Notes to Historical Financial Summary

Note 1: Consult our filings with the Securities and Exchange Commission for additional details about our financial results.

Note 2: Definitions of terms reflected in this summary are available at *investors.yum.com*.

Note 3: Unless otherwise noted, results include the impact of a 53rd week in our 2019 and 2024 fiscal years.

Note 4: Investment (income) expense, net, reflects the change in the market price of Devyani and Grubhub common stock. We sold our approximate 5% minority investment in Devyani during the quarter ended March 31, 2024 and our investment in Grubhub, Inc. common stock during the quarter ended September 30, 2020.

Note 5: 2020, 2021 and 2022 results were impacted by temporarily closed restaurants, including restaurants closed due to government restrictions, as of a result of COVID-19. The sales of restaurants we deem temporarily closed remain in our base for purposes of determining same-store sales growth and the restaurants remain in our unit count.

Note 6: In 2021, when calculating same-store sales growth we also included in our prior year base the sales of stores in the quarter ended March 31, 2020, both before and after the acquisition date that were added as a result of our acquisition of The Habit Restaurants, Inc. on March 18, 2020, and that were open for one year or more. In 2020, when calculating same-store sales growth we also included in our prior year base the sales of stores that were added as a result of our acquisition of The Habit Restaurants, Inc. on March 18, 2020, and that were open for one year or more. In 2019, when calculating same-store sales growth we also included in our prior year base the sales of stores that were added as a result of the Telepizza strategic alliance in December 2018 and that were open for one year or more. Operating profit results of Habit Burger & Grill for the period subsequent to our acquisition are reflected in the consolidated figures.

Note 7: Our GAAP operating results presented herein reflect revenues from and expenses to support the Russian operations for KFC and Pizza Hut prior to the dates of sale or transfer, within their historical financial statement line items and operating segments. However, given our decision to exit Russia and our pledge to direct any future net profits attributable to Russia subsequent to the date of invasion to humanitarian efforts, we reclassified such net operating profits or losses from the Division segment results in which they were earned to Unallocated Other income (expense). Additionally, we incurred certain expenses related to the dispositions of the businesses and other one-time costs related to our exit from Russia which we recorded within Corporate and unallocated G&A and Unallocated Franchise and property expenses. Also recorded in Unallocated Other income (expense) were foreign exchange impacts attributable to fluctuations in the value of the Russian ruble and a charge of \$3 million recorded during the year ended December 31, 2023, as a result of the completion of the sale of the KFC Russia business. The resulting net Operating Loss of \$11 million for the year ended December 31, 2023, and net Operating Profit of \$44 million for the year ended December 31, 2022, have been reflected as Special Items.
