(1) Effective Q1, 2023 the Company reflects as Special Items those refranchising gains and losses that were recorded in connection with market-wide refranchisings. Thus, Special Items for the prior year have been restated to exclude the refranchising of restaurants unrelated to market-wide refranchisings which we believe are indicative of our expected ongoing refranchising activity. The impact of this change on previously reported Financing EBITDA is an increase of \$1 million and \$3 million for the quarter ended September 30, 2022 and for the LTM ended September 30, 2023, respectively.
