- EDS Board, management announced closer to separation
- Investor days to be held for each company prior to spin completion

“

KEVIN CLARK
Chairman and Chief Executive Officer

We have a long track record of transforming Aptiv to best position our businesses to thrive in a dynamic environment and meet our customers' changing needs. The separation of Aptiv and EDS represents the next step in our transformation journey. By enhancing their strategic and operating focus and tailoring capital allocation and resources, we are positioning both Aptiv and EDS for even greater success and value creation.”

For important information about forward looking statements and use of non-GAAP financial information, see Jan 22, 2025 transaction press release in investor relations section of website: <https://ir.aptiv.com/>

1. Includes intercompany sales that are currently eliminated in consolidation.
2. EBITDA adjusted for restructuring and other special items; see Jan 22, 2025 transaction press release for detail and reconciliation to US GAAP.
3. Transaction expected to be tax-free to Aptiv and its shareholders for both Swiss and U.S. federal income tax purposes
4. Subject to final board approval and other customary conditions
