DELIVERING SUSTAINED ABOVE-MARKET OPERATIONAL REVENUE GROWTH

OPERATIONAL REVENUE GROWTH¹ (VS. MARKET²)

¹ Operational revenue growth (a non-GAAP financial measure) excludes the impact of foreign exchange

² Vetnosis 2020 Executive's Guide March 2020

[†] Normalized organic operational growth (a non-GAAP financial measure) excludes the impact of foreign exchange, operational efficiency initiative and acquisitions

^{*} Organic operational growth (a non-GAAP financial measure) excludes the impact of the acquisition of Abaxis, as well as foreign exchange; if included, Zoetis 2019 operational revenue growth is 10%.

MARGIN EXPANSION AND ADJUSTED NET INCOME GROWTH FASTER THAN REVENUE

ADJUSTED NET INCOME AND ADJUSTED EBIT MARGIN¹

¹Adjusted net income (a non-GAAP financial measure) is defined as reported U.S. generally accepted accounting principle (GAAP) net income excluding purchase accounting adjustments, acquisition-related costs and certain significant items. Adjusted Earnings Before Interest and Taxes (EBIT) margin, a non-GAAP financial measure, includes interest expense net of capitalized interest, interest income and adjusted income taxes (a non-GAAP measure). Based on 2019 estimates.

CAPITAL ALLOCATION FOCUSED ON DRIVING GROWTH AND SHAREHOLDER RETURNS

¹Adjusted R&D investment represents adjusted research and development expense (a non-GAAP financial measure), which is defined as reported U.S. generally accepted accounting principles (GAAP) research and development expense excluding purchase accounting adjustments, acquisition-related costs and certain significant items.

DELIVERING ON OUR LONG-TERM VALUE PROPOSITION TO SHAREHOLDERS

**GROW REVENUE IN LINE WITH
OR FASTER THAN THE MARKET**

**GROW ADJUSTED NET INCOME¹
FASTER THAN REVENUE**

**INVEST IN INNOVATION AND
TARGETED GROWTH OPPORTUNITIES**

**RETURN EXCESS CAPITAL
TO SHAREHOLDERS**

¹Adjusted Net Income is a non-GAAP measure and defined as the corresponding reported U.S. generally accepted accounting principles (GAAP) income statement line item, excluding purchase accounting adjustments, acquisition-related costs and certain significant items. The adjusted net income measure is not, and should not be, viewed as a substitute for U.S. GAAP reported net income attributable to Zoetis.
