

Zimmer Biomet Holdings, Inc.
2021 Annual Meeting of Shareholders
Questions & Answers

In accordance with the Rules of Conduct and Procedures for Zimmer Biomet's 2021 annual meeting of shareholders held on May 14, 2021, below are answers to questions posed by shareholders that were not addressed during the Q&A portion of the annual meeting.

Is the company considering acquisitions or considering being acquired itself?

- We are committed to our Investment Grade rating, but we have the financial flexibility to pursue strategic, tuck-in M&A in markets that are accretive to our weighted average market growth rate where we have a path to leadership.

What are the plans to improve IT strategy/ERPs?

- We continue to execute on our overall IT strategy – which includes the continued consolidations, upgrades and replacements to our ERP landscape; supporting Zimmer Biomet digital and broader strategic priorities.

What is the device on the cover of the 2020 Annual report?

- Persona® Revision Knee System.

Why has the quarterly dividend payout been stagnant over the years as compared to other orthopedic companies?

- Our focus has been on repaying debt, maintaining investment grade and investing in our business, organically and inorganically. We aim to be a top quartile Total Shareholder Return performer and we believe the best way to do that is to accelerate our organic revenue growth profile while maintaining our best-in-class margin profile.

Georgia, Texas and numerous other states have passed or proposed changes to election laws. Please identify the steps the corporation will take to support voters' rights.

- At Zimmer Biomet, we support equitable and secure access to voting for all Americans. To date, Zimmer Biomet has not engaged on the Georgia voting reform law or any other such law being considered in other states or at the federal level.
