APRIL 2023

# FORWARD LOOKING STATEMENTS & OTHER DISCLOSURES

**Statements in this presentation regarding The Bancorp, Inc.'s ("The Bancorp") business** that are not historical facts or concern our earnings guidance or 2030 plan are "forward-looking statements". These statements may be identified by the use of forward-looking terminology, including the words "may," "believe," "will," "expect," "anticipate," "estimate," "intend," "plan," or similar words, and are based on current expectations about important economic, political, and technological factors, among others, and are subject to risks and uncertainties, which could cause the actual results, events or achievements to differ materially from those set forth in or implied by the forward-looking statements and related assumptions. These risks and uncertainties include those relating to the on-going COVID-19 pandemic, the impact it will have on the company's business and the industry as a whole, and the resulting governmental and societal responses. 2023 guidance and long-term financial targets in this presentation assume achievement of management's credit roadmap growth goals as described herein and other growth goals. If such assumptions are not met, guidance and long-term financial targets might not be reached. For further discussion of these risks and uncertainties, see the "risk factors" sections contained, in The Bancorp's Annual Report on Form 10-K for the year ended December 31, 2022 and in its other public

filings with the SEC. In addition, these forward-looking statements are based upon assumptions with respect to future strategies and decisions that are subject to change. Actual results may differ materially from the anticipated results discussed in these forward-looking statements. The forward-looking statements speak only as of the date of this presentation. The Bancorp does not undertake to publicly revise or update forward-looking statements in this presentation to reflect events or circumstances that arise after the date of this presentation, except as may be required under applicable law.

**This presentation contains information regarding financial results** that is calculated and presented on the basis of methodologies other than in accordance with accounting principles generally accepted in the United States ("GAAP"), such as those identified in the Appendix. As a result, such information may not conform to SEC Regulation S-X and may be adjusted and presented differently in filings with the SEC. Any non-GAAP financial measures used in this presentation are in addition to, and should not be considered superior to, or a substitute for, financial statements prepared in accordance with GAAP. Non-GAAP financial measures are subject to significant inherent limitations. The non-GAAP measures presented herein may not be comparable

to similar non-GAAP measures presented by other companies. This information may be presented differently in future filings by The Bancorp with the SEC.

This presentation may contain statistics and other data that in some cases has been obtained from or compiled from information made available by third-party service providers. The Bancorp makes no representation or warranty, express or implied, with respect to the accuracy, reasonableness or completeness of such information.

Past performance is not indicative nor a guarantee of future results.

## HIGHLIGHTS

- ✓ Floating rate lending businesses include Real Estate Bridge Lending, SBLOC, IBLOC and the majority of Small Business
- ✓ Deposits primarily comprised of prepaid and debit accounts, anchored by multi-year, contractual relationships
- ✓ Interest income is modeled to increase in higher rate environments

<sup>1</sup>Loans are as of March 31, 2023, and deposits are average balance for Q1 2023.

<sup>2</sup>Institutional Banking substantially comprised of securities backed loans and insurance backed loans.

<sup>3</sup>Excludes \$4M of short-term PPP loans which are government guaranteed and deferred costs and fees. Please see Appendix slide 35 for reconciliation to total SBA Loans.

## FINANCIAL REVIEW: EARNINGS AND PROFITABILITY

# REVENUE GROWTH HAS SIGNIFICANTLY EXCEEDED EXPENSE GROWTH

## HIGHLIGHTS

- Net interest income growth driven by increased NIM from heightened interest rate environment
- Greater ratio of non-interest income to total assets compared to peers<sup>2</sup>

<sup>1</sup>Revenue includes net interest income and non-interest income. Please see Appendix slide 33.

<sup>2</sup>Non-interest income as percentage of average assets ranks in top 11% of the uniform bank performance report peer group through Q4 2022.
