dissenting shareholder, by written notice sent to the corporation within thirty days after receiving a notice under subsection (28), may,

- (a) withdraw a notice of dissent, in which case the corporation is deemed to consent to the withdrawal and the shareholder's full rights are reinstated; or
- (b) retain a status as a claimant against the corporation, to be paid as soon as the corporation is lawfully able to do so or, in a liquidation, to be ranked subordinate to the rights of creditors of the corporation but in priority to its shareholders.

Idem

(30) A corporation shall not make a payment to a dissenting shareholder under this section if there are reasonable grounds for believing that,

(a) the corporation is or, after the payment, would be unable to pay its liabilities as they become due; or

(b) the realizable value of the corporation's assets would thereby be less than the aggregate of its liabilities.

Court order

(31) Upon application by a corporation that proposes to take any of the actions referred to in subsection (1) or (2), the court may, if satisfied that the proposed action is not in all the circumstances one that should give rise to the rights arising under subsection (4), by order declare that those rights will not arise upon the taking of the proposed action, and the order may be subject to compliance upon such terms and conditions as the court thinks fit and, if the corporation is an offering corporation, notice of any such application and a copy of any order made by the court upon such application shall be served upon the Commission.

Commission may appear

(32) The Commission may appoint counsel to assist the court upon the hearing of an application under subsection (31), if the corporation is an offering corporation.

Definitions

1. **THIS COURT ORDERS** that all definitions used in this Interim Order shall have the meaning ascribed thereto in the Mandava Affidavit or the Circular or otherwise as specifically defined herein.

The Meeting

2. **THIS COURT ORDERS** that BN is permitted to call, hold and conduct an annual and special meeting (the “Meeting”) of the holders of BN Shares to be held virtually as an electronic meeting on July 16, 2026 at 10:30 a.m. (Toronto time) in order for BN Shareholders to consider and, if determined advisable, approve the BN Resolutions.

3. **THIS COURT ORDERS** that the Meeting shall be called, held and conducted in accordance with the OBCA, the by-laws of BN and the notice of special meeting which accompanies the Circular (the “Notice of Meeting”), subject to what may be provided hereafter and subject to further order of this Court.

4. **THIS COURT ORDERS** that the record date (the “Record Date”) for determination of the BN Shareholders entitled to notice of, and to vote at, the Meeting shall be May 29, 2026. Any adjournment or postponement of the Meeting, as set out in paragraph 11 below, will not result in a change to the Record Date.

5. **THIS COURT ORDERS** that the only persons entitled to attend or speak at the Meeting shall be:

- (a) BN Shareholders or their proxyholders;
- (b) the officers, directors and advisors of BN; and
- (c) other persons who may receive the permission of the Chair of the Meeting.

6. **THIS COURT ORDERS** that BN may transact such other business at the Meeting as is contemplated in the Circular, or as may otherwise be properly before the Meeting, including the Company Incentive Plan Resolutions.

Chair of the Meeting & Quorum

7. **THIS COURT ORDERS** that the Chair of the Meeting shall be determined by BN and that the quorum at the Meeting shall be two persons present in person or virtually at the opening of the Meeting who are entitled to vote at the Meeting as BN Shareholders or as proxyholders.

Amendments to the Arrangement and Plan of Arrangement

8. **THIS COURT ORDERS** that BN is authorized to make, subject to the terms of the Transaction Agreement and paragraph 9 below such amendments, modifications or supplements to the Arrangement or Plan of Arrangement as it may determine without any additional notice to BN Shareholders, or others entitled to receive notice under paragraphs 12-14 hereof and the Arrangement, as so amended, modified or supplemented shall be the Arrangement and Plan of Arrangement to be submitted to BN Shareholders at the Meeting and shall be the subject of the BN Resolution. Amendments, modifications or supplements may be made following the Meeting, but shall be subject to review and, if appropriate, further direction by this Court at the hearing for the final approval of the Arrangement.

9. **THIS COURT ORDERS** that, if any amendments, modifications or supplements to the Arrangement or Plan of Arrangement made after initial notice is provided as contemplated in paragraphs 12-14, below, which would, if disclosed, reasonably be expected to affect a BN Shareholder's decision to vote for or against the BN Resolution, notice of such amendment, modification or supplement shall be distributed, subject to further order of this Court, by press release, newspaper advertisement, prepaid ordinary mail, electronic transmission, or by the method most reasonably practicable in the circumstances, as BN may determine.

Amendments to the Circular

10. **THIS COURT ORDERS** that, subject to the terms of the Transaction Agreement, BN is authorized to make such amendments, revisions and/or supplements to the draft Circular as it may determine and the Circular, as so amended, revised and/or supplemented, shall be the Circular to be distributed in accordance with paragraph 12-14.

Adjournments and Postponements

11. **THIS COURT ORDERS** that BN, if it deems advisable and subject to the terms of the Transaction Agreement, is specifically authorized to adjourn or postpone the Meeting on one or more occasions, without the necessity of first convening the Meeting or first obtaining any vote of BN Shareholders respecting the adjournment or postponement, and notice of any such adjournment or postponement shall be given by such method as BN may determine is appropriate in the circumstances. This provision shall not limit the authority of the Chair of the Meeting in respect of adjournments and postponements.

Notice of Meeting

12. **THIS COURT ORDERS** that, in order to effect notice of the Meeting, BN shall send the notice, advising of the availability of access to the Circular (including the Notice of Application and this Interim Order), the Notice of Meeting, the form of proxy and the letter of transmittal and election form, along with such amendments or additional documents as BN may determine are necessary or desirable and are not inconsistent with the terms of this Interim Order (collectively, the “Meeting Materials”), will be distributed to registered and non-registered BN Shareholders at the close of business on the Record Date, at least thirty (30) days prior to the date of the Meeting, excluding the date of sending and the date of the Meeting, using the “notice and access” procedures as follows:

- (a) BN will send a notice containing the information required by section 9.1.1(1)(a) of National Instrument 51-102 (“NI 51-102”) and section 2.7.1(1)(a) of National Instrument 54-101 (“NI 54-101”) (the “Notice-and-Access Notice”), together with the form of proxy, to all registered BN Shareholders at least thirty days prior to the date of the BN Meeting, informing them that the BN Circular and proxy-

related materials are available online and explaining how the BN Circular may be accessed;

(b) BN will provide sufficient copies of the Notice-and-Access Notice to intermediaries and registered nominees in a timely manner, in accordance with NI 54-101; and

(c) instead of mailing the BN Circular to BN Shareholders, BN will post the BN Circular and proxy-related materials on its website at <https://bn.brookfield.com> under “News & Events – Events” and on BN’s SEDAR+ profile at www.sedarplus.ca and EDGAR profile at www.sec.gov.

13. BN Shareholders may request paper copies of the BN Circular from BN, in which case BN will mail the BN Circular within three business days of any such request, provided the request is made before the date of the BN Meeting.

14. BN shall distribute the BN Circular, the form of proxy and the letter of transmittal to the directors and the auditor of BN by recognized courier service, by pre-paid ordinary or first-class mail or, with the consent of the person, by facsimile or electronic transmission, at least twenty-one days prior to the date of the BN Meeting, excluding the date of sending and the date of the BN Meeting.

15. Compliance with paragraphs 12 - 14 shall constitute sufficient notice of the Meeting.

16. **THIS COURT ORDERS** that accidental failure or omission by BN to give notice of the Meeting or to distribute the Meeting Materials to any person entitled by this Interim Order to receive notice, or any failure or omission to give such notice as a result of events beyond the

reasonable control of BN, or the non-receipt of such notice shall, subject to further order of this Court, not constitute a breach of this Interim Order nor shall it invalidate any resolution passed or proceedings taken at the Meeting. If any such failure or omission is brought to the attention of BN, it shall use its best efforts to rectify it by the method and in the time most reasonably practicable in the circumstances.

17. **THIS COURT ORDERS** that BN is hereby authorized to make such amendments, revisions or supplements to the Meeting Materials as BN may determine in accordance with the terms of the Transaction Agreement (“Additional Information”), and that notice of such Additional Information may, subject to paragraph 9, above, be distributed by press release, newspaper advertisement, pre-paid ordinary mail, electronic transmission, or by the method most reasonably practicable in the circumstances, as BN may determine.

18. **THIS COURT ORDERS** that distribution of the Meeting Materials pursuant to paragraph 12 of this Interim Order shall constitute notice of the Meeting and good and sufficient service of the within Application upon the persons described in paragraph 12 and that those persons are bound by any orders made on the within Application. Further, no other form of service of the Meeting Materials or any portion thereof need be made, or notice given or other material served in respect of these proceedings and/or the Meeting to such persons or to any other persons, except to the extent required by paragraph 9, above.

Solicitation and Revocation of Proxies

19. **THIS COURT ORDERS** that BN is authorized to use the form of proxy, letter of transmittal and election form substantially in the form of the drafts attached as exhibits to the Mandava Affidavit with such amendments and additional information as BN may determine are

necessary or desirable, subject to the terms of the Transaction Agreement. BN is authorized, at its expense, to solicit proxies, directly or through its officers, directors or employees, and by mail or such other forms of personal or electronic communication as it may determine. BN may waive generally, in its discretion, the time limits set out in the Circular for the deposit or revocation of proxies by BN Shareholders, if BN deems it advisable to do so.

20. **THIS COURT ORDERS** that BN Shareholders shall be entitled to revoke their proxies as provided in the Circular.

Voting

21. **THIS COURT ORDERS** that the only persons entitled to vote in person or by proxy on the BN Resolution, or such other business as may be properly brought before the Meeting, shall be those BN Shareholders who hold BN Shares as of the close of business on the Record Date. Illegible votes, spoiled votes, defective votes and abstentions shall be deemed to be votes not cast. Proxies that are properly signed and dated but which do not contain voting instructions shall be voted in favour of the BN Resolution.

22. **THIS COURT ORDERS** that votes shall be taken at the Meeting on the basis of one vote per BN Class A Share and one vote per BN Class B Share and that in order for the Arrangement to be implemented, subject to further Order of this Court, the BN Resolution must be passed, with or without variation, at the Meeting by:

- (a) the affirmative vote of not less than 66⅔% of the votes cast by the holders of BN Class A Shares present in person or represented by proxy at the BN Shareholders' Meeting; and

- (b) the affirmative vote of not less than 66 $\frac{2}{3}$ % of the votes cast by the holders of BN Class B Shares present in person or represented by proxy at the BN Shareholders' Meeting.

Such votes shall be sufficient to authorize the Applicant to do all such acts and things as may be necessary or desirable to give effect to the Arrangement on a basis consistent with what is provided for in the Circular without the necessity of any further approval by BN Shareholders, subject only to final approval of the Arrangement by this Court.

23. **THIS COURT ORDERS** that the by-laws of BN shall apply to matters properly brought before the Meeting pertaining to items of business affecting BN other than in respect of the BN Resolution.

24. **THIS COURT ORDERS** that the Arrangement and the BWS Bye-Law Amendment must also be approved by BWS Shareholders as required by the constating documents and applicable law at the BWS Shareholders Meeting, which meeting shall be called and held in accordance with the constating documents of BWS and applicable law.

Dissent Rights

25. **THIS COURT ORDERS** that each registered holder of BN Class A Shares shall be entitled to exercise Dissent Rights in connection with the BN Resolution in accordance with the terms set out in the Circular and this Interim Order.

26. **THIS COURT ORDERS** that any registered holder of BN Class A Shares who duly exercise such Dissent Rights set out in paragraph 25 above and who:

- (a) is ultimately entitled to be paid the fair value for their BN Class A Shares pursuant to the Dissent Rights shall not be entitled to any other payment or consideration,

including any payment that would be payable under the Arrangement had such holders not exercised their Dissent Rights; or

- (b) is for any reason ultimately determined by this Court not to be entitled to be paid fair value for his, her or its BN Shares pursuant to the exercise of the Dissent Right shall be deemed to have participated in the Arrangement on the same basis and at the same time as any non-dissenting holder of BN Class A Shares;

but in no case shall BN, BWS or New BN or any other person be required to recognize such BN Shareholder as a holder of BN Shares at or after the date upon which the Arrangement becomes effective and the names of such BN Shareholders shall be deleted from BN's register of holders of BN Class A Shares at that time.

Hearing of Application for Approval of the Arrangement

27. **THIS COURT ORDERS** that upon approval of the BN Resolution in the manner set forth in this Interim Order and following the receipt of the BWS approvals in accordance with paragraph 24, the Applicants may apply to this Court for final approval of the Arrangement.

28. **THIS COURT ORDERS** that distribution of the Notice of Application and the Interim Order in the Circular, when sent in accordance with paragraphs 12-14, and a description thereof in the management information circular of BWS prepared in connection with the meeting of BWS Shareholders to, among other things, consider and, if determined advisable, approve the BWS Resolutions, when sent to BWS Shareholders in accordance with applicable laws, shall constitute good and sufficient service of the Notice of Application and this Interim Order and no other form of service need be effected and no other material need be served unless a Notice of Appearance is served in accordance with paragraph 29.

29. **THIS COURT ORDERS** that any Notice of Appearance served in response to the Notice of Application shall be served on the lawyers for the Applicants as soon as reasonably practicable, and, in any event, no less than five business days before the hearing of this Application, together with all materials in support of that person's position, at the following address:

To the Board of Directors:

Subject: Fairness Opinion in Respect of the Proposed Exchange of Class A Shares of Brookfield Corporation and Class A Shares of Brookfield Wealth Solutions Ltd. for Class A Shares of Brookfield Corporation Ltd.

1.0 Introduction

KPMG LLP ("KPMG") understands that Brookfield Corporation ("BN") and Brookfield Wealth Solutions Ltd. ("BWS") intend to complete a reorganization, to be effected by a plan of arrangement and amendments to the governing documents of BWS, whereby all of the outstanding class A limited voting shares of BN ("BN Class A Shares") and all of the outstanding class A exchangeable limited voting shares of BWS ("BWS Class A Shares") will be exchanged on a one-for-one basis for class A limited voting shares ("Class A Shares") of a newly formed entity, Brookfield Corporation Ltd. ("New BN") (the "Transaction"). As part of the Transaction, eligible Canadian resident holders of BN Class A Shares will have the right to elect to receive, in lieu of Class A Shares, one Class A non-voting exchangeable share in Brookfield Canada Corporation ("BNCC Exchangeable Share"), a newly formed corporation under the laws of Ontario, for each BN Class A Share held as of the Effective Date.

In this regard, the Board of Directors of each of BN and BWS (together referred to as the "Boards") have jointly retained KPMG to perform an analysis to determine whether the consideration to be received by public holders of BN Class A Shares and BWS Class A Shares as part of the Transaction is fair, from a financial point of view, to such holders (the "Fairness Opinion"), as at the date hereof (the "Fairness Opinion Date").

Brookfield Corporation & Brookfield Wealth Solutions Ltd.

Privileged & Confidential

May 26, 2026

We understand that the specific terms and conditions of the Transaction will be described in the respective management information circulars of BN and BWS (each a “Circular” and collectively the “Circulars”) to be mailed to holders of BN Class A Shares and BWS Class A Shares. We further understand that the Fairness Opinion and/or a summary thereof will be included in the Circular, and that the Fairness Opinion will be provided to, and be relied upon by, the Boards in approving the Transaction and recommending it to shareholders of BN and BWS, respectively, for approval.

As detailed in the Circulars, the Boards were advised by their external legal advisor that the Transaction is not subject to the formal valuation and minority approval requirements under Multilateral Instrument 61-101 – *Protection of Minority Security Holders in Special Transactions* (“MI 61-101”). As such, the Fairness Opinion is being provided to the Boards to support their review of the Transaction only, and not for securities regulatory purposes. As such, the Fairness Opinion will not constitute a formal valuation as defined under MI 61-101.

2.0 Terms of KPMG Engagement

KPMG has been engaged by the Boards to provide a Fairness Opinion pursuant to a letter dated May 4, 2026 (the “Engagement Agreement”). KPMG is to be paid a fixed fee for rendering the Fairness Opinion and will be reimbursed for its reasonable out-of-pocket expenses to complete the Fairness Opinion. Further, BN and BWS, jointly and severally, agreed to indemnify and hold harmless KPMG in respect of certain liabilities which may be incurred by KPMG in connection with the provision of its services under the Engagement Agreement. No part of KPMG’s fees pursuant to the Engagement Agreement is contingent in whole or in part on the outcome of the Fairness Opinion and/or completion of the Transaction. KPMG understands that the Fairness Opinion is among other factors considered by the Boards in assessing the Transaction.

3.0 Independence and Credentials

KPMG is one of the world’s largest professional services firms, offering a broad range of services. KPMG’s valuation professionals have significant experience in valuing a broad range of companies for various purposes, including securities law compliance, fairness opinions, solvency opinions, mergers and acquisitions, corporate income tax purposes, and litigation matters, amongst other things. The Fairness Opinion expressed herein is the opinion of KPMG as a firm, and the form and content herein have been approved for release by a committee, each member of which is a member of the Canadian Institute of Chartered Business Valuators and experienced in merger, acquisition, divestiture, and valuation matters.

We confirm that KPMG, including its affiliates and the engagement team (hereafter “KPMG”), is independent, and is acting objectively. KPMG is not the auditor of BN, BWS, New BN or any of their respective affiliates (collectively, “Brookfield”). KPMG has no present or contemplated interest in Brookfield, nor is KPMG an insider or associate of Brookfield. In the ordinary course of business, KPMG, including its affiliates, has and continues to perform advisory and tax work for Brookfield. There are no understandings, agreements, or commitments between KPMG and Brookfield with respect to any future advisory and tax work. The fees payable to KPMG pursuant to the Engagement Agreement are not financially material to KPMG. Our fees for this engagement are not contingent upon our findings and we do not have any financial interest in the completion of the Transaction.

4.0 Transaction Overview

The Transaction will be effected pursuant to an agreement among BN, BWS, and New BN (the “Transaction Agreement”), a plan of arrangement (the “Plan of Arrangement”), and amendments to the governing documents of BWS (the “BWS Bye-Law Amendments”). Following the receipt of all required approvals, including approval of the shareholders of BN and BWS, the Ontario Superior Court of Justice (Commercial List) approving the Transaction, and other customary legal and regulatory approvals, and the satisfaction or waiver of the other conditions contained in the Transaction Agreement, the Transaction will ultimately result in the following exchanges of shares:

- Holders of BWS Class A Shares will receive one Class A Share for each BWS Class A Share held as of the effective date of the Transaction (the “Effective Date”);
- Holders of BN Class A Shares will receive one Class A Share for each BN Class A Share held as of the Effective Date. Eligible Canadian resident holders of BN Class A Shares will have the right to elect to receive, in lieu of Class A Shares, one BNCC Exchangeable Share for each BN Class A Share held as of the Effective Date. The BNCC Exchangeable Shares are structured to be economically equivalent to the Class A Shares, carry distribution entitlements identical to those of the Class A Shares, and are exchangeable into Class A Shares on a one-for-one basis. Further, registered holders of BN Class A Shares who properly exercise their dissent rights will be entitled to be paid the fair market value of their BN Class A Shares determined as of the close of business on the day before the BN Resolutions (as defined in the Circular) are adopted; and,
- While not held by public shareholders, the Transaction will also result in exchanges of other share classes of BWS, BN, and their affiliates, each of which are detailed in the Circular.

Upon completion of the Transaction, we understand all of the outstanding voting securities of BWS will be indirectly owned by New BN and all the outstanding BN Class A Shares will be indirectly owned by New BN.

Pursuant to the Transaction Agreement, holders of BN Class A Shares and BWS Class A Shares will receive one of the following classes of shares, as applicable, with the following attributes:

- **Class A Shares** – We understand that, upon completion of the Transaction, Class A Shares will be listed on both the TSX and NYSE, subject to TSX and NYSE approval. Class A Shares will have the same voting entitlements as BN Class A Shares. Class A Shares rank on parity with class B limited voting shares of New BN and rank after any senior preferred share or junior preferred share of New BN outstanding from time to time with respect to the payment of dividends (if, as and when declared by the board of directors of New BN), distributions and return of capital, and the return of capital on the liquidation, dissolution or winding up of New BN.
- **BNCC Exchangeable Shares** – We understand that, upon completion of the Transaction, BNCC Exchangeable Shares will be listed on the TSX, subject to TSX approval. BNCC Exchangeable Shares are exchangeable at any time for Class A Shares and carry a distribution entitlement that is identical to Class A Shares. Holders of BNCC Exchangeable Shares will be represented through a Class E exchangeable limited voting share and will vote together with the Class A Shares on all matters requiring a vote of Class A shareholders.

- Other studies, analyses, and inquiries as we deemed necessary and/or appropriate.

KPMG's work consisted primarily of inquiry, consideration, analysis and discussion of this information. KPMG's reliance on this information is based, in part, on Management representations as to the completeness and accuracy of the information provided to KPMG.

6.0 Prior Valuations

Each of BN and BWS has represented to KPMG after due enquiry that there have not been any prior valuations sought by BN and BWS for BN or BWS or of their respective securities or material assets in the past 24-month period.

7.0 Restrictions, Assumptions and Limitations

The Fairness Opinion has been provided for use by the Boards. As indicated above, the Fairness Opinion and/or a summary thereof has also been provided for inclusion in the Circulars to be sent to the holders of BN Class A Shares and BWS Class A Shares, respectively, in connection with the Transaction, and may not be used by any person or relied upon by any person without the prior express written consent of KPMG. KPMG will assume no responsibility for the losses incurred by BN, BWS, its shareholders, directors, or any other parties as a result of the circulation, publication, reproduction or use of the Fairness Opinion contrary to the provisions of this paragraph.

The Fairness Opinion does not address the relative merits of the Transaction as compared to other transactions or business strategies that might be available to BN and BWS. KPMG expresses no opinion with respect to future trading prices of Class A Shares. Further, the Fairness Opinion does not constitute advice or a recommendation to the Boards, holders of BN Class A Shares and BWS Class A Shares, or any other party, with respect to how to vote or act on any matter relating to the Transaction or otherwise.

KPMG has not been asked to prepare and has not prepared a formal valuation (as such term is defined in MI 61-101) of BN, BWS, or New BN or of any of its respective securities or assets, and this Fairness Opinion should not be construed as such. The Transaction is not subject to the formal valuation and minority approval requirements under MI 61-101. As such, the Fairness Opinion is being provided to the Boards to support their review of the Transaction only, and not for securities regulatory purposes.

We have assumed that the Transaction Agreement to be executed will be substantially the same as the draft Transaction Agreement provided to us, and that the Transaction will be completed in accordance with the Transaction Agreement and all applicable laws. We have further assumed that no unanticipated tax or other liabilities will result from the Transaction or related transactions, and that any required consents and regulatory approvals to complete the Transaction will be obtained on a timely basis and on terms not adverse to BN or BWS.

The Fairness Opinion does not consider the specific circumstances of any particular public holder of BN Class A Shares or BWS Class A Shares, including any such public shareholder's tax position. As such, while the completion of the Transaction may be classified as a taxable event for public shareholders in certain jurisdictions, we have assumed that the completion of the Transaction will not create any material adverse tax consequences for general public shareholders in the aggregate, as the holders of BN Class A Shares or BWS Class A Shares in key jurisdictions are generally expected

to receive Class A Shares on a tax-deferred rollover basis, and eligible Canadian resident holders of BN Class A Shares will have the right to elect to receive, in lieu of Class A Shares, one BNCC Exchangeable Share for each BN Class A Share on a tax-deferred rollover basis.

Based on discussions with Management of BN and BWS as well as their legal advisers, we have assumed that the Transaction and legal steps contemplated under the Plan of Arrangement will not give rise to material one-time tax liabilities, nor materially increase the effective tax rate of BN, BWS and their subsidiaries.

We have assumed that the financial information provided by Management of BN and BWS, as at, and for the year ended December 31, 2025, contained no material unrecorded, undisclosed, or contingent assets, liabilities or commitments, except as noted within this letter. Further, we assumed that BN and BWS did not have any unusual or significant contractual obligations or litigation pending or threatened, as at the Fairness Opinion Date, except as noted within this letter.

KPMG has relied upon the completeness, accuracy and fair presentation of all the financial and other factual information, data, advice, opinions or representations obtained by it from public sources, obtained by or on behalf of BN and/or BWS, or otherwise obtained by KPMG, including the representation letter identified below (collectively, the "Information"). The Fairness Opinion is conditional upon the completeness, accuracy and fair presentation of such Information. Subject to the exercise of professional judgment, KPMG has not attempted to verify independently the completeness, accuracy or fair presentation of any of this Information. In preparing the Fairness Opinion, KPMG has made certain assumptions in addition to those noted herein which it considered to be reasonable and appropriate in the circumstances.

Management of BN and BWS have represented to KPMG in a representation letter, among other things, that the Information provided to KPMG in connection with the Fairness Opinion was, at the date the Information was provided, complete, true, and correct in all material respects and does not omit to state any material fact. Further, Management of BN and BWS have represented that there has been no material change, financial or otherwise, in the financial condition, assets, liabilities, business, operations or prospects of BN and/or BWS which would reasonably be expected to materially affect the Fairness Opinion and that there are not any material contingent liabilities or actions, suits, proceedings or investigations or enquiries pending or threatened against or affecting BN and/or BWS, which may in any way materially affect the Fairness Opinion.

The Fairness Opinion is given as of the Fairness Opinion Date. KPMG disclaims any undertaking or obligation to advise any person of any changes in any fact or matter affecting the Fairness Opinion, which would have been known or expected to be known as of the date hereof, but may come or be brought to KPMG's attention after such date, or which occurs after the date hereof. Without limiting the foregoing, in the event that there is any material change in any fact or matter affecting the Fairness Opinion which would have been known or expected to be known as of the date hereof, but may be brought to KPMG's attention after such date, or which occurs after the date hereof, KPMG reserves the right to change, modify, or withdraw the Fairness Opinion and disclaims any undertaking or obligation to update the Fairness Opinion after such date. Moreover, KPMG reserves the right, but will be under no obligation, to complete any additional analyses that might subsequently be required following the receipt of additional information.

KPMG's conclusions are rendered, as best as reasonably possible, on the basis of securities markets, economic, financial and general business conditions prevailing as at the Fairness Opinion Date and the condition and prospects, financial and otherwise, of BN and/or BWS as they were reflected in the Information and as they have been represented to KPMG in discussions with Management.

In its analyses and in preparing the Fairness Opinion, KPMG made various assumptions with respect to industry performance, general business and economic conditions and other matters, which it considered to be reasonable and appropriate in the circumstances, many of which are beyond the control of KPMG, BN and BWS.

No opinion, counsel, or interpretation is intended in matters that require legal or appropriate professional advice. It is assumed that such opinions, counsel or interpretations have been or will be obtained from the appropriate professional sources.

KPMG believes that the Fairness Opinion should be considered as a whole and that selecting portions of KPMG's analysis could create a misleading view of the methodologies and approaches underlying KPMG's conclusions. The preparation of a Fairness Opinion is a complex process and not necessarily susceptible to a partial analysis or summary description. Any attempt to do so could lead to undue emphasis on any particular factor or analysis.

8.0 Approach

KPMG has based the Fairness Opinion on methods and techniques that KPMG considered appropriate in the circumstances and considered a number of factors in KPMG's comprehensive determination of the fairness of the consideration to be received by public holders of BN Class A Shares and BWS Class A Shares as part of the Transaction, from a financial point of view, to such holders. Specifically, we have assessed whether the fair market value of the BN Class A Shares and the fair market value of BWS Class A Shares given up by public shareholders is less than or equal to the fair market value of the Class A Shares or BNCC Exchangeable Shares received by the public shareholders in return. We considered the Transaction from the perspective of public shareholders generally and did not consider the specific circumstances of any particular public holder of BN Class A Shares or BWS Class A Shares, including any such public shareholder's investment objectives, risk appetite, cost of acquisition, liquidity expectations, investment horizon, or tax position.

For the purpose of the Fairness Opinion, fair market value is defined as the price, expressed in terms of cash equivalents, at which property would change hands between a hypothetical willing and able buyer and a hypothetical willing and able seller, each acting at arm's length in an open and unrestricted market, when neither is under compulsion to buy or to sell and when both have reasonable knowledge of relevant facts.

In order to assess whether or not the consideration to be received by public holders of BN Class A Shares and BWS Class A Shares as part of the Transaction is fair, from a financial point of view, to such holders, we considered the following:

- a) A detailed review of the Plan of Arrangement;
- b) A detailed review of the terms of the Transaction, specifically the factors and considerations in negotiating the Transaction;
- c) A detailed review of the economic attributes of the BN Class A Shares, BWS Class A Shares, and Class A Shares;
- d) A review of historical trading patterns of BWS Class A Shares in comparison to BN Class A Shares, given BWS Class A Shares were structured to be economically equivalent to BN Class A Shares, as evidenced by the historically narrow trading spread between the two securities;

Brookfield Corporation & Brookfield Wealth Solutions Ltd.

Privileged & Confidential

May 26, 2026

- e) An assessment of the impact of the Transaction on the fair market value of the BN Class A Shares, BWS Class A Shares, and Class A Shares;
- f) Consideration of potential financial factors, including any net benefits or costs that may accrue to the shareholders of BN Class A Shares and BWS Class A Shares upon the completion of the Transaction;
- g) A detailed review of the draft Circular and consideration of the qualitative factors outlined therein, including the reasons for the Transaction identified by the Boards;
- h) A review of published market data and other public information available related to BN and BWS;
- i) A review of relevant supporting documentation prepared by Management's legal and/or tax advisors and relied upon by Management for purposes of determining the terms of the Transaction;
- j) KPMG's judgment and experience; and,
- k) Such other factors as KPMG deemed appropriate.

We note that our analysis, research and market information were gathered in April and May 2026. Our analyses and resulting Fairness Opinion assume that no material economic or financial changes occurred between the completion of our analysis and the Fairness Opinion Date.

9.0 Conclusion

Based upon and subject to the foregoing, and such other matters KPMG considered to be relevant, KPMG is of the opinion that as of the date hereof, the consideration to be received by public holders of BN Class A Shares and BWS Class A Shares as part of the Transaction is fair, from a financial point of view, to such holders.

Yours very truly,

KPMG LLP
