Notes

(1) Net realized and unrealized gains (losses) added back in Adjusted net income excludes net realized and unrealized gains (losses) from the mortgage segment and unrealized gains (losses) on mortgage servicing rights.

(2) Specifically associated with acquisition purchase accounting. See Note (7) Goodwill and Intangible Assets, net, of the Company's Form 10-Q for the period ended September 30, 2025.

(3) Included in other expenses were expenses related to legal, banker and other expenses including expenses associated with preparation of the registration statement for the withdrawn Fortegra initial public offering in 2024, and $5.7 million of incentive fees related to realized and unrealized gains on equities and alternatives securities in 2025.

(4) Non-cash fair-value adjustments represent a change in fair value of the Fortegra Additional Warrant liability which are added back to adjusted net income.

(5) Included in the adjustment is an add-back of $25.4 million related to deferred tax expense from the WP Transaction.

(6) Tax on adjustments represents the tax applied to the total non-GAAP adjustments and includes adjustments for non-recurring or discrete tax impacts.

(7) Total Adjusted return on average equity after non-controlling interests was 22.0% based on $106.5 million of Adjusted net income over $483.6 million of average Tiptree Inc. stockholders' equity.
