EXHIBIT 3.11

Advised Line of Credit Note

\$1,500,000.00

Date: August 3, 2020

Promise to Pay. On or before June 25, 2021, for value received, OTC Markets Group Inc. (the "Borrower") promises to pay to JPMorgan Chase Bank, N.A., whose address is 237 Park Ave, Floor 07, New York, NY 10017-3140 (the "Bank") or order, in lawful money of the United States of America, the sum of One Million Five Hundred Thousand and 00/100 Dollars (\$1,500,000.00) or so much thereof as may be advanced and outstanding, plus interest on the unpaid principal balance computed on the basis of the actual number of days elapsed in a year of 360 days at the rate of 0% Per Annum (the "Applicable Margin") above the CB Floating Rate (the interest rate of this Note on any day is referred to herein as the "Note Rate"), and at the rate of 3.00% Per Annum above the Note Rate, at the Bank's option, upon the occurrence of any default under this Note, whether or not the Bank elects to accelerate the maturity of this Note, from the date such increased rate is imposed by the Bank.

In no event shall the interest rate exceed the maximum rate allowed by law. Any interest payment that would for any reason be unlawful under applicable law shall be applied to principal.

Interest will be computed on the unpaid principal balance from the date of each borrowing.

Interest Payments. Until maturity, the Borrower will pay consecutive monthly installments of interest only commencing July 1, 2020.

The Borrower shall make all payments on this Note and the other Related Documents, without setoff, deduction, or counterclaim, to the Bank at the Bank's address above or at such other place as the Bank may designate in writing. If any payment of principal or interest on this Note shall become due on a day that is not a Business Day, the payment will be made on the next succeeding Business Day. Payments shall be allocated among principal, interest and fees at the discretion of the Bank unless otherwise agreed or required by applicable law. Acceptance by the Bank of any payment that is less than the payment due at that time shall not constitute a waiver of the Bank's right to receive payment in full at that time or any other time.

Statements. The Bank may from time to time provide the Borrower with account statements or invoices with respect to any of the Liabilities ("Statements"). The Bank is under no duty or obligation to provide Statements, which, if provided, will be solely for the Borrower's convenience. Statements may contain estimates of the amounts owed during the relevant billing period, whether of principal, interest, fees or other Liabilities. If the Borrower pays the full amount indicated on a Statement on or before the due date indicated on such Statement, the Borrower shall not be in default of payment with respect to the billing period indicated on such Statement; provided, that acceptance by the Bank of any payment that is less than the total amount actually due at that time (including but not limited to any past due amounts) shall not constitute a waiver of the Bank's right to receive payment in full at another time.

Authorization for Direct Payments (ACH Debits). To effectuate any payment due under this Note or under any other Related Documents, the Borrower hereby authorizes the Bank to initiate debit entries to Account Number 764232302 at the Bank and to debit the same to such account. This authorization to initiate debit entries shall remain in full force and effect until the Bank has received written notification of its termination in such time and in such manner as to afford the Bank a reasonable opportunity to act on it. The Borrower represents that the Borrower is and will be the owner of all funds in such account. The Borrower acknowledges: (1) that such debit entries may cause an overdraft of such account which may result in the Bank's refusal to honor items drawn on such account until adequate deposits are made to such account; (2) that the Bank is under no duty or obligation to initiate any debit entry for any purpose; and (3) that if a debit is not made because the above-referenced account does not have a sufficient available balance, or otherwise, the payment may be late or past due.

Late Fee. Any principal or interest which is not paid within 10 days after its due date (whether as stated, by acceleration or otherwise) shall be subject to a late payment charge of five percent (5.00%) of the total payment due, in addition to the payment of interest, up to the maximum amount of One Thousand Five Hundred and 00/100 Dollars (\$1,500.00) per late charge. The Borrower agrees to pay and stipulates that five percent (5.00%) of the total payment due is a reasonable amount for a late payment charge. The Borrower shall pay the late payment charge upon demand by the Bank or, if billed, within the time specified.

Purpose of Loan. The Borrower acknowledges and agrees that this Note evidences a loan for a business, commercial, agricultural or similar commercial enterprise purpose, and that no advance shall be used for any personal, family or household purpose. The proceeds of the loan shall be used only for the Borrower's general corporate purposes. The Borrower agrees not to request any loan or use, or permit any proceeds of any loan to be used, directly or indirectly, by the Borrower or any of its Subsidiaries or its or their respective

directors, officers, employees and agents: (a) in furtherance of an offer, payment, promise to pay, or authorization of the payment or giving of money, or anything else of value, to any Person in violation of any Anti-Corruption Laws; (b) for the purpose of funding, financing or facilitating any activities, business or transaction of or with any Sanctioned Person, or in any Sanctioned Country except to the extent permitted for a Person required to comply with Sanctions; or (c) in any manner that would result in the violation of any Sanctions applicable to any party hereto.

Uncommitted Line of Credit. The execution and delivery of this Note by the Borrower and the acceptance by the Bank of this Note shall not be deemed or construed to create any contractual commitment to lend by the Bank to the Borrower. The line of credit is in the form of advances made by the Bank to the Borrower under this Note ("Advances"), each of which shall be made, by the Bank on behalf of the Borrower in the Bank's sole and absolute discretion. This Note evidences the Borrower's obligation to repay those Advances. The Bank may, for any reason or no reason at all, refuse to make any Advance at any time without prior notice to the Borrower, including without limitation, whether or not an event of default has occurred or exists or whether or not the Bank has made any Advances under similar circumstances. The Borrower has executed and delivered this Note to provide for the terms that must be met before the Bank will consider making an advance to the Borrower and for ease of administering advances that the Bank may in its sole discretion make to the Borrower. The aggregate outstanding principal amount of debt evidenced by this Note is the amount so reflected from time to time in the records of the Bank.

LIBOR is intended to represent the rate at which contributing banks may obtain short-term borrowings from each other in the London interbank market. In July 2017, the U.K. Financial Conduct Authority announced that, after the end of 2021, it would no longer persuade or compel contributing banks to make rate submissions to the IBA for purposes of the IBA setting LIBOR. As a result, it is possible that commencing in 2022, LIBOR may no longer be available or deemed an appropriate reference rate upon which to determine the interest rate on LIBOR Rate advances. In light of this eventuality, public and private sector industry initiatives are currently underway to identify new or alternative reference rates to be used in place of LIBOR. In the event that a Benchmark Transition Event occurs or LIBOR is no longer available (or in certain other circumstances), the "Illegality/Alternate Rate of Interest" provision below provides a mechanism for determining an alternative rate of interest. The Bank will notify the Borrower in advance of any change to the reference rate upon which the interest rate on LIBOR Rate advances is based. However, the Bank does not warrant or accept any responsibility for, and shall not have any liability with respect to, the administration, submission or any other matter related to LIBOR or other rates in the definition of "LIBOR Rate" or with respect to any alternative, successor rate thereto, or replacement rate thereof, including without limitation, whether the composition or characteristics of any such alternative, successor or replacement reference rate will be similar to, or produce the same value or economic equivalence of, the LIBOR Rate or have the same volume or liquidity as did LIBOR prior to its discontinuance or unavailability.

17. **"Per Annum"** means for a year deemed to be comprised of 360 days.
18. **"Person"** means any individual, corporation, partnership, limited liability company, joint venture, joint stock association, association, bank, business trust, trust, unincorporated organization, any foreign governmental authority, the United States of America, any state of the United States and any political subdivision of any of the foregoing or any other form of entity.

19. **"Pledgor"** means any Person providing Collateral.
20. **"Prime Rate"** means the rate of interest last quoted by The Wall Street Journal as the "Prime Rate" in the U.S. or, if The Wall Street Journal ceases to quote such rate, the highest per annum interest rate published by the Federal Reserve Board in Federal Reserve Statistical Release H.15 (519) (Selected Interest Rates) as the "bank prime loan" rate or, if such rate is no longer quoted therein, any similar rate quoted therein (as determined by the Bank) or any similar release by the Federal Reserve Board (as determined by the Bank). Such reserve percentages shall include those imposed pursuant to such Regulation D of the Federal Reserve Board. LIBOR Rate advances shall be deemed to constitute eurocurrency funding and to be subject to such reserve requirements without benefit of or credit for proration, exemptions or offsets that may be available from time to time to the Bank under such Regulation D of the Federal Reserve Board or any comparable regulation. The Statutory Reserve Rate shall be adjusted automatically on and as of the effective date of any change in any reserve percentage.

Bank's Right of Setoff. The Borrower grants to the Bank a security interest in the Deposits, and the Bank is authorized to setoff and apply, all Deposits, Securities and Other Property, and Bank Debt against any and all Liabilities. This right of setoff may be exercised at any time and from time to time after the occurrence of any default, without prior notice to or demand on the Borrower and regardless of whether any Liabilities are contingent, unmatured or unliquidated. The Borrower agrees that to the extent any payment or transfer is received by the Bank in connection with the Liabilities evidenced by this Note, and all or any part of the payment or transfer is subsequently invalidated, declared to be fraudulent or preferential, set aside or required to be transferred or repaid by the Bank or transferred or paid over to a trustee, receiver or any other Person, whether under any bankruptcy act or otherwise (any of those payments or transfers is hereinafter referred to as a "Preferential Payment"), then this Note shall continue to be effective or shall be reinstated, as the case may be, even if all those Liabilities have been paid in full and whether or not the Bank is in possession of this Note, or whether the Note has been marked paid, released or canceled, or returned to the Borrower and, to the extent of the payment, repayment or other transfer by the Bank, the Liabilities or part intended to be satisfied by the Preferential Payment shall be revived and continued in full force and effect as if the Preferential Payment had not been made.

Marketing Consent. The Borrower hereby authorizes the Bank, at Bank's sole expense, and without any prior approval by or compensation to the Borrower, to include the Borrower's name and logo in advertising, marketing, tombstones, case studies and training materials, posted on the Internet (including social media), on the Bank's Intranet, in pitchbooks and materials sent to prospective and existing customers, in newspapers or journals and to give such other publicity to this agreement and any related products and services, as Bank may from time to time determine in its sole discretion.

Governing Law and Venue. This Note and (unless stated otherwise therein) all Related Documents shall be governed by and construed in accordance with the laws of the State of New York (without giving effect to its laws of conflicts). The Borrower agrees that any legal action or proceeding with respect to any of its obligations under this Note may be brought by the Bank in any state or federal court located in the State of New York, as the Bank in its sole discretion may elect. By the execution and delivery of this Note, the Borrower submits to and accepts, for itself and in respect of its property, generally and unconditionally, the non-exclusive jurisdiction of those courts. The Borrower waives any claim that the State of New York is not a convenient forum or the proper venue for any such suit, action or proceeding.

Renewal and Extension. This Note is given in replacement, renewal and/or extension of, but not in extinguishment of the indebtedness evidenced by, that Advised Line of Credit Note dated July 18, 2013 executed by the Borrower in the original principal amount of One Million Five Hundred Thousand and 00/100 Dollars (\$1,500,000.00), including previous renewals or modifications thereof, if any (the "Prior Note" and together with all loan agreements, credit agreements, reimbursement agreements, security agreements, mortgages, deeds of trust, pledge agreements, assignments, guaranties, and any other instrument or document executed in connection with the Prior Note, the "Prior Related Documents"), and is not a novation thereof. All interest evidenced by the Prior Note shall continue to be due and payable until paid. The Borrower fully, finally, and forever releases and discharges the Bank and its successors, assigns, directors, officers, employees, agents, and representatives (each a "Bank Party") from any and all causes of action, claims, debts, demands, and liabilities, of whatever kind or nature, in law or equity, of the Borrower, whether now known or unknown to the Borrower (i) in respect of the Liabilities evidenced by the Prior Note and the Prior Related Documents, or of the actions or omissions of any Bank Party in any manner related to the Liabilities evidenced by the Prior Note or the Prior Related Documents and (ii) arising from events occurring prior to the date of this Note. If applicable, all Collateral continues to secure the payment of this Note and the Liabilities. The provisions of this Note are effective on June 26, 2020.

Illegality/Alternate Rate of Interest. If:

- (i) any applicable domestic or foreign law, treaty, rule or regulation now or later in effect (whether or not it now applies to the Bank) or the interpretation or administration thereof by a governmental authority charged with such interpretation or administration, or compliance by the Bank with any guideline, request or directive of such an authority (whether or not having the force of law), shall make it unlawful or impossible for the Bank to maintain or fund the advances evidenced by this Note, or
- (ii) the Bank determines that quotations of interest rates for the relevant deposits referred to in the definition of Adjusted One Month LIBOR Rate are not being provided for purposes of determining the interest rate on the advances evidenced by this Note, or
- (iii) the Bank determines that the relevant interest rates referred to in the definition of Adjusted One Month LIBOR Rate do not accurately cover the cost to the Bank of making, funding or maintaining the advances evidenced by this Note,

then, upon notice of such circumstances from the Bank to the Borrower (a) the obligation of the Bank to make advances shall be suspended until the Bank notifies the Borrower that the circumstances giving rise to the suspension no longer exists, and (b) subject to the terms and conditions of this Note and the other Related Documents, the entire outstanding balance of any advance shall be replaced with an advance bearing interest at (a) the greater of (x) Prime Rate and (y) 2.50%, plus (b) the Applicable Margin (the "**Alternate Rate**"), and the Borrower may request advances upon this Note bearing interest at the Alternate Rate.

If a Benchmark Transition Event occurs, the entire outstanding balance of any advance shall be replaced with an advance bearing interest at the Alternate Rate and the Borrower may request advances upon this Note bearing interest at the Alternate Rate.

Miscellaneous. If more than one Borrower executes this Note: (i) each Borrower is liable jointly and severally for the Liabilities evidenced by this Note; (ii) the term "Borrower" means any one or more of them; and (iii) the receipt of value by any one of them constitutes the receipt of value by the others. This Note binds the Borrower and its successors, and benefits the Bank, its successors and assigns. Any reference to the Bank includes any holder of this Note. Section headings are for convenience of reference only and do not affect the interpretation of this Note. This Note and the other Related Documents embody the entire agreement between the Borrower and the Bank regarding the terms of the loan evidenced by this Note and supercede all oral statements and prior writings relating to that loan. No delay on the part of the Bank in the exercise of any right or remedy waives that right or remedy. No single or partial exercise by the Bank of any right or remedy precludes any other future exercise of it or the exercise of any other right or remedy. No waiver or indulgence by the Bank of any default is effective unless it is in writing and signed by the Bank, nor shall a waiver on one occasion bar or waive that right on any future occasion. The rights of the Bank under this Note and the other Related Documents are in addition to other rights (including without limitation, other rights of setoff) the Bank may have contractually, by law, in equity or otherwise, all of which are cumulative and hereby retained by the Bank. The Borrower agrees that the Bank and its Affiliates may at any time work together and share any information about the Borrower and its Affiliates and their relationships, with and among the Bank or any of its Affiliates or their successors, or any purchaser or potential purchaser of this Note or any of the Liabilities, or any representative of any of the parties described in this sentence. The Borrower agrees that the Bank may at any time sell, assign or transfer one or more interests or participations in all or any part of its rights and obligations in this Note to one or more purchasers whether or not related to the Bank. If any one or more of the obligations of the Borrower under this Note or any provision hereof is held to be invalid, illegal or unenforceable in any jurisdiction, the validity, legality and enforceability of the remaining obligations of the Borrower and the remaining provisions shall not in any way be affected or impaired; and the invalidity, illegality or unenforceability in one jurisdiction shall not affect the validity, legality or enforceability of such obligations or provisions in any other jurisdiction. Time is of the essence under this Note and in the performance of every term, covenant and obligation contained herein.

The Bank agrees that it will treat information provided by the Borrower or its representatives to the Bank (the "Information") as confidential; provided, however, that the Bank may disclose the Information (a) to its Affiliates and its and its Affiliates' directors, employees, officers, auditors, consultants, agents, counsel and advisors (such Affiliates and such Persons collectively, "Representatives"), it being understood that its Representatives shall be informed by the Bank of the confidential nature of such Information and be instructed to comply with the terms of this section to the same extent as is required of the Bank hereunder; (b) in response to a subpoena or other legal process, or as may otherwise be required by law, order or regulation, or upon the request or demand of any governmental or regulatory agency or authority having jurisdiction over the Bank or its Representatives or to defend or prosecute a claim brought against or by the Bank and/or its Representatives; (c) to actual and prospective assignees, actual and prospective participants, and actual and prospective swap counterparties, provided that all such participants, assignees or swap counterparties execute an agreement with the Bank containing provisions substantially the same as those contained in this section; (d) to holders of Equity Interests in the Borrower, other than holders of any Equity Interest in a publicly traded company; (e) to any Obligor; and (f) with the Borrower's consent. The restrictions contained in this section shall not apply to Information which (a) is or becomes generally available to the public other than as a result of a disclosure by the Bank or its Representatives in breach of this section, or (b) becomes available to the Bank or its Representatives from a source, other than the Borrower or one of its agents, who is not known to the Bank or its Representatives to be bound by any obligations of confidentiality to the Borrower, or (c) was known to the Bank or its Representatives prior to its disclosure to the Bank or its Representatives by the Borrower or one of its agents or was independently developed by the Bank or its Representatives, or (d) was or is, after the date hereof, disclosed (or required to be disclosed) by the Borrower to the Bank or any of its Representatives under or in connection with any existing financing relationship between the Borrower and the Bank or any of its Representatives, the disclosure of which shall be governed by the agreements executed in connection with such financing relationship. Any Person required to maintain the confidentiality of the Information as provided in this section shall be considered to have complied with its obligation to do so if such Person has exercised the same degree of care to maintain the confidentiality of such Information as such Person would accord to its own confidential information.

Government Regulation. The Borrower shall not (a) be or become subject at any time to any law, regulation, or list of any government agency (including, without limitation, the U.S. Office of Foreign Asset Control list) that prohibits or limits the Bank from making any advance or extension of credit to the Borrower or from otherwise conducting business with the Borrower, (b) fail to maintain in effect and enforce policies and procedures designed to ensure compliance by the Borrower, its Subsidiaries and their respective directors, officers, employees and agents with Anti-Corruption Laws and applicable Sanctions, (c) fail to promptly inform the Bank in writing of all existing and all threatened litigation, claims, investigations, administrative proceedings and similar actions
