About Acadian Timber

Acadian Timber Corp. (“Acadian”) is one of the largest timberland owners in Eastern Canada and the Northeastern U.S. and has a total of approximately 2.4 million acres of land under management. Acadian owns and manages approximately 775,000 acres of freehold timberlands in New Brunswick, approximately 300,000 acres of freehold timberlands in Maine and provides timber services relating to approximately 1.3 million acres of Crown licensed timberlands in New Brunswick. Acadian’s primary business is forest management and the production of timber products, including softwood and hardwood sawlogs, pulpwood, and biomass by-products, sold to approximately 90 regional customers. Acadian also generates income through other operations, including real estate and environmental solutions.

Acadian’s business strategy is to maximize cash flows from its existing timberland assets through sustainable forest management and other land use activities while growing its business by acquiring assets and actively managing these assets to drive improved performance.

Acadian’s shares are listed for trading on the Toronto Stock Exchange under the symbol ADN.
