Any registered BN Class A Shareholder that is an Eligible U.K. Holder and whose completed Letter of Transmittal and all other required documents are not received by the Depository prior to the Election Deadline will participate in the Arrangement in the same manner as all other BN Class A Shareholders (other than Eligible Canadian Holders that make a valid Canadian Election) and will not be entitled to rollover treatment under the Arrangement.

The terms described in the Circular are incorporated by reference into this Letter of Transmittal. The Circular contains important information, and BN Class A Shareholders are urged to read the Circular in its entirety. The term “**Deposited BN Class A Shares**” refers to the BN Class A Shares identified below as being deposited in connection with the Arrangement and all other rights and benefits arising from such BN Class A Shares.

Only Eligible Canadian Holders who wish to receive Exchangeable Shares are required to complete this Step 2. If you are an Eligible Canadian Holder and you do not complete this Step 2, you will be deemed to have made an election to receive the Consideration in the form of Class A Shares and will not be entitled to rollover treatment under the Arrangement.

“**Eligible Canadian Holder**” means a BN Class A Shareholder that is: (i) a Person, other than a partnership, that is a resident of Canada for purposes of the Tax Act and not exempt from tax under Part I of the Tax Act; or (ii) a partnership that is a “Canadian partnership” as defined in subsection 102(1) of the Tax Act.

If the undersigned is an Eligible Canadian Holder and wishes to receive Consideration that includes Exchangeable Shares for the Deposited BN Class A Shares, the undersigned must complete the following information:

BOX 2	
The undersigned is, or is holding on behalf of, an Eligible Canadian Holder that wishes to receive Consideration in exchange for their Deposited BN Class A Shares in the form of:	
☐	<u>ALL</u> Exchangeable Shares <i>If the undersigned elects to receive their Consideration entirely in the form of Exchangeable Shares, the undersigned will receive one (1) Exchangeable Share for each Deposited BN Class A Share.</i>
☐	<u>A COMBINATION</u> of Exchangeable Shares and Class A Shares, as follows: <i>If a combination of Exchangeable Shares and Class A Shares is chosen, please fill in the number of Exchangeable Shares to be received:</i> Number of Exchangeable Shares: _____ <i>(By making a combination election, the undersigned acknowledges that they are electing to receive Class A Shares to satisfy the remainder of the Consideration to which they are entitled after their elected number of Exchangeable Shares. For example, if a holder has deposited ten (10) BN Class A Shares, and elects to receive four (4) Exchangeable Shares, they will, subject to the Available Class A Share Amount discussed in the Circular and below, be deemed to have elected to receive six (6) Class A Shares as the remainder of their Consideration.)</i>
☐	The undersigned wishes to make a tax election pursuant to subsection 85(1) or subsection 85(2), as applicable, of the <i>Income Tax Act</i> (Canada) (and the corresponding provisions of any applicable provincial tax legislation) (as applicable, a “ Tax Election ”) with Brookfield Canada Corporation in respect of the BN Class A Shares deposited hereunder.
Email address: _____	

By completing the information in the above box, the undersigned:

1. represents and warrants that the undersigned is, or holds BN Class A Shares on behalf of, and will be, or will hold BN Class A Shares on behalf of, at the Effective Time, an Eligible Canadian Holder;
2. acknowledges that a full or partial Canadian tax deferral is only available to the extent that the undersigned receives Exchangeable Shares in full or partial satisfaction of the Consideration to which they are entitled and validly makes a Tax Election with New BNC as described under the heading “Certain Canadian Federal Income Tax Considerations” in the Circular;
3. acknowledges and understands that a BN Class A Shareholder who wishes to make a Tax Election must make a valid submission on the Tax Election Portal within 60 days following the Effective Date (the “**Tax Election Portal Closing Date**”), duly completed with: (i) the required information concerning such holder, (ii) the details of the number of Deposited BN Class A Shares; and (iii) the applicable elected amounts for the purposes of such Tax Elections; and
4. acknowledges and understands that none of BN, New BN, New BNC or the Depositary will be responsible for the proper or accurate completion of any Tax Election form or for checking or verifying the content of any Tax Election form and, except for New BNC’s obligation to return (within thirty (30) days after the valid submission on the Tax Election Portal) duly completed Tax Election forms (and only in respect of valid submissions made on the Tax Election Portal before the Tax Election Portal Closing Date), New BNC will not be responsible for any taxes, interest or penalties resulting from the failure by an Eligible Canadian Holder

to properly and accurately complete or file the necessary Tax Election forms in the form, manner and within the time prescribed by the *Income Tax Act* (Canada) (or any applicable provincial legislation).

The undersigned further acknowledges and understands that:

1. The Canadian tax consequences of receiving or holding Exchangeable Shares may differ significantly from the Canadian tax consequences of receiving or holding Class A Shares, depending upon the particular circumstances of an Eligible Canadian Holder. Careful consideration should be given by Eligible Canadian Holders to the tax consequences in determining whether or not a Canadian Election should be made to receive Exchangeable Shares in connection with the Arrangement. Registered BN Class A Shareholders that are, or that hold BN Class A Shares on behalf of, Eligible Canadian Holders should consult their financial and tax advisors prior to making a Canadian Election as to the consideration they wish to receive pursuant to the Arrangement.
2. Where an Eligible Canadian Holder and New BNC make a Joint Tax Election, such holder may nonetheless realize a capital gain on the disposition of such holder's BN Class A Shares in certain circumstances. Eligible Canadian Holders wishing to make a Joint Tax Election should consult their own tax advisors.
3. The aggregate number of Class A Shares issuable to Eligible Canadian Holders that make a Canadian Election pursuant to this Letter of Transmittal is subject to a cap (the "**Available Class A Share Amount**"). If such holders in the aggregate elect to receive a number of Class A Shares that is greater than the Available Class A Share Amount, each such holder may be deemed to have elected to receive more Exchangeable Shares than they in fact elected pursuant to Box 2 of this Letter of Transmittal. Any increase in the amount of Exchangeable Shares that electing Eligible Canadian Holders are deemed to have elected to receive will occur on a proportionate basis amongst such holders.

For further information, see "Certain Canadian Federal Income Tax Considerations" in the Circular.

Step 3 – Eligible U.K. Holders

Only Eligible U.K. Holders who wish to participate in the Arrangement such that they will meet the conditions for mandatory tax-deferred rollover relief under Section 135 TCGA 1992 in connection with the Arrangement are required to complete this Step 3. Where the relevant conditions for rollover are met, the exchange is not treated as a disposal of your BN Class A Shares or an acquisition of Class A Shares. Instead, the Class A Shares are treated as the same asset acquired at the same cost as the original BN Class A Shares, effectively rolling over any capital gain until the Class A Shares are sold.

If you are an Eligible U.K. Holder and you do not complete this Step 3, you will be deemed to have participated in the Arrangement in the same manner as all other BN Class A Shareholders (other than Eligible Canadian Holders that make a valid Canadian Election) and will not meet the conditions for rollover treatment as described above under the Arrangement, and resultantly may crystallise a capital gain, or chargeable gain subject to corporation tax in the case of a corporate entity, as a result of the exchange of BN Class A Shares for Class A Shares.

“**Eligible U.K. Holder**” means a BN Class A Shareholder that: (i) is resident in the United Kingdom for U.K. tax purposes (and, where applicable, is not resident for tax purposes in any other jurisdiction); (ii) holds BN Class A Shares as capital assets and is not dealing in shares or securities; and (iii) is eligible, based on its own particular circumstances, to obtain rollover and/or reorganization treatment in connection with the Arrangement.

BOX 3	
By checking the box below, the undersigned hereby represents and warrants that the undersigned is an Eligible U.K. Holder and elects to participate in the Arrangement such that they will be entitled to rollover treatment in connection with the Arrangement:	
☐	I am an Eligible U.K. Holder

Step 4 – Delivery Instructions

All registered BN Class A Shareholders that are Eligible Canadian Holders or Eligible U.K. Holders and wish to make a Canadian Election or U.K. Election, respectively, must complete this Step 4.
